VOLUME – I
PREFACE

It gives me immense pleasure to present the self-study report which highlights the significant progress of Kakatiya University during the period of assessment. The University is going for the 3rd Cycle of accreditation by National Assessment and Accreditation Council (NAAC).

Kakatiya University is one of the premier centers of higher education in Telangana aiming at excellence in teaching, research and extension activities ensuring quality, access, equity and values. The Mission of the University is to acquire commanding heights in the field of innovation, knowledge dissemination, cutting-Edge research, competency-building and extension activities with holistic approach for societal needs. The University believes in inculcating competitive spirit and human values among the students promoting peace and harmony in the society. It contributes for the amelioration of the weaker sections in an economically, socially and educationally developing region of the State of Telangana.

The Kakatiya University was first accredited with B+ grade in the year 2003. The University was subsequently re-accredited with ‘A’ grade in 2009. It occupied 38th position in national level rankings by India Today-Nielsen Survey. Kakatiya University established Memorandum of Understanding (MoU) with several universities and research institutes for collaborative research.

The significant areas of the achievements of the University during the period of assessment include collaborative research with national and international centers, sanction of DRS-SAP, DST-FIST and ICSSR programmes, undertaking research projects and publishing research papers, use of ICT for teaching-learning process, reaching out to the unreached through ODL, award of Indira Gandhi National Award by Govt. of India and State Government Awards for NSS Unit of University, capacity-building of the students to improve their employability skills. The University has been regularly making SWOC analysis and is leaving no stone unturned to achieve excellence through concerted efforts of its stakeholders.

I am confident that the creditable achievements of the University evidenced in the report and subsequent assessment and accreditation will certainly help the University to march towards academic excellence.

Prof. R. SAYANNA
Declaration by the Head of the Institution

I certify that the data included in this Self-Study Report (SSR) are true to the best of my knowledge.

This SSR is prepared by the institution after internal discussions, and no part thereof has been outsourced.

I am aware that the peer team will validate the information provided in this SSR during the peer team visit.

Signature of the Head of the Institution

EXECUTIVE SUMMARY

Introduction

Kakatiya University is located in a sprawling area of about 640 acres in Warangal city of Telangana and with 510.41 acres in ten districts’ constituent colleges. It has been catering to the educational needs of the North Telangana, a developing region comprising ten districts, namely Warangal Urban, Warangal Rural, Mahabubabad, Jayashankar Bhooopalpally, Jangaon, Mancherial, Khammam, Bhadrachalam, Nirmal and Adilabad. The University was established in 1976 and has completed 40 years of its service in the cause of higher education, research and training in the faculties of Arts, Commerce, Education, Engineering, Law, Pharmacy, Science and Social Sciences, thus laying a strong foundation for academic progress. The University was accredited with “B+” grade by NAAC in 2003 and again re-accredited with “A” grade during the year 2009.

Vision

Transforming the University into a Centre of Excellence
Ensuring Quality, Access, Equity and Values

Mission

Acquiring commanding heights in the field of Innovation, Knowledge dissemination, Cutting-edge Research, Competency building and Extension activities with Holistic approach for Societal needs.

Objectives:

- To attain high standards in teaching
- To impart qualitative knowledge and develop all-round skills of the students keeping in view the latest technological advancements and innovations.
- To make research socially relevant.
- To undertake collaborative research work with reputed national and international institutions/organizations.
- To undertake extension activities and community services involving the faculty and students with a view to contributing to social harmony and peace in the society.
- To inculcate righteousness, culture, tradition and human values among the students.
- To make the students globally competent.
- To promote national integration among the students.
- To promote interaction between the University and civil society.
- To achieve transparency and accountability in University administration.
- To provide the socially deprived sections of the society access to higher education to ensure equity.
I CURRICULAR ASPECTS

1.1 Jurisdiction of the University

Kakatiya University has 24 Departments with a network of 18 constituent colleges and about 529 Affiliated colleges. It has Post-Graduate Colleges at Subedari (Hanamkonda), Nirmal, Khammam, Jangaon, Jayashankar Bhoopalpally, Mahabubabad and University Engineering College at Kothagudem. Among the affiliated colleges, the University has 395 Arts & Science; 3 Law; 8 Engineering; 53 Education; 38 Management; 8 MCA and 24 Pharmacy colleges under its jurisdiction.

- The University has eight faculties and offers 9 undergraduate courses and 35 postgraduate courses; 6 Certificate, 2 Diploma, 1 PG Diploma Courses and 2 Five Year Integrated Courses.
- In addition to these courses, the University offers M.Phil. and Ph.D. Programmes in 10 and 28 subjects respectively.
- The School of Distance Learning and Continuing Education, Kakatiya University offers 54 courses/programmes through distance mode.
- The University imparts education through its courses to about 3.20 lakh students every year, mostly representing the socially backward groups and the backward region.

1.2 New Courses during 2009-2017

The University introduced the following interdisciplinary and job oriented courses/programmes during 2009-2017:

**UG Level**
- B.Sc.(Voc) courses in IT, Travel and Tourism
- B.Tech (EEE)

**PG Level**
- Nanoscience as third specialization in second year of M.Sc.(Physics) – emerging area
- Master in Communication and Journalism (MCJ) – inter disciplinary
- M.A(Gender studies) – inter disciplinary
- Master in Social Work (MSW) – inter disciplinary
- M.P.Ed. – inter disciplinary and
- M.Tech in Digital Communication – emerging area

**Research Level**
- Ph.D programme in Biotechnology emerging area

Out of these six are inter-disciplinary and three are in emerging areas.

**Centres**
1. Dr. B.R. Ambedkar Studies Centre
2. Coaching Centre for SC/ST and Minority Students for NET and other Competitive Examinations
3. Center for Women’s Studies
4. Kakatiya Adhyayana Kendram
5. Students Welfare Centre
Executive Summary

Kakatiya University, Warangal

Self-Study Report - 2017

1.3 Courses Introduced under Distance Mode during 2009-2017

The following job-oriented, self-employable courses have been introduced under distance education providing access to the weaker sections:

1. BA (Hotel Management)
2. BA (Fashion Design)
3. BCJ
4. Executive MBA programme
5. MBA Programme
6. MCA Programme
7. MCJ
8. MA Rural Development
9. MHRM
10. Diploma Course in Mimicry
11. Master's Degree in Botany, Chemistry, Physics, Zoology

1.4 Curriculum Update

The University is keeping in pace with ever-growing competition in various fields of education by revising and updating both the Undergraduate and Postgraduate courses periodically:

- The Boards of Studies of the respective departments undertake this responsibility following the guidelines of UGC/AICTE/NCTE.
  - The educational needs of the developing region of the state
  - Interdisciplinary approach and academic flexibility
  - Global challenges
  - Placement opportunities
  - Improvement of communication skills and exposure to information technology among rural and socially backward groups
  - Needs of the Industry, national and international market
  - Preparing the students for competitive examinations

- Academic Senate of the University under the Chairmanship of the Vice-Chancellor meets periodically to guide and monitor the academic activities of the departments.

- Deans of Faculties organize faculty meetings and collect feedback on academic matters and incorporate their views in the syllabi and ensure uniformity of standards, especially trying to adhere to the syllabus recommended by UGC, New Delhi and other apex bodies.
Executive Summary

The Standing Committee of Academic Senate of the University meets once in three months and if necessary in emergency meetings it reviews and coordinates the academic activities of the departments.

The University, during 2009-2017 has initiated/designed 9 courses and also restructured the existing courses from time to time.

Almost all the departments revised their syllabi and introduced Choice Based Credit System (CBCS) in all PG (Non-professional) and UG (Non-professional) courses.

Internal Assessment system is introduced in all the Under-Graduate and Post-Graduate courses.

II TEACHING-LEARNING AND EVALUATION

2.1 Admission Process

The first step in the teaching-learning process is to evolve foolproof admission policy. The University established the Directorate of Admissions for conducting entrance examinations and initiating the admissions for various UG, PG courses. The Deans of Faculties, Chairpersons, Boards of Studies and Heads of the Department are also associated with the admission process. The University adopts the guidelines given by the state-level bodies like the Commissionerate of Higher Education. The Students Welfare Centre and the Foreign Relations Office coordinate the admission process while the Academic Audit Cell supervises the academic standards of different affiliated colleges.

The Director of Admissions of the University conducts the entrance test for academic courses every year in the month of May/June and completes the admission process by the end of July. The University strictly adheres to the rank system according to the merit list and the reservation policy of the State government in admitting the students. This process ensures not only merit but also equity to the students representing different groups.

Students are admitted into MCA, MBA, M.Pharmacy, BEd., Engineering Courses through the state-level Common Entrance Examinations in accordance with the guidelines of the State Government/Agencies from time to time.

Directorate of Admissions is also the nodal centre for making admissions online by Telangana State Council for Higher Education for Undergraduate, MBA, MCA, B.Ed. and other courses.

The Dean, Academic and Audit Cell monitors the admission process to ensure uniformity in the admission process in all the constituent and affiliated colleges of the University.

Statutory reservation policy of the Government of Telangana is strictly followed.

One third of the seats in all the courses are reserved for women candidates.

Seats are also reserved for differently-abled groups, athletes and sports persons, NCC Certificate holders and Children of Ex-Servicemen as per rules.

</table>
The University has a mechanism through which the differential requirements of the student population are analyzed after admission and before the commencement of classes.

The orientation programme conducted at each department/subject before the commencement of the teaching programme helps in understanding and assessing the knowledge base and skills of the students.

The interaction of individual teachers with students in the class to understand their level helps the teacher in the modification of his teaching methodology to suit the students and enhance their level of understanding.

The performance of students in the first and second internal tests which are a part of continuous internal evaluation also helps in getting an understanding of the requirements of the students.

The departmental committee and board of studies review the differential requirements of the students in respect of the curriculum, career opportunities, training on soft skills etc. and suggest proper measures.

- Laboratory work
- Field work
- Project work
- Study tours
- Intercollegiate meets
- Special Coaching Programme in
  a) Communication Skills/Spoken English
  b) Various Competitive Examinations (SC/ST)
- Inculcate positive thinking for all round development
- Guest Lectures by Experts
- Interface between Visiting Professors and Faculty and Students
- e-learning

2.3 Teaching-Learning Process

The quality of service/product of any organization to a large extent depends on the qualified, committed human resource. Kakatiya University has 175 permanent teachers and 82 temporary teachers to complete the academic programmes as per the schedule. In addition, the University is in process of filling up vacant posts after getting the clearance from the State Government.

- 98% of the teachers hold Ph.D. degrees.
- The teaching work-load of the teachers is fixed as per the guidelines.
- The teacher student ratio is 1 : 10.
- Modern teaching aids are used in class-room instructions.
- The University encourages departments to organize Summer Institute/Refresher/Orientation Programmes for the benefit of not only of our faculty, but also of the constituent, affiliated college teachers and the teachers of other Universities. During the assessment period the University Departments organized several Refresher / Orientation Programmes for the benefit of the teachers of the University and Under-Graduate College teachers as well.
The teachers are deputed to attend refresher/orientation programmes, seminars/workshops to enable them to interact with the experts and acquire latest developments in their respective fields.

Senior faculty members visit various universities/institutions and serve as resource persons and deliver lectures to the participants of orientation/refresher courses/seminars, etc.

Several teachers of the University received awards and honours for their outstanding academic and research achievements from the state and national institutions.

Three of faculty members have been appointed as Vice-Chancellors of sister Universities.

2.4 Examination Reforms and Evaluation

Reforms in any sector/division would enable the organization to enhance the performance of the division. The University, during 2009-2017, either restructured the existing procedures or introduced new methods to reduce the delay, expenditure in the examination work and also help the students to get the certificates at the earliest. The important reforms/practices adopted in the examination system are:

- Complete Automation of Examination Branch
- Instant Supplementary Examinations
- Coding of Answer Scripts
- Photo Scanned Hall Tickets
- Internal Assessment
- Display of Results and marks on KU Website
- Computerized Degree Certificates
- Tatkal Scheme for issue of certificates
- Number of PG Scripts – 1.20 lakhs
- Number of UG Scripts – 12 lakhs
- Number of Professional Scripts – 2.10 lakhs
- Number of examination Centres in Ten Districts – 240
- Photocopies of the Answer Scripts are provided on demand for ensuring transparency

All the above measures ensure the economy, efficiency and impartiality in evaluating the performance of the students. The feedback from students and parents show that they are contented about the reforms introduced in the examination system.
III RESEARCH, CONSULTANCY AND EXTENSION

Apart from teaching, the other key activities of the University are research, consultancy and extension.

3.1 Research Projects

The University is vibrant with research activities. It carries out research projects sponsored by the various national and international reputed funding agencies. During 2009-2017, it has established close rapport with several foreign universities and research institutes. Further, it is also undertaking collaborative research work with national reputed institutions/universities/NGOs like CESS, Hyderabad; DST, New Delhi; JNTU, Hyderabad; IICT, Hyderabad; CWS, Hyderabad; NIT, Warangal.

- Each of the departments has a considerable research output to its credit. The University is also encouraging the departments to undertake collaborative research work on the areas relevant to the society.
- The faculty members, during 2009-2017, have undertaken around 103 major research projects funded by national and international agencies with a total outlay of about Rs. 10.00 crores.
- 2786 Research publications, 1265 in Scopus database with an average impact factor of 0.972 and 965 in web of science database with an average citation for paper of 4.85 published in national and international journals.
- Twelve departments (Botany, Pharmacy, Economics, Telugu, Public Administration, Physics, History, Chemistry, Microbiology, Biotechnology, Commerce and English) have been identified by UGC under DRS-SAP.
- Nine NON-SAP departments (Mathematics, Zoology, Botany, Pharmacy, Chemistry, Microbiology, Geology, Physics and Biotechnology) have been sanctioned financial assistance by UGC, New Delhi under Basic Scientific Research Scheme.
- Eight departments (Chemistry, Pharmacy, Botany, Geology, Zoology, Microbiology, Biotechnology and Mathematics) have research projects sponsored by DST-FIST.
- Two Departments (Zoology and Botany) have been sanctioned grants by the DST under Inspire program.

| ✓ Research Projects – 103 |
| ✓ Departments under UGC DRS-SAP – 12 |
| ✓ Departments under DST-FIST – 8 |
| ✓ Research grants received from various funding agencies – Rs. 10.00 crores |
| ✓ Research Journals published by University – 6 |
| ✓ Research Papers in National and International Journals – 2786 |
| ✓ Books Published – 156 |
| ✓ Seminars/Workshops/Conferences/Orientation Programmes – 233 |
| ✓ M.Phil. degrees – 281 |
| ✓ Ph.D. degrees – 998 |

3.2 Research Journals

The University is bringing out 6 journals from the research grant and encourages the young scholars, faculty to publish their respective research topics/projects for giving
Executive Summary

Wider canvass to the research work. It also invites articles from the scholars/teachers of other universities.

3.3 Research Guidance

- The faculty members of the departments have been actively engaged in research guidance. Currently around 990 Ph.D. and 240 M.Phil. scholars are pursuing their research programme.
- Large number of writings of the teachers of the departments has been published. The books authored, co-authored or edited by the faculty and the number of papers published run to a couple of hundreds and around 2800, respectively. Some of the papers published in international journals have been cited by research scholars of various hues.

3.4 Seminars/Workshops

During the present assessment period, University departments have organized 174 seminars/conferences/workshops/symposia involving distinguished academicians, experts from industry, administrators, social workers, media persons and others.

The Department of Biotechnology organized an International Conference with distinguished foreign scientists including Nobel laureates. Most of the seminar proceedings are being published in the book form.

3.5 Linkages with National/International Academic/ Research Bodies

The University has developed linkages with 39 reputed national and international institutions for strengthening the research and academic programmes of the departments. Mention may be made of collaboration with National Centre for Genetic Resource and Biotechnology, Brasilia, Brazil; State Biotechnology Centre, Murdoch University, Australia; University of Bonn, Robert Bosch Hospital, Germany and Shanghai Institute of Biological Sciences, China.

3.6 MoUs including other Achievements

The University has entered the following MoUs:

1. The Department of Plant Molecular Biology, Groningen University, the Netherlands and the Department of Biotechnology, Kakatiya University.
2. The Botanical Institute Ludwig, Maximillians University, Munich, Germany and the Department of Botany and Biotechnology, Kakatiya University.
3. The Murdoch University, Perth, WA and the Department of Biotechnology, Kakatiya University.
4. The National Centre for Genetic Resources & Biotechnology, Brasilia, Brazil and the Department of Biotechnology, Kakatiya University.
5. Eretria Institute of Technology, Asmara.
6. The European Union under ERAMUS Project.
7. Doctus, Hyderabad
8. WSU, MSU and ISU, USA in Biotechnology.
9. Girne American University, Cyprus, UK.
10. NTH Co., Ltd., Japan.
11. NSL Mining Consolidated Ltd, Australia and
12. MDI, Gurgoan for the exchange of students and teachers between the institutions.
13. Australian Centre of Industrial Biotechnology, AC1B, GmbH, Petersgasse,14, 8010 Graz
15. University of Malaysia Penang, Govt. Of Malaysia, Malaysia and the Kakatiya University.
16. ONAN Biotech Pvt. Ltd., Hyderabad
18. International collaboration with Institute of Plant Biology, Biological Research Centre, Hungary.
19. International Collaboration with Institute of Systematic Botany and Mycology, LMU, Munich, Germany.
20. International Collaboration with Shanghai Institute of Biological Sciences, Shanghai, China 200032.

IV INFRASTRUCTURE AND LEARNING RESOURCES

4.1 Physical Infrastructure
Kakatiya University possesses reasonably adequate and quality infrastructure support services. The University is constantly striving to improve infrastructural facilities on the campus and also in constituent colleges.

- The University is situated in a sprawling area of about 640 acres. Most of the constituent colleges also have adequate land to meet the demands of the students.
- The University Building Division is entrusted with the responsibility of construction and maintenance of roads and buildings including electrical, sanitation and water supply.
- The total plinth area of constructed buildings is about 1,08,852 square meters.
- The annual budget allocated for maintenance of buildings and infrastructure is Rs. 150.00 Lakhs
- 13 Hostel buildings which are accommodating 1650 Male and Female 1580 students
- News Papers and Periodicals and Television are provided in each Hostel. Each hostel has a common hall.
- Building for Indoor Games
- Building for Gymnasium, Play ground for Cricket, Volleyball, Football, Hockey.
- Seminar Halls in every building
- Health Centre and Day Care Centre
- SBI branches and Extension Counters with Two ATM’s
- Post Office
- Central Workshop
- Wi-Fi facility
- During the assessment period, the University created the following accommodation with an estimated cost of Rs. 2,463.98 lakhs:
  1) 1200 seated State-of-the-Art Auditorium
  2) A new block in the Commerce and Business Management Department.
  3) Addition of 1st floor to Mathematics Department.
  4) Addition of Academic Block to SDLCE.
  5) New accommodation to Building Division.
  6) Workshops to the KU College of Engineering and Technology.
  7) Sports Hostel to the Sports Board.
The following list will summarize the infrastructural facilities available in University Campus.

**Infrastructural facilities Available in the University**

1. Administrative Building
2. Examination Branch
3. Humanities Building
4. Commerce and Management Building
5. Education Building
6. Physical Sciences Buildings
7. Biology Building
8. Chemistry Building
10. Principal’s Office Building
11. Pharmacy Buildings Complex
12. University Library Building
13. Old Blocks
14. Economics Building
15. Informatics Building
16. Microbiology Building
17. Building for Biotechnology Department
18. Hostel Buildings
19. Centre for English Language Training Building
20. Well furnished state-of-the-art Senate Hall
21. The University Staff Quarters
22. Health Center
23. University Guest House
24. Vice-Chancellor’s Lodge
25. Fourteen well furnished seminar halls in ten various departments
26. Drinking water and rest room facilities
27. Canteen
28. School of Distance Learning and Continuing Education Complex
29. A/C University Auditorium with four seminar halls.
Common facilities on the campus

1. University Library
2. UGC Unit
3. College Development Council
4. Directorate of Admissions
5. University Hostels
6. Statistical Cell
7. Publication Cell
8. Public Relations Office
9. Placement Cell
10. National Service Scheme
11. Health Centre
12. Academic Audit
13. Directorate of Self-Finance Courses
14. SDLCE
15. Sports Board
16. Gymnasium & Play Fields
17. Track and Athletics Field
18. Indoor Games Complex
19. Beautification of Campus/Avenue Plantation
20. Consultancy Services
21. Free Legal Aid to the Poor
22. Gardens and Parks
23. Bank and Postal Services
24. Bank Extension Counters at University Exam Branch & SDLCE
25. Computer Centre/Website/Networking/Automation
26. University Workshop
27. Grievance Redressed Cell
28. Planning and Monitoring Board
29. Buildings Division
30. IQAC
31. Examination Branch
32. University Guest House
33. Computer Lab established at each department
34. Faculty Recreation Club
35. Right to Information Act
36. Central Instrumentation Centre
37. Student Welfare Centre

Centres / Schemes

With UGC Financial Assistance

1. Centre for Women’s Studies
2. Coaching Centre for SC/ST and Minority students
3. Dr. B.R Ambedkar Studies Centre
With Internal Resources

4. Centre for English Language and Training (CELT)
5. SC/ST Cell
6. Students Welfare Centre
7. Centre for Foreign Relations, Research and Consultancy (CFRAC)
8. Yoga Centre

4.2 University Central Library

It caters to the needs of the University faculty, research scholars, students’ including that of distance education in particular and people of this region in general.

- Floor area is 2750 square meters (29,600 sft.)
- 1,54,158 books
- 30,865 back volumes of research journals
- 4086 Ph.D. theses and M.Phil. dissertations
- Subscribing to 230 Foreign and Indian Research Journals
- Separate reference and periodical sections
- Competitive Examination Material Cell
- SC/ST Book Bank with 2763 books
- Internet Facility with internet zones
- The Library is a member of Information and Library Network (INFLIBNET) and contributing its data of books, journals, theses for the national database
- Access to e-journals through INFLIBNET
- Automation of the Library
- The Library is open throughout the year barring festival holidays from 8.00 a.m. to 8.00 p.m. and upto 11.00 p.m. during the examinations
- In addition to the above all the constituent colleges and the PG Departments have separate departmental library facilities

4.3 Technology Upgradation

The University recently enlarged the technological facilities in all its administrative and academic institutions and makes the teachers, scholars and students to get greater accessibility to the outside world. The important efforts of the University during the assessment period are:

- All the administrative offices and the departments and constituent colleges located in Warangal are covered by campus network with 1 Gbps bandwidth internet facility with leased line.
- Optical Fibre Cable and wireless network connecting all the departments/sections/offices for providing intranet and internet facility
- UGC-INFONET for accessing and downloading of journals
- Scholars and Students are given training, periodically in the internet and download the required data/information for their research purpose
- University Computer Centre with all the facilities like Hardware, Software with internet connection was established to impart training in Computer Skills
- All the departments have been provided with a good number of Computers/DLPs, Scanners and Printers
- The Deans of Faculties have been provided computers with internet facility and printers.
Executive Summary

Facility to interact with all the administrative heads of the university through Skype

- Campus Network with internet
- Optical Fibre Cable / Wireless Network
- Access to e-journals by Inflibnet
- Computer Lab with hardware, software and broadband
- Modern Equipment
- Updated research laboratories
- Skype Interaction

4.4 Equipment/Units

The Science Departments have procured the following modern equipments/units for teaching and research programmes during 2009-2017:

<table>
<thead>
<tr>

</tr>
</tbody>
</table>
4.5 **Office Automation**

- All the departments / sections / offices of the university are well equipped with computers, printers and reprographic facilities and the university is contemplating to have a paperless office through automation.

V **STUDENT SUPPORT AND PROGRESSION**

5.1 **Social Composition of the Students**

The unique feature of the University is that it is catering to the educational needs of the developing region of the state. An overwhelming percentage (90%) of the enrolled students belongs to SC, ST, OBC and women. It is pertinent to mention here that during the assessment period, their representation has been increasing year after year in all the UG and PG courses and M.Phil. and Ph.D. programmes. The important services provided to the students, during the assessment period are:

- Increase in the accommodation in the Hostels.
- Common Mess
- Financial Aid: The UG and PG students representing SC/ST/OBC/women get fee reimbursement from the Government of Telangana.
- The SC/ST/OBC M.Phil. and Ph.D. scholars get scholarships from the respective welfare departments, the Government of Telangana.
- UGC and AICTE are providing fellowships to the M.Pharmacy students
- ICHR, New Delhi and ICSSR, Southern Central is sanctioning Research Grants to M.Phil. and Ph.D. students of Social Sciences.
- CSIR is extending financial assistance to the students of science.
- A few research scholars are working as Project Fellows in Major Research Projects of Faculty members.
- Most of the SC/ST Research Scholars pursuing M.Phil. and Ph.D. is getting financial assistance from the UGC, New Delhi under Rajiv Gandhi National Fellowship Scheme. Research Scholars from other communities are also getting financial assistance from UGC, New Delhi under various schemes/fellowships like Dr. S. Radhakrishnan Fellowship, MANF, OBC, Disability apart from ICSSR and ICHR for social science students.
- The University offers University Research Fellowship (URF) for two to three years in each department to pursue their research.
- 1682 students were provided placements in reputed national organizations/industries through Placement Cell.

| ✔  SC/ST/OBC/Women students – 90 per cent |
| ✔  Qualified for GATE/NET/SLET – 414 |
| ✔  Campus Selections – 1682 |
| ✔  Health Services |
| ✔  Students Welfare Centre |

| ✔  Kakatiya Adhyayana Kendram |
| ✔  Special Coaching Cell for SC/ST to enable them to appear for competitive examinations |
| ✔  SC and ST Cell to solve their grievances |
| ✔  Special Coaching Classes in Spoken English and Communication Skills through CELT |
| ✔  Students Grievances and Redressal Committees |
| ✔  Cafeteria |
5.2 **Students’ Welfare Centre**

The main motto of the Centre is to Motivate, Assist and Settle (MAS). The centre functions as a i) Counselling Bureau; ii) Career Guidance Cell; iii) Students Welfare Division. The main activities of the Centre during the assessment period, are:

- Organized training in interview skills.
- Procurement of latest Career Guidance Encyclopedia and providing study material on interviews, resume writing.
- Organized Personality Development lectures by eminent personalities.
- The University Students Welfare Centre organizes inter-collegiate literacy competitions, youth parliament, debating competitions, youth festival, and elocution competitions to the students every year.

5.3 **Placement Cell**

- It coordinates the campus interviews and recruitment programmes by different organizations.
- 1682 students are selected in the campus placements during the assessment period.

5.4 **Foreign Relations Office**

- The CFRAC has designed a ten months course in English for Foreign students who need to improve their proficiency in English language.
- The University has signed MoU with 16 universities and institutions.
- Foreign students’ admission is processed by the CFRAC.
- The CFRAC also provides support for housing and facilitates the students to have a comfortable stay and study.
- In a similar way students from the Kakatiya University are encouraged to visit foreign institutions and eligible students are guided and mentored by Center for Foreign Relations, Research and Consultancy.
- During the assessment period, University attracted considerable number of foreign students with proper planning from CFRAC.
- CFRAC has so far attended to 181 admissions from 26 countries such as Afghanistan, Bangladesh, Bhutan, Brazil, Canada, Cyprus, Oman, Ethiopia, Italy, Iran, Korea, Nepal, Iraq, Libya, Palestine, Saudi Arabia, South Korea, South Sudan, Sri Lanka, Tanzania, Uganda, Yemen, Nigeria, Liberia, Palestine and the USA.

5.5 **Health Services**

The University Health Centre caters to the needs of the students, staff and their families.

- Since the inception of the University, Health Centre has been providing the medical facilities to the students, research scholars, teaching-staff, non-teaching staff, class-IV, daily-wage, lump-sum, time-scale employees and their families including retired employees and their spouses.
- A Member-in-charge looks after the maintenance and administration of the Health Centre.
- Ambulance facility for 24 hours, ECG facility, Oxygen facility, Electro cattery, Suction apparatus, Auto analyzer, I.V. fluids, Pathological investigations, Anti-septic dressing, Free supply of medicines, Day care centre and Physiotherapy unit.
University provides financial support of Rs. 50,000/- to certain diseases like Heart and Kidney etc.

The University encourages employees to go for medical health insurance by contributing an amount of Rs. 900/- per employee.

Daily about 100-120 out-patients take treatment in health centre. University provides medicines for chronic diseases like diabetic and hypertension, etc.

Regular health camps are conducted in the Health Centre for students and employees as part of Medicare.

5.6 **Alumni Associations**

University Alumni Associations are involved in academic and welfare activities. Alumni Association of all the departments meets once in a year to discuss various issues pertaining to the academic as well as infrastructural development. Alumni can register their names through university website www.kakatiya.ac.in.

5.7 **Sports Activities**

The University encourages the students to participate in the Sports Competitions and Community services with a view to developing their overall personality and skills. University Sports Board conducts inter-collegiate, inter-zonal and inter-university, state and national level events.

The University has adequate facilities for sports and games with well maintained play grounds for Cricket, Hockey, Football, Kho Kho, Kabaddi, Handball, Basket ball and Indoor games complex, Chess, Table Tennis, Carroms and Shuttle Badminton.

The University introduced cash incentives of **Rs. 6,000** to the Gold Medal, **Rs. 4,000** for Silver Medal and **Rs. 2,000** for Bronze Medal and **Rs. 2,000** for Fourth Place winners of All India South Zone Inter Varsity Tournaments and **Rs. 5000** to the Coach/Manager. The University honours men/women students who secure prizes in various competitions conducted in Telangana or outside the state and pay suitable incentives to them. Incentives are given to the Gymnastics (Men and Women) and Weightlifting.

5.8 **Extra-Curricular Activities**

Many students of the University participated in various competitions organized by different institutions and won laurels in inter-university and national tournaments and sports meets and other competitions. Some of the achievements/programmes during the assessment period are:

- NSS volunteers represent the University in the Republic Parade on January 26th every year.
- Programming awards in MCA meet to MCA students of the University.
- Prathibha Scholarship for Pharmacy Students from Government of Telangana.
- **Awareness programme**
  - Organized Awareness programme on worship of clay Ganesha and distributed Ganesh idles free of cost.
  - Organized Anti Ragging awareness programmes at different colleges, educating volunteers and students.
Executive Summary

- Observed Vigilance Awareness Week from 26th - 31st October, 2015 and conducted Elocution Competition for students.
- Organized Legal Literacy Campaign Programme during August 2015 involving ten thousand volunteers.
- Organized 23 awareness programmes on Drugs Abuse and Illicit Trafficking and about 2,560 people were benefited through this programme.

5.9 Participation in Extension/Community Service

The University through NSS unit undertakes extension activities and community service programmes giving the necessary exposure to the ground realities of the society.

➤ Special Camps

- One Week Special Camp on Plantation programme at KU Campus from July 16-22, 2013.
- Special Camps were conducted at Medaram Jaathara (Mela), at Eeturi Naagaram, Warangal District, Telangana during the year 2012; 2014 and 2016. About 350 NSS volunteers and 20 NSS program officers rendered their services at each Mela for 7 days.
- Two volunteers participated in National Integration Camp on Capacity Building Programme on Social Entrepreneurship Programme organized by Rajiv Gandhi National Institute of Youth Development (RGNIYD) from November 11-17, 2013.
- Four volunteers and one female programme officer participated in National Level NSS Mega Camp - 13 organized by Tejpur Central University, Tejpur, (Assam) from December 13 - 24, 2013.
- About NSS 5000 volunteers have assisted the revenue officials in Godavari Pushkaralu from 14th to 25th July, 2015 in three districts.

VI GOVERNANCE AND LEADERSHIP

6.1 Administration

Kakatiya University administration takes the necessary measures to give priority to the courses which are relevant to the society; create good infrastructure; appoint competent and committed staff; create congenial atmosphere on the campus and motivate the students for making use of the resources/ opportunities and above all, to be transparent, impartial and accountable to the stakeholders. In order to achieve these objectives, the University provides autonomy to the faculties, departments and divisions/units. The following is the organizational pattern of the University:

1. Academic Senate
2. Planning and Monitoring Board
3. Executive Council
4. Finance Committee
5. Standing Committee
6. Faculty and Board of Studies
7. Departmental Committees
8. Heads of the departments
Executive Summary

9. Various Units – Registrar’s Office, College Development Council; UGC Unit; Academic Audit Cell; NSS; University Colleges; Director of Admissions, Hostels, Examination branch, Library and Health Centre.

The Vice-Chancellor coordinates the activities of various wings/divisions/bodies and motivates the functionaries in achieving the goals of the University.

- The University gives autonomy to the faculties, departments in formulating new courses, restructuring the existing courses, revision of syllabus, organizing seminars/conferences.
- The Vice-Chancellor extends all support and encouragement in implementing all academic activities.
- The Vice-Chancellor periodically organizes meetings of the academic bodies and has interface with them.
- The Vice-Chancellor provides academic direction and leadership to the affiliated colleges through its units, i.e. College Development Council; Academic Audit Cell, Academic Branch of University.
- The faculties and Boards of Studies maintain continuous rapport with the Constituent and Affiliated Colleges and provide academic leadership in curriculum design, teaching methods, material supply and other matters.
- The NSS Unit of the University organizes the extension and Community Services and involves the students of Constituent and Affiliated Colleges in these activities.
- The UGC Unit of the University coordinates the research projects and other academic activities of the teachers and acts as a liaison between the University and UGC, New Delhi. The UGC unit also coordinates the activities of Building division which undertakes the provision of infrastructural facilities.
- The Controller of Examinations conducts the examinations and declares the results at the earliest.
- The University appoints the senior teachers as the nominees of the University Governing Bodies of Colleges and ensures academic standards under its jurisdiction.
- The University also involves the elite, NGOs, stakeholders in its academic bodies like Academic Senate and maintains transparency and impartiality.
- The University evolves the rules, methods of application of rule and enforces the rules in all the Constituent and Affiliated Colleges in the matters relating to admission of the students, recruitment of employees and payment of emoluments.
- The University takes the directions of the Government of Telangana. UGC, New Delhi as guidelines for administering the University administration without foregoing its autonomy.

6.2 Managing Human Resources

In any organization, including the University recruitment and selection, developing skills of the employees, improving their performance and rewarding employees constitute the core components of the human resource management. Kakatiya University gives priority to managing human resources for ensuring economy and efficiency in the University administration. In this regard, the University undertakes the following measures:

- The University in the beginning of the academic year assesses the strength of the employees – both teaching and non-teaching staff and also the future requirements.
University recruits the teaching staff on All India basis through advertisement in the leading national newspapers, as per the rules prescribed by the UGC, New Delhi; AICTE, New Delhi and Government of Telangana.

Out of a sanctioned strength of 361 teachers, 175 on permanent basis and 82 on temporary basis are working.

The University appointed 50 teaching faculty during the assessment period and taking initiative to fill the vacant posts at the earliest.

The teachers are promoted under Career Advancement Scheme by strictly adopting the UGC guidelines.

University imparts skills by organizing Refresher/Orientation Courses in the respective departments or deputing the teachers to such courses organized by other Universities / Institutions.

The Academic bodies of the University and Vice-Chancellor assess the performance of the teachers through periodical evaluation and supervision and guide them to improve their performance.

The University identifies the best teachers and recommends their names to the state government for awarding the State Best Teacher Award every year.

The University also identifies the Best Teacher Researchers among the teachers and facilitates them on appropriate occasions.

The Non-Teaching Staff is recruited through written test and promotion to service candidates is also based on written test. The employees are promoted depending on the vacancy positions.

The University organizes training programmes to non-teaching staff to develop the skills and also through on-the-job training. The University periodically imparts training in computer awareness and its use in the day–to–day official work.

The performance of the employees is constantly monitored by their heads of the divisions and guide and encourage them to improve their performance in discharging their duties.

Obtaining the confidential reports of the employees and taking suitable measures to improve their performance.

Selection on All India Basis
Training Programmes to Non-Teaching Staff
Promotions
State Awards
Confidential Reports
Disciplinary Measures
Retirement Benefits

6.3 Financial Management and Resource Mobilization

Finance is the life blood of the institutions. Recognizing this fact, the University generates/receives, regulates and distributes monetary resources needed for each division/department and works for its growth.

The annual budget of the University is Rs. 230.63 crore for the financial year 2017-2018.

The University receives grants from Government of Telangana towards salaries and infrastructural development.

The University also receives plan and non-plan grants from the UGC and other national organizations like MHRD, CSIR for carrying out research projects,
conducting Seminars/workshops purchase of equipment/books and other infrastructure.

- The University procures its resources through self-financing courses and collection of fees from students and also affiliation charges from colleges.
- The University strengthens its resources through public contributions from NRIs and Alumni Associations.
- The University Budget estimates are to be approved by the Finance Committee; Executive Council and Senate, which consists of the members from different walks of life.
- The Finance Officer is responsible to regulate and exercise control over the budget allocation and expenditure of all the wings of the department.
- The Auditors of Local Fund and Accountant General audit the accounts of the University.

| ✓ Government Grants | ✓ Grants from National bodies |
| ✓ Self Finance | ✓ Fees |
| ✓ Affiliation Charges | ✓ Public Contributions |
| ✓ Management | ✓ Finance Committee |
| ✓ Senate | ✓ Finance Officer |
| ✓ Audit Officer, Local Fund | ✓ AG Auditor |

### VII INNOVATIVE PRACTICES

The University over the years has been attaining excellence in its academic research and administrative activities by adopting innovative and healthy practices.

#### 7.1 Internal Quality

The University ensures quality in academic, research and administrative wings through the following administrative mechanism:

- Academic Senate
- Academic Standing Committee
- Academic Audit Cell
- Deans of Faculties
- Boards of Studies
- Departmental Committees
- Departmental Research Committees
- UGC Unit
- College Development Council
- Advisory Committees of various Wings/Units
- Internal Quality Assurance Cell
- Media Production Centre
- Distance Education Quality Support and Training Institute
Executive Summary

Kakatiya University, Warangal

- Teaching and Non-Teaching Associations
- Student Advisory Council/Ward System
- Lady Counsellors
- Faculty Club
- Committees for maintaining Internal Quality in Teaching and Research

**7.2 Quality Assurance in Affiliated Colleges**

The University strives to ensure accessibility, equity and quality education to the students through its College Development Council and Academic Audit Cell.

- The Academic Audit Cell regulates the admission, curriculum coverage, teaching methods, recruitment of teaching faculty and other matters relating to welfare of the students of all the affiliated colleges under its jurisdiction.
- The College Development Council continuously guides and monitors the matters relating to the infrastructure, financial resources, audit reports, composition of the society/management, corpus fund, introduction of courses, appointment of teaching faculty and Principal, etc. and grant of temporary or permanent affiliation to the colleges.
- The University organizes the Departmental Conferences of each Department twice a year in which the teachers of the respective departments of the affiliated colleges interact with the University faculty and discuss academic schedule, examination pattern, performance of the students in the examinations and other matters relating to the College Development. This exercise has proved effective not only in helping the affiliated colleges to enhance their quality in the academic matters, but also in establishing close rapport with the University departments.
- The University always strives to inculcate the values of work culture, respect towards others, and participation in national development through extension activities and enhance the quality of the products/students. The NSS unit and the Departments organize several extension activities to expose the students to the ground realities of the society and motivate them to participate in the national development.

**7.3 Innovative and Healthy Practices**

- Democratic decentralization of University administration
- Transparency in governance
- Establishment of Right to Information Act Cell
Involving stakeholders in the University governance
Priority to inclusive growth by serving the cause of socially backward groups
Academic guidance to constituent and affiliated colleges for quality assurance
Introduction of new job oriented, socially relevant academic programmes
Interdisciplinary thrust to the academic activities
Interface with industry, NGOs, other national bodies for updation of curriculum
Establishment of separate centres for creating social awareness
New methods of teaching using ICT
Student-Centred learning
Wi-Fi facility
Online Admission Process
Dial your university programme
Interaction through Skype
ICT Enabled teaching
Video Recording of Student Seminars
Village adoption by NSS Units
Entrance for M.Phil. & Ph.D. Admission
University Website, Campus networking and e-learning
Imparting Communication Skills and Personality Development
Campus Placements for the students
CBCS with internal assessment
Performance appraisal of the teachers
Student feedback on faculty
Reforms in examination for transparency
Automation of Examination Branch
Faculty development programmes
Encouraging collaborative research programmes
Organizing seminars/workshops and endowment lectures to keep abreast of latest developments
Encouraging the student participation in sports/extra-curricular activities
Publication of 6 research journals by the University
Best Teacher/Research awards
Priority to practicals/field work/moot courts/project work/tutorials/weekend seminars
Involvement of students and faculty in community development services
Publication of the bi-annual University Newsletter (Vivechana) highlighting the academic and extracurricular activities
Award of Degree of Doctor of Letters (Honoris Causa) to the distinguished personalities
Establishment of Mineral Water plant and Common Mess
Remedial classes for slow learners
Coaching for Competitive Examinations
Reaching the unreached through distance mode of education
Alumni Associations
Providing financial assistance to faculty for presentation of their MRPs
Installation of CCTV in the important offices
SWOC ANALYSIS

Kakatiya University was established about 40 years ago and over the years it established new academic centres, collaborations with national and international organizations, introduced socially relevant courses and improved its performance in teaching, learning, research and extension activities. University is marching towards excellence with its own strengths, opportunities and challenges by trying to overcome its weaknesses. It analyzes its performance based on student feedback, self-appraisal of faculty, departmental annual reports, rankings, scientific database, NAAC peer team reports and reports of other apex bodies. University has been drawing motivation from all its stakeholders and making SWOC analysis and is leaving no stone unturned to achieve academic excellence.

Strengths

- Eight Faculties, Multi-Campus (Seven Locations) with 24 Departments
- Eighteen Constituent Colleges with 529 affiliated colleges
- Four Autonomous colleges
- 12 UGC SAP Departments
- Eight DST-FIST Departments
- 2 DST Inspire Departments
- 16 MoUs signed for Academic and Research collaborations with Industry Science and Technology organizations
- 98 per cent of the teachers hold Ph.D. degrees
- Transparent admission policy
- Entrance for Ph.D Admission
- Continuous Re-structuring of Curricula for all the courses
- Inter-disciplinary programmes
- Choice Based Credit System for all PG & UG programmes
- Five Year Integrated Courses in Chemistry and Biotechnology
- Strict adherence to academic schedule
- Continuous evaluation system
- Strengthening of Ph.D. thesis assessment
- Research Programmes in all departments
- 133 Research Projects worth Rs.10.00 crores
- Consultancy and Extension activities
- Linkages for Research Collaborations with national and international organizations
- E-Governance
- Automation of Examination Branch
- Performance Evaluation through Self-Appraisal and Student Feedback
- Bio-Informatic Infrastructural facility sponsored by Department of Biotechnology
- Solar Power Plants
- Departments of Botany and Biotechnology are recognized by DST, Ministry of Science and Technology, Government of India under RTFDCS (Research Training Fellowship for Developing Countries Scientist).
- The Department of Biotechnology is recognized by the Government of Iran as a Research Centre
- Automation of University Central Library
- Well equipped laboratories with sophisticated equipment
- 1 Gbps bandwidth provided by the National Knowledge Network by NIC
Executive Summary

- About 1000 Computers with access to Faculty, Staff, Research Scholars and Students
- Central Computer centre
- Well established canteen
- Photocopying facility
- Water harvesting pits and check dams

Weaknesses
- Inadequate budget provision for maintenance of laboratory equipment
- Inadequate permanent teaching staff
- Continuous retirement of teachers
- No replacement for retired teachers
- Inadequate hostel facilities
- Insufficient block-grant
- Lack of motivation for open and self-learning
- Inadequate resources for creation of new infrastructural facilities
- Inadequate resources for maintenance of buildings, etc.
- Absence of special leave benefits to teachers to pursue higher studies in research
- Lack of access to new technologies to design inter-disciplinary programmes
- Under utilization of services of Alumni
- Consultancy

Opportunities
- Vast campus with ample scope for expansion
- Strong background for theoretical, experimental and applied research
- Designing new courses exploiting the resources available in the region
- Energetic academic environment
- Ample scope for establishing academic and research linkages with national and international organizations
- Resource mobilization through MP & MLA funds
- Resource mobilization by establishing university-industry linkages
- Research expansion through UGC programmes

Challenges
- Recruitment of regular faculty
- Global competition
- Enormous number of affiliated colleges
- Optimum utilization of well-qualified faculty
- Providing hostel accommodation to the students
- Replacement of experienced retired faculty
- Improvement of research consultancy avenues

7.4 Future Plans
The University has well defined future plans.
- Establishment of a cultural museum showcasing the rich cultural heritage of Kakatiya dynasty and the state of Telangana
- Incubation Centre
- Human Resource Development Centre
- Digital Library
On-line Examination Centre with 500 systems
Department of Fine Arts
A platform to inculcate Human Values among students
Student club for conducting debates and discussions on current affairs
Establishment of Botanical garden
Herbal garden
Full automation and paperless administration

7.5 Summing Up
To sum up, the University, during the period of assessment, has been striving in a distinct way for generation and dissemination of knowledge to the society in general and socially backward groups in particular to fulfill its obligations to the society. It is marching towards academic excellence in teaching, research and extension activities and providing access, equity and quality education to the people of this region. The University has introduced new job-oriented courses. It has been updating the curricula of different programmes and making use of ICT to meet the global challenges. It has well-qualified teaching faculty and necessary infrastructure. The teachers have published papers in national and international journals and undertaken a number of research projects in collaboration with national and international institutions. The departments are striving for elevating themselves as centres of excellence. The students brought laurels to the University by winning prizes/awards at the national events of sports and cultural activities. The teachers and students actively participated in the community service and contributed to the national integration. Hundreds of students have secured placement in national and international organizations.

