

Supported By

International Conference On "EMERGING BIOTECHNOLOGIES "

28th -30th January, 2016

Themes and topics

- Agricultural and Food Biotechnology
- Microbial and Industrial Biotechnology
- Biopharmaceutical and Medical Biotechnology
- Biology of cancer and aging
- Biodiversity and Environmental Biotechnology

Important dates

Registration deadline:
December 31st, 2015.

Abstract submission deadline:
January 10th, 2016.

Submission of full length paper:
At the time of conference 28th – 30th
January, 2016

FOREWORD

The International Conference on Emerging Biotechnologies 2016 will be organized by the Department of Biotechnology, Kakatiya University, Warangal, Telangana State, India from January 28th to January 30th, 2016. The endeavour of the present international conference is to bring scientists and academia, far and wide, to a common platform for dissemination of scientific information on different areas of biotechnology and apply them for making human life comfortable. Scientists from South Asia, Europe, America, Australia and other countries will be delivering plenary lectures on contemporary research in Biotechnology.

LANGUAGES

The official language used in the conference is English.

ABSTRACT AND MANUSCRIPT SUBMISSION

Abstract: Provide an abstract in English which states concisely the objectives and the results of the paper in not more than 250 words. The abstract should include title, names and affiliations of all authors, contact email

Venue of the Conference:

Kakatiya University
Auditorium, Vidyananyapuri,
Warangal , Telangana State, India
