Kakatiya University was established on 19th August, 1976 to fulfill the aspirations of the Telangana people for higher education. The founding of the University over the years has been gradual but impressive. The University was initially accredited with B+ grade by the NAAC in 2002 and reaccredited with A grade in 2008. The University situated in a sprawling area of about 650 acres, has now 24 departments in four colleges on the campus with a network of eleven constituent colleges and 471 affiliated colleges. It has its Post-graduate Colleges at Subedari (Hanamkonda), Nirmal, Karimnagar, Godavari, Khammam and Kothagudem in addition to University Engineering College at Kothagudem. KU College of Engineering & technology is an University college comes under Govt. of Andhra Pradesh. It is one of the fast growing technical institutions for developing excellence in technical education.