The University believes in transparency, efficiency and assurance of safety net to its employees. It launched a number of innovative and healthy practices from time to time for conducive academic environment to achieve academic excellence. Thus the University has been contributing its might to the development of the region and the nation through its multifaceted activities.

  ii) 2011-2012 submitted on 07-04-2014
  iii) 2012-2013 submitted on 25-06-2014
  iv) 2013-2014 submitted on 13-09-2014
  v) 2014-2015 submitted on 21-03-2017
  vi) 2015-2016 submitted on 21-03-2017

37. Any other general data the University would like to include:

- Kakatiya University has 529 affiliating colleges.
- The university has been ranked 38 by India Today – Neilson Survey
- Sanction of DBT Builder Programme for the Department of Life Sciences.
- UGC – DRS – SAP status for 12 departments during assessment period.
- DST – FIST Programme for 8 departments.
- TEQIP status to University College of Engineering, Kothagudem
CRITERION – I : CURRICULAR ASPECTS

1.1 Curriculum Design and Development

1.1.1 How is the institutional vision and mission reflected in the academic programmes of the University?

- Kakatiya University aims to be one of the centers of excellence in higher education in the country ensuring quality, access, equity and values. The mission of the University is to acquire commanding heights in the field of innovation, knowledge-dissemination, cutting-edge research, competency building and extension activities with holistic approach for societal needs.

- It plans to achieve excellence in teaching by updating the curricula periodically to achieve global standards, research through collaboration with premier institutes, extension activities and lectures.

- The University is striving constantly to achieve vision and mission through monitoring the standards in teaching, learning, research and extension activities by involving all the stakeholders to enhance the employment potential and skills of students.

- The University promotes peace and harmony in the society by inculcating competitive spirit and human values among the students.

- It plans to contribute in a distinct way for the service of the weaker sections in socially, economically and educationally developing region of the State.

- It undertakes curricular, co-curricular and extracurricular activities.

- University conducts SWOT analysis at regular intervals for introspection which leads to perfection.

- It involves all the stakeholders like students, teachers, non-teaching staff, administration, industry, government and society for meeting the requirements.

- There are twelve endowment and memorial lectures instituted to empower the students with knowledge and information.

- Admission to the regular mode of learning is only through the Entrance Test.

- Constant encouragement of the teacher and the taught to maintain the academic discipline in the enhancement of quality.

- This is achieved through the strict adherence to almanac, conduct of examination and publication of results.

- This helps the students to seek for admission into institutes of higher learning, employment and to appear for competitive examinations on time.

- The University involves all the students in NSS activities and village adoption as part of outreach activities.

- Kakatiya University not only offers conventional face-to-face learning but also learning through distance mode from its window called School of Distance Learning and Continuing Education to reach the remote corners of the rural society.

- It also extends the facility of movement from the regular mode to the distance mode for the needy students.
Admission into the research programmes is only through the entrance examinations as per the latest UGC guidelines.

In the period of assessment these programmes were more systematized and strengthened in terms of pre-design and pre-submission seminars by all the research scholars along with the condition of mandatory publication of at least one paper in peer reviewed national or international journal.

The research output in the period of assessment has considerably increased in terms of research publications, books and academic foreign visits by the faculty, research projects and the number of Ph.D degrees awarded.

In addition to the above information, it is worthwhile to mention that the extension activities conducted by the Sports Board, Centre for Women Studies, Career and Guidance Cell, SC/ST Cell, CELT and CFRAC are noteworthy to expose the students to academic weather, skills in English, soft skills, physical and mental rejuvenation and social concern.

Girl students are on equal footing in almost all the courses.

To keep pace with the global development, University is taking all steps to make the campus ICT enabled.

University has undertaken all the above activities to march forward in the direction of Excellence, Inclusion and Expansion that meet the requirement of the vision and mission of the University.

1.1.2. Does the university follow a systematic process in the design and development of the curriculum? If yes, give details of the process (need assessment, feedback, etc.).

Yes

The University follows a systematic approach in the design and development of the curriculum keeping focus on the teaching, learning and research.

Draft curriculum is prepared by the faculty in the department by forming paper-wise sub-groups with the members of the faculty with experience of teaching the paper or with the specialization of related field.

This exercise is done by referring to the UGC model curriculum and the curriculum in vogue in other universities within the state and outside the state.

The same is discussed in the faculty meeting threadbare. Later the refined document will be placed before the statutory body called Board of Studies that includes two external experts, one member from industry.

In this meeting the relevance, application, teaching methodology, sequence and employability are thoroughly discussed.

Once the curriculum is approved with modifications recommended, the same recommendations are incorporated and circulated among the members for final approval.

The approved curriculum is then forwarded to the higher bodies for ratification and the curriculum is implemented.

In this manner, there are rigorous quality checks and control overall academic matters.
Each department ensures that the curriculum is embedded with measures to induce the overall development of students.

After one year, the same curriculum is discussed in the faculty meeting on the basis of the feedback received from the teachers of all the colleges in a departmental conference wherein the deliberations go on for full day in two sessions.

The feedback is on the issues like the level of the curriculum, difficulties in teaching, availability of the literature/study material/books and the length of the curriculum with regard to the compatibility of the number of classes allotted for the semester etc.

The relevance of discussions in the departmental conference and its recommendations will again be discussed in the Board of Studies.

If necessary the relevant modifications are made and as per the procedures of the University the curriculum is finally refined and final draft ratified by the academic senate.

In addition, the opinion and feedback is collected and recorded from the experts and examiners visiting the department on various occasions for further refinements.

The feedback is also collected from the students for consolidation.

The curriculum is revised for every three years by considering the above said feedback.

In case of the subjects like Pharmacy, Engineering, Chemistry, Bio-Technology, Commerce and Business Management etc., with demand in employment market like Industry, Administrative, Management etc., the copy of curriculum is sent to the stakeholders for their feedback.

Need assessment is done through interaction with students, society, industry and other stakeholders of the University.

1.1.3 How are the following aspects ensured through curriculum design and development? (Employability, Innovation and Research)

The University modifies the existing courses and introduces new courses in tune with the changing labour market, industry, societal needs and requirements to carry out research in emerging and new areas.

The University has taken special efforts during the last six years to restructure the postgraduate programmes to make them more specialized, relevant and job oriented.

The University encourages affiliated colleges to apply for UGC add on/vocational programmes and also for autonomous status so that the respective colleges can design their own curriculum suited to the local needs and demands.

Members from the industry and organizations are inducted in the Board of Studies of each subject and their inputs are incorporated into the curriculum design.

Feedback of the alumni and employers are also taken into consideration while designing the syllabus.
Employability is given the major attention in designing and developing the curriculum.

The curriculum development emphasizes application/practical orientation in addition to soft skill development and communication skills.

In view of employability, the design and development process ensures need based curriculum. Internships in industries in the case of professional courses, use of laboratories and libraries for better exposure and experience are mandatory.

Innovation is encouraged by the University through curriculum upgradation and introduction of new courses so that the fruits of innovations can be transferred to the society.

The courses like M.Sc. and Ph.D in Biotechnology, Microbiology and Geology have good demand in the job market and majority of the students are absorbed through campus selections.

Students from Biotechnology department are absorbed in pharmaceutical industries/Biotech companies/research laboratories etc.

Management students are also absorbed in a number of establishments in the corporate sector.

The results of the research in the Botany and Biotechnology departments have been recently transferred to the society.

The faculty from the Pharmacy of Kakatiya University continuously adopts a few villages as samples for their research.

1.1.4. To what extent does the university use the guidelines of the regulatory bodies for developing and/or restructuring the curricula? Has the university been instrumental in leading any curricular reform which has created a national impact?

The UGC model curriculum is used as basis for many of the programmes in liberal arts and science courses.

The curriculum also adheres to requirements of funding agencies like UGC, DST, DBT, CSIR, etc. and prepares students to take up UPSC, UGC-NET, G-PAT and SLET examinations.

Creativity and Innovations offered as a subject in MBA and has been appreciated by personalities like SubramanyaSwamy when he delivered an endowment lecture in University.

This subject is now followed by other Universities in the country.

1.1.5 Does the university interact with industry, research bodies and the civil society in the curriculum revision process? If so, how has the university benefitted through interactions with the stakeholders?

Yes

The nomination of representatives one each from industry and civil society into the Board of Studies ensures that the component of the application of the scientific and technological developments with social relevancies included in the syllabus.
Mainly in the Commerce and Business Management and other social science subjects, the presence of a suitable representative takes care of the aspect of incorporation of the social issues into the syllabus.

The nomination of the representatives from the institutes with international recognition and scientific laboratories enrich the syllabus with recent scientific issues of relevance.

Interactions during conferences, workshops, seminars and symposia also help in the preparation of revised curriculum.

The department of Commerce and Business Management conducted a National Seminar in association with ICWA and CA on Companies Act, 2015.

In this conference, the faculty and students interacted with Chartered Accountants and Industrialists on the latest trends in corporate management which helps in revision and modification of curriculum.

1.1.6. Give details of how the university facilitates the introduction of new programmes of studies in its affiliated colleges.

Whenever an affiliated college proposes to start a new programme of study the university will constitute an expert committee with Chairman, Board of Studies of the department concerned as convener and Dean as the Chairman to look into the feasibility and viability of the proposed programme.

After thorough deliberations the university will accord the required approvals for the starting of the new programmes in the affiliated colleges.

The governing body members nominated by the University facilitate the affiliated colleges in starting new programmes.

The new programmes started during the period of accreditation (2009-16) are:

- B.Tech (Civil & IT),
- Ph.D. programme in Biotechnology,
- Naño science as third specialization in M.Sc.(Physics),
- Master in Communication and Journalism (MCJ),
- M.A.(Gender Studies),
- Master of Social Work,
- B.Sc.(Voc) courses in IT, Travel and Tourism,
- B.P.Ed. and
- M.Tech in Digital Communication.
- B.H.M. (Bachelor of Hotel Management)

1.1.7. Does the university encourage its colleges to provide additional skill oriented programmes relevant to regional needs? Cite instances (not applicable for unitary universities):

Yes

The university provides autonomy in designing new courses, especially skill oriented programmes.

Jawahar Knowledge Centres (JKC) in affiliated colleges conduct training programmes for the students to impart additional skills required for employment.
Some of the affiliated colleges entered MoU with Telangana Academy for Skill and Knowledge (TASK) to impart skill oriented training for students as per the needs of the society. The courses introduced are:

- P.G. Diploma in Guidance and Counseling,
- Certificate Courses in Web Design, Beautician, Tally, Net Programming, Drawing and DTP,
- Diploma Courses in Mimicry, Drawing, Communication Skills and in English
- Advanced Diploma in Computer Applications
- P.G. Courses in Master of Social Work (MSW) and Master of Education (M.Ed.).

### 1.2. Academic Flexibility

#### 1.2.1. Furnish the inventory for the following:

- Programs taught on the campus

| Degree, PG, M.Phil, Ph.D and Diploma programs offered in the campus |
|------------------|------------------|------------------|
| UG (Professional) | 09               | M.Phil.          |
|                   | 10               |                  |
| PG                | 35               | Integrated Courses |
|                   | 02               |                  |
| Ph.D.             | 28               | **Total**        |
|                   | **84**           |                  |

- Overseas programs offered on the campus
  
  Nil
- The following programs are offered for the colleges:

  **B.Sc. -** Regular with 31 Biological Science Combinations, Food Science & Quality Control, Industrial Microbiology, Genetics, Fishery Biology, Medical Lab Technology, Poultry Science.

  **B.Sc. -** Regular with 11 Mathematical Combinations, Electronics, Industrial Chemistry, Geology, Statistics, Vocational.

  **B.Pharm. -** Regular and 5 Year Integrated course

  **LL.B. -** Regular and 5 Year Integrated course

  Special Programs - BBM, BCA, BHM, B.P.Ed., B.Ed., Pharm.D.

  * All UG (Non-Professional) and PG (Non-Professional) courses are under CBCS.

  The College Development Council in the University guides the affiliated colleges in the introduction of new programmes based on the requirements.
The University insists on feasibility report and justification before considering new programmes if it is not instituted already in the University.

To introduce a new programme in an emerging area or interdisciplinary subjects, an adhoc-Board of Studies is constituted by the Executive Council to design the programme, formulate regulations and prescribe eligibility norms and teacher qualification.

Subsequently, the adhoc-Board of Studies is replaced by a regular Board of Studies.

The programmes proposed to be offered by the autonomous colleges are placed before the Academic Council for approval and reported to the Executive Council.

The Academic Council is the supreme body for courses and curriculum and it can approve, reject or recommend to the Board of Studies for reconsideration.

All the approved courses are available for colleges to offer.

The colleges have to follow the procedure to get the University recognition to offer a programme.

This requires the colleges to apply for a new programme or additional seats in the existing programme before the prescribed last date.

The inspection team as constituted by the University visits the institution and ensures the availability of required faculty and infrastructure.

Based on the report of the inspection team, the University authorities approve, reject or recommend the programme.

## 1.2.2. Give details of the following provisions with reference to academic flexibility

### a) Core/Elective Options

- The students have academic flexibility as the University has adopted Choice Based Credit System (CBCS) for all the courses.
- In PG courses, students have choice of open electives in Second and Fourth Semesters.
- Students have to take a foundation course in the Third Semester.
- They have a choice to opt for electives and foundation courses from the respective pools.
- Students have to give a general seminar in Second and Fourth Semesters on the topics of their choice.
- Open electives, foundation courses and general seminars carry weightage in terms of marks and credits.
- The performance of students is graded on the basis of CGPA and SGPA.

#### Enrichment Courses

- Each department is allocated some fixed amount of grant to organize extension lectures by inviting experts from outside the university for the benefit of the students and the faculty on specialized topics.
- The deliver series of lectures and continuously interact with the research scholars and students to enrich their knowledge.
- The departments conduct seminars/conferences/workshops and encourage students to involve in the deliberations and interact with the speakers and participants and enrich their knowledge.
- University conducts endowment lectures for which students are encouraged to attend and learn about the social issues and their status.
Curricular Aspects

Number of Such Programmes:

- 233 conferences/seminars/workshops/training programmes etc. were conducted by various departments during the assessment period.
- Twelve Endowment Lectures were instituted.
  
  i) Sri Pingle Venkatram Reddy Endowment Lecture
  
  ii) Prof. P.A. James Endowment Lecture
  
  iii) Sri Pamulaparthy Sadasiva Rao Endowment Lecture
  
  iv) Dr. K. Jayashankar Memorial Endowment Lecture
  
  v) Sri M.S. Acharya Endowment Lecture
  
  vi) Dr. K. Bala Gopal Endowment Lecture
  
  vii) Sri P.V. Narasimha Rao Endowment Lecture
  
  viii) Dr. B. Janardhan Rao Memorial Endowment Lecture
  
  ix) Silver Jubilee Endowment Lecture
  
  x) Nakka Laxmamma and ChennaiahEndowment Lecture
  
  xi) Late Sri. Kaloji Narayana Rao Endowment Lecture
  
  xii) Prof. C. Sivarama Krishna Rao Endowment Lecture

C) Courses offered in modular form:

- Under CBCS all courses are offered now in modular form.

d) Credit accumulation and transfer facility

- In UG courses due to CBCS system inter-university transfers are permitted.
- In B.Tech there is credit system and on inter-university transfers credits are normalized and transferred.
- The students are permitted to move from face to face system to distance mode and the marks are transferred.

e) Lateral and vertical mobility within and across programmes, courses and disciplines

- Lateral entry system has been adopted in Pharmaceutical Sciences and Engineering courses based on merit and roster system after writing the “ECET” entrance conducted by the Government of Telangana.
- The University has been allowing vertical mobility from Graduate courses to PG courses like MBA, MCA, LL.B., etc., as per the eligibility criteria fixed by respective regulatory bodies like the AICTE, NCTE and Bar Council of India.
- Students also have the academic flexibility to study MA in branches like Political Science, Public Administration, Journalism etc., irrespective of whether they had studied the relevant course at the UG level or not.

1.2.3 Does the university have an explicit policy and strategy for attracting international students?

- Yes
- The CFRAC has designed a course in English for Foreign students who need to improve their proficiency in English language.
- This Ten month course is offered at CELT, K.U.
• University strongly recommends (course in English for foreign students) CEFS course for those students whose medium of instruction is other than English.
• The University has signed MoU with 16 universities and institutions.
• Foreign nationals including NRIs with valid passports and visa issued by the Government of India, and refugees will be considered for admission subject to the conditions prescribed by the Government.
• 15% supernumerary seats are available in all the PG courses (Regular programmes only) for foreign nationals including NRIs.
• Foreign students’ admission is processed by the CFRAC.
• The CFRAC also provides support for housing and facilitates the students to have a comfortable stay and study.
• During the last five years, UG students, PG students and Ph.D. scholars from foreign countries have pursued their studies in the University.
• In a similar way students from the Kakatiya University are encouraged to visit foreign institutions and eligible students are guided and mentored by Center for Foreign Relations, Research and Consultancy.
• During the assessment period, University attracted considerable number of foreign students with proper planning from CFRAC.
• CFRAC has so far attended to 181 admissions and enquiries from 26 countries such as Afghanistan, Bangladesh, Bhutan, Brazil, Canada, Cyprus, Oman, Ethiopia, Italy, Iran, Korea, Nepal, Iraq, Libya, Palestine, Saudi Arabia, South Korea, South Sudan, Sri Lanka, Tanzania, Uganda, Yemen, Nigeria, Liberia, Palestine and the USA.

The MoUs entered by Kakatiya University are the following:

1) The Department of Plant Molecular Biology, Groningen University, the Netherlands and the Department of Biotechnology, Kakatiya University.
2) The Botanical Institute Ludwig, Maximillians University, Munich, Germany and the Department of Botany and Biotechnology, Kakatiya University.
3) The Murdoch University, Perth, WA and the Department of Biotechnology, Kakatiya University.
4) The National Centre for Genetic Resources & Biotechnology, Brasilia, Brazil and the Department of Biotechnology, Kakatiya University.
5) Eretria Institute of Technology, Asmara.
6) The Central Michigan University, USA.
7) The European Union under ERAMUS Project
8) DOCTUS, Hyderabad.
9) WSU, MSU and ISU, USA in Biotechnology.
10) Genre American University,, UK.
11) NTH Co., Ltd., Japan.
12) NSL Mining Consolidated Ltd, Australia.
13) MDI, Gorgon for the exchange of students and teachers between the institutions.
14) Australian Centre of Industrial Biotechnology, Austria and Kakatiya University.
16) University of Malaysia Pahang, Malaysia (Govt. Of Malaysia), Kakatiya University.

1.2.4. Have any courses been developed targeting international students? If so, how successful have they been? If ‘no’ - explain the impediments.

--

1.2.5. Does the university facilitate dual degree and twinning programmes? If yes, give details:

--

1.2.6. Does the university offer self-financing programmes? If yes, list them and indicate its policies regarding admission, fee structure, teacher qualification and salary are at par with the aided programmes?

Yes.
➢ As per the decision of executive council and directions from the government from time to time.
➢ The admission for these self-financing programmes is looked after by the Directorate of Admissions.
➢ The eligibility criteria for admission, selection process along with the rules of admission are same as that for the regular courses.
➢ The teacher’s appointments along with the qualifications are also the same as that for any other teacher in University.

1.2.7. Does the university provide flexibility of bringing together the conventional face-to-face mode and the distance mode of education and allow students to choose and combine the courses they are interested in? If yes, give operational details.

Yes.
➢ The university offers many courses in the distance mode, any student can move from regular/formal to non-formal/distance mode if he/she decides to do so by discontinuing the programme and showing genuine reasons.
➢ In such cases the marks sheets will be transferred.
➢ The candidate can not choose any of the programmes offered under the distance mode while pursuing the regular course.
1.2.8. Has the university adopted the Choice Based Credit System (CBCS)? If yes, for how many programmes? What efforts have been made by the university to encourage the introduction of CBCS in its affiliated colleges?

- Yes. In consonance with the NAAC Peer Committee’s recommendations, the University has introduced CBCS in all the PG and UG programmes which are offered at campus, constituent and affiliated colleges.

1.2.9. What percentage of programmes offered by the university follows semester system?

100%

1.2.10. How does the university promote inter-disciplinary programmes? Name a few programmes and comment on their outcome.

Kakatiya University is offering the following inter-disciplinary courses.

<table>

</table>

- The University offered a total of 222 programmes during the academic year 2013-14 through its departments.
- This includes 10 M.Phil, 35 PG, 3 PG Diplomas, 6 Diplomas and 9 Certificate programmes.
- The PG programmes are mainly of two years duration except MCA which is three year programme.
- The five year integrated programmes viz. M.Sc Biotechnology, M.Sc. Chemistry and L.L.M.
- The University offers 28 Ph.D programmes (basic and interdisciplinary) are offered on full-time and part-time basis in all its teaching departments.
The University introduced new programmes during the last six years which included M.Phil, PG, PG Diploma, Diploma and Certificate programmes.

The admission to all the programmes on the campus colleges and affiliated colleges is through entrance test.

The candidates can write entrance for any number of subjects depending on the courses for which they are eligible based on the courses he studied in the U.G. programmes including languages.

The candidate has the freedom to select interdisciplinary topics for his research and University also provides the facility of joint supervisors in such cases.

**Academic flexibility in choosing the courses**

Choice Based Credit System is introduced in all UG and PG Courses.

**Curriculum development process**

The process of design and development of curriculum involves three major steps: review, revision and ratification.

Curriculum revision and/or introduction of new courses are undertaken based on the feedback/inputs received from students, faculty, alumni and employers.

The existing PG programmes take into account the future needs of the society.

The MBA and MCA programmes have a contemporary thrust of internationalization, globalization and human resource development.

Sciences, Bio-Sciences, Pharmacy, Journalism, and Psychology etc. cater to the contemporary needs of the society.

Language, Art and Culture are of relevance for the society.

The University offers PG and research programmes in Major Indian and foreign languages such as Sanskrit, Telugu, Hindi, and English.

The language laboratories focus on computer-aided multi-media instruction for language learning.

The laboratory acts as a platform for learning, practicing and producing language skills through interactive lessons and communicative mode of teaching.

Soft skill courses and industry internship for B.Tech students made mandatory.

A special feature of curriculum design and development is the special care taken to satisfy the needs of the overseas students.

**1.3. Curriculum Enrichment**

**1.3.1. How often is the curriculum of the university reviewed and upgraded for making it socially relevant and/or job oriented/knowledge intensive and meeting the emerging needs of students and other stakeholders?**

Curriculum is revised for every three years for UG and PG with appropriate approval from the apex bodies.

In the re-accreditation period, new PG Programmes have been initiated in cutting edge areas like Ph.D programme in Biotechnology, specialization in Physics like Nan science and an M.Sc Programme in Nanotechnology in an autonomous College.
All these courses have been started after reviewing the existing courses and after ascertaining the demand from various stakeholders by the respective boards of studies and after getting approval from the apex bodies.

1.3.2. During the last four years, how many new programmes at UG and PG levels were introduced? Give details.

The new programmes started during the period of assessment:

**UG Level**
- B.Sc.(Voc) courses in IT, Travel and Tourism,
- B.Tech (EEE),

**PG Level**
- Nano science as third specialization in second year of M.Sc.(Physics) – emerging area
- Master in Communication and Journalism (MCJ) – inter disciplinary,
- M.A(Gender studies) – inter disciplinary,
- Master in Social Work (MSW) – inter disciplinary
- M.P.Ed. – inter disciplinary and
- M.Tech in Digital Communication – emerging area.

**Research Level**
- Ph.D programme in Biotechnology emerging area

Out of these six are inter-disciplinary and three are in emerging areas.

1.3.3. What are the strategies adopted for the revision of existing programmes? What percentage of courses underwent a syllabus revision?

The strategies adopted for the revision of existing programmes include:

- In accordance with the regulatory bodies such as UGC and AICTE.
- Analysis of the current and future challenges and employability.
- Compilation of directory of experts.
- Meetings with Principals of the affiliated colleges.
- Evaluation and observation of changes, relevance and requirements.
- Feedback from alumni and stakeholders.
- Identification of innovative pedagogy, expertise, training, tools, skills and techniques.
- Meeting of the chairpersons of BoS to review the requirements and societal needs.

In the period of assessment in 26 subjects the syllabus was revised and this amounts to 67% of the number of subjects offered at P.G level.

Majority of the departments revised the syllabus when the University introduced CBCS system at all UG & PG levels.
1.3.4. What are the value-added courses offered by the university and how does the university ensure that all students have access to them?

The following are value added PG Diploma, Diploma and Certificate programmes offered by various departments of the University:

Table - 1.4

1.3.5. Has the university introduced any higher order skill development programmes in consonance with the national requirements as outlined by the National Skills Development Corporation and other agencies?

Yes

University is offering the following skill development programmes that fall in the policy of National Skills Development Corporation (NSDC) under the Distance mode.

1) PG Diploma in Computer Applications,
2) Advanced Diploma of Computer Applications,
3) Certificate course in Web Design,
4) Certificate course in Net Programming and
5) Certificate course in Tally.

1.4 Feedback system

1.4.1. Does the university have a formal mechanism to obtain feedback from students regarding the curriculum and how it is made use of?

Yes, the Internal Quality Assurance Cell (IQAC) of the University developed an instrument to get a detailed feedback about the course, course content, relevance and delivery by the teacher.

The feedback received from the students is analyzed by the IQAC and the outcome is sent to the concerned head of the department and faculty with the approval of the University authorities.

Informal feedbacks are obtained from the participants of seminars/conferences, campus placement companies, alumni, employers, community, academic peers, industry and parents.
1.4.2. Does the university elicit feedback on the curriculum from national and international faculty? If yes, specify a few methods such as conducting webinars, workshops, online discussions, etc. and its impact.

Yes

➢ Feedback has been obtained from the visitors under MoU with foreign universities, invited distinguished scholars, UGC visiting fellows, etc.

➢ Online discussions are also held by the faculty members to upgrade the curricula to meet global challenges.

➢ The university makes use of National and International Seminars/Conferences/Workshops organized in the Camps to discuss the curriculum with national and international experts to elicit their views, opinions and feedback on the curriculum.

1.4.3. Specify the mechanism through which affiliated institutions give feedback on curriculum enrichment and the extent to which it is made use of.

➢ The feedback from the affiliated institutions on curriculum comes from the participation of their faculty in Departmental Conferences conducted every year.

➢ The university periodically conducts meetings with the Principals of the affiliated colleges.

➢ Feedback is also obtained from the members of academic senate.

1.4.4. What are the quality sustenance and quality enhancement measures undertaken by the university in ensuring the effective development of the curricula?

In the context of globalization and according to the needs of the students and society, the university is taking appropriate measures to enhance the curricula and maintenance of the quality.

- Every three years the curricula have been changed and updated.
- Periodical seminars on emerging areas.
- Hands on experience for handling the latest equipment.
- Submission of term papers.
- Internal Assessment system.
- Training in communication skills.
- Training in computer skills.
- Extension lectures by experts and by eminent scholars.
- Emerging faculty to go on foreign visits to update skills and subject knowledge.

Any other information regarding Curricular Aspects which the university would like to include.

- Conducting orientation programmes to the students in the beginning of the academic year.
- Introduction of value added courses.
- Entering into MoU with other National and International Institutes.
CRITERION – II : TEACHING–LEARNING AND EVALUATION

2.1. Student Enrolment and Profile

2.1.1. How does the university ensure publicity and transparency in the admission process?

- The University brings out an admission notification for PG and M.Phil. and Ph.D. programmes of the University departments in leading national and regional dailies through the Directorate of Admissions.
- The information is posted in the University website (www.kakatiya.ac.in) in the month of March.
- A separate advertisement is issued for the courses offered through the School of Distance Learning and Continuing Education (SDLCE) in the month of June for academic year courses and January for the calendar year courses.
- This information is posted in SDLCE website (www.sdlceku.ac.in).
- The admission notification contains details about the courses offered, deadline for application, mode of selection and the like.
- The University websites are user-friendly and provide details about the admission policy, academic programmes, academic calendar, curriculum, courses and syllabus.
- The University provides a prospectus along with the application form giving all details of the programmes offered.
- Students can also download the application forms and apply with registration fees.
- The admission process is monitored by Advisory Committee and executed by Admission Committee comprises faculty members representing all categories.
- The admission/allotment of seats is made through student counseling in the premises of the Directorate of Admissions.
- The admission into MBA and MCA; BL, LLB and LLM; B.Ed and M.Ed; B.Tech and B.Pharm; M.Pharm; and M.Tech is made by ICET, LAWCET, EdCET, EAMCET, GPAT and PGCET, respectively following the State Government reservation rules in vogue.

2.1.2. Explain in detail the process of admission put in place by the university. List the criteria for admission: (e.g.: (i) merit, (ii) merit with entrance test, (iii) merit, entrance test and interview, (iv) common entrance test conducted by state agencies and national agencies (v) other criteria followed by the university (please specify).

- The University, by scrupulously implementing the reservation policy of the Government of Telangana, attempts to enhance the access for students belonging to SC/ST, BC and minorities, persons with various disabilities, outstanding achievers in sports and other extra-curricular activities such as NCC, NSS etc.
- In order to attract foreign students, the University provides 1 % supernumerary seats in each department.
- Apart from statutory reservations extended to the above mentioned categories of students, University offers fee concessions to those belonging to the weaker sections of society.
Admission is made only on the merit in the marks obtained in qualifying examination and following the rule of reservation prescribed by the state government for UG (Non-Professional) courses following.

Admission in PG courses is based on the marks obtained in the entrance examination conducted by the University and following the rule of reservation.

For the courses M.Phil and Ph.D the admissions are made on the basis of entrance test conducted by the University followed by the interview.

In the process of admission, first the seats in the open category are filled by the students belonging to all categories strictly on the merit in entrance examination and subsequently the seats under reservation category are filled with the students belonging to respective categories.

2.1.3. Provide details of admission process in the affiliated colleges and the university’s role in monitoring the same.

For admissions in UG courses in affiliated colleges, the schedule is prepared and finalized after thorough discussions in the Principals’ meeting convened by the Dean, College Development Council and Vice-Chancellor being the Chairman.

Applications are invited by the Principals independently and the admissions are finalized strictly following the state government’s reservation policy on the basis of the marks obtained in the qualifying examination.

The admission process in affiliated colleges is supervised by the Dean, College Development Council of the University.

For the academic year 2016-2017, the admission for all undergraduate courses was conducted by Degree Online Services, Telangana (DOST) for all Universities in the State.

Student admissions to all these colleges into PG courses are made by the Directorate of Admissions of Kakatiya University.

For all the UG and PG courses offered by the affiliated colleges, admissions are made by University through central counseling.

Admissions to UG and PG professional courses are made through central web counseling by Government of Telangana based on the rank obtained in the respective entrance tests.

2.1.4. Does the university have a mechanism to review its admission process and student profile annually? If yes, what is the outcome of such an analysis and how has it contributed in the improvement of the process?

Yes, the University has a mechanism to review its admission process and student profile annually.

Every year, review meeting of the Advisory Committee of the Directorate of Admissions is held wherein the entire admission process is reviewed and innovative ideas are welcomed and incorporated to refine the admission process in order to make the mechanism student-friendly.

Over the years, a lot of improvement was achieved through online admission process.

This helped the university in completing the admission process in the shortest possible time frame without causing disturbance to the almanac and teaching schedule.
2.1.5. What are the strategies adopted to increase/improve access for students belonging to the following categories:

- **SC/ST**
  The University, by strictly adhering to the reservation policy of the State Government, attempts to enhance the access for students belonging to SC/ST. They will be given Mess charges by the state government during the course. Coaching classes for appearing competitive exams, NET, GATE, SLET and civils will be conducted by SC/ST cell of the university. They will also be encouraged to utilize the schemes like RGNF offered by UGC.

- **OBC**
  BC students will be encouraged by extending the mess charges and scholarships offered by state government. They are also assisted for the career building and appearing for various exams by conducting coaching classes by BC cell of the university. And minorities, persons with varied disabilities, economically weaker sections, outstanding achievers in sports and other extra-curricular activities.

- **Women**
  Centre for Women Studies takes care of their academic career, employment opportunities and empowerment by conducting awareness workshops.

- **Persons with varied disabilities**
  Separate facilities in the hostels, academic buildings and library are provided for physically disabled students. Ramps are provided in the departments for their easy movements. They are provided the waiving of exam fee, exemption of passing in English in UG (Non-professional courses) and reduction of percentage from 35 to 25 for pass in exams.

- **Economically weaker sections**

- **Outstanding achievers in sports and other extracurricular activities**
  Outstanding achievers in sports and other extra-curricular activities will be encouraged by giving some exemption in putting the required % of attendance.

**Trends in admissions to PG programmes**

- Table 2.1 clearly brings out the trends in the admission of students to the PG programmes of the University departments.
- It is seen from the Table that the number of students admitted to the PG degree programmes, which stood at 6449 in 2013–2014, stands at 6315 in 2016–2017.
- It can be noticed from the Table that the total number of female students is more than the male students.
- The number of students belonging to marginalized sections of society (SC, ST and OBC) also increased considerably over the past six years.

2.1.8. Were any programmes discontinued/ staggered by the university in the last four years? If yes, please specify the reasons.

No programme is discontinued.

2.2. Catering to Student Diversity

2.2.1. Does the university organize orientation/induction programme for fresher’s? If yes, give details such as the duration issues covered, experts involved and mechanism for using the feedback in subsequent years.

- Yes. Every year, immediately after the admission process is completed, the University organizes orientation and induction programmes with senior faculty and experts for the newly admitted students.
- The University brings out handbook every year.
- The handbook contains all details about the faculties, departments, programmes, and courses, besides the academic calendar of the respective year.
- Freshers are given instructions on matters relating to examination, grading system, student amenities available in the University, scholarships, MOUs, health insurance, anti-ragging committee, language laboratories, health education, etc.

2.2.2. Does the university have a mechanism through which the “differential requirements of the student population” are analyzed after admission and before the commencement of classes? If so, how are the key issues identified and addressed?

- Yes, the University has a mechanism through which the differential requirements of the student population are analyzed after admission and before the commencement of classes.
The orientation programme conducted at each department/subject before the commencement of the teaching programme helps in understanding and assessing the knowledge base and skills of the students.

The interaction of individual teachers with students in the class to understand their level helps the teacher in the modification of his teaching methodology to suit the students and enhance their level of understanding.

The performance of students in the first and second internal tests which are a part of continuous internal evaluation also helps in getting an understanding of the requirements of the students.

The departmental committee and board of studies review the differential requirements of the students in respect of the curriculum, career opportunities, training on soft skills etc. and suggest proper measures.

2.2.3. Does the university offer bridge/remedial/add on courses? If yes, how are they structured into the time table? Give details of the courses offered, department-wise/faculty-wise?

Yes

University has got the practice of offering Bridge, remedial and add-on courses to fill the knowledge gaps in the respective course. First 10 classes in the semester are allocated for this purpose.

University conducts remedial classes to cope with the optimum knowledge levels.

2.2.4. Has the university conducted any study on the academic growth of students from disadvantaged sections of society, economically disadvantaged, physically handicapped, slow learners, etc.? If yes, what are the main findings?

Yes, the university has a mechanism for conducting the study on the academic growth of students from disadvantaged sections. After analysing the data, the necessary measures will be taken. The following Table shows the statistics of the growth of students.

<table>

2.2.5. How does the university identify and respond to the learning needs of advanced learners?

The advanced learners in various subjects are identified by the faculty concerned during the class-room teaching, and based on their performance in internal assessment tests, end-semester examination, and student-teacher interaction.
They are also identified based on their active participation, involvement, performance in the classroom/practical hall dynamics including participation in seminars, etc.

Subject wise, paper wise, practical wise strategies are adopted.

They are given enough opportunities indifferent programmes like IQAC seminars, campus placements to enhance their confidence levels.

The specific strategies for the advanced learners are as follows:

- Provisions of additional learning and reference material
- Assignment preparation on current and latest topics
- Student seminars on selected topics
- Participation in quiz, debate and problem solving- decision making exercises
- Provided with various projects, assignments and reference materials for their advancement

2.3 Teaching- Learning Process

2.3.1. How does the university plan and organize the teaching, learning and evaluation schedules (academic calendar, teaching plan, evaluation blueprint, etc.)?

- The University follows an academic calendar for all its academic activities.
- The academic calendar of the University is prepared by the committees of Deans and academic administrative authorities.
- There are separate semester wise and faculty wise annual calendar for PG programmes.
- The logistics of the semester wise annual calendar of events is based on the directions, feedbacks, UGC guidelines on academic working days, policy and orders issued by Government of Telangana.
- Institutional planning and organization of teaching-learning and evaluation schedule integrated into total scheme of academic calendar is mainly based on three important provisions.
- The Regulations of each course specify the framework for academic schedule which includes the number of semesters, working/ teaching days, number of subjects, papers to be taught, hours of instructions per paper, practical method of teaching and learning, method of internal assessment, end-semester examinations, weightage for assessment tests and method of assessments and declaration of results.
- The Board of Studies prescribes the detailed syllabus for a subject based on regulations.
- The Office of the Controller of Examinations, based on their logistics, prepares the time frame for conducting examinations (exam schedule, evaluation schedule, tabulation schedule, marks card, result announcement schedule). Thus, the systematic planning, organization and implementation of teaching, learning and evaluation is possible within the total scheme of University schedule. IQAC plays a vital role in the quality assessment of Kakatiya University, emphasizing teaching-learning and evaluation process. IQAC organizes seminars to provide a platform for healthy interaction between
different stakeholders. It also collects feedback from students, which is subsequently analyzed to improve the teaching-learning process.

2.3.2. Does the university provide course outlines and course schedules prior to the commencement of the academic session? If yes, how is the effectiveness of the process ensured?

Yes
➢ The University provides course outlines and course schedules prior to the commencement of the academic session to the teachers and students to enable them to follow the schedule scrupulously for effective teaching-learning process.
➢ The effectiveness is ensured by placing the details on the University’s website (www.kakatiya.ac.in).
➢ The principals of respective colleges will monitor the process of effective teaching through periodic meetings and visits.

2.3.3. Does the university face any challenges faced in completing the curriculum within the time frame and calendar? If yes, elaborate on the challenges encountered and the institutional measures to overcome these.

No such problems have been faced by the University.

2.3.4. How is learning made student-centric? Give a list of participatory learning activities adopted by the faculty that contributes to holistic development and improved student learning, besides facilitating life-long learning and knowledge management.

➢ The teaching-learning process is made student-centric by assigning,
➢ Topics on which either a student/group of students can make presentations after preparing and discussing the broad synopses with faculty and seeking clarifications wherever the need arises,
➢ The case studies/ business games for discussions in the classrooms,
➢ The task of identifying vital reference books and relevant articles related to different topics from refereed national and international journals,
➢ Students to present the summary of certain research articles in the classrooms,
➢ The choice of topics on which projects reports/dissertations are to be submitted by each one of them and
➢ Leadership role in various situations. Students are also encouraged to take part in sports and extracurricular activities.
➢ Student-teacher interaction is given highest priority in the teaching learning process to make it student-centric.
➢ Learning process is made more interactive through the use of different support systems like LCD projectors, interactive boards, models, maps, educational documentaries etc.
➢ Practicals conducted in different subjects are totally based on interactive learning.
➢ The University provides ample scope through well-equipped and enriched central library, departmental libraries, central computer centre and reading rooms for independent learning.
The focus of the teaching-learning process is to develop skills and competencies among the students and to make them self-independent.

2.3.5. What is the university’s policy on inviting experts/people of eminence to deliver lectures and/or organize seminars for students?

- All the academic departments are encouraged to invite experts from industry, research institutes and people of eminence in different fields.
- Industry experts are invited for specialized inputs on regular basis.
- For this purpose, the University allocates funds every year to all the departments.
- The departments are free to invite eminent personalities in the relevant field.
- Allocation is also made for inviting experts as part of organizing seminars and conferences.
- Twelve endowment lectures are instituted in the university.
- As part of these lectures, several eminent people in various fields have been invited to deliver lectures. The list of lectures delivered by eminent people as part of endowment lectures, for the last five years, is given in [www.kakatiya.ac.in](http://www.kakatiya.ac.in) under IQAC

2.3.6. Does the university formally encourage blended learning by using e-learning resources?

- Yes, the computer aided learning is given priority in our educational system.
- The internet connections are made available in all the departments and the library to enhance the scope of e-learning.
- The University has INFLIBNET and INFONET facilities.
- The University subscribes to CD-ROM databases facilitating quick e-survey of the literature by giving only keywords.
- At the beginning of every academic year, orientation programmes are arranged by the library staff.
- In addition to orientation programmes, sensitization/awareness programmes and hands-on computer training are also arranged for the optimal use of INFLIBNET facilities.
All the PG students, research scholars and the faculty members make optimum utilization of these resources for teaching-learning and research.

Internet facility is provided in all departments and hostels and Wi-Fi facility is also provided in entire campus.

Central computer facility is available, where students can browse the topics of their academic interest and is also used for conducting online examinations.

It is also used for online tutorial and e-learning.

2.3.7. What are the technologies and facilities such as virtual laboratories, e-learning, open educational resources and mobile education used by the faculty for effective teaching?

Computer and internet access and training to teachers and students

The main objective of the internet connectivity in all the departments is to enable researchers, academicians, students and administrators to use information and communication technologies for better learning, teaching, research and administration.

Functions of University Networking Laboratory (UNL)

- To provide better network connectivity with improved technology to all the buildings on the campus.
- To develop better ICT infrastructure
- To extend high-speed internet path for better access
- To be active in NME and NKN national projects

The UNL provides Web, Mail, Database Services, e-resources and e-journal access to the faculties and students of the University.

The Laboratory also updates and uploads the day to day University information like tenders, results, seminars, workshops, conferences, admissions, appointments, department information, course syllabi and timetables with the help of the website (www.kakatiya.ac.in).

Soft Skills Lab

Separate soft skill labs with 40 computer systems have been functioning in different University campuses for the benefit of students/faculties for the past four years. More than 1000 students have been benefitted each year by using the lab.

University Computer Centre

- The University computer centre is divided into two wings.
- One wing is for regular browsing for all the students of the University.
- Second wing is used for online tutorial, e-learning and conducting online examinations.
2.3.8. Is there any designated group among the faculty to monitor the trends and issues regarding developments in Open Source Community and integrate its benefits in the university’s educational processes?

➢ Some faculty members are assigned with the job of monitoring the trends and issues in the developments in open source community with an intention of integrating its benefits in the university educational process.

➢ At the University level, the Academic Senate involves all the stake holders to discuss the trends and the needed changes in academic programmes.

➢ The Boards of Studies at the department level will monitor the trends and issues on the subjects in its jurisdiction.

➢ The research monitoring committees will monitor the issues related to contemporary research.

2.3.9. What steps has the university taken to orient traditional classrooms into 24 X 7 learning places?

➢ The use of modern multimedia teaching aids like LCD, OHP models, CD-ROMs and computer systems with internet connectivity are usually employed in classroom instructions and these facilities are made available in hostels.

➢ In some departments, computer-based packages are used to elucidate abstract knowledge and virtual instruments through computer animation.

➢ Students are also encouraged to use computer software packages for meaningful analysis of the experimental data collected/acquired by them.

➢ Research scholars and students can always use their laboratories 24x7.

2.3.10. Is there a provision for the services of counsellors/mentors/advisors for each class or group of students for academic, personal and psycho-social guidance? If yes, give details of the process and the number of students who have benefitted.

Yes

➢ University Career and Guidance Centre offers counselors, mentors and advisors for each class or group of students for academic, personal and psycho social guidance.

➢ Further every student is assigned a faculty advisor to advice on academic matters.

➢ In every department, the students are divided into batches and each batch is guided by a mentor in all aspects. In this way all the students in the University are benefitted.

2.3.11. Were any innovative teaching approaches/methods/practices adopted/put to use by the faculty during the last four years? If yes, did they improve learning? What were the methods used to evaluate the impact of such practices? What are the efforts made by the institution in giving the faculty due recognition for innovation in teaching?

Yes

➢ In the last five years, many teachers have developed ICT enabled course material.

➢ Many departments are supplied with audio visual teaching aids which are also used to teach students.
Such teachers are rewarded for their innovations through commendations from the Vice Chancellor.

Learner centered activities like participative learning, interactive sessions, students’ seminars, case studies, project work, assignments, problem solving exercises and field work are followed.

As a pioneering effort, open educational resources on soft skills have been prepared as a suite of 250 reusable learning objects with an intention that this pilot project will pave way for open access learning.

Video recording of student seminars is in practice in some departments to improve the teaching abilities of students.

The significant teaching-innovations made in the last five years are mentioned below:

i. Practical work: Nearly half of the total academic work time is devoted to practical/project work aimed at creating learning environments.

ii. Case method: Students are assigned live projects as case studies that are aimed at testing the application of theoretical concepts to industry situations.

iii. Feedback: Both teachers and students evaluate each other with the spirit of developing mutually and for the cause of promotion of excellence.

iv. Mock interview exercises: Use of case study method and organizing of mock interview sessions and review of curriculum vitae exercises for the purpose of explaining the recruitment process.

v. Personality development initiatives: Students are divided into groups to work on projects and make class-room presentations to collectively work with team spirit and share their knowledge.

2.3.12. How does the university create a culture of instilling and nurturing creativity and scientific temper among the learners?

To nurture critical thinking, creativity and scientific temper among students, various activities like debate, extempore speaking, essay competition, seminars, group discussions, symposia, poster presentations, field survey, making models and practical exercises of curriculum are conducted.

The University every year conducts inter-collegiate cultural festivals on the campus.

In the academic year 2013-14 University conducted ‘YUVAKALARATNA’ a mega Inter-University Central Zone cultural festival in which many Universities from central India participated. The University celebrates every year International Women’s day with the participation of women staff and students of University departments and affiliated colleges.

The successful industrialists, scientists of international repute are invited frequently to the University to deliver expert lectures and to interact with the students.

2.3.13. Does the university consider student projects mandatory in the learning programme? If yes, for how many programmes have then been (percentage of total) made mandatory?

