Andhra Pradesh Society for Mathematical Sciences (APSMS) was found three decades ago with the initial efforts of Late Prof. N.C. Pattabhi Ramacharyulu, the then Professor of Mathematics, Regional Engineering College, Warangal, and Prof. P.V. Arunachalam, the then Professor of Mathematics, Sri Venkateswara University, Tirupati, and former Vice-Chancellor, Dravidian University, Kuppam. Since its inception, APSMS has grown in size and has been successfully and successfully organizing its annual conferences, providing a forum for research workers, young and old, to present their findings and for reviewing the state of the art in their specialized areas of mathematical sciences, besides bringing together academics for camaraderie and intellectual interaction. This is the only organization of its size devoted to Mathematical Sciences.

The XXVI conference of Andhra Pradesh Society for Mathematical Sciences (APSMS) & National Conference on Recent Advances in Mathematics will be organized during 11-13 August, 2017 by the Department of Mathematics, Kakatiya University, Warangal-506009, Telangana, India.