Yes
Project work is mandatory for the students of Pharmacy, Biotechnology (Regular and Integrated), MBA, MHRM, MBM, M.Sc. Computer Science and Engineering in the final year final semester.

Students usually undertake projects with industrial and commercial organizations.

Faculties actively involve themselves in facilitating the completion of project work. The duration of the project work is one Semester.

1. **Number of projects executed with the university**

Students in Biotechnology, Engineering, Pharmacy, Management, Computer Science, MHRM, Tourism courses prepare projects as part of their curriculum.

2. **Names of external institutions associated with the University for Student Project Work.**

External institutions such as industries, non-governmental organizations, and voluntary organizations are associated with University student projects.

1. Singareni Collieries
2. NTPC, Ramagundam
3. Kesoram Cement
4. Sirpur Khagaz Nagar Paper Mill
5. ITC, Bhadrachalam
6. C-DAC
7. NPDCL
8. NGRI, Hyderabad
9. IICT, Hyderabad
10. CCMB, Hyderabad
11. Reddy Labs, Hyderabad
12. ICRISAT, Hyderabad
14. IISc., Bengaluru
15. NMDC, Hyderabad

3. **Role of faculty in facilitating such projects.**

The faculty will provide guidance in selecting the topic, and guiding the students till the completion of the projects.

2.3.14. **Does the university have a well-qualified pool of human resource to meet the requirements of the curriculum? If there is a shortfall, how is it supplemented?**

Yes, about ninety percent of the staff of the University has Doctoral degrees in their respective disciplines.

In one or two departments where short fall is there, expertise is utilized from other universities.

University is contemplating to maintain data bank with the qualified pool of human resources drawn from various departments/institutions to utilize them for various purposes to enhance effective function of the university.

2.3.15. **How are the faculty enabled to prepare computer-aided teaching/learning materials? What are the facilities available in the university for such efforts?**

E-learning classrooms with ICT related equipment are available to strengthen the teaching-learning process. All the faculty members are provided with a computer with net connectivity.
2.3.16. Does the university have mechanism for the evaluation of teachers by the students/alumni? If yes, how is the evaluation feedback used to improve the quality of the teaching-learning process?

➢ The University has a mechanism for the evaluation of teachers by students/alumni.
➢ The student’s feedback form is available in www.kaktiya.ac.in which focuses on the broad areas like course content, teaching learning process,
➢ Evaluation process, administration, library and Internet centers.
➢ This feedback contributes to the academic radar prepared by the IQAC.

2.4. Teacher Quality

2.4.1. How does the university plan and manage human resources to meet the changing requirements of the curriculum?

The University has taken conscious and continued efforts in planning and managing the human resources to meet the changing requirements of the curriculum. The Kakatiya University focuses on the qualitative improvement of the faculty, by encouraging and enabling faculty to

➢ Attend academic programmes including FDP/training programmes of similar type, attend National/international workshops/Seminars/Conferences/Conventions etc.,
➢ Undertake consultancy assignments
➢ Carry out research and publish papers in scholarly journals
➢ Obtain research grants from national and international agencies
➢ Guide students in Postgraduate, Doctoral Programmes.
➢ MoUs with research and academic institutions within and outside the country.
➢ Interaction of faculty with experts.
➢ The University recommends high performers to the state government for the award of “State best Teacher Award” during the Teachers Day celebrations every year.
➢ As many as 15 teachers received awards from the Chief Minister of Telangana for their Best Performance as teacher in the period of present assessment.
➢ The Kakatiya University has been actively seeking collaboration with industries and academic as well as research organizations all over the world with a view to meet the challenges of globalization on one hand and demands of the society on the other.
➢ The University constantly explores possibilities to have tie ups at regional/national and international levels for exchange of knowledge and expertise by entering into MoUs.
➢ As many as 45 Collaborations and 16 MoUs are under implementation.
➢ The teachers who developed inter-disciplinary research interests assist the University in the opening of new courses and establishment of new departments.

2.4.4. How does the university ensure that qualified faculty are appointed for new programmes/emerging areas of study (Bio-technology, Bio-informatics, Material Science, Nanotechnology, Comparative Media Studies, Diaspora Studies, Forensic Computing, Educational Leadership, etc.)? How many faculty members were appointed to teach new programmes during the last four years?

- Initially for all the new programmes, the assistance is taken from retired teachers, emeritus professors and post-doctoral fellows and guest faculty from research institutes and universities.
- Subsequently as and when the administrative sanction is obtained, the appointments are made on the regular basis strictly as per the UGC norms and the rules of the state Government through a general notification.

2.4.5. How many Emeritus/Adjunct Faculty/Visiting Professors are on the rolls of the university?

1. Emeritus Professors: 16
2. Adjunct Faculty: 02

2.4.6. What policies/systems are in place to academically recharge and rejuvenate teachers (e.g. provide research grants, study leave, nomination to national/international conferences/seminars, in-service training, organizing national/international conferences etc.)?

- Deputing teachers to attend faculty development programmes and staff development programmes organized by different universities with the help of UGC funding.
- Granting study leave to teachers for doing Ph.D. in other Universities of International repute.
- Funding the participation of the faculty in National and International seminars and conferences.
- Encouraging and funding university departments to organize national and international conferences/seminars and workshops
- Allowing university departments to procure state of the art equipment either to upgrade their existing laboratories and for the establishment of new labs.
- Instituting the doctoral and post-doctoral scholarships for promotion of high quality research.
Liberally allowing the entire faculty of University departments to recommend latest references/textbooks, journals and other e-resources for procurement in University Library and libraries in the departments.

The faculty members obtain research grants through research projects from funding agencies like DST, DBT, MoEF, CSIR, AICTE, UGC, ICSSR, etc.

University encourages the faculty members to organize National and International conferences by allocating some funds in addition to the grants from the funding agencies.

2.4.7. How many faculty received awards/recognitions for excellence in teaching at the state, national and international level during the last four years?

2010-11

1. Prof. N. Linga Murthy was conferred the rank of Honorary Colonel of NCC.
2. Prof. G. Damodar, Prof. N. Ramaswamy, Prof. V. Ravinder were selected for the State Best Teacher award.
3. Prof. A. Raghurama Rao, was honoured with the Dr. (Mrs.) Manjusree Pal Memorial Award for the best Pharmaceutical Scientist award.
4. Prof. Banna Ailaiah was honoured by Teja Arts Creations –A Literary and Social Organization with the annual award.
5. Prof. Ghanta Ramesh was honoured with an award instituted by the UNESCO & NLM for the services rendered for the cause of Adult Education.

2011-12

6. Prof. Ciddi Veeresham and Prof. V. Ravinder were honoured with A. P. Scientist Award by APCOST.
7. Prof. V. Kishan was selected for the Pharmacy Teacher of the year Award by APTI, Punjab.
8. Prof. K. Katyayani was felicitated with Gurajada Literary Award by A.P. Department of Cultural and T. Subbirami Reddy Lalitha Kalaparishad.
9. Prof. N. Rama Swamy was felicitated with Talented Biotechnologist Award at the Third International Conference in University of Colombo.
10. Prof. Banna Ailaiah was honoured with State level Award by Sahrudaya Sahitya Samskruthika Samstha for his book Kaluva Malliah-Telangana Janajeevitham.
11. Prof. N. Rama Swamy was elected Fellow of the Linean Societies of London in recognition of his outstanding research contribution in the field of plant sciences.
12. Prof. Banna Ailaiah was felicitated with the Palluru Swayam Prabha memorial literacy award for his outstanding contribution to Telugu literature as a poet and critic.
13. Prof. Banna Ailaiah was also honoured with Somanatha Samajika Sodhana Puraskaram by Somanadha Kala Peetham.
14. Prof. T. Srinivas was selected as Best Programme Co-ordinator for NSS by State Government.
2012-13
15. Prof. B. Venkat Rathnam was conferred with the honorary rank of Colonel by APNCC for his outstanding contribution to Higher Education.
16. Prof. S. Srihari, Prof. K. Krishna Reddy and Prof. K. Sambaiah were honoured with the State Best Teacher Award.
17. Prof. Ghanta Ramesh was honoured with the National Literacy Mission Award.
18. Prof. N. Ramaswamy was honoured with the Talented Scientist Award.
19. Prof. Ch. Sanjeeva Reddy was honoured with the Prof. Navneeth Rao Best Teacher Award.
20. Dr. Y. Venkaiah was honoured with the Bharath Siksha Ratan Award.
21. Prof. K. Krishna Reddy was awarded the State Best Teacher Award.
22. Prof. G.V. Bhavani Prasad was awarded the State Best Teacher Award.

2013-14
23. Dr. B. Suresh Lal, Department of Economics was honored with Global Environmental Excellency Award, UG Presidential Voluntary Service award and Mother Teresa award for Community & Health Services.
24. Prof. N. Rama Swamy, Department of Bio-Technology was honored with Global Achievers award by Global foundation, Bangkok.
25. Prof. G. V. Bhavani Prasad, Department of Commerce & Business Management was honored with State award for teachers of excellence.
26. Prof. Ch. Sammaiah, Department of Zoology was honored with State award for teachers of excellence.
27. Prof. Syed Ayub Ali, Department of History & Tourism Management was honored with State award for teachers of excellence.
28. Prof. V. Malla Reddy, Department of Pharmacy was honored with Dr. G.P. Srivastava memorial Award – 2013
29. Prof. Ciddi Veeresham, Department of Pharmacy was honored with APCOST Best scientist award – 2011.
30. Prof. V Ravinder, Department of Chemistry, was honored with APCOST Best scientist award – 2011.
31. Dr. B Suresh Lal was honored with Best NSS Programme Coordinator Award.
32. Prof. K. Katyayani Vidmahe, Department of Telugu was honored with Sahitya Akademi Annual Award for the Year, 2013.

2014-2015
33. Prof. S Ram Reddy, Department of Micro-Biology was honored with Academy of Plant Sciences of India award.
34. Prof. Ciddi Veeresham, Department of Pharmacy was honored with SPER Eminent Teacher award.
35. Prof. N. Ramaswamy, Department of Bio-Technology was honored with Excellency in Research Award – 2014.
36. Dr. B. Sureshlal was honoured with US President’s Call to service award by National Community Services, USA and Amartya Sen Gold Medal Award.

37. Prof. Ch. Sanjeeva Reddy, Department of Chemistry was honored with State Award for Teachers of Excellence.

38. Prof. B. Digambar Rao, Department of Botany was honored with State Award for Teachers of Excellence.

39. Prof. K Kathyayani, Department of Telugu, was honored with State Award for Teachers of Excellence.

40. Prof. Ciddi Veeresham, Department of Pharmacy was honored with Dr. Manjusree Pal Memorial Award – 2014.

41. Prof. Ch. Sammaiah, Department of Zoology was honored with Environmentalist of the Year – 2014.

42. Prof. B. Ailaiah, Department of Telugu was honored with Pamulaparthi Sadashiva Rao Memorial Award, Komuram Bheem National award and Shri Soma Seetha Ramulu Award.

2015-2016

43. Prof. N. Rama Swamy, Department of Bio-Technology was honored with Outstanding Faculty Award – 2015 by Venus International Foundation, Chennai.

44. Prof. B. Ailaiah, Department of Telugu was honored with Madhurakavi Mothukuru Madhusudhan Rao Award.

45. Dr. B. Suresh Lal, Department of Economics was honored with Lifetime Achievement Award by UNEP, USA.

46. Prof. B. Ailaiah, Department of Telugu was honored with State Award for Teachers of Excellence.

47. Prof. Ciddi Veeresham, Department of Pharmacy, was honored with State Award for Teachers of Excellence.

48. Prof. V. Kishan, Department of Pharmacy was honored with State Award for Teachers of Excellence.

49. Prof. Ch. Sanjeeva Reddy, Department of Chemistry was honored with Indian National Science Academy – 2015.

50. Prof. B. Ailaiah, Department of Telugu was honored with Gurram Jashua 120th Birth Anniversary Puraskaram and PS Telugu University Prathibha Puraskaram – 2015.

51. Dr. Y. Venkaiah, Department of Zoology was honored with Dr. APJ Abdul Kalam Award by Marina Labs., Chennai and Dr. Ambedkar Fellowship National Award – 2015 by Bharathiya Dalitha Sahitya Akademi, New Delhi.

52. Dr. J. Laxman Naik, Department of Physics was honoured with Young Faculty award by Venus International, Chennai.

2016-17

53. Dr. Y Venkaiah, Department of Zoology was honored with distinguished Scientist award – 2016 by Venus International Foundation, Chennai.

54. Prof. Bhadru Naik, Department of History & MHRM was honored with Global Teacher Role Model Award – 2016 by MVLA Trust, Hyderabad.
2.4.8. How many faculty underwent staff development programmes (SDPs) during the last four years (add any other programme if necessary)?

➤ As part of promoting excellence in teaching, the University makes continuous efforts in encouraging teachers to undergo training and development programmes.

➤ Table 2.9 shows the number of faculty who underwent Staff Development Programmes (SDPs) during the last five years.

➤ The academic development programmes are organized by various departments of Kakatiya University.

2.4.10. How often does the university organize academic development programmes (e.g.: curriculum development, teaching-learning methods, examination reforms, content/knowledge management, etc.) for its faculty aimed at enriching the teaching-learning process?

Academic Development programmes are organized at regular intervals (half-yearly, yearly) for improving the resourcefulness of the faculty and staff of the university.

2.4.11. Does the university have a mechanism to encourage mobility of faculty between universities for teaching? and faculty exchange programmes with national and international bodies? If yes, how have these schemes helped in enriching its quality of the faculty?

Yes.

The senior teachers from Pharmacy, Physics, English, Microbiology, Education, Biotechnology, and Chemistry visit various universities to deliver lectures. To cite a few,

1. S.V. University, Tirupathi.
2. Acharya Nagarjuna University, Guntur.
3. Osmania University, Hyderabad.
4. Vikram Simhapuri University, Nellore.
5. Sathavahana University, Karimnagar.
6. Sri Krishna Devaraya University, Ananthapur.

2.5. Evaluation Process and Reforms:

2.5.1. How does the university ensure that all the stakeholders are aware of the evaluation processes that are in place?

- In the process of evaluation, the curriculum, syllabi and promotion rules are supplied to the students at the time of their admission.
- In the beginning of academic year itself, the schedule of examinations will be intimated to the Principal/Director, staff and students of the concerned college through the “Almanac” issued by the academic branch of the university in consultation with Heads of the Departments & Chairpersons, BOS.
- The chairperson, BOS of the respective subjects are involved in supervising the valuation process of different subjects while designing the curriculum and is printed in rules and regulations of the brochure brought out by Examination Branch.
- Moderation board comprising of Chairperson BoS and a senior teacher of the concerned department can make recommendations for moderation of marks, if required.
- They can also examine the marks awarded by concerned evaluators in the internal assessment and practical examinations and moderate, if required.

2.5.2. What are the important examination reforms initiated by the University and what extent have they been implemented in the University departments and affiliated colleges? Cite a few examples which have positively impacted the examination management system.

Some important examination reforms initiated by the university are as follows.
Student Database:

- The University maintains student profile which includes full name of the student, father and mother’s name, date of birth, address, contact numbers, religion, caste, passport size photograph, signature, thumb impression, qualifying exams etc as a database.
- This information is augmented from the Principals of Undergraduate Colleges for UG courses, the Director, and Directorate of Admissions for PG courses and the Convener, EAMCET, ICET, EdCET, LAWCET etc., for professional courses.
- This resource will be useful for providing correct spellings of names and titles (as entered in SSC, Intermediate memo and degree memo) while issuing memorandum of marks, provisional and degree certificates.

Online system:

Online Examination form:

- The University has introduced online submission of examination form from November 2012.
- The principal of the university/department and affiliated colleges upload the name and address of the student which include the scanned copy of photograph and signature on to a template available on the university website www.kuonline.co.in.
- This enables the University to reduce the time of processing of application form of the candidates and makes it error free.

Online-Hall ticketing:

- The Principal/Director downloads hall tickets using internet portals.
- Each college uses a user ID and password.
- This enables easy and quick receipt of hall tickets even in the remote areas.

Online Nominal Rolls & Attendance Statement:

- The chief superintendent of the examination centre downloads nominal rolls & attendance statement with photo identity.
- This helps the examination branch in knowing the actual number of candidates appearing for each subject.
- This enables branch to make proper arrangements like setting and printing of adequate number of question papers and seating arrangement.
- This practice also reduces malpractice (impersonation).

Online sessional marks & practical marks:

- The internal marks & practical marks are also obtained online from the University departments and affiliated colleges.
- This system has reduced malpractice and saved a lot of time in creating the data.

Online question paper:

- Online question paper was introduced for some courses.
- The question papers were sent to the chief superintendent/principal 10 minutes before the commencement of examination.
Bar Coding:

- Kakatiya University PGCET was conducted using OMR sheets.
- On experimental basis, answer scripts with bar coded OMR sheets were introduced for B.TECH. B.Ed. & B. Pharmacy 1st year examinations to reduce time and manual labour.

Data entry:

- The chief of the valuation board take the responsibility of entry of marks awarded by the examiners against the code number of the answer script immediately after valuation everyday to save time and avoid drudgery.

Question paper storage:

- The question papers were sent to nodal centres viz. Government Degree Colleges and Police Stations one or two days before the commencement of examination.
- Affiliated Degree Colleges located in remote places of Khammam, Adilabad and Warangal districts collect question papers 45 minutes before the commencement of examinations. This reduces instances of paper leak.
- After completion of the examination the answer scripts & attendance statement are preserved at nodal centres or police stations.
- The answer script bundles are collected by the examination branch on every alternate day and stored in strong room.
- This practice is safe and assures confidentiality and reduces the scope of malpractice.

Grading System for M.Tech.

Grading system is introduced for M.Tech students so as to comply with the specifications proposed by other Indian and foreign universities.

Recounting, Revaluation Examinations:

- For the benefit of the students who claim that they have secured less marks than expected, the recounting of marks awarded on answer scripts for B.Tech. & B.Pharm was in vogue till recently.
- However, the revaluation of the answer scripts by another evaluator is introduced in these courses, which was already in practice for all other PG & UG courses.

Instant & Supplementary Examination:

- To save the precious academic year of the UG students, who failed only in one paper of the final year/semester, the instant examination is conducted so as to enable them to complete the failed paper and get the degree in the same academic year.
- The results of the instant examination will be declared within a weeks’ time.
- Those who have failed in more than one subject in the final year, the supplementary examination are conducted in the month of August.
- This system augurs well with all final year students of all the courses and received appreciation from the society.
VISA processing:

➤ After successful completion of professional course like B.Tech, B.Pharm, MBA, B.Ed. etc., the complete student database which includes marks sheets is submitted to the US embassy, Hyderabad through APSCHE, Hyderabad for taking on-spot decision during sanction of VISA to students seeking higher studies in USA.

➤ This is well appreciated by the students and as well as parents.

2.5.3. What is the average time taken by the University for Declaration of examination results? In case of delay, what measures have been taken to address them? Indicate the mode/media adopted by the University for the Publication of examination results (e.g. website, SMS, email, etc.).

➤ The University semester examinations are held twice a year viz., March/April and October/November and annual examinations are held in the month April.

➤ The results of both the semester and annual examinations are published within 45 days from the last day of examination.

➤ Now the semester system is adopted in all the courses.

➤ The results are published during the week of June and January every year.

➤ The duration for declaration of results is for period of 45 days and around 25 days was allotted for valuation of answer scripts.

➤ So far, there has been no delay in the publication of results.

➤ The results are published through the website of the Kakatiya University- www.kakatiya.ac.in

➤ Results are published in the leading daily newspapers which are having large circulation in this area and also a hard copy of the results is sent to the respective departments and colleges.

2.5.4. How does the university ensure transparency in the evaluation process? What are the rigorous features introduced by the university to ensure confidentiality?

➤ The University has adopted the system of assigning code numbers to all the answer scripts to avoid malpractice.

➤ On completion of valuation of answer scripts, processing of results is done immediately.

➤ Boards of studies of respective departments conduct meetings and recommend the publication of results after thorough verification.

➤ The University provides photocopy of answer script to student who apply for revaluation and this enables students to know the pattern of marks awarded at the time of evaluation and also after revaluation.

➤ This transparency has received appreciation from the student community.

2.5.5. Does the university have an integrated examination platform for the following processes?

Yes
The university examination process has the following three distinct parts:

**Pre-Examination Process:**
- The system has been evaluated indigenously to have the data base of the students those who got admissions by assigning a number comprises the colleges, code, year of admission and roll number.
- The same number will be used as Hall ticket Number for examination till the student completes his/ her course.
- The database is used right from requesting for examination, issue of Hall tickets, collection of Answer Books, there coding and evaluation till the publication of results.
- This is updated and utilize till the candidate completes his/her course of study.
- Time table generation, Optical Mark Recognition (OMR), student list generators, invigilators, squads, attendance sheet and online/ gateway payment are processes involved in preparation for examinations.
- The University examination commences on statutory dates by giving 90 working days in a semester.
- The Time Table for all the degrees are drawn and published in the University website.
- Examination Process: The University is taking earnest efforts in introducing online gateway payment.
- For conducting examinations in affiliated colleges, the University appoints the Principal of the respective colleges or his/her nominee as Chief Superintendent of the examination centers and he/she will be given full powers to conduct the examinations.
- The Chief Superintendents have been empowered to appoint required number of invigilators for hall supervision and conduct of examination.
- The University appoints Additional External Chief Superintendent for all examination centers to assist the Chief Superintendent and also prevent malpractice.
- The University also appoints sitting squad and flying squads to make surprise visits to all the examination centers to curb malpractices.

**Post–Examination process:**
- With regard to processing of examination results, the University computerized the result processing system to make the publication of results error-free.
- Immediately after publishing the results, the mark sheets and provisional certificate are sent to the colleges for onward transmission to students.
- Students are permitted to apply for revaluation and re-totaling of their answer papers in the subjects of their choice.
The revaluation process:

- It begins with assigning of dummy numbers, inviting the examiners who have not valued the answer papers earlier for UG, PG & professional courses, whereas the answer scripts of UG courses will be sent to other universities for evaluation.

2.5.6. Have the university introduced any reforms in its Ph. D. evaluation process?

- The University has adopted the UGC [minimum standards and procedure for awards of M.Phil. /Ph.D., degree] regulations 2009.
- Research scholars have to undergo course work and take Pre-Ph.D. examination.
- The research scholar has to give two seminars, one within 6 months of registration and the second one before the submission of thesis.
- The research scholars have to publish at least one paper on the topic of research before submission of thesis in a peer reviewed journal.
- The thesis submitted by the research scholar will be evaluated by three adjudicators; one adjudicator from within the state and two adjudicators from outside the state.
- After receiving at least 2 positive reports the research scholar will face open Viva Voce in which the External examiner, the Dean, the Chairperson, BOS, HOD and all faculty members of the department and students can ask questions on the research topic.

2.5.7. Has the university created any provision for including the name of the college in the degree certificate?

- No

- The university is not following the practice of including the name of the affiliated autonomous colleges in the degree certificate.
- In case of affiliated colleges, such provision not in vogue. The college can be identified on the basis of the registered number assigned to the student.

2.5.8. What is the mechanism for redressal of grievances with reference to examinations?

- If the student feels that the valuation is unsatisfactory, the student can ask for revaluation as per the existing provisions of the university examinations.
- The Dean of respective faculty with the permission of Vice-chancellor can call for all records (syllabus, question papers, attendance and answer scripts) of any course if there is any written or oral complaint or for random check.
- The Controller of Examination will accept the recommendations of the Dean/Departmental/Class Committee with respect to the final results.
- If a student is booked under malpractice by the squad, the student will be given notice for explanation before taking a decision by the results committee.

2.5.9. What efforts have been made by the university to streamline the operations at the Office of the Controller of Examinations? Mention any significant efforts which have improved the process and functioning of the examination division/section.

- The University introduced online registration of candidates for the examinations from year 2012.
The University has also implemented the online uploading of practical and internal marks of the candidates for quick processing of results. Issuing of Hall-Tickets, appointment of Examiners for practical exams and observers for theory exams are made online.

For obtaining Degree certificate of students there is provision under the Tatkal Scheme.

2.6 Student Performance and Learning Outcomes

2.6.1. Has the university articulated its Graduate Attributes? If so, how does it facilitate and monitor its implementation and outcome?

Yes, most of the programmes offered by the University departments are professional and technical in nature.

Internship, dissertation, industry projects and seminars are integral part of the syllabi of almost all academic programmes.

Faculty members guide the students and monitor their performance.

Through arranging weekly interaction sessions that the performance of the students is monitored by the faculty in their respective departments.

The faculty in-charge carefully monitors performance and the regularity of attendance, participation in seminars and other activities.

The University has evolved its own teaching, learning and assessment strategies as mentioned below in order to facilitate achievement of intended learning outcomes.

Major quality enhancement measures have been undertaken in the teaching and learning process and modernized based on the requirement of curriculum and feedback from the stakeholders.

Learning activity is facilitated through Internet and virtual learning centre.

Projects and study tours and field trips, assignments are made part of the courses.

Interaction between successful and well placed alumni with the students in the departments is encouraged.

Subject experts deliver special lectures on recent trends and developments in their fields of expertise to the students.

2.6.2. Does the university have clearly stated learning outcomes for its academic programmes? If yes, give details on how the students and staff are made aware of these?

Yes, the university has a clear vision to prepare human resources to meet the social needs and aims at making every student as an agent of social good in future.

The Board of studies while designing a course programme clearly states the learning outcomes.

2.6.3. How are the university’s teaching, learning and assessment strategies structured to facilitate the achievement of the intended learning outcomes?

Keeping in view the learning outcomes, university is establishing link between teaching, learning and research strategies to monitor the academic programmes at regular intervals to ensure academic excellence.

Modern teaching aids are employed in teaching and learning process.
2.6.4. How does the university collect and analyse data on student learning outcomes and use it to overcome the barriers to learning?

➢ This is done through student feedback on the performance of teachers.
➢ This is done by the IQAC wing of the University.
➢ The feedback is analyzed for improving the quality of teaching.
➢ The performance of teachers is communicated to the faculty through the Principal of the college concerned.

2.6.5. What are the new technologies deployed by the university in enhancing student learning and evaluation and how does it seek to meet fresh/future challenges?

➢ The students undergo field work, projects and internships to appraise themselves with the direct application of their knowledge and skill to real life problems.
➢ Video recording of student seminars to improve the teaching skills of students.

Language laboratories

➢ The language laboratories focus on computer aided multimedia instruction and language acquisition.
➢ The laboratory acts as a platform for learning, practicing and producing language skills through interactive lessons and communicative mode of teaching.

Internet Centres

The University operates Internet centres in all the departments. The internet centres are open to all the students of the University departments.

University Library system

➢ Many of the departments of the University have their own library collections.
➢ Computer based information services have been introduced.
➢ The main library of the University maintains a collection of print materials, e-resources on CDs and also subscribe to over 4000e-journals under UGCs INFONET programmes.

2.7. Quality Sustenance and Quality Enhancement Indicators

➢ Creation of a continuum of educational process utilizing modern teaching-learning resources.
➢ Initiation of measures to ensure equity and access to the disadvantaged and needy sections of students.
➢ University Research Fellowships
➢ Fee exemption/ waivers to differently-abled students, etc.
➢ Sustained growth in student enrolment especially women and deprived sections.
➢ Provision of online student registration, online entry of marks and online Ph.D application tracking systems.
➢ Complete academic audit through continuous course assessment and faculty self-appraisal.
CRITERION – III : RESEARCH, CONSULTANCY AND EXTENSION

3.1. Promotion of Research

3.1.1. Does the university have a Research Committee to monitor and address issues related to research? If yes, what is its composition? Mention a few recommendations which have been implemented and their impact.

Yes

➢ The research policy and its implementation for quality output are monitored by Director, research and development cell and Deans of different faculties.

➢ The whole research policy and its output including the quality of research is monitored by a team of 11 members consisting of Director, Research and Development, 8-Deans of Faculties and Coordinator/Director, IQAC as a member under the Chairmanship of the Vice-Chancellor.

The quality of research is monitored through the following;

➢ The scholars pursuing M.Phil or Ph.D have to present their work every six months before the Head, BOS Chairman, DRC (departmental research committee) and other faculty members of the respective departments.

➢ Ph.D scholars have to present two seminars in the department before submission of the thesis and also should publish at least one paper in a reputed journal.

➢ The university is strictly following the process of adjudication of the Ph.D thesis wherein one adjudicator is from within the state and two adjudicators are from outside the state. Three adjudicators will assess the work presented in the thesis.

➢ The university is also strictly dealing with the plagiarism in Ph.D theses and to detect plagiarism, software is being used by the examination branch.

3.1.2. What is the policy of the university to promote research in its affiliated/constituent colleges?

➢ Every member of the faculty in constituent and affiliated colleges is encouraged to engage in research activities, and is supported in planning and executing research projects, right from the stage of making project proposals, obtaining project funding reporting and presenting the results.

➢ As per the rules and regulations, the university appoints inspection committee to study the infrastructural facilities and availability of qualified supervisors.

➢ Upon receipt of satisfactory report of Inspection Committee, the college concerned is permitted to conduct research.

➢ The University plays a pro-active role in encouraging colleges and college teachers to actively involve in research.

3.1.3. What are the proactive mechanisms adopted by the university to facilitate the smooth implementation of research schemes/projects?

The university has supportive attitude while implementing the research projects by the individual teachers following the rules and regulations prescribed.

• Advancing funds for sanctioned projects
  Advancing funds is not in practice.

• Providing seed money
Yes, the university provides seed money to the teachers for carrying out research through DRS-SAP, FIST, DST, DBT, TSCOST, etc.

- **Simplification of procedures related to sanctions/purchases to be made by the investigators**
  As per the sanctioned budget, principal investigator, in consultation with the Head of the department, can purchase any item of worth Rs. 20,000/- without the approval of purchase committee.

- **Autonomy to the principal investigator/coordinator for utilizing overhead charges**
  Principal investigator is allowed to avail 50% of overhead charges in the sanctioned budget.

- **Timely release of grants**
  The university releases the grants soon after receiving the sanctioned letter for the requirement to operate the project.

- **Timely auditing**
  The university facilitates the investigator for auditing of accounts of each project by the state audit.

- **Submission of utilization certificate to the funding authorities**
  Utilization certificate will be issued to the principal investigator on request for ongoing project after due verification of accounts and forward the same to funding agency for release of subsequent grants.

### 3.1.4. How is interdisciplinary research promoted?

- **Between/among different departments/schools of the university** and
- **Collaboration with national/international institutes/industries.**
  - The University encourages and promotes inter-disciplinary teaching and research.
  - The University is running nine interdisciplinary courses such as Bio-chemistry, Biotechnology, Microbiology, Business Management, Social Work, Human Resource Management, Gender Studies, Sericulture, Pharmaceutical sciences.
  - Collaboration with other Universities and industries and institutes have been established to encourage inter-disciplinary research.

### 3.1.5. Give details of workshops/training programmes/sensitization programmes conducted by the university to promote research culture on campus.

#### Table - 3.1

**List of Workshops/Training Programs/Orientation/Sensitization Programs**

3.1.6. How does the university facilitate researchers of eminence to visit the campus as adjunct professors? What is the impact of such efforts on the research activities of the university?

- The University hosts the visit of internationally renowned professors within and foreign countries.
- University always bears the local hospitality expenses for such visitors.
- Several internationally distinguished Professors visited the University in the last few years; the names are listed below in Table 3.3.

### Table - 3.3

3.1.7. What percentage of the total budget is earmarked for research? Give details of heads of expenditure, financial allocation and actual utilization.

- University budget is earmarked to promote teaching and research. This includes non-plan expenditure on the salary of teachers, technical assistants, non-teaching staff, purchase and maintenance of equipments for teaching and research departments and infrastructure development. It is hard to disentangle the total budget amount into teaching and non-teaching activities of the University.

- The plan account of the University budget is exclusively meant for research and it is the fund generated from outside the University sources such as UGC, Government of India, international agencies and consultancy projects for the industry.

- Rs. 8.0 lakh is allotted for research activities in budget. It is utilized by the departments through the Deans of Faculty concerned.

- Rs. 4.0 lakh is provided per year in the budget for publication of Book by faculty and Rs. 8.0 is allocated per year in the budget for attending conferences in abroad.

- The departments are recognized by UGC under SAP and DST-FIST programmes and receiving grants for strengthening infrastructure and research.

- Majority of the teachers are receiving financial support from UGC, CSIR, DST, DBT, DRDO, ICSSR, ICHR, etc., to carry out quality research.
3.1.8. In its budget, do the university earmark funds for promoting research in its affiliated college

➤ No

The following are some of the research centres recognised by the University.

1. Kakatiya institute of science and technology, Warangal
2. Chaitanya Degree & P.G College, Warangal
3. Chandra Kantha Memorial Degree College, Warangal
4. Lalbahadur Degree and PG College, Warangal

3.1.9. Does the university encourage research by awarding Post-Doctoral Fellowships/ Research Associate ships? If yes, provide details like number of students registered, funding by the university and other sources?

No

University does not award the post-doctoral fellowships and research associate ships. However it encourages the research scholars to apply for the fellowships with national and international agencies. There are post-doctoral fellows working in the University whose fellowships are funded by other agencies like UGC, ICSSR, and DST etc.

3.1.10. What percentage of faculty have utilized the sabbatical leave for pursuit of higher research in premier institutions within the country and abroad? How does the university monitor the output of these scholars?

(i) Sabbatical leave and Study leave for professors

➤ About 4% of the Teachers availed sabbatical leave for pursuit of higher research in other universities and these teachers submit detailed report on their work and future plans.

➤ It permits faculty members to pursue higher research availing FIP, QTP and TEQUIP etc.
(ii) Funding for participating in conferences and seminars with in the country and abroad

- Faculty members are encouraged to attend seminars and conferences, within the country, or abroad, and are sanctioned on duty leave for the purpose.
- The University meets 50% of the expenses related to participation in conferences/seminars as per UGC norms.

(iii) Autonomy in executing research projects

- Complete academic autonomy is granted to faculty in proposing and executing projects, as well as with a great deal of financial autonomy.
- Equipment purchase decisions are made essentially by respective faculty members along with their peers with the administrative staff playing a statutory supervisory role.
- The institutional overheads attached to most projects is partly (50%) provided to the investigator or department for non-budgeted contingencies that may arise in connection with the project.
- Evaluation of the performance of a department or individual faculty member is based mainly on the respective research contribution.

3.1.11. Provide details of national and international conferences organized by the university highlighting the names of eminent scientists/scholars who participated in these events.

- All the University departments conduct seminars, conferences and workshops at various levels – regional, national and international.
- The University advances seed money to the departments for initial organizational expenses.
- For the last five years the University Departments have organized 55 seminars/conferences.

3.2. Resource Mobilization for Research

3.2.1. What are the financial provisions made in the university budget for supporting students’ research projects?

➢ Financial support is provided through the Deans of concerned faculty to research Scholars for preparation and publication of the Ph.D thesis.

➢ Most of the research scholars are getting fellowships through the selection of national level tests or special schemes promoted by UGC, DST, SAP, TEQIP, BCIL, etc.

➢ The majority of remaining students are supported by the state government agencies.

➢ University provided about 70 Research Fellowships to the scholars with a total expenditure of Rs 20.0 lakhs in the review period.

3.2.2. Has the university taken any special efforts to encourage its faculty to file for patents? If so, how many have been registered and accepted?

Yes

List of patents registered and accepted: 10

2. Novel Tetrahydroquinolines as Aromatase Inhibitors, PCT Request No. PCT/IN/2009/ 000002, Dated 02/01/2

3.2.3. Provide the following details of on-going research projects of faculty

3.2.4. Does the university have any projects sponsored by the industry/corporate houses? If yes, give details such as the name of the project, funding agency and grants received.

Yes.

Two projects from Industry/Corporate houses are currently in progress. This is for development of new drugs.

1. M/s. Sanative Therapeutics Pvt. Ltd.--Rs. 3.00 lakhs, Prof. A. Raghuram Rao, UCPS.
2. M/s. Sanve Lab. Pvt. Ltd. -- Rs. 2.64 lakhs. Prof. V. Kishan, UCPS.

3.2.5. How many departments of the university have been recognised for their research activities by national/international agencies (Ex. UGC-SAP, CAS; Department with Potential for Excellence; DST-FIST; DBT, ICSSR, ICHR, ICPR, etc.) and what is the quantum of assistance received? Mention any two significant outcomes or breakthroughs achieved by this recognition.

- The Departments of Botany and Biotechnology are recognized by DST, Ministry of Science and Technology, Government of India under RTFDCS (Research Training Fellowship for Developing Countries Scientist).
- The Department of Biotechnology is recognized by the Government of Iran as a Research Centre.
- The efforts of faculty members of the departments have fetched 20 departmental projects in which all the faculty members are involved.
- 12 departments recognized by the UGC for special funding under SAP, 8 departments have been funded by DST under the FIST programme to improve research infrastructure.
- The total fund received by departments is Rs. 10.00 crores.
- Several significant results have been published in reputed journals.
- Many doctoral degrees have been awarded
BIO-INFORMATICS INFRASTRUCTURE FACILITY (BIF): The Department of Biotechnology (DBT), Ministry of Science and Technology, Govt. of India, New Delhi has sanctioned (Rs. 43.0 Lakhs) to develop Bioinformatics Infrastructure Facility (BIF) for promotion of Biology teaching through Bioinformatics (BTBI) to Kakatiya University, Warangal, and AP under the Biotechnology Information System Network (BTISnet) Programme.

Departments Recognized Under UGC-SAP, DRS III, DRS II and DRS I

- DRS-SAP (12) Botany, Pharmacy, Economics, Telugu, Public Administration, Physics, Chemistry, Microbiology, Biotechnology, History, Commerce, and English.
- DST-FIST (08) Chemistry, Pharmacy, Botany, Geology, Zoology, Microbiology, Biotechnology and Mathematics.
- UGC-BSR-(Non SAP) : (9) Mathematics; Zoology; Botany; Pharmacy; Chemistry; Microbiology; Geology; Physics and Biotechnology.
- DST-INSPIRE: (2) (Zoology & Botany).

3.2.6. List of details of

a) Research projects completed and grants received during the last four years (funded by National/International agencies).

An amount of Rs. 10.53 crore was received during the assessment period.

Table – 3.7
List of completed Major Research Projects

b) Inter-institutional collaborative projects and grants received

i) All India collaboration:  -------

ii) International: Prof. R. Ram Reddy of Department of Public Administration and Human Resources Department conducted a project in collaboration with Dr. John Loko of the University of the South Pacific, Fiji with the title ‘Workplace Diversity, Discrimination and Harassment of expatriate academics in South Pacific Higher Education, 2010-12. The grant received was F$ 10,000/-.

3.3. Research Facilities

3.3.1. What efforts have been made by the university to improve its infrastructure requirements to facilitate research? What strategies have been evolved to meet the needs of researchers in emerging disciplines?

➢ Research infrastructure in the University undergoes a constant process of renewal and upgradation to serve current needs.
➢ In the last few years, a variety of sophisticated equipments were added.
➢ Good number of equipment was procured in this period.
➢ Personal computational facilities are constantly upgraded and every faculty member has been provided with a desktop computer with internet facility.
The Science Departments have procured modern equipment/units for teaching and research programmes. Some of the major equipment worth more than Rs. 5.00 lakh available in the University departments purchased under various funding programmes.

3.3.2. **Does the university have an Information Resource Centre to cater to the needs of researchers? If yes, provide details of the facility.**

Yes.

- The information for research such as literature collection, and other information are collected through the resources available through INFLIBNET.
- The University library preserves the previous theses of all subjects so that these can be a source of information.
- University subscribes for research journals and has many back volumes.

3.3.3. **Does university have a University Science Instrumentation Centre (USIC)? If yes, have the facilities been made available to research scholars? What is the funding allotted to USIC?**

Yes.

Central Instrumentation Centre is established in 1979. The existing equipment is:
1. FTIR spectrophotometer Model BX-I system
2. UV-VIS spectrophotometer Model Lambda-25
3. DSC.
4. AAS
5. TGA

These facilities are provided to the researchers.

Researchers from other institutions in Warangal like NIT, Kakatiya Medical College, Kakatiya Institute of Science and Technology utilize the services.

The facilities provided in CIC are limited since many departments procured research equipment in their departments under major research projects.

Post Graduate students from science departments visit the centre for familiarization with the scientific equipment.

3.3.4. Does the university provide residential facilities (with computer and internet facilities) for research scholars, post-doctoral fellows, research associates, summer fellows of various academics and visiting scientists (national/international)?

Yes.

One hostel exclusively for research scholars was constructed and Wi-Fi facility is provided.

3.3.5. Does the university have specialized research centres/workstation on-campus and off-campus to address the special challenges of research programmes?

Yes.

A separate lab is available in the building of Biotechnology for research in Biology.

Complete equipment hardware and software is procured and BSNL Broad Band connectivity is obtained.

The facility is being utilized by the faculty, research scholars and students of Biology departments.

3.3.6. Does the university have centres of national and international recognition/repute? Give a brief description of how these facilities are made use of by researchers from other laboratories.

Yes

Pharmacy: Animal House CPCSEA.

3.4. Research Publications and Awards

3.4.1. Does the university publish any research journal(s)? If yes, indicate the composition of the editorial board, editorial policies and state whether it/they is/are listed in any international database.

Yes

**Conference and seminar papers**

- Apart from the above publications, faculty members and students of the University continuously present their research at regional, national and international conferences and seminars.

3.4.3. **Give details of**

- Faculty serving on the editorial boards of national and international journals
  Details are given in the evaluative reports of the departments

- Faculty serving as members of steering committees of international conferences recognized by reputed organizations/societies
  Details are given in the evaluative reports of the respective departments/
3.4.4. Provide details of

- Research awards received by the faculty and students

1. **Botany:**
   a) Prof. B. Digambar Rao: TWAS Award, Italy, 2012.
   b) Prof. A. Seetaram Naik: Mata Savitribai Phule Seva Puraskar Award.
   c) Prof. M.A. Singaracharya: State Best Teacher Award-2011.
   d) Prof. Prof. K. Subhash: UGC Emeritus Fellowship, 2009

2. **Economics:**
   a) Prof. N. Vijaya: State Best Teacher Award, 2009.
   c) Prof. N. Linga Murthy: Amity Global Academic Excellence Award, 2009
   d) Prof. N. Linga Murthy: Indian Achievers Award for Education Excellence by Indian Economic Development and Research Association.

3. **English:**
   a) Prof. Rajagopala Chary: State Best Teacher Award, 2010.
   b) Prof. D. Ramakrishna: Honorary Fellow, Department of Culture and Communication, the University of Melbourne, Australia, 2010.
   c) Prof. G. Damodar: State Best Teacher Award, 2010.

4. **History:**
   a) Prof. G. Bhadru Naik, State Best Teacher Award, 2011.
   b) Prof. Syed Ayub Ali, State Best Teacher Award, 2013.

5. **Mathematics:**
   b) Prof. K. Sambaiah: State Best Teacher Award-2013.
   d) Dr. L.P. Raj Kumar: Associate Fellow, Telangana Academy of Sciences, 2016.

6. **Engineering:**
   a) Prof. T. Srinivasulu: JSPS Bridge fellowship Awardee, 2011.

7. **Pharmacy:**
   a) Prof. V. Kishan: APTI Pharmacy Teacher of the year-2011.
   b) Prof. V. Kishan: Best Research paper award by International Journal of Pharmaceutical Sciences and Nanotechnology-2013.
   c) Prof. A. Raghurama Rao: Dr. (Mrs). Manjushree Pal Memorial Award for the Best Pharmaceutical Scientist-2010.

e) Prof. Ciddi Veeresham: A. P. Scientist Award by APCOST-2011.

f) Prof. V. Kishan, State Best Teacher Award, 2014.

g) Prof. C. Veeresham State Best Teacher Award, 2016

h) Prof. A. Raghuram Rao Best Teacher Award, 2016

i) Prof. A. Raghuram Rao, Fellow, TSA.

j) Prof. V. Kishan, Telangana Academy of Sciences, 2016.

k) Dr. Shayeda. Associate Fellow, Telangana Academy of Sciences, 2016.

8. **Biotechnology**:

   a) Prof. A. Sadanandam

      (i) DAAD Honorary Advisor (2006-09).

      (ii) Andhra Pradesh Scientist Award, 2008 by APCOST.

      (iii) State meritorious Best Teacher Award (2009).

      (iv) Visiting Research Professor, Murdoch University, Australia (2010).

   b) Prof. N. Ramaswamy:

      (i) Researcher Excellency Award – 2009, Academy of Plant Sciences India.

      (ii) State meritorious Best Teacher Award 2010.

      (iii) Pioneers in Genomics Education Class of 2010, the Netherlands & USA.

      (v) Talented Biotechnologist Award-2011, Srilanka.

      (vii) Talented Scientist Award-2012, MARYLAND, USA

      (viii) Global Achievers Award-2013, Bangkok, Thailand.

      (ix) Excellency in Research Award-2014

      (x) Outstanding Faculty Award-2015

      (xi) Visiting Research Professorship Award at NEHU, Shillong by Department of Biotechnology

9. **Telugu**:

   a) Prof. K. Katyayani received Kendra Sahitya Academy Award, New Delhi, 2014.

   b) Prof. Banna Ilaiah: Rhythu Vaalmiki Vanamalamalai Jagannadha Charyuly Award, 2009.

   c) Prof. Banna Ilaiah: Honored by Teja Arts Creations-A literary and Social Organization with the annual award, 2010.

   d) Prof. Katyayani: Gurajada Literary Award by AP Department of Culture and T. Subbirami Reddy Lalitha Kalaparishad, 2011.
e) Prof. Banna Ailaiah: Sahrudaya Sahitya Samskruthika Samstha Award, 2011.
f) Prof. Banna Ailaiah: Palleru Swayam Prabha Memorial Literary Award, 2011.
g) Prof. Banna Ailaiah: Somnatha Samajika Sodhana Puraskaram, 2011.

10. Zoology:
   a) Prof. Ch. Sammaiah: State Best Teacher Award-2013.
   b) Prof. Y. Pramila Devi: Australian Government Professional Development Award-2010.
   c) Dr. G. Shamitha: Best Citizen of India-2012.
   d) Dr. M. Estari: DST-Young Scientist Award-2012.
   e) Dr. Y. Venkaiah: Bharath Siksha Ratan Award, 2012.

11. Education:
   b) Prof. Ghanta Ramesh: UNESCO & NLM Award, 2010.

12. Public Administration:
   a) Prof. Ch. Balaramulu: State Best Teacher Award, 2009.

13. Chemistry:
   a) Prof. V. Ravinder: State Best Teacher Award, 2010.
   b) Prof. V. Ravinder: A.P.Scientist Award by APCOST-2011.
   c) Prof. S. Srihari: State Best Teacher Award, 2012.

14. Sociology:

15. Commerce and Business Management:
   a) Prof. B. Venkat Rathnam: Honorary Rank Colonel by NCC, 2012.
   c) Prof. G. V. Bhavani Prasad: State Best Teacher Award, 2012.

16. Geology
   a. Dr. R. Mallikarjun Reddy, Associate Fellow, Telangana Academy of Sciences, 2016.

A Large number of RGN and MNA Fellowships have been awarded

- National and international recognition received by the faculty from reputed professional bodies and agencies

1. Biotechnology:
   a) Prof. A. Sadanandam:
      (i) Fellow Max-Planck Society, Germany.
      (ii) Fellow, Botanical Society of India.
      (iii) Fellow, New York Academy of Sciences, USA.
      (iv) Member, American Association for the Advancement of Science (AAAS).
      (v) Fellow, Internal Association of Plant Tissue Culture.
      (vi) Fellow, Indian Phyto-Pathological Society of India.
      (vii) Fellow of Bangladesh Association of Plant Tissue Culture.
      (viii) Visiting Fellow of Murdoch University (1993-94).
      (ix) Member on the Institutional Bio-safety Committee, appointed by Ministry of Science and Technology, DBT, Govt. Of India.

   b) Prof. N. Rama Swamy:
      (i) Fellow of Indian Botanical Society.
      (ii) Fellow of Genetics and Plant Breeding.
(iii) Fellow of Indian Association of Plant Morphologists.
(iv) Fellow of Academy of Plant Sciences.
(v) Fellow of International Association of Plant Molecular Biology.
(vi) Fellow of Indian Science Congress Association.
(vii) Fellow of International Association of Plant Biotechnology.
(viii) Fellow of Linnaean Society of London, UK.
(ix) Visiting Fellow, Sant Gadge Baba, Amravati University; Amravati.
(x) Member on the Institutional Bio-safety Committee, appointed by Ministry of Science and Technology, DBT, Govt. Of India
(xi) Fellow, New York Academy of Sciences, USA.
(xii) Visiting Research Professorship Award at NEHU, Shillong by Department of Biotechnology

2. Economics:
   a) Prof. T. Jyothi Rani is the Chairman of Women’s Welfare, Committee against the Sexual Harassment on Women at Work Place.
   b) Prof. Md. Iqbal Ali is on the NAAC Peer Committee as Chairman and is also on the UPSC Selection Committee as a Member.

3. Education:
   a) Prof. N. Ramnath Kishan is NAAC Peer VT Member.
   b) Prof. N. Ramnath Kishan is a SRC-NCTE VT Member
   c) Prof. S. Mahender Reddy is a NAAC Peer VT Member.

4. Library and Information Science:
   a) B. Radhika Rani is (i) Executive Council member of Professional Association (ALSD), Life member of Andhra Pradesh Public Libraries Association.

5. Mathematics:
   a) Prof. P. Malla Reddy is reviewer for the following international journals.
      (i) Journal of Vibration and Control.
      (iii) Special Topics and Reviews in Porous Media, an International Journal.
      (iv) Geophysical Journal International.

6. Engineering:
   a) Prof. T. Srinivasulu is reviewer for the following journals.
      (i) Reviewer, International Journal of Measurements, Elsevier Publications
      (ii) Reviewer, Journal of Instrumentation, ISOI IISc Bangalore
      (iii) Peer Reviewer-IEEE-ICMLC 2011, Singapore
      (iv) Reviewer: IEEE SCOREd- 2012 -2012 IEEE Student Conference on Research and Development
      (v) Reviewer: ICEED2012-2012- 4th International Congress on Engineering Education (ICEED 2012)
      (vi) Reviewer: ICCEII 2012- IEEE Conference on Control, Systems & Industrial Informatics Program
(vii) Reviewer: PECON 2012-IEEE International Conference on Power and Energy
(viii) Reviewer: ISBEIA 2012-IEEE Symposium on Business, Engineering and Industrial Applications
(ix) Reviewer: ISIEA 2012-IEEE Symposium on Industrial Electronics and Applications
(x) Fellow of Institute of Electronics and Telecommunication Engineers (IETE)
(xi) Life members of Broadcast Engineers Society of India (BSCI)
(xii) Life Member, Indian Society for Technical Education (ISTE)
(xiii) Life member, Instrument Society of India (ISOI)
(xiv) Member, Institution of Electrical and Electronics Engineering (IEEE), USA
(xv) Life member, The Mining Geological & Metallurgical Institute (MGMI)
(xvi) Life member, Indian Society of Rock Mechanics and Tunnelling Technology (ISRMTT)
(xvii) Life Member, Indian JSPS Alumina Association
(xviii) Senior Member, International Association of Computer Science and Information Technology (IACSIT), Singapore

7. Pharmacy:
   a) Prof. Ciddi Veeresham, NBA Peer visiting team member.
   b) Prof. Y.M. Rao, AICTE Peer visiting team member.

8. Microbiology:
   a) Prof. S. Girisham is the member of an Indian Journal of Microbiology, Indian Botanical Society, Indian Society of Mycology and Plant Pathology, A.P. Academy of Sciences and Indian Science Congress.
   b) Dr. Srinivas Munjam is the member of Association of Microbiologist of India, and American Association for the Advancement of Science.

9. Public Administration and HRM:
   a) Prof. R. Ram Reddy: Collaborative work with Dr. John Lako of the University of the South Pacific, Fiji, Project Title: Workplace Diversity, Discrimination and Harassment of expatriate Academics in South Pacific Higher Education, 2010-12, F$ 10,000/-.

10. Chemistry:
    a) Prof. V. Ravinder, Leibniz Institute for catalysis, University of Restock, Germany, 2009.
3.4.5. Average number of M.Phil. and Ph.D. scholars guided per faculty during the last four years. Does the university participate in Shodhganga by depositing the Ph.D. theses with INFLIBNET for electronic dissemination through open access?

➢ The average candidates guided per faculty for M.Phil is one and Ph.D is 04. All the theses after the award are deposited in the University Library for open access.

3.4.6. What is the official policy of the university to check malpractices and plagiarism in research? Mention the number of plagiarism cases reported and action taken.

➢ The university has constituted a cell to monitor and screen the research work submitted for the award of Ph.D as per the UGC guidelines.

3.4.7. Does the university promote of inter-disciplinary research? If yes, how many inter departmental/interdisciplinary research projects have been undertaken and mention the number of departments involved in such endeavours?

Yes

➢ The departments involved in the interdisciplinary research are Botany, Zoology, Pharmacy, Physics, Biotechnology and Microbiology. Currently three interdisciplinary projects are funded by DBT, AICTE and MoEF.

1. Microbiology and Biotechnology.
2. Zoology and Biotechnology.

3.4.8. Has the university instituted any research awards? If yes, list the awards.

No

3.4.9. What are the incentives given to the faculty for receiving state, national and international recognition for research contributions?

Nil

3.5. Consultancy

3.5.1. What is the official policy of the University for Structured Consultancy? List a few important consultancies undertaken by the university during the last four years.

The university has the policy of sharing consultancy on 40:60 for the university and consultant.

3.5.2. Does the university have a university-industry cell? If yes, what is its scope and range of activities?

Yes

The University has University-Industry cell to facilitate an interaction between academia and industry.
3.5.3. What is the mode of publicity of the expertise in the University for Consultancy Services? Which are the departments from whom consultancy has been sought?

The university uses its website as a major source of publicity. The departments of Pharmacy, Botany, Bio-Technology, English, and Business Management extended consultancy services.

3.5.4. How does the university utilize the expertise of its faculty with regard to consultancy services?

The university encourages the faculty to interact with the people from industry professionals to find out the areas of consultancy projects and to work out the relationship details.

3.5.5. List the broad areas of consultancy services provided by the university and the revenue generated during the last four years.

The consultancy services are provided by Botany, Pharmaceutical Sciences, Biotechnology, Instrumentation, English, Business Management departments.

3.6. Extension Activities and Institutional Social Responsibility (ISR)

3.6.1. How does the university sensitize its faculty and students on its Institutional Social Responsibilities? List the social outreach programmes which have created an impact on students campus experience during the last four years.

➢ The University conducts regular extension activities and services so that, education and research benefits reach the society as they are integral part of the curriculum.

➢ Most of the extension activities are organized by National Service Scheme (NSS).

➢ Other units of the University Career and Guidance Cell/Students Placement Cell, the College Development Council (CDC), Department of Physical Education, and some of the departments like Department of Psychology. Other centers like Center for women’s studies, Ambedkar Center, SC/ST Cell, Kakatiya Adhyayana Kendram, CELT also participate in the community activities in terms of analyzing the social issues and bring awareness on many of the issues by organizing discussions.

➢ Faculty frequently delivers popular lectures in various schools and colleges within the city and outside.

➢ They also participate in Radio, TV talks and interviews on social issues.

➢ Some of the activities in this connection include education fairs, medical camps, health awareness programmes, cultural festivals, inter-college and inter-University sports meet, literacy programmes, blood donation camps, health care camps, rural development programmes, etc.

➢ These activities are mostly funded by UGC; camps under the DST INSPIRE programme are regularly organized by the University departments.

➢ Law department provides legal advice to the needy.

➢ The University has Yoga centre which conducts extension activities in which faculty, students and members from outside University also participate.
3.6.2. How does the university promote university-neighbourhood network and student engagement, contributing to the holistic development of students and sustained community development?

The university has a practice of adopting nearby villages for literacy development educating the rural masses by the students on various issues through NSS, B.Ed and MA (Psychology) programmes.

3.6.3. How does the university promote the participation of the students and faculty in extension activities including participation in NSS, NCC, YRC and other National/International programmes?

University has NSS, NCC and Centre for Women Studies through which faculty and students participate in extension activities for community development.

3.6.4. Give the details of social surveys, research or extension work, if any, undertaken by the university to ensure social justice and empower the underprivileged and the most vulnerable sections of society?

- The departments in the social science faculty, Commerce and Business management, SC/ST and Minority Cells ensure social justice to underprivileged.
- Faculty members conduct research studies on the contemporary topics related to underprivileged and vulnerable sections of society.

3.6.5. Does the university have a mechanism to track the students’ involvement in various social movements/activities which promote citizenship roles?

Yes
- The faculty members have got the practice of ascertaining the details of students’ involvement in various movements such as literary, environmental problems, population awareness programmes, health awareness, and women empowerment etc through Student Welfare Centre, Mentors and Centre for Women Studies.
- Students actively participated in Telangana agitation for separate Statehood successfully.

3.6.6. Bearing in mind the objectives and expected outcomes of the extension activities organized by the university, how did they complement students’ academic learning experience? Specify the values inculcated and skills learnt.

- The university is trying to inculcate the values of patriotism, social responsibility, honesty, integrity and interpersonal skills of students by encouraging them to participate in extension activities by adopting some villages. These activities help them to learn human values by serving the adopted villages.

3.6.7. How does the university ensure the involvement of the community in its outreach activities and contribute to community development? Give details of the initiatives of the university which have encouraged community participation in its activities.

- University through its constituent and affiliated colleges undertake outreach activities with its NSS and NCC wings and involve the local community for ensuring the maximum benefit to the community.
3.6.8. Give details of awards received by the institution for extension activities and contributions to social/community development during the last four years.

- The NSS of Kakatiya University was recipient of Indira Gandhi 2011 award from the Ministry of Youth Affairs & Sports, Government of India for commendable service. The centre for Women studies, NSS, NCC is undertaking extension activities at regular intervals.

PEACE AMBASSADOR AWARDS

Peace Festival an International Society and NSS KU jointly organized Peace Ambassador Award functions in more than 120 Colleges in three districts to promote and inculcate national unity, peace among the students irrespective of caste, creed, religion and gender.

3.7 Collaboration

3.7.1. How has the university’s collaboration with other agencies impacted the visibility, identity and diversity of activities on campus? To what extent has the university benefitted academically and financially because of collaborations?

1. Establishment of research laboratories
2. Campus recruitment by the industry.
3. Collaborative research
4. Workshops, refresher courses, training programmes, seminars
5. Interaction with reputed scientists and eminent personalities.

Collaboration has made the university vibrant and it has helped academically and financially.

3.7.2. Mention specific examples of how these linkage promote

- Curriculum development - PG Diploma in Sericulture
- Internship - Student visits to Research organizations and Institutes
- Faculty exchange and development - Through faculty exchange, students got benefitted in Pharmacy and Biotechnology departments
- Research - Several departments got benefitted from collaborative research
- Publication - Collaborations resulted in a number of publications
- Student placement - Campus recruitments

3.7.3. Has the university signed any MoUs with institutions of national/international importance/other universities/industries/corporate houses etc.? If yes, how have they enhanced the research and development activities of the university?

Yes, the list is given below.

1. The Department of Plant Molecular Biology, Groningen University, the Netherlands and the Department of Biotechnology, Kakatiya University.
2. The Botanical Institute Ludwig, Maximilians University, Munich, Germany and the Department of Botany and Biotechnology, Kakatiya University.

3. The Murdoch University, Perth, WA and the Department of Biotechnology, Kakatiya University.

4. The National Centre for Genetic Resources & Biotechnology, Brasilia, Brazil and the Department of Biotechnology, Kakatiya University.

5. Eretria Institute of Technology, Asmara.

6. The European Union under ERAMUS Project.

7. Doctus, Hyderabad

8. WSU, MSU and ISU, USA in Biotechnology.

9. Girne American University, Cyprus, UK.

10. NTH Co., Ltd., Japan.

11. NSL Mining Consolidated Ltd, Australia and

12. MDI, Gurgao for the exchange of students and teachers between the institutions.

13. Australian Centre of Industrial Biotechnology, AC1B, GmbH, Petersgasse, 14, 8010 Graz

15. University of Malaysia Penhang, Govt. Of Malaysia, Malaysia and the Kakatiya University.

16. ONAN Biotech Pvt. Ltd., Hyderabad

18. International collaboration with Institute of Plant Biology, Biological Research Centre, Hungary.

19. International Collaboration with Institute of Systematic Botany and Mycology, LMU, Munich, Germany.

20. International Collaboration with Shnaghai Institute of Biological Sciences, Shanghai, China 200032.

3.7.4. Have the university-industry interactions resulted in the establishment/creation of highly specialized laboratories/facilities?

- Department of Bio-Technology developed Bioinformatics Infrastructure Facility (BIF) for promotion of biology teaching through Bioinformatics under BTIS net programme with a cost of Rs. 43.0 lakhs.
CRITERION – IV : INFRASTRUCTURE AND LEARNING RESOURCES

4.1. Physical Facilities

4.1.1. How does the university plan and ensure adequate availability of physical infrastructure and ensure its optimal utilization?

➢ The university is spread over about 650 acres.
➢ The university has all the central facilities like auditorium, indoor stadium, health center, computer center, central library, open air theater, sprawling playgrounds and canteen.
➢ Most of the departments have well-furnished seminar halls for organizing academic programmes like seminars, symposia, workshops, conferences etc and for all programmes conducted by faculty members and students.
➢ All departments have class rooms/seminar halls with LCD projectors and computers with internet connectivity and audio system.
➢ The departments have adequate space for housing laboratories and equipment.
➢ The department of Commerce and Business Management has ICT enabled conference hall with interactive boards.

4.1.2. Does the university have a policy for the creation and enhancement of infrastructure in order to promote a good teaching-learning environment? If yes, mention a few recent initiatives.

Yes

➢ Resources are allocated every year to develop infrastructure to construct new buildings, addition of class rooms and for the maintenance of existing old buildings.
➢ Recently, university extended the university engineering college building, commerce & business management building, administrative building and school of distance learning and continuing education building.
➢ New hostel buildings have been constructed. The university also initiated steps to expand its infrastructure in campuses outside Warangal. Further, university initiated following steps.
   1. Underground telephone cabling.
   2. Campus Networking and Net facility to all departments.
   3. Every department has LCD projectors to be used in the classrooms.
   4. Space is allocated for conducting Yoga classes.
   5. Wired NKN, LAN is available. The Network is on optical fiber.
   6. Commerce & Business Department has classroom with electronic boards and digital podiums for interactive sessions which can accommodate about 200 participants and the proceedings can be recorded.

4.1.3. How does the university create a conducive physical ambience for the faculty in terms of adequate research laboratories, computing facilities and allied services?

➢ Every faculty member is given a separate room.
➢ All departments and faculty are provided with internet connection and a link to INFLIBNET facility.
All sophisticated instruments for research are interfaced with computers.

In some cases, on account of MoUs with other institutes additional facilities are provided to the faculty.

Some facilities are also created by Alumni.

Most of the laboratories in the university have the state-of-the-art equipment, to cite a few, NMR, DSC, TGA, HPLC, Fluorescent Microscope, green house facility etc.

The maintenance of the equipment is monitored by the respective Heads of the Departments.

4.1.4. Has the university provided all departments with facilities like office room, common room and separate rest rooms for women students and staff?

Yes

The University ensures that there are adequate facilities in all the departments like office rooms, toilets, with a special provision for physically challenged persons, common room for women staff and students and a health centre on the campus.

4.1.5. How does the university ensure that the infrastructure facilities are disabled friendly?

All the buildings are provided with ramps and are user friendly for the physically challenged. In most of the departments, the classrooms and labs are located in the ground floor. Wheel chairs are provided in the Central Library.

4.1.6. How does the university cater to the requirements of residential students? Give details of

- • Capacity of the hostels and occupancy (to be given separately for men and women)

</table>
Recreational facilities in hostel/s like gymnasium, yoga centre, etc.

- All the hostels are surrounded by play fields of the university.
- Jogging tracks, walking tracks, gymnasiums are available to the students both in the mornings and in the evenings.
- Badminton, volley ball and Basketball courts are available and grounds men are appointed to assist students every day.
- Indoor stadium complex is available.

Broadband connectivity/Wi-fi facility in hostels

- The Wi-Fi facility is available in the hostels.

4.1.7. Does the university offer medical facilities for its students and teaching and non-teaching staff living on campus?

Yes

- Since the inception of the University, Health Centre has been providing the medical facilities to the students, research scholars, teaching-staff, non-teaching staff, class-IV, daily-wage, lump-sum, time-scale employees and their families including retired employees and their spouses.

A. STAFF-PATTERN:

Medical Staff

Medical Officer, Consulting Physician, Consulting Surgeon, Consulting Dermatologist and Consulting Gynaecologist

Para-Medical Staff

Pharmacist, Nurse, Dresser, Lab-Technician/Asst. to Physiotherapist, Ambulance Driver, Kamati and Mali.

- A Member-in-charge looks after the maintenance and administration of the Health Centre.

B. THE FOLLOWING ARE THE HEALTH FACILITIES AVAILABLE IN THE HEALTH CENTRE.

Ambulance facility for 24 hours, ECG facility, Oxygen facility, Electro cattery, Suction apparatus, Auto analyzer, I.V. fluids, Pathological investigations, Anti-septic dressing, Free supply of medicines, Day care centre and Physiotherapy unit.

- University provides financial support of Rs.50,000/- to certain diseases like Heart and Kidney etc.
- The University encourages employees to go for medical health insurance by contributing an amount of Rs.900/- per employee.

C. HEALTH SERVICES EXTENDED TO EMPLOYEES:

- Daily about 100-120 out-patients take treatment in health centre. University provides medicines for chronic diseases like diabetic and hypertension, etc.
- 24 hours Ambulance facility.
D. COMMUNITY SERVICES (Year wise)

- Regular health camps are conducted in the Health Centre for students and employees as part of Medicare.

The following are the free health camps conducted in the university.

2008 -2009

- In the year 2008, family planning programme was conducted for employees of university.
- In the year 2009, blood donation camp was conducted by NSS students.
- AIDS awareness programme was conducted
- Lungs & chest diseases check-up camp was conducted on 06-09-2008.

2009-2010

- Hypertension and diabetic camp.
- Health awareness programme.
- Health exhibition.
- Bone density test camp.
- Hepatitis vaccination camp.

2010- 2011

- Hypertension & Diabetic detection camp was conducted in collaboration with Blue Cross Laboratories Ltd. on 24.02.2010. Camp was supervised by Dr. V. Chandrashekar, Asst. Professor of MGM, Warangal.
- A free cardiac camp was conducted in collaboration with Aware Global Hospital, Hyderabad on 27.12.2010, supervised by Dr. Y.P. Raju, Cardiologist.
- Dental camp
- Ayurvedic camp
- Urology camp
- Cardiology camp (provided RBS, ECG, 2D Echo and medicines)
- Yoga Training Classes from August 2-12, 2010
- Free Cardiac Health Camp at University Health Centre on December 27, 2010.

2011- 2012

- A Urology camp was conducted on 5.6.2011 and about 70 patients were given treatment in the camp by Dr. N. Upendra Kumar M.Ch. (Urology) Sr. Consultant Urologist, Andrologist and Transplant surgeon from Aware Global Hospital, L.B. Nagar, Hyderabad. The camp was inaugurated by Prof. B. Venkatratnam, Vice-Chancellor. KU. Diseases treated in the camp are:
  1. Kidney problems
  2. Renal Stones.
5. Testicles problems in males

- A free neurology health camp was conducted on 8.8.2011, in association with Lions Club of Hanamkonda. The camp doctor was Dr. Murali Krishna MD (Gen.Med.) DM (Neurology), Aware Global Hospitals, L.B. Nagar, Hyderabad.
- Free cardiac check-up on 23.2.2012 in association with Aware Global Hospital Hyderabad was conducted. Camp doctor was Dr. Sridhar Kasturi, MD DM, FACE, Head Dept. of Cardiology.
- Free Dental Checkup Camp at Health Centre on March 31, 2011.

2012-2013

- A Urology camp was conducted on 24.04.2012.
- Dental camp was conducted on 7-6-2012. Consulting doctors were:
  1. Dr. G. Giridhar Reddy, MDS.
  2. Dr. K. Kiran Kumar, BDS.
  3. Dr. G. Shanthi, BDS.
- A physiotherapy unit was inaugurated in the health centre, KU, on 12.09.2012.
- Medical check-up camp of pathological investigations on concessional rates was conducted by Aware Global Hospital, Hyderabad.
- A team of doctors and Para-medical staff were sent along with students who participated in "Neurology Gastroenterology" Check Up - Health Camp on March 7, 2012.
- A team from health centre also attended to treat the delegates of the youth festival.
- Free Health Urology Checkup Camp on April 24, 2012.
- Free Orthopedic Health Camp at University Arts & Science College on 6.8.2012.
- Inauguration of Physiotherapy Unit at Health Centre on 11.9.2012.
- World Heart Day Celebrated on 29.10.2012

2013-2014

- Free Ophthalmology camp was conducted on 18.03.2014 to 20.03.2014 (3days). In association with VASAN EYE CARE Hospital, Hanamkonda. Specialist doctor on the camp was Dr. Raj Kumar, MS DO.
- Pathological Investigations camp was conducted by Thyocare Diagnostics Centre, Bombay for 3 days from 18-03-2014.
Infrastructure and Learning Resources

- Orthopedic, Neurology and Gynecology camp (pop-smear test free of cost) was conducted by MAX CARE HOSPITAL, Hanamkonda on 7.04.2014 on the occasion of World Health Day.
- A One Week Yoga Training Camp at Padmakshi Women's Hostel from February 23, 2014
- Free Ophthalmology Check Up Health Camp" by Vasan Eye Care Hospitals, Chennai from March 18-20, 2014

- Inter-Collegiate "Voluntary Blood Donation Day" Rally on 14th June, 2014 with 938 Volunteers.
- International Yoga Day on June 21, 2015
- A Week-long programme organized on Yoga and its potential benefits by the NSS Volunteers in different colleges in Warangal district from June 15-21, 2015

2015-2016
- Blood Donation Camp on April 20, 2016
- Organized a seven day Mega medical Camp at Sammakka Saralamma Medaram Jatara from February 12-20, 2016 with 700 Volunteers.
- Organized blood donation camp on 14th July, 2016 and volunteers donated 43 units of Blood.
- Blood Donation Camp at SDLCE on March 15, 2016
- A Five Day Yoga Therapy Camp from September 18-22, 2015.

E. PERFORMANCE IN SPORTS ACTIVITIES:
- In all sports competitions, which are conducted by University Sports Board, a team from our health centre supervises medical facilities to the participants.
- Medical team provides immediate FIRST AID facilities like pain relief sprays, dressing, injections and necessary tablets.
- An ambulance will be kept in the play field during sport events.
- Our health centre team extended service to sports persons who played SOUTH ZONE HAND BALL TOURNAMENT which was conducted in campus play fields.
- Medical team from health centre attended to treat the injured players of cricket team.
- Medical team extended medical facilities to Youth Festival Delegates in month of November, 2013.

4.1.8. What special facilities are available on campus to promote students’ interest in sports and cultural events/activities?

Sports:

The facilities include
1) Indoor Stadium (3 Badminton Court & 2 Table Tennis courts)
2) Gymnasium Hall
3) Standard Track (400 mts)
4) Walking Track (600 mts)
5) Kho-Kho courts (2)
6) Kabaddi courts (2)  
7) Handball courts (3)  
8) Six Cricket Pitches (60 Mtrs)  
9) Volley Ball courts (3)  
10) Basket Ball court (1)  
11) Ball Badminton court (1)  
12) Hockey Play field ground  
13) Foot Ball Play ground

**Cultural events**

1. An Auditorium with seating capacity 1200 seats.  
2. Several Conference Halls with audio-visual facilities.

**4.2. Library as a Learning Resource**

**4.2.1.** Does the library have an Advisory Committee? Specify the composition of the committee. What significant initiatives have been taken by the committee to render the library student/user friendly?

Yes, library has an advisory committee. The composition of the committee is the following.

- Vice-Chancellor – Chairman
- Heads of the Departments – Members
- Librarian – Member – Convener
- The functions of the library advisory committee are to review the progress and performance of the library and to resolve the problems of the library building, furniture, equipment, staff, finances, books and other policies of the library.
- Wi-Fi zones are created in library premises
- Wheel chairs are provided for differently-abled students.
- Complete automation of library
- Xerox facilities
- Aesthetic ambience

**4.2.2. Provide details of the following:**

Some of the special initiatives include round the clock services of the reading room with emphasis on students appearing for competitive examinations.

**Area of the Library**  
27,580 sq. ft.  
**Total Seating Capacity**  
500 Members

Working hours

1. On working days 8.00 am to 8.00 pm  
2. On holidays 10.00 am to 4.00 pm
Layout Library

- Library comprises circulation, stacks, reading halls and OPAC for browsing, material for competitive examinations, reference books, periodical sections, sign boards, fire alarms and office.
- Special access facilities like ramps with safety railing have been provided.

Display of floor plan

Yes

4.2.3. Give details of the library holdings:

a) Print (books, back volumes and theses)
   1. Books 1,54,158
   2. Back Volumes 30,865
   3. Theses and Dissertations 4,086
   4. Text books 73,250
   5. Reference books 15,203
   6. Book Titles 84,800

b) Average number of books added during the last three years
   1511

c) Non Print (Microfiche, AV)
   --

d) Electronic (e-books, e-journals)
   1. E-books e resources can be accessed from all departments on the Campus
   2. E-Journals 44,300

e) Special collections (e.g. text books, reference books, standards, patents)
   - The library is possessing special collections of about 88,453 items in the form of text books, reference books, standards, papers etc.

f) Book Banks
   1. SC/ST Book Banks 2,763

4.2.4. What tools does the library deploy to provide access to the collection?

- The university makes use of electronic resource management package for providing access to OPAC, e-journals and e-books are accessible through INFLIBNET

4.2.5. To what extent is ICT deployed in the library? Give details with regard to

- The library automation is done to make it user friendly.
- The total number of computers available for general access is eight.
- The number of printers available is three.
- Internet bandwidth speed: 2mbps, 10mbps, 1GM, VPN/1gbps- NKN connectivity.
The work involved in the section is to create, update, maintain and manage the various databases as per the INFLIBNET programme.

This includes the data bases of books, theses (M.Phil. & Ph.D.) and periodicals (current and back volumes and experts data base).

In this section, a book database of more than 90,000 records has been created.

The theses database is completed and has been sent to INFLIBNET to keep in the National Database.

Participation in resource sharing networks/consortia (like INFLIBNET)

Yes

The central library provides access to electronic journals and databases online to all the departments through UGC INFONET electronic journal consortia using the campus network.

4.2.6. Provide details (per month) with regard to

- Average number of walk-ins: 5,200
- Average number of books issued/returned: 2,000
- Ratio of library books to students enrolled: 50:1
- Average number of books added during the last four years: 3,436
- Average number of login to OPAC: 700
- Average number of login to e-resources: 1,000
- Average number of e-resources downloaded/printed: 1,200
- Number of IT literacy trainings organized: 02

4.2.7. Give details of specialized services provided by the library with regard to

Manuscripts: Rare and valuable book collections are maintained in the reference section.

- Reference: Yes
- Reprography/Scanning: Yes
- Inter-Library loan service: Yes
- Information Deployment and Notification: Yes
- OPACs: Yes
- Internet Access: Yes
- Downloads: Yes
- Printouts: Yes
- Reading list/Bibliography compilation: Yes
- In-house/remote access to e-resources: Yes
- User orientation: Yes
- Assistance in searching Databases: Yes
- INFLIBNET/IUC facilities: Yes

4.2.8. Provide details of the annual library budget and the amount spent for purchasing new books and journals.

- Library Budget: Rs. 13,35,000
- Purchasing of books: Rs. 4,38,000
- Subscription of Journals: Rs. 5,60,000
- Automation: Rs. 3,00,000
4.2.9. What initiatives has the university taken to make the library a ‘happening place’ on campus?

- Aesthetics of the library has been enhanced with spacious reading and reference rooms, extension of the building with cubicles for research scholars and students.
- Digitalized library information system OPAC.
- Photocopying facility, round the clock study room facility for the competitive aspirants.
- Lord Buddha, Saraswathi enclosures, big model chess board and sprawling lawns.
- Wi-Fi facility is provided to all the users in the library during working hours.
- Wi-Fi zones are also created within the premises of central library.
- The use of electronic databases, OPAC etc., encourages the students to have more collaborative and interactive learning.
- Book review and releasing functions.

4.2.10. What are the strategies used by the library to collect feedback from its users? How is the feedback analyzed and used for the improvement of the library services?

- Feedback is obtained through complaints and suggestions box.
- Visitors Books for suggestions.
- Wi-Fi zones and wheel chairs in the library have been provided after receiving the suggestions from students and staff members.

4.2.11. List of efforts made towards the infrastructural development of library in last four years

Several measures have been taken for infrastructural development of library in last four years. The details are as follows:

1. Air Conditioners (Numbers) 2011-12 04
2. Book racks (Godrej) (Numbers) 2010-11 12
   2012-13 09
   2013-14 12
   2014-15 10
   2015-16 09
3. Water Cooler
4. 12 computer systems
5. LCD projector
6. A separate internet section is being maintained in new library building.

Efforts are made to develop and maintain the infrastructure of the central library.

4.3. IT Infrastructure

4.3.1 Does the university have a comprehensive IT policy with regards to IT Service Management?

Yes

- The Office of the IT infrastructure maintains WEB Server, data server, Mail server, IT Services, Internet and Website.
The university has a computer centre and an In-charge has been appointed for effective management of IT services.

The IT infrastructure, servers, intranet, software etc. are procured and maintained for efficient IT management.

All problems of IT infrastructure in the departments are solved by the technicians working in the computer centre.

**Information Security:**
- Traditional user name/ password mechanism is used by individual systems to protect the information.

**Network Security:**
- Incoming and outgoing data traffic into the KU LAN is routed through the router provided by NIC as part NKN 1Gbps connectivity.
- Fire Walls have been installed inside router to provide the security to some extent.

**Risk Management:**
University maintains backups.

**Software Asset Management:**
- Specialized Software procured and maintained by the individual departments.
  - Open source software is widely used for academic training.

**Open Source Resources:**
Departments will use the open source resources like LINUX and Open Office, etc depending on their needs.

**Green Computing:**
In order to prevent greenhouse gas emissions in the campus, the employees are advised as follows:

1. The systems will have to be turned off when not in use.
2. Systems should not be left in sleep mode.
3. Printers should be switched off when not in use.
4. Recently procured devices are energy star compliant.
5. In most of the cases, documents are circulated through e-mails.
6. Paper, ink and tonner are conserved following general tips.
7. Disposing of outdated systems for recycling.

**4.3.2 Give details of the university’s computing facilities i.e., hardware and software**

**Computer-student ratio: 1:4**
Table – 4.2
Number of systems with individual Configurations

<table>
<thead>
<tr>
<th>Configuration</th>
<th>No of nodes</th>
</tr>
</thead>
<tbody>
<tr>
<td>Pentium dual core <a href="mailto:E5300@2.60GHz">E5300@2.60GHz</a>/1GB/320GBHDD</td>
<td>450</td>

<td>50</td>
</tr>
<tr>
<td>Pentium IV @2.40GHz/512MB/80GBHDD</td>
<td>50</td>
</tr>
</tbody>
</table>

Dedicated computing facilities:
- One computer centre with 100 systems/nodes with internet facility is made available to the students and scholars to carry out their work based on internet access.
- All departments have separate computing facilities exclusively for students.

LAN facility:
- Wired LAN facility is available in the University.

Proprietary software:
- LINUX, UBUNTU open source operating system

Number of nodes / computers with internet facility:
- 850

4.3.3 What are the institutional plans and strategies for deploying and upgrading the IT Infrastructure and associated facilities?
- The In-charge, computer centre in consultation with Principals and Heads identifies the needs for improving IT infrastructure and associate facilities and prepares institutional plan and with the approval of IT development committee implements the plan.
- Procuring data.
- Replacing the old systems with new systems.
- Updating the University website continuously.

4.3.4 Give details on access to on-line teaching and learning resources and other knowledge and information database/packages provided to the staff and students for quality teaching, learning and research.
- Teachers and students use video lectures available in you tube for teaching and learning in addition to conventional text and reference books.
- The Central Library also provides access to electronic journals and databases online to all the departments through UGC INFONET electronic journal consortia using LAN.
4.3.5. What are the new technologies deployed by the university in enhancing student learning and evaluation during the last four years and how do they meet new/future challenges?

- In addition to the conventional blackboard teaching, lectures by power point presentations, video lectures and student seminars through power point presentation are introduced.
- Students are also encouraged to download latest developments in the respective fields and discuss them in seminar talks.
- E-Class rooms are available in the departments of Mathematics and Computer science.

4.3.6. What are the IT facilities available to individual teachers for effective teaching and quality research?

- All the faculty members are provided with a personal computer with internet connectivity and LAN facility with accessibility to online journals.

4.3.7. Give details of ICT-enabled classrooms/learning spaces available within the university? How are they utilized for enhancing the quality of teaching and learning?

- Every department has LCD projectors for use in classrooms to enhance quality of teaching and learning.
- For students, browsing centers are available in central library and in Departments.
- Commerce & Business Management Department is equipped with IT enabled conference hall with interactive and smart boards for group discussions and learning.

4.3.8. How are the faculty assisted in preparing computer-aided teaching learning materials? What are the facilities available in the university for such initiatives?

- Through training programs on the preparation of power point presentations, Internet, Simulation, etc.

4.3.9. How are the computers and their accessories maintained?

- Computers are maintained through AMC. LAN and network facility in the campus is maintained by the In-charge computer centre with technical staff.

4.3.10. Does the university avail the National Knowledge Network connectivity? If so, what are the services availed of?

- Yes
  - NKN facility is available in the campus.
  - Incoming and outgoing traffic in KULAN is routed through the router provided by NIC as part of NKN 1 Gbps connectivity.

4.3.11. Does the university avail of web resources such as Wikipedia, dictionary and other education enhancing resources? What are its policies in this regard?

- Yes, the faculty and students avail the web resources like Wikipedia, dictionary and other resources.
The university has a separate department with a web master who coordinates among all the departments and stakeholders.

4.3.12. Provide details on the provision made in the annual budget for the update, deployment and maintenance of computers in the university

➢ The budget allocated for the update and maintenance of computers, internet, computer networking and website is about Rs. 1.50 lakh.
➢ In addition to the budget, some is available from the funds various research schemes.

4.3.13. What plans have been envisaged for the gradual transfer of teaching and learning from closed university information network to open environment?

➢ The university is planning to record the class room lectures of the teachers and keep them in university web to make it accessible to all.

4.4. Maintenance of Campus Facilities

4.4.1. Does the university have an estate Office/designated officer for overseeing the maintenance of buildings, class-rooms and laboratories? If yes, mention a few campus specific initiatives undertaken to improve the physical ambience.

Yes

➢ University has an estate office (Development Office, Kakatiya University).
➢ Avenue plantation officer takes care of the beautification of the campus.
➢ Every building is surrounded by a well maintained garden.
➢ A separate watershed management also institutionalized several rain water harvesting pits and check dams.
➢ The Development Office also takes care of renovation of old buildings, class rooms, laboratories, plantation and landscaping.
➢ Under Harithaharam, ten thousand samplings have been planted.

4.4.2. How are the infrastructure facilities, services and equipments maintained? Give details.

➢ In the Building Division there is a separate section for maintenance of buildings, roads, water supply and sanitary repairs etc., with skilled and unskilled staff like masons, plumbers, electricians and carpenters and are entrusted the daily routine repair works.

The following technical staff have been engaged for the maintenance of office, college buildings and staff quarters, internal roads etc.

1. Maintenance supervisor (Civil)
2. Maintenance supervisor (Electrical)

➢ The above officers are made responsible for the smooth functioning of the maintenance works on the campus with the help of technical staff.
➢ Technical staff members work under the control of the University Engineer and the Development Officer.

To increase the infrastructural facilities, the University has taken-up the construction of several new buildings with an estimated cost of Rs. 2,463.98 lakhs.
CRITERION –V : STUDENT SUPPORT AND PROGRESSION

5.1 Student mentoring and support

5.1.1. Does the university have system for the student support and mentoring? If yes, what are its structural and functional characteristics?

Yes

➢ The Director (Admissions), Principals of the Colleges, Deans of Faculties, Heads of the Departments, Chairmen, Board of Studies, Controller of Examinations, Director, University Hostels, take care of the students’ needs from admission, curricular guidance to the level of placement counseling.

➢ Career and Guidance Cell provides services like career guidance, coaching for national level examinations and placement.

➢ Over and above the mentoring in class rooms, CELT and CFRAC take care of soft skill enrichment of students and the foreign students.

➢ NSS Coordinator on the campus takes the responsibility of enriching the institutional social responsibility (ISR) among the students and also the students of all the affiliated colleges.

➢ The anti-ragging committees are formed in all departments. Anti-ragging campaigns are conducted with judiciary and police officers to make campus ragging free. The university has a system of student support and mentoring with the following features.

1. Orientation programmes for students.
2. Ragging free campus.
3. Hostel accommodation to all students.
4. Remedial classes.
5. Mentoring.
6. Infrastructural support.
7. Competency building programmes.
8. Placement support.
9. Health care.
10. Socialization.
11. Indoor stadium.
12. Yoga centre.
13. Wi-Fi zones

➢ Every staff member is allotted a group of students for guidance and mentoring.

➢ The university undertakes various welfare measures for the support of the students.

➢ SC/ST and BC cells have been established to take care of students.

➢ Students belonging to minority/SC/ST categories and other backward classes are given special training for competitive examinations.
5.1.2. Apart from classroom interaction, what are the provisions available for academic mentoring?

- Slow learners are identified and are advised to interact with faculty members.
- Student seminars are conducted. A teacher is allotted to a group of students for guidance.
- Student meets are organized for academic interaction and knowledge exploration.
- Lectures by experts in respective fields from industries, research institutions and other universities are arranged for the benefit of students.
- Participation in community and outreach programs.

5.1.3. Does the university have any personal enhancement and development schemes such as career counselling, soft skill development, career-path-identification, and orientation to well-being for its students? Give details of such schemes.

Yes

- University conducts programmes on Spoken English, Career counseling and Placement services through welfare centre.
- The Centre for English Language Training (CELT) and Cell for Career Guidance and Counseling either independently or jointly shoulder the responsibility of attending individual students and group of students by way of conducting Spoken English classes and soft skills improvement, competitive examinations, etc.
- Orientation programmes are periodically conducted.

5.1.4. Does the university provide assistance to students for obtaining educational loans from banks and other financial institutions?

Yes

- Students who are in need of financial support are guided for the sanction of the same from banks.

5.1.5. Does the university publish its updated prospectus and handbook annually? If yes, what are the main issues/activities/information included/provided to students through these documents? Is there a provision for online access?

Yes

- The University hand book/diary released annually by the Directorate of Admissions provides information relating to rules and regulations of admission into various courses.
- Information on number of colleges, seats; profiles of departments, faculties, library facilities, support services like scholarships, health, hostels, availability of facilities to the Games and Sports.
- The Directorate of Admissions releases a brochure with the names of colleges offering PG courses with intake and fee particulars and other matters for the benefit of the students seeking admission in the University.
- The Centre for Foreign Relations, Research and Consultancy Cell also releases a brochure with the information about the University, its vision and mission, fee structure for the admission of foreign students, historical aspects of Warangal and weather, statistical information about the number of foreign students enrolled, and the countries from which the students are from, etc. for the benefit of the new students seeking/enquiring fresh admissions.
5.1.6. Specify the type and number of university fellowships/freeships given to the students during last four years. Was financial aid given to them on time? Give details (in a tabular form) for the following categories: UG/PG/M.Phil/Ph.D/Diploma/others (please specify).

- State Government has introduced the full fee reimbursement scheme.
- The scheme is fully operational and as many as 95% of the students are beneficiaries.
- Scholarships for single girl (SG) child programme of UGC have been implemented.
- Ten such scholarships are sanctioned to girl students in different departments.

5.1.7. What percentage of students receives financial assistance from state government, central government and other national agencies (KVPY, SN Bose Fellow etc.)?

- About 95% of the students get financial assistance.

5.1.8. Does the university has an International Student Cell to attract foreign students and cater to their needs

Yes
- The Centre for Foreign Relations, Research and Consultancy (CFRAC) is established in the campus.
- The CFRAC provides international students with academic information.

The structure and responsibilities of the Centre

- Single window agency supervising the admission of foreign students.
- Organizes orientation programs for foreign students to help their acclimatization and cultural adaptation.
- Helps foreign students improve their communicative competence in English by arranging bridge courses and induction programs.

5.1.9. Does the university provide assistance to students for obtaining educational loans from banks and other financial institutions?

Yes
- In general, the university provides assistance to students for obtaining loans.
- Bank managers in the vicinity of university are requested to help the students in this regard.

5.1.10. What types of support services are available for

1. Overseas students

- Single window system supervising the admission of foreign students.
- Provides the international students with information on courses and services offered by the University.
- Organizes orientation programs for foreign students to help their acclimatization and cultural adaptation.
- Helps foreign students improve their communicative competence in English by arranging bridge courses.
The university provides special accommodation and health services to the overseas students.

2) **Physically challenged/differently abled students**
- The faculty members pay special attention to the students in providing teaching material and giving constant support and encouragement in all matters during their stay on the campus.
- Reservation of seats in all courses.
- Appointing scribes during the examinations.
- Giving concessions in the payment of fee.
- Priority in providing hostel accommodation and also health services.
- Providing furniture to suit their requirements.
- ½ hour extra time in examination.
- Providing walking ramps in all the buildings on the campus.

3) **SC/ST/BC/OBC and economically weaker sections**
- A senior teacher is appointed as the Director of SC/ST cell.
- This office looks after rights and welfare of these communities.
- Director is a member of Student Admission Committee.
- Statutory reservations are provided in admissions to all courses and in employment. Special Book Banks are provided for SC/STs.

4) **Students participating in various competitions/conferences in India and abroad**
- Faculty encourages PG students to participate in local and national workshops/conferences.
- There is no provision for financial support.
- JRFs and SRFs who are getting the fellowships from various national agencies do have provision to attend conferences.

5) **Health centre**, health insurance, Ambulance facility for 24 hours, ECG facility, Oxygen facility, Electro cattery, Suction apparatus, Auto analyzer, I.V. fluids, Pathological investigations, Anti-septic dressing, Free supply of medicines, Day care centre and Physiotherapy unit.

6) **Skill development (spoken English, computer literacy, etc.)**
- Computer centre conduct short term training programmes on basic fundamentals in computer literacy such as MSWORD, MSEXCELL, Power point and internet.
- CELT often conducts evening training programmes and short-term training programmes during vacation to improve the communication skills in English.

7) **Performance enhancement for slow learners**
- Remedial classes for slow learners are in practice for computer skills, communication skills, etc.
- Weekend (Saturday) classes are allocated in the time-table for this purpose.
8) Exposure of students to other institutions of higher learning/ corporate/ business houses, etc.

- Engineering and science students are encouraged to visit NIT Warangal, BHEL, DRDO, DMRL, NGRI, ECIL, NRSA, IICT, Survey of India, Institute of Powder Metallurgy, University of Hyderabad to interact with Scientists and Engineers.
- Lectures by eminent personalities and study tours.
- Life Science students are encouraged to visit CCMB and NIN interact with scientists.

5.1.11. Does the university provide guidance and/or conduct coaching classes for students appearing for Civil Services, Defence Services, NET/SET and any other competitive examinations? If yes, what is the outcome?

Yes

- University conducts coaching classes for students appearing for civil services and other competitive examinations.
- NET coaching centre conducts classes for the students appearing NET/SET.
- Several students have been selected from the University in State Government services.

5.1.12. Mention the policies of the University for enhancing student participation in sports and extracurricular activities through strategies/schemes such as

- The university encourages students for participation in sports, games and other extracurricular activities.
- The university conducts intra-college and inter-college tournaments in various events of games and sports.

Additional academic support and academic flexibility in exams for participation in sports and games as given below:

- Reservation of seats in PG and UG courses for students participating in sports competitions at National and State levels.
- All the selected candidates are sent to coaching camps and as per the advice of the coach.
- Sports uniforms are provided free of cost.
- Sports material is also provided free of cost.
- The university has good sports facilities like cricket grounds, tennis courts, volley ball courts, basket ball courts, and indoor games complex.
- Women students are encouraged to participate in games and sports.
- Financial support for participation in sports events outside the university.
- Students are supported financially by giving TA and DA.

5.1.13. Does the university have an institutional mechanism for students’ placement? What are the services provided to help students identify job opportunities, prepare themselves for interview, and develop entrepreneurship skills?

Yes
The Placement Cell of the University guides the students for various career and competitive opportunities open to the students.

It also imparts training for interview, debating, group discussion and presentation skills to the students.

The cell maintains close rapport with the recruiting agencies and organizes the meetings (job melas) on the campus or directs the students to organizations located outside the campus.

It motivates the students to improve their personality through career development courses and programmes.

5.1.14. Give the number of students selected during campus selections by different employers (list the employers and the number of companies who visited the campus during the last four years).

Table - 5.1

5.1.15. Does the university have a registered Alumni Association? If yes, what are its activities and contributions to the development of the university?

Yes

➢ The university has a registered alumni association.

➢ The alumni are in prominent position in various walks of life like Judiciary, Administration, Politics, Journalism, Media, Performance Arts, Scientific, Technological, Research and development laboratories.

➢ A few prominent members of university alumni are Late Sri. P. V. Narasimha Rao, former prime minister of India, Sri. Kadiam Sree Hari, Deputy Chief Minister of Telangana State, Sri Neralla Venumadhav renowned mimicry artist, Dr. Mohan Rao, former Director, Centre for Cellular Molecular Biology, Sri S Madhusudhana Chary, Speaker Telangana Assembly etc.

➢ Alumni are contributing for the development of infrastructure of the university.

➢ The auditorium in Pharmacy College is donated by the Alumni of Pharmacy College.

➢ The alumni regularly interact, motivate, guide, and encourage the present students.

5.1.16. Does the university have a student grievance redressal cell? Give details of the nature of grievances reported. How were they redressed?

Yes

➢ University has a Grievance Redressal Cell headed by a teacher to look after the complaints made by the students and parents.

➢ Suggestion boxes are provided in departments to collect student complaints.

➢ The cell meets periodically to redress the complaints and initiates necessary action.

➢ Some of the major grievances of the students are internet facility in the hostel, health care and canteen facilities

➢ Initially internet facility is provided in computer centre and the main library and later it is extended to hostels.

➢ Cell provided better health care facilities and full time doctor in the health centre.

➢ Canteen facilities are improved.

5.1.17. Does the university promote a gender sensitive environment by (i) conducting gender related programmes (ii) establishing a cell and mechanism to deal with issues related to sexual harassment? Give details.

Yes

➢ In general, security people keep strict watch to prevent harassment on girls students and report the incidents (if any) to the Security Officer or Principal concerned.

➢ Gender sensitivity is taken up by the Women’s studies centre through special lectures on gender sensitization.

➢ Every year Women’s Studies Centre arranges lectures by District Police Officials.
If there are any complaints, Principal concerned, with the help of Legal Cell resolves the issues.

Most of the departments have separate facilities for girl students.

The lady teachers have personal sitting accommodation and women supporting staff have common facilities.

Special care is taken for girls in providing hostel accommodation.

5.1.18. Is there an anti-ragging committee? How many instances, if any, have been reported during the last four years and what action has been taken in these cases?

Yes

The University has established an Anti-Ragging Committee at University level consisting of senior Principal being the Chairman and hostels Director being the Convener, all other Principals, and security officer being members.

At the Department level, committee consists of Head as the Chairman, two senior faculty members and four students (two from boys and two from girls) as members.

The committee meets at regular intervals and monitors the ragging activities taking place on the campus.

The committee also makes efforts to bring awareness on the anti-ragging.

So far only a few minor incidents have been reported in last five years and actions have been initiated to prevent ragging activities.

5.1.19. How does the university elicit the cooperation of all its stakeholders to ensure the overall development of its students?

The university elicits the cooperation of the all its stakeholders by making them members in all important administrative and academic committees like Academic Senate, Executive Council, Boards of Studies in various subjects, Sports Board etc.

The university also collects the feedback from the members of stakeholders on the programmes and developmental activities of the university during the meetings of the various committees.

5.1.20. How does the university ensure the participation of women students in intra and inter institutional sport competitions and cultural activities? Provide details of sports and cultural activities where such efforts were made.

Woman students participate in sports and games events with equal enthusiasm on par with men.

Every year inter class events and inter collegiate events are conducted exclusively for women.

The women teams participated in several inter university competitions in last five years.

- Handball South-Zone 2011-12)
- Cricket Central Zone 2013-14.
- Handball Central Zone 2013-14.
5.2. Student Progression

5.2.1. What is the student strength of the university for the current academic year? Analyse the programme-wise data and provide the trends for the last four years.

5.3. Student participation and Activities

5.3.1. List the range of sports, cultural and extracurricular activities available to students. Furnish the programme calendar and provide details of students participation.

The University Sports Board consisting of an advisory board takes care of organization and improvement of sports activities. The facilities include

- Indoor Stadium
Badminton Court
2 Table Tennis courts
One Gymnasium Hall
400 Mtrs. Standard Track
600 Mtrs Walking Track
2 Kho-Kho courts
2 Kabaddi courts
Handball courts
Cricket Pitches (60 Mtrs)
3 Volley Ball courts
One Basket Ball court
One Ball Badminton court
One Hockey Play field
One Foot Ball Play field
In addition to routine yearly sports activities like inter-departmental student’s sports and games (Men & Women) competitions, inter-collegiate (Men & Women) competitions, University has conducted the following South Zone and Central Zone events in last five years.

1. Kho-Kho (South-West Zone 2009-10) Competitions
2. Cricket (South-Zone 2010-11)
3. Handball Men & Women (South-Zone 2011-12)
4. Kabaddi (Men), Central-Zone (2013-14)
5. Cricket (Men & Women) Central Zone (2013-14)
6. Handball (Men & Women) Central-Zone (2013-14)

About 390 students from university participated in various sports and games activities outside the university

• A week-long programme organized on Yoga and its potential benefits to the NSS Volunteers in different colleges in Warangal town from June 15- 21, 2015.

➢ NSS REGULAR ACTIVITIES 2015-16:

• Observed Telangana Haritha Haram &Vanamahotsav Week from June 20-26, 2015 and planted 1,35,050 saplings in three districts.

• In collaboration with Dr. M.C.R. Human Resource Development Institute, Hyderabad, organized one day training programme on "Climate Education Projects" at University campus on 7th August, 2015 and at SR&BGNR Govt. Degree College, Khammam on19th August, 2015.

• Organized anti ragging awareness programmes at different colleges, educating volunteers and students.

• Observed Sadbhava Diwas on 19th August, 2015 and organized Manavaharam, huge rally with NSS volunteers.
Organized awareness programme about clay Ganesh among the students distributed free of cost.

One programme officer and three male and four female volunteers participated in Pre-Republic Day Parade Camp organized at R.T.M. Nagpur from 8th to 17th October, 2015.

One programme officer and two volunteers participated in Republic Day parade camp in New Delhi on 26th January, 2016.

Three female and three male volunteers have participated in the 20th National Youth Festival, 2016 at Raipur, Chhattisgarh from January 12-16, 2016.

Ten female and nine male volunteers and one programme officer have participated in the state level youth festival at Sathavahana University, Karimnagar from January 29-31, 2016.

Ten male volunteers and one programme officer have participated in the International Youth Seminar - 2016 at Kanha Shanti Vanam Ashram, Chegur Village, Hyderabad from April 23-27, 2016.

The NCC students of Kakatiya University also take part in competitions, para training courses, mountaineering courses, Army, Navy and Air Force training.

5.3.2. Give details of the achievements of students in co-curricular extra-curricular and cultural activities at different levels: University/ State/ Zonal/ National/ International etc. during the last four years.

KU College of Engineering and Technology every year organizes quiz competitions on technical skills on Engineers Day.

The Department of Mathematics organizes University level ‘Aptitude Test’ on 12th December every year.

The Department of Physics organizes essay writing and elocution and quiz competitions on science topics on 28th February the National Science Day.

In all these activities, students participate in large numbers.

Kakatiya University bagged II prize in classical dance in Central Zone Youth Festival 2013.

5.3.3. Does the university conduct special drives/campaigns for students to promote heritage consciousness?

Yes

The University conducted the following competitions to promote culture and heritage consciousness among the students.

1. Vocal (solo)
2. National group song
3. Folk song
4. Instrumental music
5. Debate
6. Essay writing
7. Skit
8. Folk dance
9. Poetry competition
10. Folk art (Rangoli)
11. Programmes encouraging the clay Ganesh idols
12. Spot painting
In November, 2013, university organized Central Zone Youth Festival – YUVAKALARATNA wherein many cultural and heritage competitions were held in collaboration with the Association of Indian Universities.

**Cultural Programs:**
- Organized District Level NSS Youth Festivals on the theme of "NSS Yuva Tarang" in each District for both Junior and Degree Colleges.
- Organized the University Level NSS Youth Festival on University Campus on 29th January, 2014.
- Ten female and nine male volunteers and one programme officer have participated in the State Level Youth Festival at Sathavahana University, Karimnagar from January 29-31, 2016.
- Three female and three male volunteers have participated in the 20th National Youth Festival, 2016 at Raipur, Chhattisgarh from January 12-16, 2016.

5.3.4. How does the university involve and encourage its students to publish materials like catalogues, wall magazines, college magazine and other material? List the major publications/materials brought out by the students during the last four academic sessions.

- The students publish their literary contributions in local magazines, college magazines and newspapers.
- Their publications are displayed in the notice boards of the departments.
- All students are encouraged in organizing workshops, seminars and conferences.
- The articles written by students are published in the magazine brought out by the University.

5.3.5. Does the university have a Student Council or any other similar body? Give details on its constitution, activities and funding.

No.

5.3.6. Give details of various academic and administrative bodies that have student representatives on them. Also provide details of their activities.

- Mess committees
- Anti-Ragging committee at the department level consists of four students (two boys and two girls).
- Academic Senate.
- Hostel maintenance committee
- NSS Advisory Board.
- Sports Advisory Board.
6.1.1. State the Vision and Mission of the University

**Vision**

Transforming the University into a Centre of Excellence,
Ensuring Quality, Access, Equity and Values

**Mission**

Acquiring commanding heights in the field of innovation, knowledge dissemination, cutting-edge research, competency building and extension activities with holistic approach for societal needs

**Objectives:**

- To attain high standards in teaching.
- To impart qualitative knowledge and develop all-round skills of the students keeping in view the latest technological advancements and innovations.
- To achieve excellence in research making it contemporary and socially relevant.
- To take-up collaborative research with reputed national and international institutions/organizations.
- To undertake extension activities/services and to involve the faculty and students in the community service to bring social harmony and peace in the society.
- To inculcate moral values, culture, tradition and human values in students.
- To equip the students to meet the global challenges of 21st century.
- To promote National Integration among the students.
- To develop interaction between the University and civil society.
- To make the university administration more transparent and accountable
- To provide the socially deprived sections of the society access to higher education.

6.1.2. Does the mission statement define the institution’s distinctive characteristics in terms of addressing the needs of the society, the students it seeks to serve, the institution’s tradition and value orientations, its vision for the future, etc.?

Yes

- As defined in the mission statement, the university is taking all the possible measures to achieve its objectives envisioned in the “vision for the future” by constant efforts.
- The university always looks forward to impart training in specialized branches which are directly related to the industrial establishments and other institutions.
- The university always tries to live up to the expectations of the society by offering the courses which fulfill the needs of the society and industry.
- Besides starting new programmes, University encourages inter-disciplinary research through MoUs with other reputed institutes.
- The university introduced a paper on ethics and human values as one of the open electives at the post graduate level under CBCS system.
6.1.3. How is the leadership involved in ensuring the organization’s management system development, implementation and continuous improvement?

Organization and management

➢ Vice-Chancellor is the Chief Executive Officer of the University and functions in accordance with the provisions of Telangana State Universities Act 2016. Executive Council is the apex executive, decision making and governing body. Vice-Chancellor is the Chairman of the Executive Council.

➢ Academic Council is the authority to decide on courses and curriculum and other academic matters of the University.

➢ The composition of these bodies have adequate representation from the divergent set of stakeholders viz., University faculty, affiliated college principals, academic administration as well as eminent personalities of society and Government.

➢ This diversity in the higher bodies enables the leadership to interact with the stakeholders in identifying the organizational needs.

➢ It also promotes a culture of participative management.

➢ The administrative structure of the university includes the offices of Registrar, Principals of the constituent colleges, Deans of Faculties, Heads of Departments, Chair persons of Board of Studies, Controller of Examinations, Finance Officer and other officers.

- **In reinforcing a culture of excellence?**
  ➢ The feedback and interaction with the stakeholders of the institution will pave the way in establishing work culture among faculty and students of the institution.
  ➢ The university leadership continuously nurtures the tradition of excellence in various fields of higher education.
  ➢ In order to promote culture of excellence the faculty members organize national and international events in all fields.

- **In identifying organizational needs and striving to fulfill them?**
  ➢ To overcome and alleviate the hindrances during the functioning, the university will interact with all its stakeholders and appropriate steps are initiated.
  ➢ The Vice-Chancellor, Academic Senate, Executive Council, Standing Committee, Faculty and Board of Studies meet frequently to assess the university needs and find the ways to fulfill them.

6.1.4. Were any of the top leadership positions of the university vacant for more than a year? If so state the reasons.

Yes, there was a delay in the appointment of regular Vice-Chancellor for a period of 2 years due to bifurcation of the state.

6.1.5. Does the university ensure that all positions in its various statutory bodies are filled and meetings conducted regularly?

Yes
6.1.6. Does the university promote a culture of participative management? If yes, indicate the levels of participative management?

Yes

➢ University adopts philosophy of participative management system right from the inception of the university to involve all stakeholders in taking proper decisions.

➢ Executive Council is the executive authority of the university and Finance Committee is the Sub-Committee of the Executive Council.

➢ Academic Senate provides a general supervision over the academic policies of the University and Standing Committee is the Sub-Committee of the Academic Senate.

➢ Faculty and Board of Studies prepare the academic curriculum and Panels for Examiners.

➢ The Departmental Committees headed by the respective Heads are bestowed with the powers to take decisions on academic and administrative matters of the respective departments.

➢ Every month, university arranges dial your university programme with Vice-Chancellor in the chair to collect feedback and suggestions from general public and all stakeholders.

6.1.7. Give details of the academic and administrative leadership provided by the university to its affiliated colleges and the support and encouragement given to them to become autonomous.

Delegating Leadership to Affiliated Colleges

➢ The University encourages and facilitates colleges to gain autonomous status.

➢ University reviews the academic and administrative functioning of affiliated colleges through the Dean, Academic Affairs.

➢ As knowledge management strategy, the university provides its representatives to Governing and academic bodies of autonomous colleges and affiliated colleges.

➢ Through Dean, College Development Council promotes introduction of new programmes and innovations in curriculum, conduct of examination and maintenance of standards.

➢ Through Departmental Conferences academic support is extended to affiliated colleges.

➢ University nominates senior faculty in the Selection Committees to recruit faculty in the affiliated colleges.

➢ University also delegates leadership to affiliated colleges by appointing Principals of affiliated colleges as members of academic bodies and involve them in syllabus revision every three years.

➢ The teachers of affiliated colleges are appointed as chief examiners in the valuation UG courses.

➢ Senior Faculty members of the university are involved as Members in Board of Studies of Autonomous colleges.

6.1.8. Have any provisions been incorporated / introduced in the University Act and statutes to provide the conferment of degrees by autonomous colleges?

No, such provision is not available.
6.1.9. How does the university groom leadership at various levels? Give details.

- As part of the administration in the University, the Vice-Chancellor appoints Deans of faculties, Chairpersons, BOS, Heads of Departments, Principals of constituent colleges etc. from among the faculty members of different departments based on seniority for a fixed tenure.
- These assignments enable them to handle and suggest measures to the University administration through various forums for making long-term policy decisions.
- Thus almost all the faculty members get an opportunity to become leaders in their respective area, field and disciplines.
- These faculty members actively participate in all meetings of Departmental Committees, Boards of Studies including top policy-making bodies like Standing Committees of Academic Senate, Finance Committee and Executive Council.
- University ensures the Young faculty in various academic and administrative departmental committees.

6.1.10. Has the university evolved a knowledge management strategy? If yes, give details.

Yes

- Projects with commercial value will be filed as patents (IPR-of the university).
- Some of the patents have been shared by Corporate/Industrial houses and the technologies transferred.
- MOUs with other universities and Institutes have been established.
- There are procedures laid down by the University for Knowledge sharing between the University and Industry for mutual advantage and interaction.
- The faculty members will interact with industrialists, scientists from other institutes and universities in conferences, workshops and orientation programs etc., organized by the university to share the outcomes of the projects executed by them.
- The ICT enabled services are used in the teaching, learning and evaluation processes.

6.1.11. How are the following values reflected the functioning of the university?

- Contributing to national development
  - The university has a strict policy of encouraging secular values.
  - The university produces the skilled students as human resource contributing to national development.
  - The university constantly revives its policies to meet the ever expanding university.
  - Departments have been organizing national and international seminars and conferences in various fields for capacity-building of students.
  - Some of the faculty members and the scholars of various departments participated in international conferences and presented papers.

- Fostering global competencies among students
The university has global tie-ups through various programmes such as ERAMUS MUNDUS projects as well as MoUs with various international universities.

Students are continuously trained in communication skills, soft skills etc.

There is an effective procedure laid down by the University for Knowledge sharing and training the students by the University Consultancy Cell.

Interdisciplinary courses

- **Inculcating a Sound Value System among Students Promoting use of Technology**
  - In last five years the university tried to promote as much as possible the ICT facilities for the students.
  - The University library is equipped with facilities for digital library with Wi-Fi facility for students for 12 hours per day.
  - In most of the science and technology departments there are good facilities with computers, internet and access to INFLIBNET, printers, scanners etc for the use of the faculty and students.
  - Students make use of the power point facilities to present their seminars, project work, pre-design and pre-submission seminars.
  - Teachers prepare power point presentations, lecture notes etc. for the purpose of teaching.
  - Whenever there are invited talks, extension lectures, seminars, conferences, workshops the resource persons use the latest technology.
  - In departments like Commerce and Business Management, Engineering College and other science departments, the class rooms are equipped with smart boards, LCD projectors and computer systems with Wi-Fi facility.
  - University conducts training classes on personality development, Gender sensitization, etc.

- **Quest for excellence**
  - The University always strives to excel in academics through its in built structure for quality assurance.
  - Introduction of CBCS, ICT enabled teaching, student-centric teaching, continuous evaluation with assignments and projects.
  - Updating the course and curricula as per the contemporary needs and exploring the new areas of learning.
  - Establishing research collaborations, State-of-the Art and exploring the new areas of research.
  - Extension activities on knowledge and experiencing sharing university to Society, Consultin, etc.
  - Active involvement of IQAC in quality sustenance, enhancement and organizing sensitization programs for stakeholders.
6.2. Strategy Development and Deployment

6.2.1. Does the university have a perspective plan for development? If yes, what aspects are considered in the development of policies and strategies?

Yes

- **Vision and Mission**
  
  **Transforming the University into a Centre of Excellence**
  
  **Ensuring Quality, Access, Equity and Values**
  
  **Acquiring commanding heights in the field of Innovation, Knowledge dissemination, Cutting-Edge Research, Competency Building and Extension Activities with Holistic Approach for Societal needs.**

- **Teaching and Learning**
  
  - The university prepares and strictly adheres to the almanac with detailed schedule for teaching, learning and evaluation.
  
  - Planning of teaching is done in the departmental committee as per syllabus and regulations approved by the respective Boards of Studies and Academic Senate.
  
  - The allocation of workload for faculty members is done by the departmental committee and informed to the Principal to the concerned college.
  
  - Heads of the Departments will prepare time table for the teaching and practical work well before the commencement of the class work in consultation with faculty members and the same will be displayed on the notice board for students.
  
  - The faculty members adopt modern methods (ICT) for teaching.
  
  - Each class is divided into a few batches and each batch will be allotted a teacher for mentoring and conducting seminars.
  
  - The evaluation procedure is also planned effectively for assessing the performance of students.
  
  - Two internal assessment tests are conducted in each semester to assess the students’ performance continuously.
  
  - Expert members from prominent institutions are invited for guest lectures.
  
  - Students are encouraged to participate in seminars and academic competitions.
  
  - The coverage of syllabus is monitored by departmental committee periodically.
  
  - As per the UGC guidelines the University has introduced CBCS pattern both at UG and PG level courses.
  
  - As part of this system, seminars, project reports, foundation courses and open electives are introduced.

- **Research and Development**
  
  - The university has a perspective plan for research.
  
  - The University always encourages quality research in all areas.
- It promotes and encourages inter-disciplinary research.
- Since the research and development is one of the priority programs of the university, research is monitored at various levels.
- The research work done by the scholar is monitored by Department Research Committee (DRC) with Chairmen, BoS, Heads and Deans of faculties as members.
- The research admissions are done strictly as per UGC guidelines.
- Every scholar delivers two seminar lectures before the submission of their work and must publish one research paper related to his work in a peer-reviewed journal.
- All research projects funded by various agencies are processed and assisted by UGC unit of university.
- University also brings out five journals in English, History, Telugu, Women studies and Social Sciences.
- University also encourages collaborative research by entering into MoUs with reputed institutes.
- All faculties identify thrust areas of research and carry out research on those areas.
- The faculty members are also encouraged to prepare project proposals for obtaining financial support from funding agencies.
- The university established research centers outside the campus.
- All departments are encouraged to organize workshops, training programmes, seminars, refresher courses and conferences.
- University encourages its faculty members to participate in various programs conducted by institutes within India and abroad.
- Several research scholars are awarded UGC JRF and scholarships from various national agencies like ICSSR, MANF etc.
- About 40 scholars have been working on post-doctoral fellowships from central agencies like UGC, ICSSR etc under various schemes.

- **Community engagement**
  - The university has perspective plan for community engagement.
  - The legal aid clinic is providing free counseling and legal advice services to the needy people through the department of law.
  - The Commerce and Business Management department organizes Management fest as part of community engagement.
  - The university organizes various awareness programmes in public health, child labor and hygiene etc.
  - The NSS wings of the university organize rural development programs by undertaking field work in rural areas.
  - These wings organize various blood donation camps, public health awareness campaigns, literacy camps, avenue plantation and socio-economic reforms in collaboration with Lions Club, Rotary Club, and Red Cross Society.
The University always encourages its faculty members and students to participate in community development activities in association with NGOs.

- **Human Resource Planning and Development**
  - The university recruits teaching and non-teaching positions on the basis of rules and regulations of national bodies such as UGC, AICTE, NCTE, PCI etc. and the State Government.
  - The non-teaching staff is recruited in four categories such as officers, ministerial, technical and class-iv employees.
  - In order to enhance the skills among the faculty members, the faculty members are encouraged to participate in orientation programs, refresher courses, training programs etc.
  - The faculty members develop their skills in teaching-learning and research by way of participating in national and international seminars, workshops, conferences, symposia etc.
  - This promotes interaction with industry and other research organizations.

- **Industry interaction**
  - The faculty members are encouraged to interact with industries and enter into MoUs for collaboration in academic and research programs.
  - In most of the Boards of the Studies the members from industry are included.
  - The experts from the industry are invited to deliver expert lectures in various departments and interact with staff and students.
  - Industrial tours are organized for students to provide industrial exposure.
  - The students will submit project reports after their industrial visits.
  - Through university-industry linkage students are encouraged to undertake projects.

- **Internationalization**
  - To produce human resource for global needs the university adopts periodic updation of the curriculum.
  - The university is participating in faculty and students exchange programs with universities and organizations at international level by entering into MoUs.
  - In order to provide support services exclusively foreign student’s university established Centre for Foreign Relations, Research and Consultancy (CFRAC).
  - The main aim of CFRAC is augmenting university resources through foreign admissions and donations, entering into MoUs for research and industrial linkage and extending teaching and other consulting services on-campus and off-campus.
  - The policy of the university is to encourage its faculty members to participate in international programs organized outside India.
6.2.2. Describe the university’s internal organizational structure and decision making processes and their effectiveness

- The university has well defined organizational structure in administration and academics.
- The organizational structure of the university comprises Executive council, Finance Committee, Academic Committee, Standing Committee, Faculty, Board of Studies and Departmental Committees.
- The Vice-Chancellor is the Executive Head of the Institution.
- The Registrar is the administrative head of the university.
- The Registrar, the Principals of the Constituent Colleges are the administrative officers of the university.
- The Deans, Directors/Co-coordinators of different wings like academic affairs, College Development Council, Examinations, Publications, Internal Quality Assurance Cell etc., work in association with university officers.
- The curricular aspects of the university are looked after by the Dean Academic Affairs, Deans of Faculties and Chair persons Boards of Studies.
- As the Head of the institution the Vice-Chancellor takes all the decisions related to the university policy and strategy in concurrence with executive council.
- All these decisions are implemented by the Registrar of the University.
- The administration and functions of the constituent colleges are looked after by the respective principals.
- The Heads of the departments in consultation with the departmental committee look after the departmental administration.
- The chairperson of the Board of studies formulates academic activities like curriculum design and pattern of the examinations etc.
- All the departments enjoy academic autonomy in teaching, learning and academic activities for smooth functioning of the departments and development.
- Finance officer assists the Registrar in implementing all the financial decisions on all routine matters.
- Finance Committee examines the annual accounts.
- Academic Senate supervises academic policies.
- Standing Committee is the Sub-Committee of Academic Senate and it reviews matters relating to syllabi, teaching, research and affiliation, etc. subject to the approval from Academic Senate.
- Departmental Committees take decisions on academic and administrative matters relating to the departments.

6.2.3. Does the university have a formal policy to ensure quality? How is it designed, driven, deployed and reviewed?

- Yes
- The Director, IQAC is responsible for deployment of quality policy through the well-established IQAC of the university, University Research Monitoring Committee, Departmental Research Committee and Departmental Committee.
IQAC works in association with Dean, Academic Audit; and Dean, College Development Council for quality.

IQAC conducts quality audit and analysis frequently to assess the competence, progress and suggest changes for further improvement.

The University has introduced CBCS at both UG and PG levels to ensure continuous evaluation of students.

IQAC promotes quality through Seminars and Workshops.

As part of the CBCS system gradation, seminars and project reports have been introduced as per the UGC guidelines.

IQAC functions as a Nodal Agency of the University for Quality related issues.

6.2.4. **Does the university encourage its academic departments to function independently and autonomously and how does it ensure accountability?**

Yes

- All the departments enjoy the academic autonomy with respect to the departmental activities.
- The departmental committee meetings are held frequently to discuss academic and administrative matters of the department.
- The meetings of boards of studies are also held to take decisions on curriculum design, evaluation schedules, results and other related matters.
- The annual budget allotted to the department is utilized for the departmental activities through departmental committee.
- The principals of constituent colleges conduct meetings with all heads of the departments to review the activities in the college for smooth and effective functioning.
- The decisions taken at department level are recommended to the Vice-Chancellor through proper channel and the University approves the same and issues necessary orders.
- All departments have to submit annual reports which are reviewed for accountability.

6.2.5. **During the last four years, have there been any instances of court cases filed by and against the institute? What were the critical issues and verdicts of the courts on these issues?**

- During the last four years, minor cases have been filed against the university out of which some cases were disposed.
- The cases filed are related to (1) service matters of Teaching and Non-Teaching (2) students admissions/exams etc., (3) few land cases (4) colleges affiliation etc.
- A critical land case was disposed in favour of the university by the hon’ble supreme court of India, New Delhi.
- There is a separate legal cell in the university which deals with the court cases.
6.2.6. How does the university ensure that grievances / complaints are promptly attended to and resolved effectively? Is there a mechanism to analyze the nature of grievances for promoting better stakeholder relationship?

> A Grievance Redressal Committee effectively functions to resolve/redress any type of complaint/grievance from any section of the university.

6.2.7. Does the university have a mechanism for analyzing student feedback on institutional performance? If yes, what was the institutional response?

Yes

> The university has a mechanism to evaluate the performance of the institution through IQAC.
> The evaluation of the performance of the teachers by the students is carried out with a format containing a set of questions by IQAC.
> The feedback obtained by the IQAC is analyzed and the report is sent to the respective departments and faculty.
> The Vice-Chancellor reviews the performance of the departments based on the feedback.

6.2.8. Does the university conduct performance audit of the various departments?

Yes

> The annual reports of the departments will be taken for considering/judging the performance of departments.
> The Vice-Chancellor discusses the performance of the departments with Heads for assessment.

6.2.9. What mechanisms have been evolved by the university to identify the developmental needs of its affiliated institutions?

> University ensures proper planning and integrated development of affiliated colleges by providing necessary help and guidance.
> Through appointment of faculty members on Advisory/Governing bodies of affiliated colleges, University effectively acts as catalyst in the development.
> University ensures interaction between the faculty of the University and the affiliated colleges for improvement of standards.
> The Dean, College Development Council and the Dean, Academic Audit conduct inspections of the affiliated colleges to ensure the sufficiency of the staff, space, labs, library and other infrastructure facilities.

The developmental needs of the affiliated institutions are addressed through the following functions performed by College Development Council:

> Recommending to the University for the granting/extension of affiliated based on periodic visits to the colleges and verification of infrastructural and other facilities as per the norms prescribed by UGC/APSCHE/University.
> Coordination with Telangana State Council of Higher Education regarding joint inspections for establishment of new colleges and restructured courses at the existing colleges.
Recommending to the University for grant of affiliation to professional colleges (Engineering/Pharmacy/Law/Education/MCA & MBA) after visits by the Inspection Committee and verification of facilities as prescribed by AICTE/BCI/NCTE/State Technical Education etc.,

Recommending to University for sanction of additional strength to the affiliated colleges based on the space and other facilities available at the colleges.

Monitoring of UGC Grants released to affiliated colleges sanctioned under 2(f) and 12(b). Forwarding of U.C. and completion report to U.G.C.

To facilitate change of premises and change of society of the affiliated colleges through inspection as per University/TSCHE norms.

6.2.10. Does the university have a vibrant college developmental council (CDC)/Board of College and University Departments (BCUD)? If yes, detail its structure, functions and achievements.

Yes

The University has College Development Council (CDC).

The College Development Council (CDC) is an institution created by the University Grants Commission to provide help and guidance for the integrated development of affiliated colleges and act as a bridge between the University and the UGC, State Education Department, the Telangana State Council of Higher Education and the affiliated colleges of University.

The Office of the College Development Council was started in 1982.

In addition to the routine functions of affiliated colleges, the College Development Council has been motivating the colleges to achieve the goals and maintain academic standards.

CDC guides the colleges to apply under different schemes to the UGC for financial assistance, conducting training programs for UG and PG college teachers and preparing the colleges for NAAC accreditation.

6.3. Faculty Empowerment Strategies

6.3.1. What efforts have been made to enhance the professional development of teaching and non-teaching staff?

The University has been putting concerted efforts to enhance the professional development of teaching and non-teaching staff.

Newly recruited members of faculty are advised to undergo mandatory Orientation and Refresher courses through the Academic Staff College.

The University also reimburses the research project proposal expenses of faculty.

Travel grants are also provided to faculty who are invited to present their project proposals by central funding agencies.

While assistant and associate professors are provided with study leave, professors can avail sabbatical leave of one year for every six years of service.

Travel support and on duty leave are provided liberally to facilitate faculty participation in International, National Conferences, Symposia, etc.
Faculty members are encouraged to attend summer training and workshops in their respective areas of specialization.

The large number of MoUs and collaborations were signed with international and national universities to facilitate faculty exchange programmes.

The University imparts training to non-teaching staff to develop positive outlook towards work, staff, students and society.

This program covers supporting staff, junior assistants and other ministerial staff in different batches.

The performance of the non-teaching staff is monitored periodically and training programmes in computer skills, communication skills and attitude are organized.

The IQAC conducts programs for non-teaching staff to enhance the overall competencies of non-teaching staff.

The Director, IQAC will interact with non-teaching staff of the university in training and orientation programs to evaluate the performance of non-teaching staff.

6.3.2. What is the outcome of the review of various appraisal methods used by the university? List the important decisions.

Faculty members are informed about their performance in teaching after analyzing student feedback obtained by the Internal Quality Assurance Cell (IQAC).

Their all-round performance is periodically appraised by external experts for their progression under the Career Advancement Scheme.

University encourages staff to attend training programmes conducted by the University.

The non-teaching staff is encouraged to pursue the courses offered by the University’s SDLCE.

All administrative staff is encouraged to undergo training in computer skills.

The promotion of staff in this category is based on the appraisal by confidential reports from their supervising officers and a qualifying test.

The Internal Quality Assurance Cell (IQAC) of the university advises all its faculty members to assess themselves through self-appraisal formats designed by the UGC.

The performance of the non-teaching staff is assessed based on fixed parameters.

For the declaration of the probation and confirmation of the services of the employees, confidential reports are taken into consideration.

6.3.3. What are the welfare schemes available for teaching and nonteaching staff? What percentage of staff have benefitted from these schemes in the last four years? Give details

Festival advance i) Non-Gazetted Officers: Rs. 4,000/- and ii) Class IV employees: Rs. 3,000/- and is recovered in 10 equal installments. 60% benefitted.

Marriage Loans for non-teaching staff: i) Daughter’s marriage: Rs. 75,000/- and Son’s marriage Rs. 50,000/- and the same is recovered in 40 installments. This facility is utilized by the 60% of the employees.
Medical Loans: Up to Rs. 20,000/- and same amount is recovered in 10 equal installments. This facility is utilized by 50% of employees.

Special Medical Loans: up to Rs.50,000/- and the same amount will be recovered in 25 equal installments. This facility is for both teaching and non-teaching staff as recommended by the Medical Board of the University health centre on the basis of seriousness of the decease.

The University health centre is serving both University campus and University Arts & Science College with one Medical Officer, three consultants, one Gynecologist, Nurse etc. This facility is for teachers, non-teachers and students.

One bicycle has been allotted to every office for office attenders.

GLIS has been introduced for teaching/non-teaching staff with following monthly premiums. 100% benefitted.

(i) Teaching Staff: Rs. 120/-, (ii) GO’s: Rs. 90/-, (iii) NGO’s: Rs. 60/-, (iv) Class IV: Rs. 30/-.

6.3.4. What are the measures taken by the University for attracting and retaining eminent faculty?

The eminent faculty is provided with academic ambience.

Administrative support is given to them in processing research related matters.

The eminent faculty are attracted and retained through congenial academic atmosphere, personalized attention and motivation.

University provides absolute freedom to carry out the research work.

6.3.5. Has the university conducted a gender audit during the last five years? If yes, mention a few salient findings.

Yes

The University follows all the statutory requirements for gender balance after gender audit.

6.3.6. Does the university conduct any gender sensitization programmes for its faculty?

Yes

Center for women studies looks after the welfare of women and it is mandatory on their part to conduct gender sensitization programmes.

Keeping in view the importance of the issue, a new course viz. M.A. (Gender Studies) has been introduced in the University.

As part of the course work several gender sensitization programmes are being organized.

The Grievance Committee looks after the sensitization programmes for the faculty.

6.3.7. What is the impact of the University’s Academic Staff College programmes in enhancing the competencies of the university faculty?

University has no Academic Staff College.
Kakatiya University is planning to establish Academic Staff College due to the enormous increase in the degree and post graduate colleges in the jurisdiction of the university.

6.4.1. What is the institutional mechanism available to monitor the effective and efficient use of financial resources?

➢ The University has an efficient finance management and resource management system.
➢ The budget is prepared and managed carefully avoiding unnecessary expenditure.
➢ The finance department takes all the necessary steps with regard to all financial allocations by meticulously following the procedures.
➢ In order to monitor the finance allocations, certain sub-committees have also been formed.
➢ All major financial related matters are discussed in the financial committee meetings before they are submitted to the Executive Council.
➢ The finance committee examines and prepares the annual accounts, annual budget estimates and reviews financial position and makes recommendations to the executive council on all financial matters of the University.
➢ After taking approvals from the executive council, necessary action will be taken.
➢ The financial approvals and sanctions are issued after following due procedures.

6.4.2. Does the University have a mechanism for internal and external audit? Give details.

Yes
➢ The University has a mechanism of both internal and external audit system.
➢ All files related to accounts are scrutinized and verified by the section heads and officers concerned before the files are processed depending on the budget provisions and availability of funds.
➢ Processed files will be submitted to the authorities.
➢ With regard to the external audit, all the accounts are audited by the local fund state audit located in the University.
➢ The sections of finance department concerned coordinate in getting the accounts audited by the State audit.

6.4.3. Are the institution’s accounts audited regularly? Have there been any major audit objections, if so, how were they addressed?

Yes
➢ All the financial transactions in the University are audited by the Local Fund Audit located in the campus.
➢ Utilization certificate is obtained from Local Fund Audit after verification of relevant records in respect of block grant.
➢ The finance department will coordinate with Local Fund Audit.
In case of any objections, the objections will be sent to the departments concerned for clarifications with a request to submit the replies.

The officer concerned will submit the clarifications for the objections along with documentary evidence to the audit section.

Audit section will scrutinize the clarifications submitted and if they are satisfactory the objections are dropped.

6.4.4. Provide the audited income and expenditure statement of academic and administrative activities of the last four years.

6.4.5. Narrate the efforts taken by the University for Resource Mobilization.

The following are some of the initiatives taken by the University for Resource Mobilisation

➢ Organizing alumni meetings for developmental activities.
➢ Encouraging collaborative research with prominent research organizations for infrastructure development.
➢ Encouraging the faculty members to send project proposals for various funding agencies.
➢ Self-finance courses
➢ Approaching local political leaders for raising funds.

➢ Distance learning courses in affiliated colleges.

6.4.6. Is there any provision for the university to create a corpus fund? If yes, give details.

Yes, Rs. 1 crore.
6.5. Internal Quality Assurance System

6.5.1. Does the university conduct an academic audit of its departments? If yes give details.

Yes

- The University has Internal Quality Assurance Cell (IQAC).
- University conducts academic audit in relation to research work done by the faculties.
- The University conducts academic audit through IQAC.
- The performance of the department and faculty is obtained through student feedback system.
- IQAC analyses the feedback and the reports of analysis are sent to the principals concerned for review.
- The university takes required steps to improve the teaching, learning and evaluation processes depending on the academic audit reports.

6.5.2. Based on the recommendations of the academic audit, what specific measures have been taken by the university to improve teaching, learning and evaluation?

- Orientation programmes and refresher courses have been conducted in the respective departments.
- Workshops have been conducted in the university.
- Based on the student feedback information, the teachers and the department are informed about the performance along with corrective measures.

6.5.3. Is there a central body within the university to continuously review the teaching learning process? Give details of the structure, methodologies of operations and outcome?

- Yes, the university established Dean Academic Audit to continuously review the teaching learning process.
- Dean, Academic Audit, the Deans of the respective faculties and one senior professor are the members of the Academic Audit.
- The Heads of the departments organize the departmental committee meetings and staff meetings frequently to review the classroom teaching and learning process in the department.

6.5.4. How the IQAC contributed to institutionalizing quality assurance strategies and processes?

- The IQAC has its quality management system
- The IQAC conducts review meetings involving Vice-Chancellor, Principals, Administrative officers and Heads of all academic departments on academic schedule and matters.
- Introduction of CBCS and grading system in all the courses.
- All academic departments are informed about quality objectives and targets for each academic year.
Governance, Leadership and Management

Kakatiya University, Warangal

6.5.5. How many decisions of the IQAC have been placed before the statutory authorities of the University for Implementation?

Ten.

1. The decisions related to academic and research recommendations of IQAC are placed and discussed in Standing Committee of Academic Senate.
2. The decisions related to administration, foreign relations and consultancy are placed in the Executive Council of the University.

6.5.6. Does the IQAC have external members on its committees? If so, mention any significant contribution made by such members.

Yes

1. Prof. V. Mallareddy Retd., Professor, Industry
2. Prof. G. Srinivasa Reddy., Retd. Professor
3. Prof. B. Rajashekar., Professor, UOH, Hyderabad

The external members have contributed their expertise in teaching and research.

Yes, the members frequently meet and contribute for the improvement of quality and performance of the University.

The advisory committee monitors the activities of IQAC.

It advices IQAC in matters relating to feedback from the University stake holders, green audit, academic curriculum design etc.

6.5.7. Has the IQAC conducted any study on the incremental academic growth of students from disadvantaged sections of society?

Yes

There is a separate SC/ST cell to monitor the academic growth and sensitize disadvantaged sections of the society.

IQAC collects data regarding the admission and progression of students from disadvantaged sections of society.

IQAC encourages the different sections of the university to play active role in the development of the students from disadvantaged sections of society.

6.5.8 What policies are in place for the periodic review of administrative and academic departments, subject areas, research centres, etc.?

The university collects annual reports from all departments for a periodic review of administrative and academic departments.
A detailed report on the academic performance of each department is reviewed for setting the goals and objectives to be achieved. Depending on the strengths, each department is encouraged to take up research in thrust areas.

Any other information regarding Governance, Leadership and Management which the university would like to include.

Quality Sustenance and Enhancement Indicators

- Provision of autonomy to learners, teaching and non-teaching staff within well-framed university norms and regulation.
- Introduction of transparency and openness through phased e-governance initiatives.
- Optimization of existing resources through sharing.
- Comprehensive academic audit system through Dean Academic Audit.
- Combination of thrift and prudence in budgeting and expenditure through Finance Committee.
- Provision of travel grants to faculty to attend seminars and conferences.
- Free IT training for administrative staff.
- Group Insurance scheme for staff.
- Collaboration with industry, national and international universities through MoUs to facilitate knowledge sharing and enhancement.
CRITERION – VII : INNOVATIONS AND BEST PRACTICES

7.1. Environmental Consciousness

7.1.1. Does the university conduct a Green Audit on its campus?

Yes

The University conducts green audit in the campus. The following are the features.

- The campus is lush green with 3904 well grown trees.
- Tree plantation programme is organized every year in the University and all students and staff participates in the event to make the campus green.
- Usage of CFL lamps.
- Capacitors with good power factor have been used at various transformers.
- At some places solar energy systems are installed.
- Most of the old air-conditioners are replaced with star rated air-conditioners.

7.1.2. What are the initiatives taken by the university to make the campus eco-friendly?

- The coordinator, Avenue plantation, will monitor the ecosystems of the campus.
- The University is taking various initiatives to make the campus eco-friendly.
- Energy conservation
  - Green house construction and several other steps are taken for energy conservation. University always encourages usage of CFL lamps and restricts the use of air-conditioners.
- Use of renewable energy
  - The Administrative Building and Examinations Branch are using solar energy as alternate source of energy.
- Solar windows are installed on the terrace of the administrative building.
- Plans are underway to use solar energy power in other buildings on the campus to reduce power consumption and use alternative sources of generating power which would help in overcoming the power crisis.
- Distilled water is collected for lab purposes by solar energy based equipment in Pharmacy department.
- Water harvesting
  - Rain water harvesting has been done in the existing buildings under a project sanctioned by Central Ground Water Board, Ministry of Water Resources, and Government of India.
  - Under this project 69 roof top rain water harvesting structures were built.
  - It is made mandatory to conserve rain water through water harvesting pits in all the new/proposed constructions in the University.
 Check dam construction
 From the grants of the research projects, 33 artificial recharge structures which include check dams (9), percolation tanks (2), mini percolation tanks (2), and Gabian structure (1) were constructed in the campus.
 This project was successfully completed and the ground water levels in the KU campus and adjoining colonies have increased considerably and all the bore wells are fully charged.

 Efforts for Carbon neutrality
 Phase-wise implementation of e-governance by the University will reduce the vehicle mobility in the campus.
 E-governance is one of the novel means to promote carbon neutrality.
 The University is restricting the usage of AC and vehicular movement to reduce the greenhouse gases along with CO₂.

 Plantation
 NSS has done a lot of work to make the campus green through avenue plantation in the campus.
 Avenue Plantation wing of the university has planted about 5,000 saplings of all types including some medicinal plants and energy plantation on the campus.
 Ten acres of land has been allocated for social forestry to plant different types of tree species to maintain the biodiversity.

 Hazardous waste management
 The University has an underground drainage system which drains the water from laboratories.
 Hazardous chemicals and broken glassware are disposed carefully.
 The University discourages the usage of plastic in the campus.

 E-waste management
 The university disposes the electronic waste and old items department wise by calling tenders from the agencies that use it for recycling.

Any other specify
 The litter and the hostel waste generated in the campus is collected and processed under the concept of ‘Wealth from the Waste’.
 This waste is subjected for composting using natural organisms and worms and converted into fertile compost.
 This compost in turn is used to improve soil fertility. The compost when prepared in large quantities is marketed for the use in kitchen garden.
 Vermi technology-bioconversion of waste in to useful compost is well practiced for the management of waste in the campus.
 The wastelands in the campus are identified and grown with fast growing trees and these trees are used for generation of energy. The pulp from the trees is used in paper/rayon industries.
 Mulberry cultivation for sericulture is practiced in the university campus.
The cocoon nurturing, management and silk production are experimented in the sericulture laboratories. 
The recent practices in Tassar culture and mulberry cultivation have been used to educate rural people in those practices through training programmes. 
The expertise is useful for the development of cottage industries in the rural sector. 
Mushroom is the highly protein-rich food and easily cultured and developed as a cottage industry. 
Button mushroom and oyster mushrooms are cultivated using waste agriculture substrates. 
The significance of mushroom as nutritious food is propagated. 
Organic agriculture is need of the hour to understand the consciousness of health. Pesticides are accumulated in the vegetables, fruits, nuts, etc., and responsible for many human health problems. Hence, the use of chemicals and toxic pesticides are discouraged and advised to apply bio-fertilizers and bio-pesticides. 
Laboratory to land programme has been initiated to ensure that majority of the innovations achieved in all the laboratories of the Kakatiya University are shared with people at the gross root level.

7.2. Innovations

7.2.1. Give details of innovations introduced during the last four years which have created a positive impact on the functioning of the university

Several initiatives have been taken for quality functioning of the University. Some of the major initiatives are:

- The University is providing Wi-Fi facility in all the departments and student hostels in the campus.
- Online admission process in all courses Examination Centres on line.
- Dial your university program.
- Online registration facility for Alumni.
- Interaction of Vice-Chancellor with Academic and Administrative Heads through Skype.
- ICT enabled teaching.
- Video recording of Students seminar to improve the teaching skills.
- Village adoption by NSS unit, identifying dropouts from schooling and conducting the remedial classes.
- Entrance for Ph.D admission.
- Soft skills and personality development training classes.

7.3. Best practices

7.3.1. Give details of any two best practices which have contributed in better academic and administrative functioning of the university.

Best Practice I:

1. Title of the practice

BEST PRACTICES IN ADMINISTRATION (E-Governance) AND EXAMINATION BRANCH
2. Objectives of the practice:

The objectives of the best practice are as follows.

- Participation of all stakeholders; Creation of KU website; www.kakatiya.ac.in.
- This helps to know about the activities of University by all the stakeholders.
- The faculty programs, notifications, examination results, faculty performance self-appraisal reports, research update etc. are included.
- Purchase of scientific equipment above Rs. one lakh are notified as part of electronic tendering process.
- This notification is kept in the website for the suppliers.
- This procedure helps in giving equal opportunity for everyone to supply the equipment needed by the departments on competitive prices.
- The examiners/evaluators number 10,000 and examinees numbering about 3.0 lakhs are the stakeholders in the examination process.
- A panel of examiners/evaluators (subject experts/teachers) drawn from university, constituent & affiliated colleges is developed by the chairperson, BOS for evaluation of answer scripts.
- The examinees are allowed to write two (02) internal assessment examinations in each semester of PG, Professional & UG courses at their respective colleges itself and the average marks of the 2 examinations is considered at the time of declaration of results.

- Decentralization of examination process:
  - The examination process is decentralized by permitting the university/department & college level to conduct the internal assessment examinations and practical examinations.
  - Project evaluation and conducting Viva Voce is also permitted at college level.

- Maintenance of confidentiality:
  - Code numbers are allotted to the answer scripts written by the examinees of UG, PG & professional courses.
  - Strict confidentiality is maintained right from the time of receiving the answer scripts to declaration of results. This infuses a sense of confidence in the examinees.

- Early publication of results:
  - Confidential section of the examination branch headed by a Professor is responsible for question paper setting, printing, packing and dispensing to examinations centers.
  - The results of UG, PG and professional are declared within 45 days after the last examination.
  - The results are published in the university website.
The results are displayed on the noticed board of the examination branch and the notice boards of respective colleges.

**Maintenance of transparency in results:**
- To maintain the transparency in the evaluation process, the photocopy of written answer script of the examinee is issued on payment of minimum fee of Rs.200/- per paper.

3. **The context:**
- The examination branch headed by the Controller of Examinations (COE) comprises 5 sections viz. confidential, UG, PG & Professional and SDLCE sections headed by additional controllers (ACOE).
- All the sections work in tandem with the computer section and the accounts/audit section.

**Confidential section:**
- Organizes all confidential work pertaining to examinations, thesis adjudication paper setting, printing, dispensing of question papers to the examination centers

**UG section:**
- Conducts annual & supplementary examinations for UG courses, organize spot valuation and publish results & undertake revaluation.

**PG & Professional section:**
- Conducts annual & supplementary examinations for PG & Professional courses, organize spot valuation and publish results & undertake revaluation.

**SDLCE section:**
- Conducts annual & supplementary examinations for UG & PG courses organize spot valuation and publish results & undertake revaluation.

**Certificate Section:**
- Deals with degree certificates, gold medals and verification/authentification of certificates.

**Computer Section:**
- Involves in pre- and post-examination work for publishing results and also provides computer prints of marks sheets, provisional and degree certificates.

**Audit/accounts section:**
- Deals with all the financial matters.
- The university examination branch conducts annual, supplementary and semester examinations for about 3 lakhs students of UG, PG and professional courses.
- For UG courses, annual examinations are conducted during March/April and supplementary examination during October/November.
- For PG courses semester examinations are conducted during April/May & November/December and for professional courses, annual & semester examinations are conducted throughout the year.
4. The practice:

The practice has the following two distinct parts (a) Pre-Examination Process and (b) Post-examination process.

(a) Pre-Examination Process

- **Notification of examination fee:**
  - The University semester examination commences after fulfillment of 90 working days as per the almanac, and placed on the website and also hard copies are sent to colleges for information to examinees.

- **Late fee provision:**
  - The examinees are permitted to pay examination fee even after the last date of payment with late fee.

- **Online receipt of nominal rolls:**
  - The Online system is introduced for submitting nominal rolls of the examinees by respective colleges.

- **Uploading of hall tickets:**
  - The hall tickets of the examinees of all courses are uploaded to enable the colleges to download and issue hall tickets to the examinees. A single hall ticket is issued to the examinee for all the years of the course.

- **Time table on website:**
  - The time table of different examinations is posted on the university website for the benefit of all examinees.

- **D form and attendance statement:**
  - The D forms & attendance statement with photograph with specimen signature are sent online to avoid malpractices.

- **Flying squads and special teams:**
  - Senior teachers of the university and degree colleges are appointed as sitting squad to oversee the strict & fair conduct of the examination in each examination centers.
  - Special teams consisting of senior most Professors of the university make surprise visits to different examination centers.

- **Maintenance of strict confidentiality of question papers:**
  - The question papers are /preserved /kept in the nearby police stations or selected nodal centers (Government colleges) for use.
  - The chief superintendent of the examination will collect the question papers from the police station or nodal center an hour before the commencement of examination.

- **Return of written answer scripts to nodal centers:**
  - The written answer scripts are packed and sealed and transported to the specified nodal centers immediately after completion of the examinations. The chief superintendents are strictly instructed not to keep the written answer scripts in the respective examination center after completion of the examination to avoid the replacement of scripts or any other malpractice in the center.
(b) Post–Examination process:

- **Coding of written Answer Scripts:**
  
  Written answer scripts are thoroughly verified and a code number is allotted to each written answer script to maintain script confidentiality in evaluation process. Similarly bar-coded OMR sheets are used for entrances tests/examination to PG courses and eligibility test under distance mode. This enables declaration of results within 2-4 days by scanning the bar-coded OMR sheets. On experimental basis bar-coded OMR sheets was introduced for B.Tech. & B.Pharmacy annual/semester examinations.

- **Spot valuation:** Spot valuation is conducted in the examination branch by inviting examiners/valuators from different colleges on the recommendation of Chairpersons of BOS. Chief examiner is appointed for a group of 10 examiners so as to have effective control in evaluation.

- **In respect to PG and professional courses, answer scripts will be evaluated by 2 examiners, one internal & one external, to avoid discrepancy in awarding marks. If the difference between marks awarded by the 2 examiners is more than 20%, the answer script will be evaluated by a third examiner/evaluator. The average of nearest two marks will be considered.**

- **Scrutiny:** After evaluation concerned teachers will scrutinize the evaluated answer scripts, ensuring that all questions are evaluated, marks are posted on the answer script and award list. The marks awarded by the examiners are entered into the databases on the same day of evaluation to avoid any manipulation of the marks awarded.

- **Moderation committee:** Before the processing of results, the moderation committee will examine the pattern of evaluation and pass percentage and will make recommendations if required.

- **Computerized processing of results:** The processing of examination results is performed by computer center. Immediately after publishing the results, the marks secured by the examinees are placed on the website for verification by the examinee and also to apply for revaluation/recounting.

- **Revaluation process:** The revaluation process begins with assigning of dummy numbers and inviting the examiners who have not valued the answer papers earlier for PG and professional courses, whereas the answer scripts of UG courses will be sent to other universities for evaluation.

5. **Evidence of success:**

- Evaluation of the performance of the examinees in the academics by the concerned teachers at the college level by conducting internal examinations and practical examinations.

- Strict confidentiality is maintained by allotting code numbers to each written answer script before the commencement of evaluation process.

- All the information related to examinations, right from fee notification to declaration of results is placed on the university website for easy access to the examinee, colleges & examination centers.

- The marks secured by the examinee in each examination is placed on the website immediately after publication of results for information and verification.
of the examinee and to enable the examinees to apply for recounting/revaluation without waiting for issuance of marks sheet.

- The instant examination is conducted immediately after publication of results for those who have failed in one subject. This practice enabled the examinee to become eligible for higher studies on par with other regular examinees and also saves one precious academic year.

- Transportation of written answer scripts from remote examination centers to identified nodal centers incurs minimum expenditure and saves time.

6. **Problems encountered and resource required:**

- Some of the colleges located in remote rural places are facing problems in uploading and downloading the information relating to examinations due to non-availability of internet facility and frequent load shedding.

- Due to lack of expertise in handling computers, the staff of UG colleges in remote rural places is unable to upload the nominal rolls, internal marks and practical marks on time.

7. **Notes**

   The best practices that are followed in examination system has the following impact on the stake holders

   - Easy access to information relating to examination by the stake holders i.e., examinees, colleges & examination center.
   - Involvement of the teachers concerned in conducting the internal assessment and practicals at college level to enable them to evaluate the performance of the examinee in the examinations.
   - Strict monitoring and control of malpractices in examinations.
   - Involvement of teachers from different colleges in different stages of examination-evaluation process like verification, coding, scrutiny and evaluation of answer scripts.
   - The results and marks secured by the examinee are placed on the website for immediate access to the examinee.
   - The discontentment in examinees that they secured less marks is reduced considerably by supply of photocopy of answer scripts.

**Best Practice II:**

**Curriculum Restructuring for Enhanced Career Opportunities**

**The Context**

- Kakatiya University has been functioning as one of the oldest institutions of higher learning in the state of Telangana since 1976. It has produced a galaxy of scholars, scientists, civil servants and many other persons who have distinguished themselves in various fields. Monitoring the quality of the curriculum is a practice which requires continuous activity to serve the interests of the students especially the advanced learners. Therefore, it has maintained its reputation as an institution of higher education.
The Objectives

The University has a uniquely conceived mission to provide a learning experience which will enable the students to realize their innate potential and mould their overall personality.

- Promoting academic excellence
- To ensure the quality of curriculum and curricular transactions in all faculties.
- To provide adequate learning opportunities for advanced learners.
- To make students and teachers acquire advanced knowledge in their respective fields.
- Developing self-reliant individuals.
- Providing career opportunities.
- Creating socially responsible citizens
- Conducting endowment lectures (www.kakatiya.ac.in)

Specifically the University has initiated a best practice in restructuring curriculum contents to meet the global requirements and improving the curricular transactions for enhanced employability.

The Practice

- The Boards of studies in different subjects meet twice a year and update the curriculum to suit the changing needs of the society.
- Views of the students and other stake holders are incorporated while updating the syllabi.
- The Board of Studies reviews all reports of the Academic Committees and suggests necessary action. It facilitates academic audit and accountability of all stakeholders.
- Auxiliary courses cover interdisciplinary subjects.
- The members of Board of Studies from industries assist the boards and students to update the syllabi in tune with the job requirements.
- Students are given wide options to choose from and they are permitted to make changes in their electives within one month from the date of commencement of the classes.

Evidence of Success

- Owing to continuous monitoring and surveillance of the academic programmes, the quality of the curriculum and the curricular transaction has improved. The institution is confident that the programme fosters employability and the students are able to meet global changes.
- Periodic assessment of the faculties by the students has made teaching more learner-centric. In multi-disciplinary subjects competent teachers from relevant disciplines have been trained at advanced centres of teaching. In the process of restructuring curriculum, teachers have attended and organized seminars, conference, workshops, and refresher courses.
Study materials are supplied to the students well in advance which helped in promoting interactive learning.

Remedial courses are conducted to enable the weak students to make up their deficiencies and cope up with the progress of the course.

In the quest for knowledge creation a number of research projects have been undertaken by the faculty.

The syllabi have been restructured twice during the last 5 years incorporating the UGC model syllabi. CBCS is introduced in all the courses.

Keeping in view the changes that had taken place with the knowledge explosion, continuous improvement of the curriculum has been made.

New programmes inspired by the social agenda have also been introduced.

The University organises several endowment lectures every year as a remembrance of eminent personalities and their contribution to the society. These endowment lectures are sponsored by private groups. This activity encourages many young students and faculty members to get motivated and orient them to do socially relevant and outreach activities.

Pharma industry needs qualified persons who can analyse the finished drug products and active pharmaceutical ingredients as per the drug regulatory agencies. This is not only important for Indian context but also has potential for export of drug formulations. In this context, at UCPSC, a PG (two year) course in pharmaceutical drug analysis was started with an intake of ten seats under SFC about five years back. Three batches finished their course. About thirty graduates have completed the course in the last five years and 80 % of candidates received employment.

Resources Required

- Computer Systems with necessary software for maintenance of academic data with trained computer assistants.
- Financial assistance for study tour and in-house training of teachers.
- Resource mobilisation through University-Industry interaction. Kakatiya University receives funding from the state and central Governments. Apart from this, University can tap funds from private industries. In this context, University –Industry interaction is important. Due to this interaction the requirements of industry will be known to the University. Further, the industry will know the potential of University for solving for some of the problems faced in industry. In this context, during last five years, two industries approached UCPSC, KU on certain industry related projects. These projects were successfully completed and delivered the needed data to the companies. As a result, research students got fellowships for completing their work apart from contributing to find the solutions to the problems.
ACTION TAKEN REPORT ON
THE PEER COMMITTEE RECOMMENDATIONS

1. **Introduction of Choice Based Credit System at PG and at graduate levels to be taken on a top priority basis**
   
   University has introduced Choice Based Credit System (CBCS) and grade evaluation methods for all the UG and PG courses being offered at Campus, Constituent and Affiliated colleges with the approval of all the statutory bodies.

2. **Provide academic autonomy to the University departments and constituent colleges and persuade deserving affiliated colleges to be autonomous.**
   
   Departmental committees of all the departments are bestowed with the powers to take decisions on academic and administrative matters of the respective departments. In the present period of Assessment University has encouraged some deserving affiliated colleges to opt for autonomous status. The following are the colleges which gained the autonomous status. In the process the university has already permitted the following colleges to approach UGC, New Delhi for autonomous status.
   
   1. Kakatiya Institute of Technology and Science, Warangal (Autonomous)
   2. Govt. Pingle College for Women, Warangal.
   3. University Arts and Science College, Subedari, Warangal (Autonomous)
   4. SR & BGNR Govt. Degree College, Khammam (Autonomous)
   5. ABV Govt. College, Jangaon.

3. **To streamline the professional educational programmes to be in tune with the guidelines of the regulatory bodies.**
   
   Under the jurisdiction of Kakatiya University the professional programmes that are offered are Engineering, Pharmacy, MBA, MCA and Education. All these programmes are running as per the guidelines of respective regulatory bodies, viz., AICTE, PCI, and NCTE. The running of these programmes is continuously monitored by the Dean Academic Audit, Kakatiya University.

4. **Introduce Management Information System for more effective governance.**
   
   The University introduced Management Information System (MIS) which collects the information from various departments of the university and constituent colleges for effective governance.

5. **To strengthen the computer facility by introducing Wi-fi and bandwidth.**
   
   Wi-Fi is available in the entire campus including the hostels.

6. **Students mentoring to be strengthened.**
   
   In all the departments, the students are divided into batches and each batch is allotted a faculty member as a Mentor to guide the mentees on various aspects.

7. **Distance Education to be streamlined by implementing DEC guidelines.**
   
   DEC guidelines are being followed strictly in running all the programmes offered under distance learning.

8. **Women Empowerment schemes to be implemented.**
   
   University has a Women Study Centre and it organizes Seminars, Symposia and Gender Sensitization programs to deliberate on various women related issues and women empowerment schemes.
9. **Life skill development programme to be systematically introduced.**

   The following life skill Development Programmes were introduced under SDLCE, KU, Warangal.
   1. Diploma in Drawing
   2. Certificate in Mastering in Web Design
   3. Certificate in Beautician
   4. Certificate in Net Programming
   5. Certificate in OPP (Programming)
   6. Certificate in Tally
   7. Certificate in Drawing
   8. Certificate in DTP.

10. **Introduce career oriented UG/PG courses in relevant areas.**

    Introduced many career oriented programmes under the type inter-disciplinary and emerging areas viz., Business Management, Tourism Management, Human Resource Management, Biotechnology, Microbiology, Pharmacy, Engineering, Journalism, Informatics in UG and PG.

11. **Health insurance for students and staff may be introduced.**

    Health insurance facility is extended to non-teaching staff and students.

12. **Centralized Placement Cell and Grievance Redressal Cell may be strengthened.**

    Placement Cell and Student Grievance Redressal Cell are working in coordination with administration. There is a considerable increase in the student placements.

13. **Computer aided learning packages may be developed by the faculty members.**

    In some departments, computer aided learning packages have been developed by the faculty members.

14. **Students may be further encouraged and provided proper coaching to participate in large numbers in inter-collegiate, inter-university and national sports events and cultural activities.**

    For the period of assessment, a number of events on sports and cultural activities were organized not only at inter-collegiate level but also inter-university level in coordination with Indian Association of Universities. The students were encouraged to participate in the activities organized by the other universities in the country.

15. **Courses in foreign languages and communicative skills may be introduced.**

    Centre for English Language Training is conducting the programmes in spoken English, communication skills and Foreign Languages for students.

16. **University may develop facilities for research in Alternative sources of energy.**

    Research is being carried out in the departments of Botany, Microbiology, Biotechnology and Pharmacy for the production alternative sources of energy from bio-waste.

17. **Efforts be made for Establishment of University and Industry linkage Centre.**

    University and Industry linkage Cell has been established.

## Section II: CRITERION WISE ANALYSIS

### 2.1 Curricular Aspects:

| 2.1.1 Curricular Design & Development: | • Curricula designed and developed tuned the regional and local needs.  
• Representation of experts in BOS in some subjects from industries.  
• Faculty takes initiative in updating curriculum |
|----------------------------------------|---------------------------------------------------------------|
| 2.1.2 Academic Flexibility:           | • The University offers 31 PG, 17 M.Phil, 36 Ph.D, 03 UG and a number of Diploma/Certificate courses including 15 self-financing programmes.  
• During post accreditation period university has introduced 08 PG, 03 five year integrated courses in Biotechnology, Chemistry and Law and some Diploma and a few Certificate courses.  
• The University has introduced semester system for all PG courses. University is yet to introduce Choice Based Credit System (CBCS). |
| 2.1.3 Feedback on Curriculum:         | • Feedback on course curricula from students, alumni and other stakeholders are obtained informally through interactions, meetings etc.  
• Formal feedback system needs to be systematized. |
| 2.1.4 Curriculum Update:             | • Curricula of both UG and PG programmes are revised and updated regularly with reference to the guidelines of UGC / AICTE and other national model curricula.  
• Efforts to incorporate the feedback received needs to be included in curriculum revision by the faculty. |
| 2.1.5 Best Practices:                | • Introduction of 21st Century Gurukulam to impart communication skill and IT to give exposure to rural students |
## 2.2 Teaching-Learning and Evaluation:

### 2.2.1 Admission Process and Student Profile:
- Transparent computerized admission procedure based on entrance examination for all PG Courses.
- Current students profile reveals 25% SC/ST, 52.62% OBC, 55% rural and 33% Women among the students which is in accordance with reservation and social inclusion policy.
- The Demand ratio across the disciplines is appreciable
- National integration quota provided

### 2.2.2 Catering to Diverse Needs:
- Remedial coaching and pre-examination training conducted for SC/ST/OBC/Minority students through UGC sponsored coaching centre and the AP State Govt. sponsored Kakatiya Adhyayana Kendra
- Bridge courses are offered in some departments.

### 2.2.3 Teaching-Learning Process:
- University provides academic calendar
- Attempts to integrate ICT in teaching-learning are being made.
- Concept of interactive learning is to be more systematically operationalised.
- Almost all Departments have departmental libraries
- Projects, field work and seminar are integrated into teaching

### 2.2.4 Teacher Quality:
- About 80% of the sanctioned teaching posts are filled. State Govt. has released 65 teaching posts. University has taken steps to fill up these posts.
- About 90% of teachers are Ph.D and 8% are M.Phil degree holders. Majority of the teachers are computer literate.
- Almost all teachers participated in national/international seminars conferences, workshops and many of them acted as Resource persons.
- Some of the faculty members have received awards/recognition including State level Best Teacher Award
- Innovative approach in teaching is not visible.

### 2.2.5 Evaluation Process and Reforms
- Examination system is computerized and results and marks are displayed on the university website with the facility of downloading the same with photo identity.
- Internal Assessment system recently
| 2.2.6 Best Practices in Teaching-Learning Evaluation | • Training of Trainers workshop under APSCHE for the college teachers introduced.  
• Issue of certificates based on urgency provided. |
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>2.3  Research, Consultancy and Extension:</td>
<td></td>
</tr>
</tbody>
</table>
| 2.3.1 Promotion of Research: | • Faculty is encouraged to apply for individual as well as coordinated research projects.  
• Central instrumentation facilities need to be further improved.  
• Adequate funds are provided to faculty to attend conferences, seminar and publication. |
| 2.3.2 Research and Publication Output: | • Research Output of the past five years is visible.  
• Twelve DRS SAP Departments and Three DST FIST Departments  
• Over Rs. 4.20 crores funds received for major / minor projects.  
• During the post accreditation period 462 PhD have been awarded and 562 candidates have registered for Ph.D.  
• University brings out 07 research journals |
| 2.3.3 Consultancy: | • Provides limited consultancy services to industries, Government and private agencies in the areas of pharmaceutical sciences, Govt. project evaluation, consumer surveys etc.  
• During the last five years revenue earned from consultancy is only of Rs.1.00 lakh mainly by Department of Pharmacy.  
• A Centre for Industry-Institute Partnership Programme to take up and boost the consultancy activities is yet to be set up. |
| 2.3.4 Extension Activities: | • Extension activities are promoted through NSS units of the university. Received Indira Gandhi National award and four State level awards.  
• Distance education center provides opportunity for higher education to adult learners and also training of several skill imparting courses.  
• Community oriented outreach programmes |
# Report of the Peer Team

**Kakatiya University, Warangal**

## 2.3.5 Collaboration:
- Initiative for collaborative research needs to be taken up
- University has signed MoUs with few agencies to promote industry-institute interface in recent times.
- Consultancy cell to be established to monitor Collaborations

## 2.3.6 Best Practices in Research, Consultancy & Extension (if any):
- University Research Fellowships from own funds provided to all PG Departments

## 2.4 Infrastructure and Learning Resources:

### 2.4.1 Physical Facilities for Learning:
- The University’s main campus (650 acres) has spacious buildings on a sprawling campus, accommodating well furnished classrooms, laboratories, seminar halls, and auditorium and conference rooms.
- Sports facilities for indoor and outdoor games, play grounds, athletic track gymnasium, indoor stadium etc are available.
- During post accreditation period, the University has constructed buildings for housing newly created departments, Sports complex, Laboratories, Examination section, etc. at a cost of about Rs.10 crores.

### 2.4.2 Maintenance of Infrastructure:
- The building division headed by the Development officer undertakes the repair and maintenance of the physical infrastructure.
- Computer and other sophisticated equipments are maintained through AMC.
- Repair works of some instruments are done by the staff of workshop and instrumentation centre.
- Hostels buildings need to be repaired, renovated and further augmented

### 2.4.3 Library as Learning Resources:
- About 90,000 titles in the library and library remains open from 8.00 a.m. to 8.00 p.m.
- Computerization of library services initiated and e-journals (INFLIBNET) made available.
- Reprographic, internet, OPAC facilities available.

### 2.4.4 ICT as Learning Resources:
- Fairly large numbers of computers are available.
- All departments are provided with LCD Projectors as teaching aid.
- Internet facility is available in all the department
- Faculty members are yet to develop meaningful interactive teaching-learning
### 2.4.5 Other Facilities:

- The University has Common mess and kitchen for about 1000 students, hostel for boys and girls, staff quarters for teaching and non-teaching staff, canteen, park, herbal garden, parking space, bank counter and yoga center.
- The university has a health centre with ambulance and specialist services.
- Protected and purified water is available in the campus.
- Hostel facilities for boys and girls needs to be further strengthened.

### 2.4.6 Best Practices in the development of Infrastructure and Learning Resources (if any):

- Purified Water Processing Plant
- ICT enabled teaching gadgets provided in all departments

### 2.5 Student Support and Progression:

#### 2.5.1 Student Progression

- Social composition of student community analysis in 2007-08 reveals that 70% Ph.D, 92% M.Phil, 57% Arts and Science students belong to SC/ST and OBC categories.
- About 30% of the UG students go for higher studies and 25% of the students of professional courses join foreign universities.
- The average pass percentage during last 5 years in UG examinations vary from 45 to 50% and in PG, 80 to 83%. The average dropout rate is about 2% at PG and 10% at UG levels.
- Remedial teaching and supportive learning to be provided and dropout at UG to be studied.

#### 2.5.2 Students Support:

- Financial assistance in the form of State merit, Prathibha, Backward class, SC/ST and minority scholarships, freeships, 213 research students have fellowships including 68 Rajiv Gandhi National Scholarships (for M.Phil and Ph.D. students).
- SC / ST / minority Cell and students welfare center provide adequate support services to the students.
- The finishing school is designed to promote employability of the students.
- The organization of placement cell need to be further structured.

#### 2.5.3 Student Activities:

- University supports and encourages the students to participate in University, State and National level sports and games events, cultural events and provides cash incentives.
amounting Rs.2000/- to Rs.5000/- to students excelling in sports and games.
- The students of this University are specialized in gymnastics & weight lifting and have bagged prizes including national trophies
- Students mentoring needs to be systematized.

| 2.5.4 Best Practices in Student Support and Progression (if any) | ● Cash Incentives to sport students and coach  
● Active Departmental Alumni Associations in a few departments. |
|---|---|

### 2.6 Governance and Leadership:

#### 2.6.1 Institutional Vision and Leadership:
- The progressive orientation of Vice-Chancellor provides dynamic leadership.
- Vision and mission statements effect the objectives and goals of the university.
- The University provides democratic and transparent style of administration.
- Management information system (MIS) and e-governance are yet to be implemented.

#### 2.6.2 Organizational Arrangements:
- The statutory provision depicts the style of functioning of various authorities.
- The developmental and academic needs of the affiliated colleges are to be addressed to.
- Adequate and necessary facilities to the physically challenged students and faculty need to be provided.

#### 2.6.3 Strategy Development and Deployment:
- Academic audit introduced for proper monitoring of activities of affiliated colleges.
- An independent unit to monitor UGC and other external funding and also academic and financial support is provided to affiliated colleges through CDC.
- Delegation of power and well defined role responsibilities need to be assigned.

#### 2.6.4 Human Resource Management:
- Recruitment of teaching and non-teaching staff is done in accordance with the provision of AP State University act. Government reservation rules.
- The university organizes professional development and skill up-gradation training programs for teaching and non-teaching staff.
- Vacant teaching positions to be filled.

#### 2.6.5 Financial Management and Resource Mobilization:
- Resource mobilization through UGC, State Govt, funding agencies, students’ fees, self-financing programmes and distance education programmes.
- University has received a donation of Rs. One crore from a NRI cardiologist for constructing an auditorium and Rs. 25 lakh from alumni for constructing Pharmacy department.
| 2.6.6 Best Practices: | • Website is regularly updated.  
• Partial automation to monitor the major offices within the university |
| 2.7 Innovative Practices: |  
| 2.7.1 Internal Quality Assurance Systems: | • IQAC needs to be further strengthened  
• The academic audit introduced to monitor and promote quality measures.  
• Introduction of internal component in evaluation.  
• Opportunities for computer learning need to be further strengthened. |
| 2.7.1 Inclusive Practices: | • Adequate representation of marginalized groups such as tribals, SC/STs and Women in the student and staff. Women studies center and Ambedkar Study Center cater to needs of these groups.  
• Facilities for differently abled persons are not available. |
| 2.7.3 Stakeholder Relationship: | • Active alumni associations and substantial contribution in providing funds for infrastructure is visible.  
• Social perception of the University is positive  
• More systematic efforts are required to mobilize resources from alumni to implement development plans of the university. |

**Section III: OVERALL ANALYSIS**

| 3.1 Institutional Strengths: | • Visible endeavour to promote Higher Education by introducing wide range of courses in regular and distance education modes.  
• Main campus and satellite campuses have ample scope for development  
• Innovative managerial initiatives in creating new academic centres, Finishing Schools, Centre for English Language Training, etc. to enhance employability.  
• Motivated faculty and students provide adequate impetus to the growth. |
| 3.2 Institutional Weakness: | • Absence of well defined long term developmental plan  
• Weak initiative in formulating new academic programmes in emerging areas and little |
efforts to restructure the curricula in the choice based credit mode.
- Very limited academic linkage.
- Meagre consultancy.

### 3.43 Institutional Challenges:
- Converting the present educational backwardness of the location into an opportunity for promoting higher education in appropriate and relevant areas
- To attract and retain qualified faculty and mobilize funds in the face of competition arising out of creation of many world class national and central universities
- Sustenance of multi-disciplinary collaborative research of national and international standard in emerging areas
- Prepare the students to cope up with the changing educational scenario and modern technology to face global competition.

### 3.4 Institutional Opportunities.
- Unique opportunity for developing green-eco-friendly campus through Private-Public-Partnership model and master plan development.
- Scope for creation of more job opportunities through Finishing Schools and Industry-University Linkage.
- Scope for programme diversification with new ICT enabled technologies.
- Scope for developing more linkages with institutions and industries of national and international repute.
- Scope for research in rural development.

### Section IV: Recommendations for Quality Enhancement of the Institution

- Introduction of choice based credit system at PG and at graduate levels to be taken on a top priority basis
- Provide academic autonomy to the University departments and constituent colleges and persuade deserving affiliated colleges to be autonomous.
- To streamline the professional educational programmes to be in tune with the guidelines of the regulatory bodies.
- Introduce Management Information System for more effective governance.
- To strengthen the computer facility by introducing Wi-Fi and bandwidth.
- Students mentoring to be strengthened.
- Distance Education to be streamlined by implementing DEC guidelines.
- Women Empowerment schemes to be implemented.
- Life skill development programme to be systematically introduced.
- Introduce career oriented UG/PG courses in relevant areas.
- Health insurance for students and staff may be introduced.
- Centralized Placement Cell and Grievance Redressal Cell may be strengthened.
- Computer aided learning packages may be developed by the faculty members.
- Students may be further encouraged and provided proper coaching to participate in large numbers in inter-collegiate, inter-university and national sports events and cultural activities.
- Courses in foreign languages and communicative skills may be introduced.
- University may develop facilities for research in Alternative sources of energy.
- Efforts be made for Establishment of University and Industry linkage Centre.

I agree with the observations of the Peer Team as mentioned in this report.

39) D. Snehalatha (2015)
40) M. Ramesh (2015)
41) N. Ellaswamy (2015)
43) S. Kalyani (2016)

**Post-Doctoral Students**

1) Dr. Y. Yashodhara (2011)
2) Dr. K. Rajender (2013)
3) Dr. T. Samatha (2013)

**Research Associates– Nil**
b) From other institutions/universities: Nil

40. Number of post graduate students getting financial assistance from the university. – Nil

41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology: Applications for starting of two new programmes are under active consideration.

   1) BUILDER Program of Dept. of Biotechnology, New Delhi (Rs.5.0 crores)
      – This is an inter-departmental research program.
   2) Atal Incubation Centre (AIC), Govt. of India (Rs.5.0 Crores)
      – Fresh M.Sc. students will be trained before entering industry and also promote entrepreneurship development.

42. Does the department obtain feedback from
   a) Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback? - Yes-
      1) To update the syllabus
      2) To introduce CBCS pattern of examination
      3) To conduct classes and seminars for Ph.D. students

   b) Students on staff, curriculum and teaching-learning the department utilize the feedback? - Yes-
      1) To conduct extensive practical training (Hands-On-Experience) in labs
      2) To undertake field visits, botanical tours, industrial tours etc.
      3) To conduct seminars on topics related to their syllabus
      4) To expose the students to the research work conducted in faculty research laboratories
      5) To conduct orientation classes for CSIR/UGC-JRF examinations

   c) Alumni and employers on the programmes offered and how does the department utilize the feedback? Nil

43. List the distinguished alumni of the department (maximum 10):

<table>
<thead>
<tr>
<th>Sl. No.</th>
<th>Name of the Alumni</th>
<th>Working Department</th>
</tr>
</thead>
<tbody>
<tr>
<td>01</td>
<td>Prof. G. Narsaiah</td>
<td>USA</td>
</tr>
<tr>
<td>02</td>
<td>Prof. Sathyanarayana Reddy</td>
<td>USA</td>
</tr>
<tr>
<td>03</td>
<td>Prof. Srinath Rao</td>
<td>Gulbarga University, Karnataka</td>
</tr>
<tr>
<td>04</td>

</tbody>
</table>
44. Give details of student enrichment programmes (special lectures/workshops/seminar) involving external experts:
   Prof. Laszlo Zabdos, Hungary – Extension lecture on molecular basis of stress tolerance

45. List the teaching methods adopted by the faculty for different programmes.
   PPT, OHP, INTERNET, etc., UG,PG – BB, PPT slides OHP

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?
   a. Through feedback from the outgoing students.
   b. By organizing monthly workshops/interaction sessions
   c. By conducting seminars and Internal Assessments to the students.

47. Highlight the participation of students and faculty in extension activities.
   Field Trips to Forests, Ethnobotanical tour to interact with the local native tribes, Industrial Tours, Botanical Tours, NSS Activities.

48. Give details of “beyond syllabus scholarly activities” of the department.
   a. The faculty visits the science fairs in district level and regional level as judges.
   b. The faculty deliver extension lectures is various PG colleges and Research Institutions.
   c. The faculty members are involved in adjudication of M.Phil. & Ph.D., is of various universities.
   d. Senior Faculty Members visit various Universities as external expert to select Professors, Associate Prof, Asst. Professors.
   e. By writing Textbooks and Book chapters.

49. State whether the programme/department is accredited/graded by other agencies? If yes
   Give details: Yes, UGC –SAP-DRS Level –III & FIST – DST Level-II

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.
   a. Shouldered the responsibility of establishing two departments -Microbiology and Biotechnology.
   b. Has expertise to authenticate new plant taxa from local areas
   c. Established “Azolla” demonstration units to supply stock cultures for the farmers.
   d. Maintain medicinal plants in the department research fields

51. Detail five major Strengths, Weakness, Opportunities and Challenges (SWOC) of the Dept.
   A) Strengths
      1. Developed adequate expertise to conduct research in basic and applied branches of botany.
2. Developed technical skills for identification of the new plant taxa from local areas.
3. Developed skills to collect and nitrogen fixing cyanobacteria from local paddy fields.
4. Developed skills to isolate mycotoxins from foods and feeds and endophytic fungi from medicinal plants.
5. Developed skills to identify, collect and preserve ethno-medicinal plants from Northern Telangana region.

B) Weakness:
1. Inadequate number of teaching and non-teaching staff.
2. Meager or negligible funding for undertaking research in individual labs.

C) Opportunities:
1. Impart skills to students to handle bioinformatics subjects.
2. To develop intra and inter university collaboration in research.
3. To maintain medicinal garden with rare and endangered plants.
4. To allow teaching faculty and PDF from other countries to work (6 months) in our research laboratories.

D) Challenges:
1. Developing Communication Skills among students.
2. Preparing the students to undertake quality research.
3. Making the students to face the selection process with confidence for employment.

52. Future plans of the department:
1. To start M.Sc. (Forestry) course.
2. To start integrated Ph.D. programme.
3. To organize international conference.
4. To strive for UGC sponsored Centre for Advanced Studies (CAS).
5. To adopt a village for development of agro-forestry and organic farming.
EVALUATIVE REPORT - BIOTECHNOLOGY

1. Name of the Department : Biotechnology

2. Year of establishment : 2004

3. Is the Department part of a School/Faculty of the university? : Faculty of Science

4. Names of programmes offered (UG, PG, M.Phil., Ph.D., Integrated Masters; Integrated Ph.D., D.Sc., D.Litt., etc.)
   - M.Sc.Biotechnology Programme
   - 5 Year Integrated M.Sc.Biotechnology Programme
   - PhD Programme

5. Interdisciplinary programmes and departments involved
   Nil

6. Courses in collaboration with other universities, industries, foreign institutions, etc.
   Nil

7. Details of programmes discontinued, if any, with reasons
   Nil

8. Examination System: Annual/Semester/Trimester/Choice Based Credit System
   Semester system

9. Participation of the department in the courses offered by other departments
   Nil

10. Number of teaching posts sanctioned, filled and actual (Professors/Associate Professors/ Asst. Professors/others)

16. Research thrust areas as recognized by major funding agencies

- Bio control of plant parasitic nematodes
- Gene expression studies in nematode induced feeding cells
- Plant tissue culture and Genetic transformation
- Bioinformatics
- Molecular cloning and signal transduction of abiotic stress tolerant genes
- Identification and conservation of endangered trees, medicinal plants and their improvement
- Identification of medicinal plants with anti-cancer, anti-diabetic and anti-HIV properties.
- Development of transgenic plants for biotic and abiotic stress.
- Crop improvement through transplastome technology.
- Molecular characterization of mycorrhizae
- Cancer biology & Telomerase and nanoparticles in early detection and inhibition of cancer.

17. Number of faculty with ongoing projects from a) national b) international funding agencies and c) Total grants received. Give the names of the funding agencies, project title and grants received project-wise.

Number of ongoing projects and their total outlay (Rupees in lakhs): Number-05; total outlay -163.46 Lakhs

- Prof. A. Sadanandam-2012-2015 “Genetic transformation of Turmeric (Curcuma longa L.) with AtNPR1 gene and evaluation of transgenic plants for broad-spectrum disease resistance” DST, New Delhi, Co-Principal Investigator (42.00 Lakhs)
- Prof. A. Sadanandam-2014-2017 “Genetic Engineering for male sterility by the expression of cysteine protease (CP) gene in chilli pepper (Capsicum annuum). DBT, New Delhi, Principal Investigator (42.64 Lakhs). NO. BT/PR7174/PBD/16/1020/2013
- Prof. N. Rama Swamy-2015-2017 “Genetic engineering for developing fungal resistance in Groundnut. UGC, New Delhi, (10.59 Lakhs)

Research projects completed during last five years and their total outlay:
Number-09; total outlay -152.18 Lakhs
• Prof.A.Sadanandam-2009-2012 Developing plastid transformation system for expression of mustard annexin gene in tomato for engineering abiotic stress tolerance UGC, New Delhi Principal Investigator (Out lay10.79 lakhs)
• Prof.A.Sadanandam-2010-2013 Developing plastid transformation system for expression of defensin gene in Capsicum annuum, DST, New Delhi (52.lakhs)
• Dr.A.V.Rao-2011-2014 Genetic Engineering for Anthracnose disease resistance in Chilli Pepper using Defensin gene (TvD1) UGC, New Delhi (Out lay10.16 lakhs)
• Prof.A.Sadanandam -2011-2012 UGC One Time Grant (Out lay 7.0 lakhs)
• Prof.N.Rama Swamy-2007-2010:Development of Protocols for conservation and RAPD analysis of an endangered forest tree species WrightiatinctoriaUniversity Grants Commission, New Delhi. (10.00 lakhs)
• Prof.N.RamaSwamy- 2011-2014: Molecular characterization of tassar silkworm, Antheraea mylia, Department of Biotechnology, New Delhi. (29.33 lakhs) Co-Investigator
• Dr.P.Srinivas-2011-2014 “Mass production, Evaluation and Commercialization of Bioinoculants for Agroforestry Nurseries” UGC- MRP (Out lay10.01 lakhs)
• Dr.T.Christopher-2010-2013-DNA profiling of Chilli pepper (C.annuum) using RAPD-PCR (10.00 lakhs)
• Dr.T.Shasthree-2012-2015 Micropropagation and genetic transformation through Agrobacterium rhizogenus for production of potential alkaloids in Citrulluscolosynthis by UGC (12.08,)

18. Inter-institutional collaborative projects and associated grants received : Nil
   a) National collaboration     b) International collaboration

19. Departmental projects funded by DST-FIST; UGC-SAP/CAS, DPE; DBT, ICSSR, AICTE, etc.; total grants received.
   
   ▪ BIOINFORMATICS INFRASTRUCTURE FACILITY (BIF):The Department of Biotechnology (DBT), Ministry of Science and Technology, Govt. of India, New Delhi has sanctioned (Rs. 43.0 Lakhs) to develop Bioinformatics Infrastructure Facility (BIF) for promotion of Biology teaching through Bioinformatics (BTBI) to Kakatiya University, Warangal, AP under the Biotechnology Information System Network (BTISnet) Programme. We have created a separate lab in the building of Biotechnology, Kakatiya University. Complete equipment hardware and software is procured and BSNL Broad Band connectivity is obtained. The facility is being utilized by the Faculty, Research Scholars and Students of Biology departments.
   ▪ SAP-DRS PROGRAMMEPhase I: University Grants Commission (UGC), New Delhi has sanctionedRs.32.50 lakhs under SAP-DRS scheme for promotion of infrastructural facilities and Research in the department.
   ▪ UGC has also sanctioned Rs. 20.0 lakhs for strengthening of infrastructure in terms of power supply, water supply, fire safety equipments, laboratory working tables etc, under SAP-DRS recognized department.
- UGC-BSR Fellowships: UGC, New Delhi has sanctioned 5 Research Fellowships for the promotion of Basic Scientific Research

- UGC, New Delhi has sanctioned Rs. 5.0 lakhs for Promotion of Research at undergraduate level

- FIST Fund For Improvement Of S&T Infrastructure In Universities And Other Higher Educational Institutions (FIST) : Rs. 53.0 Lakhs

- SAP-DRS PROGRAMME Phase II: University Grants Commission (UGC), New Delhi has sanctioned Rs. 71.25 lakhs under SAP-DRS scheme for promotion of infrastructural facilities and Research in the department.

20. Research facility / centre with

- state recognition
- national recognition
- international recognition

21. Special research laboratories sponsored by / created by industry or corporate bodies : NIL

22. Publications:

   * Number of papers published in peer reviewed journals (national / international):
     Total 123 papers, List is enclosed as Annexure-I
   * Monographs NIL
   * Chapters in

Books:

1. Plant Tissue Culture: Totipotency to Transgenic – Chapter 17 Agrobacterium tumefaciens mediated genetic transformation
2. Plant Tissue Culture: Totipotency to Transgenic – Chapter 19 Plastid transformation in higher plants
3. Microbial diversity, Exploration & Bioprospecting: Chapter 14

Edited Books

* Books with ISBN with details of publishers :

4. Anthropology (Cell Biology & Genetics) for competitive Exams, Telugu Academy, Hyd, 2011.

* Humber listed in International Database (For e.g. Web of Science, Scopus, Humanities International Complete, Dare Database - International Social Sciences Directory, EBSCO host, etc.)
* Citation Index – range / average
* SNIP
* SJR
* Impact Factor – range / average
* h-index
  IF From 0- 3.84

23. Details of patents and income generated : NIL

24. Areas of consultancy and income generated :NIL

25. Faculty selected nationally / internationally to visit other laboratories / institutions / industries in India and abroad

i) Dr.P.Srinivas, working as Raman Post-doctoral fellow at USDA, Beltsville, Maryland, USA
ii) Dr.T.Shasthree, working as Raman Post-doctoral fellow at Mississippi State University, Mississippi, USA.

26. Faculty serving in
a) National committees b) International committees c) Editorial Boards d) any other (please specify)
Prof.A.Sadanandam
  • Fellow Max-Planck Society, Germany.
  • Fellow, Botanical Society of India.
  • Fellow, New York Academy of Sciences, USA.
  • Member American Association for the Advancement of Science (AAAS).
  • Fellow, International Association of Plant Tissue Culture.
  • Fellow of Bangladesh Association of Plant Tissue Culture.
  • Visiting fellow of Murdoch University
  • External Member, Board of Studies, Botany, nominated by Academic Council, Osmania University, Hyderabad
  • Chairperson, Board of Studies, Biotechnology, nominated by Academic Council, Kakatiya University, Warangal
  • Programme Coordinator, BIF-DBT New Delhi.
• Member Academic senate, Kakatiya University
• External Member, Board of Studies, Biotechnology, nominated by Academic Council, Andhra University, Visakhapatnam
• External Member, Board of Studies, Pharmaceutical Chemistry, nominated by Academic Council, Shatavahana University, Karimnagar
• Governor nominee for selections at Telangana University, Nizamabad.
• Governor nominee for selections at Nagarjuna University, Guntur.
• Member on the Institutional Bio-safety Committee, Appointed by Ministry of Science and Technology, DBT, Govt. of India).

Prof. N. RamaSwamy
• Fellow of Indian Botanical society.
• Fellow of Genetics and Plant Breeding.
• Fellow of Academy of Plant Sciences.
• Fellow of International Association of Plant Molecular Biology.
• Fellow of Indian Science Congress Association.
• Fellow of International Association of Plant Biotechnology.
• Fellow of Linnaean Society of London, UK
• Nominated as Member on the Board of Studies in Human Nutrition and Nutraceutical Chemistry, DuvvuruRamanammaWomens College, Gudur (AP) from 7-4-2012 to 6-4-2014.
• External Member on the Board of Studies in Botany, Microbiology and Biotech (2012-2014) Satavahana University, Karimnagar, AP.
• Editor, Advances in Plant Sciences.
• Editor, International Journal of Plant Science.
• Advisory Board member of Biozone, International Journal of Life Science
• International Journal of Genetics and Molecular Biology.
• International Journal of Environment.
• Journal of Plant cell and tissue research.
• Nominated as Honorary Advisor for TWAS-UNESCO Research Grants, Italy.

Dr. A. V. Rao
• External Member, Board of Studies, Biotechnology, nominated by Academic Council, Osmania University
• External Member, Board of Studies, Biotechnology, nominated by Academic Council, Telangana University

27. Faculty recharging strategies (UGC, ASC, Refresher / orientation programs, workshops, training programs and similar programs).
• Dr. A. V. Rao - Attended UGC Sponsored Orientation Course Organized by Osmania University Academic Staff College, Hyderabad from 28-09-2012 to 31-10-2012 and obtained ‘A’ grade.
• Dr. A. V. Rao - Attended UGC Sponsored Refresher Course in Life Sciences Organized by Osmania University Academic Staff College, Hyderabad from 05-08-2013 to 28-08-2013 and obtained ‘A’ grade.
• Dr.T.Shasthree-Attended UGC Sponsored Orientation Course Organized by Osmania University Academic Staff College, Hyderabad from 28-09-2012 to 31-10-2012 and obtained ‘A’ grade.
• Dr.T.Shasthree-Attended UGC Sponsored Refresher Course in Life Sciences Organized by Osmania University Academic Staff College, Hyderabad from 05-08-2013 to 28-08-2013 and obtained ‘A’ grade.
• Dr.P.Srinivas-Attended UGC Sponsored Orientation Course Organized by Osmania University Academic Staff College, Hyderabad from 28-09-2012 to 31-10-2012 and obtained ‘A’ grade.
• Dr.P.Srinivas-Attended UGC Sponsored Refresher Course in Life Sciences Organized by University of Hyderabad, Academic Staff College, Hyderabad from 08-12-2013 to 28-12-2013 and obtained ‘A’ grade.

28. Student projects
• percentage of students who have done in-house projects including inter-departmental projects: 100%
• percentage of students doing projects in collaboration with other universities / industry / institute :100%

29. Awards / recognitions received at the national and international level by
• Faculty

Prof. A. Sadanandam
• DAAD Honorary Advisor (2006-2009)
• Best Teacher Researcher in Botany(2006) by Kakatiya University
• Awarded the Andhra Pradesh Scientist Award , 2008 by the Andhra Pradesh Council of Science and Technology, Govt. of A.P
• AP State Meritorious Teacher Award 2009
• Visiting Research Professor Murdoch University, Australia (2010)
• Fellow, Telangana Academy of Sciences-2015

Prof. N. Rama Swamy
• Awarded the Excellency Award 2009 in recognition of outstanding research in The field of Plant Biotechnology by Academy of Plant Sciences India.
• State Best Teacher Award 2010 in recognition of distinguished service as a Teacher by the Govt. of Andhra Pradesh.
• “Pioneers in Genomics Education class of 2010” award for the outstanding contribution to the field of Genomics education by the OcimumBiosolutions, The Netherlands & USA.
• SikshaRathanPuraskar Award-2010, by International friends Society, New Delhi.
• BharathJyothi Award – 2012 - for honoring Successful Meritorious Indian Personalities with most prestigious persons, March, 2012, awarded by India International friendship Society, New Delhi.
• Talented Scientist Award – 2012- for his outstanding contribution in the field of Medicinal Plant Biotechnology, awarded in the 4th International Conference on Medicinal Plants & Herbal Drugs held during 6th to 8th September, 2012 at Johns Hopkins University, Rock Ville, Maryland, USA.
• Indo-Nepal Gold Star Award-2013- For his outstanding contributions in Research by Economic Growth Society of India. at Katmandu, Nepal. April-2013.
• Global Achievers Award-2013- For his outstanding contributions in the field of Education Excellence, by Global Achievers of India, Bangkok, Thailand. May 10th -15th 2013
• Out Standing Faculty Award-2015 for outstanding contributions in Research and Teaching, Venus International Foundation (Academic and Research), Chennai, 5th July 2015.
• Doctoral / post doctoral fellows & Students

30. Seminars/ Conferences/Workshops organized and the source of funding (national / international) with details of outstanding participants, if any.
• Organized International Conference on Biotechnology: A Global Scenario. 2010 Nov 2nd to 4th.
  Prof.N.Lingamurthy, Vice- Chancellor of Kakatiya University was the chief guest; Prof. Herman delivered the Key-Note Address. Eminent Scientists in the field of Biotechnology from different countries were attended and delivered the lead Lectures. Prof. MGK Jones (Australia), Prof. Gabriele Saretzki, Prof. Thomas Von Zglinicki (UK), Prof. Zhang Peng (China), Prof. Jacques Hille (The Netherlands), Prof. Ali Akbar Ehsanpour (Iran),) have delivered plenary lectures. About 400 Biotechnologists from Universities, Research Institutes, Laboratories and Biotech Companies have participated in the Conference. This International Conference is supported by funding agencies such as UGC, DBT, DST, CSIR, , Bhabha Atomic Research Center (BARC) and APSCHE.

• Organized International Conference on Biotechnology in Human welfare. 2013 Feb 7th to 9th.
  A three day International conference on “Biotechnology in Human Welfare” was organized during 7th-9th February, 2013. Prof. B. VenkatRathnam, Vice Chancellor, Kakatiya University inaugurated the International conference and Prof. Dorothea Bortles, University of Bonn delivered the inaugural EMBO lecture. Eminent scientists in the field of Biotechnology Prof. Susanne S. Renner (Germany), Prof. MGK Jones (Australia), Prof. Peter Medgyesy (Ireland), Prof. Jacques Hille (The Netherlands), Prof. Dr. Wilhelm Gruissem (Switzerland), Omprakash Mittapalli (USA), Prof. Ali Akbar Ehsanpour (Iran), Dr. S. Someswar (USA) have delivered plenary lectures. About 400 Biotechnologists from Universities, Research Institutes, Laboratories and Biotech Companies have participated in the Conference.

  This International Conference is supported by international funding agencies such as Third World Academy of Sciences (TWAS) Italy and European Moleculary Biology Organization (EMBO) Germany, and also National Funding agencies UGC, DBT, DST, CSIR, , Bhabha Atomic Research Center (BARC) and APSCHE. Kakatiya University also generously extended financial support for the event.

  A three day International conference on “Emerging Biotechnologies” was organized during 28-30th January, 2016. Prof. T. Chiranjeevulu, Vice Chancellor, Kakatiya University inaugurated the International conference and Prof. MGK Jones, Murdoch University, Western Australia has delivered the key note address. Eminent scientists in the field of Biotechnology Prof. Laszlo Szabados, BRC, Szeged, Hungary, Prof. SP. Adhikary, Vice-Chancellor, Fakir Mohan University, Balasore, Odisha, Prof. Sonam Tashi, Royal University of Bhutan, Prof. Ali Akbar Ehsanpour (Iran), Dr. Martina Silber, Scientist, LMU, Munich, Germany.
Dr. Salimuddin, AMU, Aligarh, Dr. Vidya Gupta, NCL, Pune, Dr. Nutan Kaushik, TERI, Dr. Prakash Halami, CFTRI, Mysore have delivered plenary lectures. About 400 Biotechnologists from Universities, Research Institutes, Laboratories and Biotech Companies have participated in the Conference.

This International Conference is supported by international funding agency DAAD, New Delhi and also National Funding agencies UGC, DBT, DST, CSIR,. Kaktiya University also generously extended financial support for the event.

37. Number of faculty who were awarded M.Phil., Ph.D., D.Sc. and D.Litt. during the assessment period: NIL

38. Present details of departmental infrastructural facilities with regard to

a) Library

Departmental Library: About 9.5 lakhs worth books (707 nos) are maintained in our departmental library.

Research Journals: Several research journals are subscribed for our Departmental library. They are:

- Current science
- Indian journal of biotechnology
- Indian journal of experimental biology
- Down to earth
- CSIR news
- Natural product radiance
- Biotechniques

b) Internet facilities for staff and students

Computers: Bioinformatics Infrastructure Facility (BIF):

The Department of Biotechnology (DBT), Ministry of Science and Technology, Govt. of India, New Delhi has sanctioned (Rs. 43.0 Lakhs) to develop Bioinformatics Infrastructure Facility (BIF) for promotion of Biology teaching through Bioinformatics (BTBI) to Kakatiya University, Warangal, AP under the Biotechnology Information System Network (BTISnet) Programme. We have created a separate lab in the building of Biotechnology, Kakatiya University. Complete equipment hardware and software is procured and BSNL Broad Band connectivity is obtained. The facility is being utilized by the Faculty, Research Scholars and Students of Biology departments.
c) Total number of class rooms : 03

- Class rooms with ICT facility :03
- Students’ laboratories :03

- Laboratories: The department is furnished with major equipments which are available and functional in the Department costing Rs.5 lakhs and above

b) from other institutions/universities NIL
40. Number of post graduate students getting financial assistance from the university.

NIL

41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology.

NIL

42. Does the department obtain feedback from

a. Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback? No

b. Students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?

At the end of the course a questionnaire (Feed Back Form) will be given to each student to express their feelings freely on staff, curriculum and teaching-learning-evaluation and several aspects of the department without writing their names. All the possible suggestions will be taken care for strengthening department.

c. Alumni and employers on the programmes offered and how does the department utilize the feedback? No

43. List the distinguished alumni of the department (maximum 10)

1) Mrs. Vasantha, M.Sc Biotechnology has established ONAN BIOTECH Company in Hyderabad.
2) Mr. Karunakar, M.Sc Biotechnology is working as a SCIENTIST in MONSANTO Company.
3) Mr. Ajithkumar Reddy, M.Sc Biotechnology is working as an eminent scientist in a company in USA.
4) Dr. Kasula Kiranmai, Appointed as Asst. Professor in Biotechnology, Telangana University
5) Dr. A. Mahender Reddy, Appointed as Asst. Professor in Biotechnology, Telangana University
6) Mr. B. Arun Kumar, Working as Scientist in Biocon, Bangalore
7) Mr. Md. Sadiqu Hussain, Working as Senior executive in Biocon Bangalore
8) Dr. R. Gulab Khan, Appointed as Scientist –D in Central Silk Board, Government of India

44. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.

- Special Lecture by Prof. Laszlo Szabados, BRC, Szeged, Hungary under visiting Fellow scheme of SAP DRS Phase-II
- Special Lecture by Prof. MV. Rajam, UDSC, New Delhi under visiting Fellow scheme of SAP DRS Phase-II
- Special Lecture by Prof. Srinatha Rao, Department of Botany, Gulbarga University under visiting Fellow scheme of SAP DRS Phase-II
45. List the teaching methods adopted by the faculty for different programmes.

- OHPs
- LCD Presentation
- Student Seminars
- Extension lectures

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

47. Highlight the participation of students and faculty in extension activities.

48. Give details of “beyond syllabus scholarly activities” of the department.

49. State whether the programme/ department is accredited/ graded by other agencies? If yes, give details. : No

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.

51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

Strengths:
- Organized three International Conferences in the year 2008, 2010 and 2013. Regularly updating the curriculum
- Regular evaluation by conducting seminars and quiz programmes among the students
- Assigning Internal Projects to the students to develop the skills in biotechnology
- Sending the students for Industrial Project Work (2 months) to have the exposure to the Industries and also to develop research skills
- Well equipped laboratory facilities are available to perform the laboratory exercises individually
- Highly qualified teaching faculty having exposure in different biotechnological areas
- Students are also well placed
- Conducting Biotech Fests to create awareness among the students
- Refresher courses for college teachers to update and improve their theoretical and practical skills.
- We have adequate expertise as evidenced by our research publications. We have published research papers with good impact factor.
- Citation index: our research papers are cited in journals and books. Our protocol appear in edited Books
- Most of us have worked in research laboratories in Germany, USA, Brazil, Netherlands, Australia, Hungary etc.
- We have established linkage/collaborations with Professors of Indian and foreign universities for undertaking research work.
- We have obtained gene constructs for our collaborative research work.
Sufficient laboratory space and other infrastructural facilities
DBT, New Delhi has sanctioned Bioinformatics Infrastructure Facility with Internet connectivity through which we are accessing biological databases on public domain and e.journals; this facility will be of immense help to researchers
Department is recognized by DST under FIST program and UGC under SAP-DRS Phase II
We have introduced 5-years integrated course in Biotechnology for 10+2 students with the aim of “catch them young” and motivate them to enter life science research.

Weaknesses:
- Lack of sufficient number of faculty
- Inadequate funding to the research students at the university level.

Opportunities:
- It is an interdisciplinary course which encompasses all basic science subjects.
- Biotechnology is a technology with profuse agricultural, medicinal and industrial applications.
- The national and international problems and grievances pertaining to Food Production, Animal Husbandry, Medical and Health etc. are addressed by Biotechnology.
- The need of the hour is to produce skilled human recource in biotechnology

Challenges:
- Biotech sector still continues to remain insulated from the economic recession and it is still not showing phenomenal growth as expected
- Opportunities have become problem for Biotech students when compared with information technology

52. Future plans of the department.

- To encourage foreign students to take admissions into PG and PhD programmes
- To enter into MOU’s with Industry and Universities at National and international level
- To train the students for National Eligibility Test (NET)
- To Promote Campus Interviews
EVALUATIVE REPORT - CHEMISTRY DEPARTMENT

1. Name of the Department: Department of Chemistry

2. Year of establishment: 1976

3. Is the Department part of a school/Faculty of the university? : Full fledged Department

4. Names of the programmes offered:
   - UG: B.Sc.(M.P.C, B.Z.C, etc)
   - 5-year Integrated M.Sc. Chemistry courses.

5. Interdisciplinary programmes and departments involved: NIL

6. Courses in collaboration with other universities, industries, foreign institutions, etc.: NIL

7. Details of programmes discounted, if any, with reasons: All programmes are continued

8. Examination System: Annual/Semester/Trimester/Choice Based Credit System:
   - Semester: Semester system for M.Sc. Chemistry (2 yr course) and 5-yr integrated M.Sc. Chemistry course.

10. Number of teaching posts sanctioned, filled and actual (Professors/Associate Professors/Asst. Professor/others)

<table>

12. List of senior visiting fellows, adjunct faculty, emeritus professors; --

15. Number of academic support staff (technical) and administrative staff: sanctioned, filled and actual : 1 Head, Technical : 8

16. Research thrust areas as recognized by major funding agencies:-
   1. Organic synthesis & biological evaluation
   2. Natural products
   3. Coordination Chemistry
   4. Supra molecular Chemistry
   5. Kinetics and catalysis
   6. Molecular modelling
   7. Thermodynamic excess properties
   8. Computational Chemistry

17. Number of faculty with ongoing projects from a) national b) international funding agencies and c) Total grants received. Give the names of the following agencies, project title and grants received project-wise. : Agencies; UGC & CSIR, New Delhi
   Total no. of projects - 07
   Out lay Rs. 90 lakhs

18. Inter-institutional collaborative projects and associated grants received
   a) National collaboration: - b) International collaboration : - NIL

19. Departmental projects funded by DST-FIST; UGC-SAP/CAS, DPE; DBT, ICSSR, AICTE, etc.; total grants received : UGC – SAP, 45 lakhs

20. Research facility / centre with:
   National recognition
   State recognition: -
   National recognition:-
   International recognition:-

21. Special research laboratories sponsored by / created by industry or corporate bodies : - NIL

22. Publications:
   150
   Number of papers published in peer reviewed journals (national / international) 150
   Monographs
   Chapters in Books
   Edited Books
   Books with ISBN with details of publishers
   Number listed in international Database (for e.g. Web of Science, Scopus, Humanities International Complete, Dare Database – International Social Sciences Directory, EBSCO host, etc)
   Citation Index – range / average: 600
   Impact factor – range / average: Range 0.5 to 5.62 Average 1.5
   h-index
23. Details of patents and income generated: – NIL

24. Areas of consultancy and income generated: – Rs. 6.5 lakhs

25. Faculty selected nationally/ internationally/ to visit other laboratories / Institutions / industries in India and abroad.-
   Prof. V. Ravinder, Leibniz Institute for catalysis, University of Restock, Geramny 2009.

26. Faculty serving in: a) National committees b) International committees c) Editorial Boards d) any other (please specify) Some of the senior faculty members are in the
   National committees, Editorial boards, Board of studies in other universities and Adjudicators for several Evaluation committees like Ph.D thesis evaluation and selections.

27. Faculty recharging strategies (UGC, ASC, Refresher / orientation programs workshop, training programs and similar programs).
   a) UG Teachers refresher course Sponsored by A.P State Council of Higher Education, Hyderabad, July 7-14, 2009
   b) PG Teachers refresher course Sponsored by A.P State Council of Higher Education, Hyderabad, April 23-30, 2012

28. Students projects: -
   o Percentage of students who have done in-house projects including interdepartmental projects
   o Percentage of students doing projects in collaboration with other universities / industries/ institute
   30 out of 30 (100%) of 5-yr Integrated M.Sc. Chemistry students will carry out the student projects every year in collaboration with IICT, Hyderabad/ University of Hyderabad, Hyderabad/ IIT Madras, Chennai/ IIT Bombay, Mumbai/ IISC Bangalore, etc. This type of project has been carried out for the last five years.

29. Awards/ recognition received at the national and international level by
   o Faculty : Best teacher award 03
   o Doctoral / post doctoral fellows 10 by the students
   o Students 20 (Inspired fellowships)

30. Seminars/ Conferences/ Workshops organized and the source of funding (national / international) with details of outstanding participants, if any,

31. Code of ethics for the research followed by the departments: National/ International ethical code for research has been followed.

32. Students profile programme-wise:

<table>
<thead>
<tr>
<th>Name of the Programme (refer to question no. 4)</th>
<th>Application s received</th>
<th>Selected</th>
<th>Pass percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>

<th>Percentage against enrolled</th>
</tr>
</thead>
<tbody>
<tr>
<td>UG to PG</td>
<td>40% (including university, private and aided PG colleges)</td>
</tr>
<tr>
<td>PG to M.Phil.</td>
<td>NIL</td>
</tr>
<tr>
<td>PG to Ph.D</td>
<td>About 25% of PG students get admissions into Ph.D programmes in different Universities/ Research institutes.</td>
</tr>
<tr>
<td>------------</td>
<td>----------------------------------------------------------------------------------------------------------</td>
</tr>
<tr>
<td>Ph.D to Post-Doctoral</td>
<td>About 10% Ph.D students are getting Post-Doctoral fellowships in different Universities/ Research institutes in India and abroad.</td>
</tr>
<tr>
<td>Employed</td>
<td>About 15% students are being placed in reputed Companies/ Industries every year through campus selections. About 50% students are well placed in Educational institutions/ Companies/ Industries/ Research institutes, etc.</td>
</tr>
<tr>
<td>Entrepreneurs</td>
<td>About 5% students are self employed</td>
</tr>
</tbody>
</table>

36. Diversity of staff –

<table>
<thead>
<tr>
<th>Percentage of faculty who are graduates</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>of the same university</td>
<td>90%</td>
</tr>
<tr>
<td>from other universities within State</td>
<td>10%</td>
</tr>
<tr>
<td>from universities from other States</td>
<td>NIL</td>
</tr>
<tr>
<td>Universities outside the country</td>
<td>NIL</td>
</tr>
</tbody>
</table>

37. Number of faculty who were awarded M.Phil., Ph.D., D.Sc. and D.Litt. during the assessment period:
Only one: (G. Hanumanthu) awarded Ph.D. degree during the assessment period

38. Present details of departmental infrastructural facilities with regard to Library –
Well established University Library nearer to the department & a Mini library facility in the department.
Internet facilities for the staff and students: Internet facility is available for all the staff and students.
Total number of classrooms: 10 classrooms for (M.Sc chemistry 2 & 5-yr integrated courses)
Class rooms with ICT facility – Only one (Seminar hall)
Students’ laboratories: 9 laboratories
Research laboratories: 12 + 1 common laboratories
39. List of doctoral, post-doctoral students and Research Associates

<table>
<thead>
<tr>
<th>host institution/ university</th>
<th>Doctoral</th>
<th>Post-Doctoral</th>
<th>Research Associates</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>45</td>
<td>—</td>
<td>01</td>
</tr>
<tr>
<td>other institutions / universities</td>
<td>05</td>
<td>—</td>
<td>—</td>
</tr>
</tbody>
</table>

40. Number of post graduate students getting financial assistance from the university.
Details are available with the Principal Office, Univ. College, KU.

41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology.

To introduce project work for 5-yr integrated M.Sc. Chemistry Course students, lot of exercise has been done by contacting different research institutions like IIT’s, IISC, IICT’s, Universities, etc about the type of curriculum and the project work.

42. Does the department obtain feedback from
   a) Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?
      By conducting staff meetings and meetings with the students to know about the curriculum and the difficulties faced by the students.
   b) Students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?
      By a questionnaire to the students related to teaching-learning-evaluation every semester.
   c) Alumni and employers on the programmes offered and how does the department utilize the feedback?
      By getting feedback about the programmes offered by the department, from the old students (Alumni) and employers who were working at different places in India/abroad.

43. List of distinguished alumni of the department (maximum 10)
   1. Dr. Mohan Rao, Director, CCMB, Hyd.
   2. Dr. B. Manipal Reddy, Deputy Director, IICT, Hyd.
   3. Eaaga Purushotham, Managing Director of Smruthi Organics Ltd. Sholapur, Maharasta.
   4. Dr. Buchi Reddy, MD Orchid Chemicals & Pharmaceuticals Ltd, Chennai
   5. K.Ravinder Reddy, University of Pennsylvania, USA
   6. Prof. V. Prakash Reddy, Missouri Univ. Science and Tech. Rolla, USA
   7. Dr. Jagath Reddy, MD (Jagath Reddy Heterocyclics), Hyd.
   8. Dr. K.Satyanarayana, Scientist, Massachusetts, USA
   9. T.Madhusudhan, Orracle Skills, Manager JP Morgains, Newyork, USA
   10. Prof. N.Satyanarayana, Registrar, NIPER, Hyd.
44. Give details of student enrichment programmes (special lecturers/workshops/seminar) involving external exports.

45. List the teaching methods adopted by the faculty for different programmes.

46. How does the department ensure the programme objectives are constantly met and learning outcomes are monitored?

47. Highlight the participation of students and faculty in extension activities.

48. Give details of “beyond syllabus scholarly activities” of the department
   - Organizing student/scholar seminars
   - Engaging classes to improve the aptitude and communication skills of the students/scholars
   - Conducting seminar talks by eminent scientists
   - Improving organizational skills of students/scholars by involving them in all departmental activities
   - Motivating students towards social responsibilities in collaboration with service organizations.

49. State whether the programme/department is accredited/graded by other agencies?
   If yes, give details: By NAAC

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.

   Most of the faculty members are actively involved in the advanced research areas like computational chemistry, new research methodologies in organic synthesis and supra molecular chemistry. Some of the new organic and inorganic compounds reported by the department are emerged as potential antimicrobial, anti-inflammatory, anticancer, anti-HIV and anti-HCV agents. Some reported coordination complexes are emerged as potential catalyst in organic transformations.

51. Detail five major Strength, Weaknesses, Opportunities and Challenges (SWOC) of the department.
   Major strengths:
   - Most of the faculty members are consistent with good academic (teaching and research) record. They worked in advanced research laboratories (UK, USA, Germany, etc) abroad and well acquainted with the equipments, current knowledge and carried out the advanced research in prominent area with this faculty members are able to publish a large number of papers in peer reviewed journals with high impact factor.

   Weaknesses:
   - The number of teaching faculty is decreasing year by year and there is no equivalent appointment. Hence, this is causing a huge teaching burden on the faculty. Therefore, unable to spare the time to carry out the research.
The sanctioned budget/grants are not sufficient in procuring sophisticated equipments to carry out the advanced research.

Opportunities and Challenges
➢ If proper facilities are provided by increasing the grants and reducing the over burden, the faculty members will further improve their research and teaching capabilities.

52. Future plans of the department.
➢ The department is planning to introduce new courses like M.Sc. Applied Chemistry/ M.Sc. Material science/ M.Sc. Analytical Chemistry/ M.Sc. Pharmaceutical Chemistry. To start a new course it requires 6 faculty members with a minimum of 5 lakh recurring grant per year. If appropriate faculty and budget is sanctioned by the UGC New Delhi/ State government the Department is ready to start above said courses.
➢ To improve the research facilities the Department of Chemistry plans to purchase:
   1. Infrared spectrophotometer and NMR spectrophotometer (300/ 400 MHz)
➢ To introduce the project work for M.Sc. Chemistry (2-yr course), if appropriate financial assistance is obtained from University/ UGC New Delhi/ State government.
EVALUATIVE REPORT - COMMERCE AND BUSINESS MANAGEMENT

1. Name of the Department
   Department of Commerce and Business Management

2. Year of establishment
   1972

3. Is the Department part of a School/Faculty of the university?
   Faculty of Commerce and Business Management

4. Names of programmes offered (UG, PG, M.Phil., Ph.D., Integrated Masters; Integrated Ph.D., D.Sc., D.Litt., etc.)

   B.Com., B.Com.(Computer Applications), B.Com. (Banking & Insurance), M.Com., M.Com.(Finance and Accounting), M.Com. (Computer Applications)
   MBA., M.Phil., and Ph.D. Programmes are offered by the Department

5. Interdisciplinary programmes and departments involved
   ---

6. Courses in collaboration with other universities, industries, foreign institutions, etc.

   International Summer University (Collaboration with Management Development Institute, Gurgaon)

7. Details of programmes discontinued, if any, with reasons
   ---

8. Examination System: Semester System with Two Semesters per year

9. Participation of the department in the courses offered by other departments
   ---

10. Number of teaching posts sanctioned, filled and actual (Professors/Associate Professors/Asst. Professors/others)

    There are 11 Professors, 2 Associate Professors and 5 Associate Professors working in the Department

    | Sl No | Name of the Faculty Member | Qualifications | Experience (Years) | Specialization | M.Phils/Ph.Ds Guided |
    |------|---------------------------|----------------|-------------------|---------------|---------------------|
    | 1    | Prof.G.V.Bhavani Prasad   | M.Com., Ph.D., PGDCMP, CMC | 37 | Marketing & Information Technology | 4+10 |

11. Faculty profile with name, qualification, designation, area of specialization, experience and research under guidance

18. Inter-institutional collaborative projects and associated grants received

a) National collaboration: The Department has entered MOU with Management Development Institute, Gurgaon, for deputing the 2nd semester MBA students for International Summer University sessions conducted at MDI campus during the summer vacations for the students. One student was deputed in 2013 and 8 students are deputed in 2014.

b) International collaboration: ----

19. Departmental projects funded by DST-FIST; UGC-SAP/CAS, DPE; DBT, ICSSR, AICTE, etc.; total grants received.

The Department has been sanctioned Rs. 37.5 Lakhs under UGC – SAP/DRS programme for the period between 2009 – 2014. The Department was sanctioned Rs. 27 Lakhs from UGC under the scheme for strengthening the Existing Management Departments. DRS SAP – II 1.05 Crore & 1 PDF during XII Plan period commencing from 2015-16. UGC, KU 12 Five Plan 4.0 Lakhs towards purchase of books & equipment.

20. Research facility / centre with

- State recognition
- National recognition
- International recognition

21. Special research laboratories sponsored by / created by industry or corporate bodies - NA

22. Publications:

- Number of papers published in peer reviewed journals (national / international)- 14
- Monographs
- Chapters in Books
- Edited Books 07
- Books with ISBN with details of publishers
23. Details of patents and income generated – NA

24. Areas of consultancy and income generated – NA

25. Faculty selected nationally / internationally to visit other laboratories / institutions

Industries in India and abroad

Prof. G.V. Bhavani Prasad has visited Central Michigan University, Mt. Pleasant, Michigan, USA Between 1st September 2009 till 10 November 2009 under the Faculty Exchange Programme.

Prof. P. Krishnamachary chaired technical session in innovation and inroads in Commerce, Management & Technology in the Global Arena: Challenges Ahead at International Conference organized by University of Mumbai on 6-7 Feb., 2014.

Prof. P. Krishnamachary has participated and presented a research paper entitled “Leadership – An Excellence Key to Empowerment and Development – A success story of South Indian Village” at International conference organized by Innovation Leaders 2015 forum on 26th Feb., 2015 at Washington, Dc, USA.

26. Faculty serving in

a) National committees b) International committees c) Editorial Boards d) any other (please specify)

Prof. G.V. Bhavani Prasad has served a member in the State Level Committees constituted by AP State Council for Higher Education, Hyderabad, for recommending guidelines for Managing University Finances for State Universities, Finishing Schools and the Rules for Accounting and Finances of State Universities in Andhra Pradesh.

Other Faculty members were members of AICTE Inspection Teams, TSCHE Joint Inspection Committees and N. Hanumanth Rao, M. Subramanya Sharma and K Saylu are appointed as UG syllabus revision committee by TSCHE.

Apart from this all the faculty members were the Executive members of All Indian Commerce Association, Indian Accounting Association, Research Development Association, Indian Marketing Association, Indian Institute of Public Administration and many other research bodies.
In addition the faculty was serving as Paper Reviewers and members of editorial boards of different National and International Journals.

27. Faculty recharging strategies (UGC, ASC, Refresher / orientation programs, workshops, training programs and similar programs).
   Prof. N. Hanumantha Rao and Prof. P. Krishnamachary have attended One year FDP at IIMA, Ahmedabad.
   Prof. B. Venkata Rathnam and Prof. K. Sayulu have attended FDP at IIM, Lucknow.
   Prof. K. Omprakash and Prof. K. Raji Reddy have attended FDP at IIM, Lucknow.

28. Student projects - The MBA students of the Department carry out project studies in different industrial houses as part of their curriculum.
   Percentage of students who have done in-house projects including inter-departmental projects.
   Percentage of students doing projects in collaboration with other universities, industry, and institute.

29. Awards / recognitions received at the national and international level by Faculty.
   Prof. K. Krishna Reddy was awarded the State Teacher Award by the Government of Andhra Pradesh in 2012.
   Prof. G.V. Bhavani Prasad was awarded the State Teacher Award by the Government of Andhra Pradesh in 2012.
   Prof. Om Prakash was awarded the State Best Teacher Award by the Government of Telangana in 2016.
   Doctoral / Post Doctoral fellows: 6
   Students: ---

30. Seminars/ Conferences/Workshops organized and the source of funding.
   The Department organized the following seminars as part of SAP-DRS.
   1. Emerging Issues and Challenges in Insurance Sector in India.
   2. Emerging Dimensions in Corporate Governance – A Diagnostic and Prescriptive Approach.
   3. Companies Act, 2013 impact on CG joint seminar with ICA.

31. Code of ethics for research followed by the departments.
   The Department follows strict adherence to the Timings of work both for class work as well other works related to Research and University Related works. The students are encouraged to interact with the Faculty, both in house and Guest, with reference to their queries related to subjects and career.

39. List of doctoral, post-doctoral students and Research Associates - NA
   a) from the host institution/university
   b) from other institutions/universities

40. Number of post graduate students getting financial assistance from the university.
   90 per cent Students are receiving Fee Reimbursement for the tuition fee paid by them

41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology. NA

42. Does the department obtain feedback from
   a) Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?
      Faculty discusses the Developments in Curriculum through Periodic Meetings held by the Chairperson, Board of Studies, Departmental Committee and Departmental Research Committee
   b) Students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?
      Students provide feedback through exit interviews held by the Head of the Department
   c) Alumni and employers on the programmes offered and how does the department utilize the feedback?

43 List the distinguished alumni of the department (maximum 10)

   1. Mr. Jagadiswar Rao, IAS – MD, AP Breweries Corporation, Hyd
   2. Ms. Ashalatha Singh – Director, Academic programmes, ISB, HYD
   3. Dr.G.Sridhar – Faculty, IIM Kozikode
   4. Mr.T.Karunakar , Leading Chartered Accountant

44 Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.
   The Department Conducts Student Skill Development Workshops by inviting professional from the Industry. The organizations such as CAMEL, Strategist, Capital IQ

45 List the teaching methods adopted by the faculty for different programmes.
   The Department uses Case method, Role Play, Student Seminars and Discussions apart from the regular lecture method. The Students are made to attend Open Viva Voce conducted for Ph.D. and M.Phil Scholars for updating with current research in the subjects concerned

46 How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?
   The Departmental Committee, Faculty, Exit Interview and Interaction sessions of Faculty with the Students are used as sources for ensuring that the programme objectives are met.
47 Highlight the participation of students and faculty in extension activities.
   The Students organized Management Students Meet (MAD Show – Synergy was organized on 5th April 2014), Management and Commerce Student Seminars and Paper Presentations on regular basis, apart from regular participation in NSS programmes and Camps organized. In the recent Elections the Students organized campaigns to inculcate the voting by students and the voters belonging to their native villages and towns.

48 Give details of “beyond syllabus scholarly activities” of the department.
   The Faculty actively participates in the training programmes and workshops organized by different colleges and Universities in the regions.

   Prof.K.Omprakash, was appointed as the Convenor, ICET for the years 2011-12, 2012-13, and 2013-14 by the AP State Council for Higher Education, Government of Andhra Pradesh. He has received commendations for his dedicated work and the results shown by his work.

49 State whether the programme/ department is accredited/ graded by other agencies? If yes, give details.
   The Department has received Dewang Mehta Business School Awards as the Business School with Best Academic Input(Syllabus) in Human Resources in 2012, Sponsored by Hindustan Unilever Limited, co-sponsored by Hexaware and Deloitte and endorsed by Asian Confederation of Business.

   The Department received Second Prize for the programme on “Foreign Exchange for You” organized by Reserve Bank of India in 2012

50 Briefly highlight the contributions of the department in generating new knowledge, basic or applied.

51 Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.
   Strengths
   The Department has well Qualified Faculty
   The Department has Good Infrastructure
   The Department has Good Industry Linkages
   The Department has Good Library
   The Department has strong research base
   Wifi Seminar Hall

   Weaknesses
   Majority of the Faculty are retiring by 2017
   Students come from rural background and hence varios skills are to be imported
   Limited Financial and career support from the Industry
   Limited financial support from national agencies
   Limited Industrial base in Warangal

   Opportunities
   Scope for developing and imparting the area relevant programmes
   Scope for reaching out to Industries located in Hyderabad
Evaluative Reports

Scope for entering into MOUs with national level institutions especially with ISB, IIT, HCU and others

52 Future plans of the department.
The Department Intends to offer M.Com (Rural Entrepreneurship), MBA (Rural Management), MBA (Retailing), M Com (Financial Audit) in collaboration with Institute of Chartered Accountants of India and other MBA Programmes such as Travel and Tourism, Health Care Administration and M Com (Corporate Governance) in tie up Institute of Company Secretaries of India. Other job oriented programmes such Online Trading, Financial Services, Banking, Insurance, Financial Consulting and Agri-Market Consulting etc are in the future plans.
EVALUATIVE REPORT - COMPUTER SCIENCE

1. Name of the Department : Department of Computer Science

2. Year of establishment : 1992, October

3. Is the Department part of a School/Faculty of the university?

4. Names of programmes offered : Ph.D, M.C.A and M.Sc.(CS), PGDCA, BCA, B.Sc

5. Interdisciplinary programmes and departments involved: Yes
   a. Maths
   b. Economics
   c. Commerce

6. Courses in collaboration with other universities, industries, foreign institutions, etc.
   No

7. Details of programmes discontinued, if any, with reasons:
   Yes, M.Sc.IS: lack of demand.

8. Examination System:
   Semester with CBCS

9. Participation of the department in the courses offered by other departments : Yes

   Teaching of computer subjects in following courses.
   a) Integrated Chemistry/Biotechnology
   b) Micro-Biology
      a) English (training classes for PhD scholars and students)

39. Number of post graduate students getting financial assistance from the university: 120

40. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology: No

41. Does the department obtain feedback from Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?

Yes, utilized for improvement of the Curriculum

Students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?

Yes, to improve the Teaching modes and Teaching Practices

Alumni and employers on the programmes offered and how does the department utilize the feedback?

NO

42. List the distinguished alumni of the department (maximum 10):

Nil

43. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.

- Training conducted for students on Cloud Computing Awareness by IT Industry.
- Conducted certificate course (Spoken tutorials IIT-Bombay).

44. List the teaching methods adopted by the faculty for different programmes.

- PPTs.
- Interactive Boards.
- Projectors.
- Utilization of internet facilities.
45. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

1. Results of pass percentage in Particular Course
2. Employment of students

46. Highlight the participation of students and faculty in extension activities.

- Training non-computer students in Computer Fundamentals.
- Conducting certificate examinations (Spoken tutorials IIT-Bombay).
- Training N.G.O’s of our university in Computer Fundamentals.
- Gardening surroundings of our department.
- Training conducted for students on Cloud Computing Awareness by IT Industry.

47. Participation of Faculty in external Activities:

- Training non-computer students in Computer Fundamentals.
- Conducting certificate examinations (Spoken tutorials IIT-Bombay).
- Training N.G.O’s of our university in Computer Fundamentals.
- Gardening surroundings of our department.
- Training conducted for students on Cloud Computing Awareness by IT Industry.
49. State whether the programme/ department is accredited/ graded by other agencies? If yes, give details : --

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied : NIL

51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

Strengths:
- Young & Dynamic faculty
- Good Internet Facility with WI-FI facility
- E-Class Rooms
- Collaboration with IIT Bombay
- Innovative way of Teaching Methodologies

Weaknesses:
- Lack of Building Infrastructure
- Lack of Research Lab

Opportunities:
- Conduct of Certificate courses
- Developing modules for R & D under student projects
- Improving communicative skills
- Building the confidence among the students to get better remuneration

52. Future plans of the department.
- Establishment of research laboratories.
- Establishment of 5 Years integrated course in computers.
- Conduction of Alumni Meets.
- Establish of new Building.
EVALUATION REPORT – ECONOMICS DEPARTMENT

1. Name of the Department : DEPARTMENT OF ECONOMICS

2. Year of establishment : 1) University P.G. Centre, Osmania University-1974
    2) Department of Economics, Kakatiya University-1976

3. Is the Department part of a School/Faculty of the Social Sciences, University?
   YES

4. Names of programmes offered (UG, PG, M.Phil., Ph.D., etc.)
   (1) PG (Economics) (Two Years)   (2) UG (Economics) (Three Years)
   (3) M.Phil. (Economics) (18 Months)   (4) Ph.D. (Economics) (Three/Five Years)

5. Interdisciplinary programmes and departments involved

<td>-Nil-</td>
</tr>
</tbody>
</table>
37. Number of faculty who were awarded M.Phil., Ph.D., D.Sc. and D.Litt. during the Assessment period

   (1) 16 – Ph.Ds   (2) 08 – M.Phils

38. The infrastructural facilities available at present in the department are as under:

   Library : 550 (Books)
   Internet Facility to the Staff to the Students : YES
   Total Number of Class Rooms : 05
   With ICT facility : 01
   Student Laboratories : 01 (Computer Lab)
   Research Laboratories : - Nil-

39. The list of doctoral and post-doctoral students and research associates from the host-University is as follows:

   a) Doctoral : 66
   b) Post-doctoral : 02
   1. Dr. K. Jagajjiiven Rao
   2. Dr. Harishankar Bonoth

40. Research Associates : - Nil -

41. Five members of post-graduate students are getting merit scholarships from the university.

42. It is customary for our department to take feedback from the students with regard to teaching, Learning and evaluation every year and initiate action accordingly. For the last 5 years the Feedback of the students with regard to these three variables is excellent.

43. List the distinguished alumni of the department (maximum 10) - Nil -

44. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts. - Nil -

45. List the teaching methods adopted by the faculty for different programmes.
   a) Internal Assessment
   b) Classroom Observation
   c) Practicing Micro-Lessons
   d) Project Works
   e) Seminar Presentation
   f) Power-point Presentation for Effective Teaching
46. How does the department ensure that programme objectives are constantly met and learning Outcomes are monitored?
   a) Monthly Meetings are conducted with the Faculty for overall development

47. Highlight the participation of students and faculty in extension activities.
   a) Community Work Participation
   b) Environmental Awareness Programmes
   c) Population Club Activities
   d) Blood Donation Camps
   e) Intel Teach to the Future Programmes
   f) Orientation Programmes on B.Ed. Practicum

48. Give details of “beyond syllabus scholarly activities” of the department.
   - Nil

49. State whether the programme/ department is accredited/ graded by other agencies? If yes, give details.
   - No

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied: An Alumni Association was formed long back and a meeting was held in 2012 to seek their advice to improve the standards of the department. They interacted with the students and inspired them how they can get elevated to highest positions. They stressed the need for attending classes regularly not only to improve their subject knowledge but also communication skills. The list of alumni containing key personalities is presented below:

1. Mr. Gangadhar USA (University of Illinois)
2. Mrs. Neeraja USA
3. Mr. Devi Prasad World Bank (Washington), USA
4. Mr. Narayana Reddy University of PUNE
5. Dr. K. Prabhavathi Director, State Audit, Andhra Pradesh

In order to enrich the knowledge of the students the special lectures are conducted Involving External experts as mentioned below:
1. Prof. S. Indrakan
2. Prof. Shankar Chatterjee

At present the faculty of our department uses ICT and Power-point Programme to attract the students to learn the subject knowledge visually along with the traditional technique of using black-board. The merit of the students is evaluated in terms of grades and marks secured by them in order to assess to what extent the objectives of various programmes are achieved.
The students and faculty are involved in NSS activities and such other voluntary programmes like Blood Donation, Adult Education, Socio-Economic Survey, Women Empowerment, Ill effects of Alcoholism etc.

51. Detail five major Strengths, Weaknesses, and Opportunities & Challenges (SWOC)

The SWOC of the department is as under:
Strengths: the department is strengthened in five ways viz.,

i) Possessing Senior Faculty i.e., highly qualified and highly experienced;
ii) Sound Research Environment:
iii) Leading Department in Social Sciences;
iv) Teacher, Student-learner Environment;
v) Cordial relations between the Staff and Student
vi) Research Centric Environment

Weaknesses: The main weaknesses are:

i) Attainment of Superannuation by most of the Senior Faculty Members;
ii) Lack of faculty

Opportunities and Challenges: The opportunities and challenges to face are:

i) Chance of becoming small entrepreneurs;
ii) Establishment of NGOs to serve the community;
iii) Self-sustainment;
iv) Facing ever-increasing global competition;
v) Paucity of Funds from Funding Agencies;

52. Future Plans of the Department:

The department is enunciating to adopt the following steps to improve its academic standards.

1. Development of infrastructure;
2. Introduction of Employment Oriented and Skill Development Courses;
3. Recruitment of highly efficient Teaching and Non-teaching staff;
4. Establishment of Placement Cell; and
5. Introduce of MSc Health Economic to cater the needs of rural people after completing the course.
EVALUATIVE REPORT - EDUCATION DEPARTMENT

1. Name of the Department : DEPARTMENT OF EDUCATION UNIVERSITY COLLEGE OF EDUCATION

2. Year of establishment : Dept-1984; UCOE-1996

   a) National committees b) International committees c) Editorial Boards d) any other
   
   1) Prof. N. Ramnath Kishan – NAAC Peer VT Member & SRC-NCTE Visiting Team Member
   2) Prof. S. Mahender Reddy – NAAC Peer Team Member, VT Member NCTE, New Delhi,
      Editorial Board Member, i-manager Publications for Journal of Psychology in Education & Member, GERA, Punjab, India.

27. Faculty recharging strategies (UGC, ASC, Refresher / orientation programs, workshops, training programs and similar programs).

28. Student projects
   - School visit submission of the Report (B.Ed.)
   - Class room teaching observation submission of the Report (B.Ed.)
   - Class room teaching submission of the Report (M.Ed.)

29. Awards / recognitions received at the national and international level by

   • Faculty - Nil
   • Doctoral / Post-Doctoral Fellows 25/2
   • Students 2-JRF/ 4-RGNF

30. Seminars/Conferences/Workshops organized and the source of funding (national / international) with details of outstanding participants, if any.

   1) TSCHE sponsored National Seminar on “Reflection on Two Years B.Ed. Curriculum : Suggestive Models” was organized on 28th & 29th November, 2015.

31. Code of ethics for research followed by the departments

   • Entrance Examination conducted by the University.
   • Admissions are taken based on Merit.
   • Topic of the research is finalized in the board consisting of external subject experts.
   • Daily attendance of Research scholars & PDFs.
   • Engaged in regular class room teaching for B.Ed. & M.Ed.
   • Two Seminars presentation by the research scholars for the submissions f the thesis.
   • Open viva-voce before award of Ph.D. degree.
   • Plagarism check is done before submission of the thesis.

39. List of doctoral, post-doctoral students and Research Associates

- a) from the host institution/university
- b) from other institutions/universities

40. Number of post graduate students getting financial assistance from the university.

- Nil -

41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology.

- Nil -

42. Does the department obtain feedback from

- a) faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?

Yes

- b) students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?

Yes

- c) alumni and employers on the programmes offered and how does the department utilize the feedback?

- Nil -

43. List the distinguished alumni of the department (maximum 10)

- Nil -

44. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.

- a) Extension Lecturers on Dram by Dr. Veerasawmy, Navodaya Vidyalam, Mamnoon, Warangal.
- b) Extension Lecturers on Arts Education by Dr. A. Venkanna, Kedriya Vidyalam,
Madikonda, Warangal.

c) Extension Lecturers on Yoga by Sri. V. Ramu, National Awardee, Patanjali Yoga Centre, Warangal.

45. List the teaching methods adopted by the faculty for different programmes.

g) Internal Assessment conduct of Test & Field Engagement
h) Classroom Observation
i) Practicing Micro-Lessons
j) Project Works
k) Seminar Presentation
l) Power-point Presentation for Effective Teaching

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

a) Monthly Meetings are conducted with the Faculty for overall development

47. Highlight the participation of students and faculty in extension activities.

a) Community Work Participation
b) Environmental Awareness Programmes
c) Population Club Activities
d) Blood Donation Camps
e) Intel Teach to the Future Programmes
f) Orientation Programmes on B.Ed. Practicum

48. Give details of “beyond syllabus scholarly activities” of the department.

a) Constitution Day
b) Voter Day
c) Teachers Day
d) Mathematics Day
e) Sciences Exhibitions
f) Yoga Day

49. State whether the programme/ department is accredited/ graded by other agencies? If yes, give details.
   No -

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.
   2. Involved in literacy awareness and functionally of manners in the village’s design of the syllabus as compulsory ad add on courses for involving students in Rural Development.
   3. Organized Refresher Courses, Orientation Programmes, Workshops & Seminars.
51. Detail five major Strengths, Weaknesses, Opportunities & Challenges (SWOC)

Strengths:
- Positive student-teacher interaction and good discipline
- Good results and negligible dropout rate
- Good building and infrastructure facilities

Weakness:
- Expertise in consultancy and outside linkages not developed.
- No mechanism to reward and motivate staff for good performance
- ICT based teaching learning is not properly introduced in classrooms
- Research culture to be initiated
- Lack of quality enhancement mechanism and professional development of teachers.

Opportunities:
- Designing perspective plan for future development.
- Digitalizing library and enhancing facilities
- Use of ICT in a big way.

Challenges:
- Opportunity to develop a research cell.
- Keeping pace with latest development and global needs.
- Sustaining quality assurance practices.
- Taking competition from similar institutions
- Scope for exchange programmes.
- Make use of alumni and other stakeholders.

52. Future plans of the department.

a) Planning to develop Educational Technology & Computer Assisted Learning.
b) To establish Language Laboratory and Psychology Laboratory.
c) To Skill Development Programmes undertake.
d) To encourage students and faculty to undertake research projects.
EVALUATIVE REPORT DEPARTMENT OF ENGLISH

1. Name of the Department: ENGLISH

2. Year of establishment: 1967

3. Is the Department part of a Faculty of the university? Yes

4. Names of programmes offered: MA, M. Phil, Ph. D.

5. Interdisciplinary programmes and departments involved: Nil

6. Courses in collaboration with other universities, industries, foreign institutions, etc.: Nil

7. Details of programmes discontinued, if any, with reasons: Nil

8. Examination System:

   Semester system

9. Participation of the department in the courses offered by other departments:

   a) As part of the CBCS students opt for open electives offered by other departments like History, Computer Science, Public Admn, Political Science, Journalism etc.
   b) The Department offers Remedial Programmes in Communication Skills to students of other departments.
   c) As part of the CBCS the Department of English offers Academic Writing in II Semester and Society and Films in IV Semester for students of other departments.

   a) from the host institution/university  Nil
   b) from other institutions/universities  Nil

40. Number of post graduate students getting financial assistance from the university:

   Nil

41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology.

   –Nil-

42. Does the department obtain feedback from

   a. faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?

       Yes

   b. students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?

       Yes

   c. alumni and employers on the programmes offered and how does the department utilize the feedback?

       Yes

43. List the distinguished alumni of the department (maximum 10)

   1. Sri Sirikonda Madhusudhana Chary, Speaker, Telangana Legislative Assembly.
   2. Prof V. Gopal Reddy, former Vice-Chancellor, Kakatiya and Palmuru Universities
   3. Prof. Sunaina Singh, Vice-Chancellor, EFLU, Hyderabad
   4. Prof. D. Venkat Rao, EFLU, Hyderabad
   5. Dr. Meena Bhushan, EFLU, Hyderabad.
   6. Dr. B. Krishnaiah, University of Hyderabad, Hyderabad.
   7. Dr. B. Vijaya, Osmania University, Hyderabad
   8. Dr. K. Subhasini, Osmania University, Hyderabad
   9. Dr. K. Sridevi, Osmania University, Hyderabad.
   10. Dr. M. Koteshwar Rao, Krishna University, Machilipatnam
44. Give details of student enrichment programmes (special lectures/workshops/seminar) involving external experts.
   1. Remedial Classes in communication skills
   2. Guest Lectures on Language & Literature
   3. Lectures by Retired Professors.
   4. Lectures by Visiting Professors
   5. Meet the Author Programmes.

45. List the teaching methods adopted by the faculty for different programmes.
    1. Interactive Method
    2. Learner Centre Method
    3. Teaching Through PPT

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored? Programme objectives are monitored through student feedback and answer scripts

47. Highlight the participation of students and faculty in extension activities.

   a) All the students participate in Extension activities like NCC, NSS, Plantation, And Swatch Bharat Programmes.

   b) Mr. Md. Azam (batch of 2012-14) received from the President of India the prestigious Indira Gandhi National NSS award for best volunteer in 2013.

   c) Mr. K. Suman (batch of 2015-17) received the University Best NSS Volunteer for 2015, and also acted as District programme co-ordinator of Seva Tourism 2014-16

48. Give details of “beyond syllabus scholarly activities” of the department.
    The Department undertakes the following activities:

    1. Practice Teaching outside the University
    2. Imparting Report writing skills
    3. Student Seminars.
    4. Screening of films based on literary texts
    5. Encouraging students to write research articles
    6. Organising “Meet the Author” Programmes.
    7. Distribution of books written by creative writers/translators to the students.
    8. Inculcating interest in allied subjects like journalism and organising lectures by experts in the field.

49. State whether the programme/department is accredited/graded by other agencies? If yes, give details: Nil

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied:

   a) The faculty of the Department are resourceful in generating knowledge in theory and classroom applications.
b) The department has so far organised 31 seminars/conferences/workshops since inception generating new ideas in research, thrust areas.

c) The department boasts of a research journal, Kakatiya Journal of English Studies, since 1976. So far 36 volumes have been brought out some of which are Special Numbers on significant themes and literary personalities.

d) The faculty members have been extensively engaged in translations of Telugu works into English and vice versa. Hundreds of poems, short fiction, bhakti literature and non-fiction have been published and edited in books, anthologies and literary journals.

e) The faculty members have been actively engaged in outreach programmes, extension activities, and their role in strengthening university leadership has been substantial. Faculty members have occupied important positions such as Vice-Chancellor of universities, Member, Executive Council, Dean, Academic Audit, Dean, College Development Council, Principals of University constituent colleges, Controller of Examinations, Library Member-in-charge and Director, Foreign Relations among others.

51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

Strengths
a. Sincere and hardworking Faculty
b. Long history of the department, now entering its Golden Jubilee Year
c. A long-running reputed research journal
d. Providing leadership in Research, Text book preparation,
e. Participation in Extension activities, outreach programmes.

Weaknesses
a. Depleting Faculty strength with many retirements taking place.
b. No fresh recruitment in the last ten years.

Opportunities
a. Conducting classes for improving the communicative skills among all the students in the campus.
b. Conduction of certificate courses

52. Future plans of the department:

The department plans to offer the following in future:

1. UGC DRS-II.
2. Introducing M.A. in ELT
4. Making the Seminar Hall Fully equipped.
5. Construction of a compound wall
EVALUATIVE REPORT – KAKATIYA UNIVERSITY COLLEGE OF ENGINEERING & TECHNOLOGY (KUCET)

- From the other institutions/universities: Nil

40. Number of post graduate students getting financial assistance from the university.

NIL
41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology.

- Yes, the new programs will be introduced based on expertise, facilities, infrastructure and financial support from the university. A detailed report will be supported to university for the consideration and approval

42. Does the development obtain feedback from

i. Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the college utilize the feedback?

Yes. time to time the department will obtain feedback from the faculty on curriculum and evolve method to update it. The new thoughts, contemporary ideas, novel programmes and student friendly and industry oriented syllabus shall be incorporated to strengthen the curriculum.

ii. Students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?

After completion of the degree the student will be given feedback form for their opinion and suggestion in terms of evaluation. Accordingly, the department and the administration together plan for the improvement of educational quality and refresh the teachers involved in active teaching.

iii. Alumni and employers on the programmes offered and how does the college utilize the feedback?

The alumni meet will be conducted and their feedback is sought for the improvement of quality in education and providing adequate facilities for the students. Similarly, the feedback from the employers also collected and used for the promotion of infrastructure and providing good accommodation to the students.

43. List the distinguished alumni of the college (maximum 10)

- Mr. Sudhir, Dept of ECE, KUCET: Engineer, National Power Corporation India Limited
- Mr. Mittapally Harish Kumar, Dept of ME, KUCET: Engineer, Tata Consulting Engineers Limited
- Mr. Shaik Abdul Basith Azam, Dept of Me, KUCET: Engineer, Tata Consulting Engineers Limited
44. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.

- The department is actively participating in the organization of training programme, workshops, seminars, student counseling etc.
- The student performance is assessed through the introduction of semester system. Enough emphasis is given to internal assessment.

45. List of teaching methods adopted by the faculty for different programmes.

- Overhead projectors for PPT Presentations
- Internet facility-Real Time Video Lecturers
- Real objects-Model based teaching
- Online teaching lectures
- Video lectures-NPTEL Lectures

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

- Programme objectives are monitored through periodical test, University exams, competitive examinations, campus selections and also from the feedback from the students and parents.

47. Highlight the participation of students and faculty in extension activities.

- The students are trained in R&D institutes and industries. They are encouraged to take up the project work and give the seminars. The students are encouraged to appear for GATE, IES and other competitive examinations.

48. Give details of “beyond syllabus scholarly activities” of the department.

- The senior faculty is actively engaged as resource persons to various academic bodies like universities, institutes, government agencies, NGOs. They are also acting as resource persons for authorities of competitive examinations

49. State whether the programme/department is accredited / graded by other agencies?

AAA Grade- Carrier 360 Educational Magazine Survey

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.

- The department is actively participating in the organization of training programme workshops, seminars, student counseling
- Students are working in Govt Defense, Premier Research Institutions and Industries to implement their academic research projects.
- Students also deputed to industry under internship programs
51. Details of five major strengths and Weaknesses, Opportunities and Challenges (SWOC) of the department.

Strengths:
- Regular evaluation by conducting seminars and technical quiz programs among the students
- Assigning Internal Projects to the students to develop the skills in Engineering
- Senior qualified teaching faculty having wide exposure in Engineering and Technological areas
- We have adequate expertise as evidenced by our research publications.
- We have published research papers with good impact factor
- Our research papers are cited in journals and books. We have established linkage/collaborations with Professors of Indian and foreign universities for undertaking research work.
- We have MOUs with Govt Research laboratories, Industries and International Universities and also have access to Govt. Defense Research and Space Research Laboratories for students for their academic research projects
- Senior faculty regularly reviewing the articles to be published in International Journal of Measurements-Elsevier, IEEE Conference Proceedings and Transactions. They are editorial board members of several journals
- Senior faculty also involved as examiner to PhD research thesis of other universities in state and out of state

Weaknesses:
- Lack of sufficient number of faculty
- Lack of sufficient infrastructure and laboratory facilities as per AICTE and NBA norms

Opportunities:
- Engineering and Technology plays a prominent role in solving industrial and societal problems. Moreover, it will support the sustainability of other areas and interdisciplinary research. Therefore, there is several opportunities for better employment and challenging assignments
- Engineering students find job opportunities in Government, private sectors of research, industry, and teaching. They will also get opportunity to become as entrepreneur

Challenges:
- To develop students to industry ready for more employability
- To prepare the students to meet the global market standards for better future in teaching, research, higher education leading PhD and POSTDOC research
- To impart relevant skill for the students to became entrepreneur-Job Creators

52. Future plans of the department.

- To develop the state- of- art laboratories to train the students in latest technologies
- To introduce skill development courses to improve the employability
- To develop state-of-art research facilities to strength PG and PhD research
- To improve the teaching by computer aided, Web based methodologies
• To establish interaction and collaboration with industry to enhance job opportunities
• To establish language laboratory for improving the communication and writing skills
• To modernize the curriculum to suit the need of industry and competitive examinations
• To improve the industrial relations, more MOUs will be written for the benefit of students and faculty
• Special industrial training programs will be conducted to students for improving entrepreneur skills
EVALUATIVE REPORT - GEOLOGY DEPARTMENT

1. Name of the Department : GEOLOGY

2. Year of Establishment : 1989

3. Is the Department part of a School/Faculty of the university? : University

   UG, PG and Ph.D.

5. Interdisciplinary programmes and departments involved: NIL

6. Courses in collaboration with other universities, industries, foreign institutions, etc. : NIL

7. Details of programmes discontinued, if any, with reasons: NIL

8. Examination System: Annual/Semester/Trimester/Choice Based Credit System: Semester

9. Participation of the department in the courses offered by other departments: Environmental Science.

44. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.

Organizing Extension lectures, workshops and seminars by external experts for the benefit of MSc previous and Final year students.

45. List the teaching methods adopted by the faculty for different programmes: 1) Usage of teaching aids like LCD, OVER HEAD-PROJECTOR, MAPS, CHARTS, MODELS etc. 2) Tutorials etc.

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored? The teaching and training imparted to the students is as for the need of industry.

47. Highlight the participation of students and faculty in extension activities: Actively participated in sensitising the people in practicing rain water harvesting.

48. Give details of “beyond syllabus scholarly activities” of the department: encouraging students and Research scholars to participate in seminars and workshops.

49. State whether the programme/ department is accredited/ graded by other agencies? If yes, give details: No

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.
51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

   1. Orientation of syllabus as per the needs of Industries.
   2. To train the Students show as to with stand the competition in the job Market
   3. To develop collaborative projects with other Universities in the new frontiers of Research.
   4. To sign MOU’S with National / Multinational Companies.
   5. To encourage the Faculty to apply for Projects to different funding Agencies for the Development of the Research and Department

52. Future plans of the department.

   The Department of Geology has very ambitious plans for the coming years in the areas of teaching, research and consultancy. As the Department is housed in very limited space with the help of administration additional space will be created by constructing the first floor on the existing building and procurement of advanced lab equipment. The additional accommodation and equipment enables the staff to undertake the research work in well equipped laboratories the students and scholars will also get benefited with well equipped laboratories.

   The Teachers are enthusiastic to complete the ongoing research projects successfully and apply for innovative research projects with the different National and International funding agencies.

   The other important thrust area is to mould the students as per the needs of Industry. As the Department is proud to achieve 70% placements to all the PG Students in National/Multinational Companies and the Department has chalked out plans to keep up and still improve the employment potential to its students in the future.
EVALUATIVE REPORT - HISTORY & TOURISM MANAGEMENT DEPARTMENT

1. Name of the Department
   ➢ Department of History & Tourism Management

2. Year of Establishment
   ➢ 1984

3. Is the Department part of a School/Faculty of the University?
   ➢ Faculty of Social Sciences

4. Names of programmes offered (UG, PG, M.Phil., Ph.D., Integrated Masters; Integrated Ph.D., D.Sc., D.Litt., etc.)
   ➢ UG (B.A History & B.Voc Tourism)
   ➢ PG M.A History & Master of Tourism Management)
   ➢ M.Phil. (History)
   ➢ Ph.D (History & Master of Tourism Management)

5. Interdisciplinary programmes and departments involved
   ➢ Economics, Political Science, Public Administration and Science Departments
     (MA CBCS paper offered by the Department is taken by the above Dept students)

6. Courses in collaboration with other Universities, Industries, Foreign Institutions, etc.
   State Archives, Department of Archaeology, Government of Telangana, BRAOU, Hyderabad

7. Details of programmes discontinued, if any, with reasons
   ➢ Nil

8. Examination System: Annual/Semester/Trimester/Choice Based Credit System
   ➢ UG (B.A History & B.Voc Tourism) Semester & Annual
   ➢ PG M.A History & Master of Tourism Management) Semester

9. Participation of the department in the courses offered by other departments
   Our Students opt for papers in Computer Science Departments & Environmental Studies

40. Number of post graduate students getting financial assistance from the university.
Nil

41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology.
Yes, Needs of the Students employability and Needs of the region.

42. Does the department obtain feedback from -Yes

   i. Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback? The Department utilizes the feedback to improve teaching methods and providing quality content material.

   ii. Students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback? The feedback used to teaching employability and life skills.

   iii. Alumni and employers on the programmes offered and how does the department utilize the feedback? The feedback is utilised to improve ongoing programmes and to tailor and start innovative programs for students and scholars

   We take the feedback from students, scholars and faculty members informally and sometimes formally by distributing feedback forms to the students. We utilize the feedback to improve the quality in teaching and also to revise the syllabus. The feedback is also utilising in conducting training programmes to the scholars and young teachers in the department.

43. List the distinguished alumni of the department (maximum 10)

   Prof. G. Bhadru Naik, Department of History & Tourism Management, Kakatiya University, Warangal
   Prof. K. Vijaya Babu, Department of History & Tourism Management, Kakatiya University, Warangal
   Dr. T. Manohar, Department of History & Tourism Management, Kakatiya University, Warangal
   Dr. T. Dayakar Rao, Department of History & Tourism Management, Kakatiya University, Warangal
   Dr. P. Sadanandam, Department of History & Tourism Management, Kakatiya University, Warangal
   Dr. T. Buchi Babu, director, Bharathi Vidya Bhavan, Warangal
   Dr. M. Sambaiah, Reader, CKM College, Warangal
Dr. B. Sambamurthy, Principal, Govt Degree College, Rangasaiper, Warangal
Dr. R. Bhaskar Rao, Lecturer, Govt Kakatiya Degree College, Hanamkonda, Warangal
Dr. B. Babu Rao, Associate Professor, PST University, Srisailam
Dr. G. Dayakar, Assistant Professor, Dr. B. R. Ambedkar University, Warangal
Prof. N. Kanakarathnam, Department of History, Dravidian University, Kuppam
Dr. G. Venkanna, Assistant Professor, PST University, Warangal

44. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.
Dr. K.S.A.M. Ishrat Alam, Member Secretary, ICHR, NEW Delhi
Prof. O. Anantha Ramaiah, Former Vice Chancellor, Tumkur University, Mysore
Prof. Kankanala Rathnaiah, Vice Chancellor, Dravidian University, Kuppam

Prof. E. Sudha Rani, Head, Dr. B. R. Ambedkar University, Hyderabad
Prof. A. Satyanarayana, Department of History, Osmania University, Hyderabad
Prof. Jigar Mahamad, Department of History, jamm University, Jammu.
Dr. B. Rama Chandra Reddy, Department of History, K. M. C. Post-Graduate Studies, Puducherry
Dr. Priyadarshini Vijaisri, Fellow, CSDS, New Delhi
Prof. K. Sadasiva, Dept of History, University of Mysore, Mysore
Prof. Kanakarathnam, Dept. of History, Dravidian University, Kuppam, Chittoor
Prof. S. Victor Babu, Babasaheb Bhimrao Ambedkar University, Lucknow
Prof. Y. Chinna Rao, JNU, New Delhi

45. List the teaching methods adopted by the faculty for different programmes.
Lectures
Seminars through LCD projector
Internet search method
Field work
Archaeological Field work and Historical tours

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?
Continuous evaluation and internal assessment tests are conducted

47. Highlight the participation of students and faculty in extension activities.
Some of our Faculty members delivered talks on All India Radio and also gave popular lectures on TV channels for Sammakka Saralama Festival, Kakatiya Kala Vaibavalu and Temples of Warangal etc.
Our faculty members gave talks on All India Radio and Doordarshan on the topics like Republic day & Indian Constitution, Contemporary Social Issues, Educational issues, Tourism Promotion, Rural Indian Economic problems, Environmental problems etc..
Our students actively take part in NSS Programmes such as plantation, blood donation, conservation of natural resources and anti pollution campaigns.

48. Give details of “beyond syllabus scholarly activities” of the department.
   ➢ The Department regularly celebrates Tourism Day every year on 27th September.
   ➢ The Department has been undertaking the Archaeological field study in different areas of this region.
   ➢ The Students and Scholars have paid visits to the historical places as part of Curriculum.
   ➢ The Department also associated with the district Administration in the celebration of Kakatiya Festivals.

49. State whether the programme/department is accredited/graded by other agencies?
   Yes by News Papers (our MTM is considered the only program in a University in Telangana)

50. If yes, give details.
   Deccan Chronicle Report

51. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.
   ➢ The Department has started Tourism Management course (PG) in the year 2000 and has been successfully running the course for the last 14 years and our students have joined in different Tourism related offices in the government of A.P and Tamilnadu etc., and also in Tourism industry in all the major cities of India & settled in Singapore, Malaysia, UK, USA, Dubai etc.,
   Their Project Reports are great contribution to Tourism related knowledge
   ➢ Our Teachers and Scholars have published research articles and books on various aspects of History and Tourism Management

52. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.
   ➢ Strengths:
     ▪ Strong faculty with specialization in different areas of History and Tourism Management
     ▪ Department library
     ▪ Department Museum
     ▪ UGC, SAP (DRS-II)
     ▪ Research Projects, PDF, RGNF, ICHR and ICSSR Fellowships
     ▪ State Archive Unit
Weaknesses:
- Most of the Senior teachers have been retired
- Part-time teachers are running the courses
- Insufficient space in department for faculty members
- Lack of Museum Hall
- Insufficient funds to develop infrastructure Seminar Halls and staff rooms

Opportunities:
- Our History & Tourism students are able to get several employment opportunities like teachers, lecturers, civil servants and tourism professionals in India and abroad.

Challenges:
- Since our students are drawn from rural and tribal areas, there is a need to improve English communication skills, Computer skills and personality development

53. Future plans of the department.

- The Department proposes to organize the 78th Annual Session of Indian History Congress in the month of December, 2017.
- The Department proposes to establish the Centre for Kakatiya Studies to undertake research on the contribution of Kakatiyas to Art, Architecture and Literature.
EVALUATIVE REPORT – LIBRARY & INFORMATION SCIENCE DEPARTMENT

1. Name of the Department : Department of Library and Information Science
2. Year of establishment : 2005
3. Is the Department part of a School/Faculty of the university? : Faculty of Social Sciences
4. Names of programmes offered (UG, PG, M.Phil., Ph.D., Integrated Masters; Integrated Ph.D., D.Sc., D.Litt., etc.) : MLISc (PG); BLISc (Distance mode from School of Distance Learning and Continuing Education)
5. Interdisciplinary programmes and departments involved : Internship in University Library
6. Courses in collaboration with other universities, industries, foreign institutions, etc: Apprenticeship in NIT, Warangal and CCMB, Hyderabad, after completion of MLISc.
7. Details of programmes discontinued, if any, with reasons : None
8. Examination System: Annual/Semester/Trimester/Choice Based Credit System : Semester
9. Participation of the department in the courses offered by other departments : M.A. (Gender Studies)
10. Number of teaching posts sanctioned, filled and actual (Professors/Associate Professors/Asst. Professors/others)

<table>

12. List of senior Visiting Fellows, adjunct faculty, emeritus professors:
Prof. S. Sudharshan Rao, ICSSR Senior Fellow, Osmania University
Prof. K. V. Janardhan Rao, Commerce and Business Management, Kakatiya University
Mr. O. Bhuvan Kurmar, Retd. Assistant Professor, KU
Mr. M. Subramanya Sharma, Commerce and Business Management, Kakatiya University

13. Percentage of classes taken by temporary faculty – programme-wise information: 33%

14. Programme-wise Student Teacher Ratio: 1:21

15. Number of academic support staff (technical) and administrative staff: sanctioned, filled and actual. None

16. Research thrust areas as recognized by major funding agencies. None

17. Number of faculty with ongoing projects from a) national b) international funding agencies and c) Total grants received. Give the names of the funding agencies, project title and grants received project-wise. None

18. Inter-institutional collaborative projects and associated grants received

   a) National collaboration: None
   b) International collaboration: None

19. Departmental projects funded by DST-FIST; UGC-SAP/CAS, DPE; DBT, ICSSR, AICTE, etc.; total grants received. None

20. Research facility / centre with:

   a. state recognition
   b. national recognition
   c. international recognition

None
21. Special research laboratories sponsored by / created by industry or corporate bodies None

22. Publications:

* Number of papers published in peer reviewed journals (national / international)
  2 (national)
* Monographs
* Chapters in Books
* Edited Books
* Books with ISBN with details of publishers:

1) Libraries in the Information Age, Published by Prof. V. Nireekshana Babu, Director of Publications, P S Telugu University, Hyderabad ISBN 978-81-921167-4-7

* Number listed in International Database (For e.g. Web of Science, Scopus, Humanities International Complete, Dare Database - International Social Sciences Directory, EBSCO host, etc.)
* Citation Index – range / average
* SNIP
* SJR
* Impact Factor – range / average
* h-index

23. Details of patents and income generated. None

24. Areas of consultancy and income generated. None

25. Faculty selected nationally / internationally to visit other laboratories / institutions

  a. industries in India and abroad. None

26. Faculty serving in

  c) National committees  b) International committees  c) Editorial Boards  d) any other (please specify)
  KUJOSS Editorial Board
  EC Member of Professional Association (ALSD)
  Life member of Andhra Pradesh Public Libraries Association
  Governing Body Member of Three Colleges
  Member, Board of Studies of Dept. Of Lib & Inf. Sci., Osmania University, Hyd
  Member, Board of Studies of Dept. Of Lib & Inf. Sci., BRAOU, Hyd
  Member of Standing Committee of Centre for Women Studies, KU, Wgl
  Member, Advisory Committee of International Conference – ICDL 2014
27. Faculty recharging strategies (UGC, ASC, Refresher / orientation programs, workshops, training programs and similar programs).

   1. Orientation Programme - 1
   2. Capacity Building Programme of researchers of Social Sciences - 1

28. Student projects None

   a. percentage of students who have done in-house projects including inter-departmental projects
   b. percentage of students doing projects in collaboration with other universities

1. industry / institute

29. Awards / recognitions received at the national and international level by

   a. Faculty : Award for excellence in Youth Festival 2013 (Yuvakalarathna)
   b. Doctoral / post doctoral fellows : None
   c. Students : 5 qualified for NET / SET.

30. Seminars/ Conferences/Workshops organized and the source of funding (national

   i. international) with details of outstanding participants, if any. None

31. Code of ethics for research followed by the departments NA

</tbody>
</table>

37. Number of faculty who were awarded M.Phil., Ph.D., D.Sc. and D.Litt. during the assessment period None
38. Present details of departmental infrastructural facilities with regard to

d) Library : Departmental Library of around 300 books

e) Internet facilities for staff and students : Computer Lab with 11 Systems

f) Total number of class rooms : 1 Classroom
   1 Computer Lab
   1 Office Room and
   1 Department Library & Ladies Waiting Room

   ➢ Class rooms with ICT facility : Yes (OHP, Computer, LCD TV)

g) Students’ laboratories : Computer Lab

   ➢ Research laboratories : NA

39. List of doctoral, post-doctoral students and Research Associates NA

   a) from the host institution/university
   b) from other institutions/universities

40. Number of post graduate students getting financial assistance from the university.
  Student Scholarships from Government (For eligible SC, ST, BC)

41. Was any need assessment exercise undertaken before the development of new
  programme(s)? If so, highlight the methodology. No

42. Does the department obtain feedback from

  faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback? NA

  students on staff, curriculum and teaching-learning-evaluation and
  how does the department utilize the feedback? Yes, Improving staff
  competencies by attending Orientation programme and Refresher
  Course

  alumni and employers on the programmes offered and how does the
  department utilize the feedback?

43. List the distinguished alumni of the department (maximum 10)
  Class I Ranker: 2010-11: Nirmala; 2011-12: Gopi; 2012-13: Sreedevi
  NET Qualified (from 2010 – 2014): G Raju, V. Anil

44. Give details of student enrichment programmes (special lectures / workshops /
  seminar) involving external experts.
  1) Personality Development Session by V. Rajeshwari from Vseries, Hyderabad
  2) Communication Skills Development for MLISc students by faculty of CELT, KU
     (for 2011-12, 2012-13, 2013-14 batches)
45. List the teaching methods adopted by the faculty for different programmes.

Apart from Lecture method,
- Conducting of Student Seminars on a Topic of Library and information Science
- Conducting Group discussion on a given topic.
- Usage of ICT facilities for PPT presentation for teaching, Running some videos on LCD for better understanding
- Encouraging for Library tour to other institutions to gain exposure
- Career Counselling and guidance on job opportunities in Library Sciences.
- Encouraging participation in TV programmes

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

This programme (MLISc ) was started to ensure that the rural Telangana students have an opportunity to pursue this professional course in regular mode and get good exposure and gain good jobs. And, this objective is fulfilled as almost all the students; immediately after completion of MLISc are placed in various higher education institutions or organisations.

47. Highlight the participation of students and faculty in extension activities.

- Faculty and Students participated in Youth festival (Yuvakalarathna-2013) as committee members and volunteers respectively and received awards for commitment and dedication.
- Faculty participation in university convocation programme.
- Provide counselling and guidance to girl students in Hostel of the Kakatiya University
- Participation in various activities such as, sports etc.
- Celebrating Librarian’s day every year on 12th August

48. Give details of “beyond syllabus scholarly activities” of the department.

Encouraging for Library tours to give exposure of the activities handled by information professionals and thus encouraging for higher studies in Library Science field.

49. State whether the programme/ department is accredited/ graded by other agencies? If yes, give details. No.

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.
51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

Strengths:
- Strong Alumni
- Good Placement of the outgoing students
- UGC NET oriented syllabus
- UGC NET oriented teaching
- Encouraging hands on experience by providing apprenticeship in reputed institutions

Weakness:
- Insufficient Faculty
- No supporting Staff (Clerk, typist, Lab Assistant etc.)
- Lack of Infrastructural facilities.
- Lack of proper accommodation for the department
- Lack Ladies washrooms.
- Insufficient computer in Lab.

Opportunities
- As this is professional course - Good employment opportunities
- As a part of curriculum students go on Internship to work in various department in University Library and gain hands on experience.
- Department has liaison with reputed institutions and students are encouraged to go on apprenticeship after completion of MLISc.
- Department with the help of CELT, KU also conduct communication classes for Students to face the interviews.
- Department computer lab helps the students to have good exposure to online searching and good knowledge on online databases and thus making them information literates.

Challenges
- Additional faculty
- Proper accommodation for the department in par with other PG courses
- Request for additional Support staff (Clerk, Typist, Lab assistant etc)

52. Future plans of the department.

- To revise the syllabus
- To start BLISc in regular mode
- Expansion of Computer Lab
- Conduction of workshops/ conferences, seminars and lectures
- Institution of Gold Medal.
EVALUATIVE REPORT – MATHEMATICS DEPARTMENT

1. Name of the Department: Mathematics

2. Year of Establishment: 1967

3. Is the Department Part of a School/Faculty of the University?: Part of University

   (i) M.Sc. (Mathematics)
   (ii) M.Sc. (Applied Mathematics)
   (iii) Ph.D.

5. Interdisciplinary Programs and Department involved

   The faculty of the department of Mathematics have involved in the following program:
   (i) B.Tech. (KU College of Engineering and Technology and KU College of Engineering for Women)
   (ii) 5years Integrated Chemistry Program (Department of Chemistry)
   (iii) 5years Integrated Biotechnology Program (Department of Biotechnology)
   (iv) M.C.A (Department of Informatics)
   (v) B. Pharm. (College of Pharmacy).

6. Courses in Collaboration with Other Universities, Industries, Foreign Institution, etc.
   Nil

7. Details of programs discontinued, if any with reasons
   Nil

8. Examination System: Annual/Semester/Trimester/Choice based Credit System
   Semester System with Choice based Credit System

9. Participation of the department in the courses offered by other by departments
   (i) B.Tech. (KU College of Engineering and Technology and KU College of Engineering for Women)
   (ii) 5years Integrated Chemistry Program (Department of Chemistry)
   (iii) 5years Integrated Biotechnology Program (Department of Biotechnology)
   (iv) M.C.A (Department of Informatics)
   (v) B. Pharm. (College of Pharmacy).

    ---

25. Faculty selected nationally/internationally to visit other laboratories / institutions / industries in India and abroad
   (i) Prof. Malla Reddy Perati visited School of Medicine, New York University in the year 2012.
   (ii) Prof. Malla Reddy Perati visited Indian Institute of Science, Bangalore
26. Faculty serving in

a) National committees
b) International committees
c) Editorial Boards
d) any other
(Please specify)

Prof. P. Malla Reddy is reviewer for the following international journals:
1. Journal of Vibration and Control (JVC)
2. Journal of Porous Media
3. Special Topics and Reviews in Porous Media, an International Journal
4. Geophysical Journal International
5. International Journal of Communication Systems

27. Faculty recharging strategies (UGC, ASC, Refresher/orientation programs, workshops, training programs and similar programs).

Faculty members in the department attend refresher courses, orientation Programs, workshops, and training programs to improve their skills and credits. Here are few instances:

1. Dr. T. Sumathi Uma Maheshwari attended orientation program at Academic Staff College Osmania University (from 25-8-2006 to 22-9-2006 and refresher course at Academic Staff College, Osmania University (from 7-12-2010 to 29-12-2010).
2. Dr. M. Tirumala Devi attended orientation program at Academic Staff College Osmania University (from 25-8-2006 to 22-9-2006 and refresher course at Academic Staff College, Osmania University (from 7-12-2010 to 29-12-2010).
3. Dr. L.P. Raj Kumar attended orientation program at Academic Staff College Osmania University (from 22-6-2009 to 18-7-2009) and refresher course at Academic Staff College, university of Kerala (from 21-6-2011 to 14-7-2011).
4. Dr. R. Bharavi Sharma attended orientation program at Academic Staff College, Osmania University (from 29-9-2012 to 31-10-2012) and refresher course at Academic Staff College, Jwaarharlal Nehru Technological University (JNTU) (from 2-12-2013 to 21-12-2013).
5. Dr. K. Somaiah attended orientation program at Academic Staff College, Osmania University (from 29-9-2012 to 31-10-2012) and refresher course at Academic Staff College, Jwaarharlal Nehru Technological University (JNTU) (from 2-12-2013 to 21-12-2013).
6. Prof. Malla Reddy Perati visited Institute of Science, Bangalore under the visitor program of Indo-French Centre for Applied Mathematics from 11-1-2014 to 31-1-2014.
7. Dr. K. Somaiah attended UGC Sponsored “Refresher course in Mathematics” at H-R-D-C- (UGC Academic Staff College) University of Hyderabad, Hyderabad from 3-9-2015 to 23-9-2015.
8. Dr. LP. Raj Kumar attended UGC Sponsored “Refresher course in Mathematics” at H-R-D-C- (UGC Academic Staff College) University of Hyderabad, Hyderabad from 3-9-2015 to 23-9-2015.
28. Student projects

* Percentage of students who have done in-house projects including inter-departmental projects.
  30% students of M.Sc. (Applied Mathematics) III Semester students have done Project, “Demand Analysis of SIM cards” using Stochastic Process as part of the curriculum. 30% students have opted this elective.
* Percentage of students doing projects in collaboration with other universities/industry/institute. Nill

29. Awards/recognition received at the national and international level

(i) Prof. T. Srinivas received Rajiv Gandhi excellence Award and Certificate of Excellence of India International Friendship Society New Delhi in the year 2012.

(ii) Prof. K. Sambiah (Retired on 31-3-2013) received State Best Teacher Award of the A.P. State Government for the year 2013.

30. Seminars/Conferences/workshops organized and the source of funding (National/International) with details of outstanding participants, if any.

1. MATLAB & LATEX Training Program

2. 5th National Conference on Applicable Mathematics in Wave Mechanics and Vibration (WMVC-2010), 13-15, March, 2010. This was funded by National Board for Higher Mathematics (NBHM, DAE), DST, UGC, and APSCHE; there were 50 papers and 75 participants from 9 states. Prof. B.G. Siddhartha, Director, Birla Planetarium, Hyderabad, Dr. B.V.Reddy, Retired Scientist, National Physical Laboratory (NPL), New Delhi. Late Prof.M. Tajuddin, Professor of Mathematics, Osmania University, Prof. Kama Sunder Rao, Retired Professor of Civil Engineering, NIT Warangal, Prof. T.K.V Iyengar, Retired Professor of Mathematics, NIT, Warangal, and Dr. U. Purushotham Scientist, C-Met, Hyderabad, and the members of von-Karman Society, west Bengal were the outstanding participants.

3. Training Program on Mathematical Programming and Advanced Analysis for PG Faculty of Affiliated Colleges, 8-11 April, 2011. This is funded by UGC. There were 50 participants. Outstanding resource persons were 1. Prof. V. Suresh, Shanti Swaroop Bhatnagar Awardee, Prof. S. Kumaresan, both are from Hyderabad Central University, prof. V. Siva Rama Prasad, Osmania University and Prof. T. Ram Reddy Retired Professor of Mathematics, Kakatiya University.

4. Training Program to PG Teachers of Affiliated Colleges from 25-04-2012 to 01-05-2012, sponsored by APSCHE.

5. National Conference on Applications of Mathematics in Engineering and Industry (NCAMEI-2013), 26-28 March, 2013. This is funded by UGC and APCHE.
There were 30 papers. Outstanding resource persons were Prof. Victor Babu, Professor of Statistics, Nagarjuna University, Prof. Y.N. Reddy, Prof. G. Radha Krishnama Charya both are Professors of mathematics, from NIT Warangal, Prof. K.L.A.P. Sharma, professor of Mathematics, Sri Krishnadevaraya University, and Prof. N. Bhaskar Reddy, Professor of Mathematics, Sri Venkateshwara University.

6. International Conference on Vibration Problem (ICOVP-2015) was jointly organized with collaboration of Department of Mechanical Engineering, KU College of Engineering & Technology and Von Karman Society, West Bengal during February 18-20, 2015. It was funded by Telangana State Council for Higher Education, UGC, Department of Atomic Energy, and Ministry of Earth Sciences. Besides Indian participants, there were foreign participants from USA, Poland, Japan, Malaysia, Italy and Africa. The following were keynote and Invited speakers:

1. Prof. J.N Reddy, Texas A &M University, USA
2. Prof. Debases Roy, Indian Institute of Science, Bangalore
3. Prof. Romuald Rzadkowski, Polish Academy of Sciences, Poland
4. Dr. Anirbon Bandopadhyay, National Institute of Material Science (NIMS), JAPAN
5. Prof. PK. Choudhury, University Kebangsaan, Malaysia
6. Dr. Thirupati Gudi, Indian Institute of Science, Bangalore
7. Prof. Bhola Ishwar, B.R. A University, Muzafferpur, Bihar.
8. Dr. A. Venugopal Rao, Defense Metallurgical Laboratory (DMRL), Hyderabad
9. Prof. Rajaneesh Kumar, Kurukshetra University
10. Prof. M. D. Sharma, Kurukshetra University
11. Prof. L.N. Joseph, USA
12. Prof. V. Kannan, Hyderabad Central University
13. Dr. Parithosh Biswas, Von Karman Society, West Bengal
14. Prof. S. Karanjai, Von Karman Society, West Bengal
15. Prof. R.V. Chalam, NIT Warangal

31. Code of ethics for research followed by the department.
   1. Departmental Research Committee (DRC) is constituted to take care of quality in the research and to track the status of research of Ph.D. Students.

   2. Every research scholar should give two open seminars before submission of the thesis.

32. Student profile program-wise:

<table>
<thead>
<tr>
<th>Name of the Programme (refer to question no.4)</th>
<th>Applications received</th>
<th>Selected Male</th>
<th>Selected Female</th>
<th>Pass percentage Male</th>
<th>Pass percentage Female</th>
</tr>
</thead>
<tbody>

</table>

37. Number of faculty who were awarded M.Phil., Ph.D., D.Sc. and D.Litt. during the assessment period

One
38. Present details of departmental infrastructural facilities with regard to

   a. Library
   There are 1236 text books and reference books in the departmental library. Each
   student can borrow three text books. There are back volumes of the journals.
   Department subscribes a few journals under the provision of Major Research
   Projects sanctioned to the faculty members.

   b. Internet facilities for staff and students.
   Internet facility is available for both staff and students.

   c. Total number of class rooms
   Five

   d. Class rooms with ICT facility
   One

   e. Students’ laboratories
   Two computer labs

   f. Research laboratories
   Not applicable.

39. List of doctoral, post-doctoral students and Research Associates

</table>
13. Ms. M. Hari Priya  Project Fellow Ph.D. Student  UGC MRP with Dr. R. Bharavi Sharma

14. P. Ashok  Ph.D. Student  RGNF with Dr. T. Sumathi Uma Maheshwari

15. K. Rajya Lakshmi  Ph.D. Student  With Dr. R. Bharavi Sharma

16. M. Rajesh  Ph.D. Student  With Dr. R. Bharavi Sharma

17. K. Ganesh  Ph.D. Student  With Dr. R. Bharavi Sharma

18. B. Ravinder  Ph.D. Student  With Dr. R. Bharavi Sharma

19. V. Suman Kumar  Ph.D. Student  With Dr. R. Bharavi Sharma

20. P. Sumalatha  Ph.D. Student  With Dr. R. Bharavi Sharma

21. L. Bhaskar  Ph.D. Student  NFHE With Prof. T. Srinivas

(i) So far 54 Ph.Ds are awarded from the Department.

(ii) One Research Associate, Dr. T. Sumathi Uma Maheshwari.

(iii) Currently, one postdoctoral fellow Dr. G. Rajitha, working with Prof. P. Malla Reddy under Postdoctoral scheme of UGC for Women.

b) From other institutions/universities

(i) Dr. P. Malla Reddy has done his Ph.D. from Osmania University, and Post doctorate from National Taiwan University, Taiwan.

(ii) Dr. E. Sathyanarayana has done his Ph.D. from IIT Chennai, and post Transfer to Jawaharlal Nehru Centre for Advanced Studies, Bangalore.

40. Number of post graduate students getting financial assistance from the university.

95% of postgraduate students are getting scholarship from social welfare department of state government

Two post graduate students are getting scholarship from UGC under single child scheme.

41. Was any need assessment exercise undertaken before the development of new programme (s)? If so, highlight the methodology.

Before the development of new programme, first, review on the necessity of the programme will be made in the Departmental Committee meeting. Then the curriculum and scheme of the evaluation will be designed by the Board of Studies (BOS) In BOS, there are two external experts from other Universities/institutes and one expert from industry apart from local members. Approved curriculum and scheme will be sent to Academic senate for approve.
42. Does the department obtain feedback from.

a. Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?

Department obtains feedback informally from the faculty on curriculum and teaching-learning evaluation. Accordingly, curriculum will be revised by BOS. The minimum period for the revision of the curriculum is two years.

b. Students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?

Students give feedback on teaching-learning-evaluation during welcome, farewell, and other meetings. Students give on the faculty members using feedback form. They submit completed form to the Head. Head would review the feedback information and take necessary action with the consultation of senior faculty members and DC members. Moreover, BOS will design or revise the curriculum by taking the feedback of the students into consideration.

c. Alumni and employers on the program offered and how does the department utilize the feedback?

43. List the distinguished alumni of the department (maximum 10)

(i) Late Prof. M. Tajuddin, Professor of Mathematics, Osmania University.
(ii) Dr. Thirupati Gudi, Assistant Professor of Mathematics, Indian Institute of Science, Bangalore.
(iii) Dr. P. Narsimha Swamy, Assistant Professor of Mathematics, GITAM University, Hyderabad.
(iv) Dr. E. Satyanarayanas, Assistant Professor of Mathematics, NIT, Surathkal.
(v) Dr. K. Yugandhar ESPN, Software Professional, CT, USA
(vi) Dr. A. Rama, Assistant Professor of Mathematics, Osmania University.
(vii) Prof. S. Ahmed Shah, Professor of Mathematics, Deccan Engineering college, Hyderabad.
(viii) Mr. B. Balaji, Assistant Professor of Computer Science Engineering, Vignan University, Vijayawada.
(ix) Mr. N. Yadagiri, Municipal Commissioner.

44. Give details of student enrichment program (special lectures / workshops / seminar) involving external experts.

Every year department arranges couple of special lectures besides at least one workshop or training programme for the affiliated colleges faculty or conference wherein students also attend. List of external experts is to be approved by the Departmental Committee (DC). In the academic year 2013-2014, there were three special lectures:
(i). Prof. A. Srinivas, Dr. B.R. Ambedkar Open University, topic was Analytic functions and singularities.

(ii). Prof. Bh. Sathyanarayana, Nagarjuna University, Guntur, topic was Ring theory.

(iii). Prof. N. Srinivas, Jawarharlal Nehru Technological University (JNTU), Hyderabad, topic was Mathematical modeling.

45. List the teaching methods adopted by the faculty for different program

Faculty members go for PPT presentations using DLP or LCD when the content of the lecture

(i) do not involve many equations,
(ii) is of bullet points,
(iii) Involves three dimensional geometry.

Teaching philosophy of the department as follows:

Department feels that motivation to learn the subject is very important in teaching. Faculty members do this by posing the questions to the students such as “How it is brought to picture? What are the constraints with the earlier one?” Faculty members while teaching applied courses, take the examples, illustrations, and problems from the real world and the problems of other programmes. Department believes in “Heuristic teaching methodology”, which involves active participation of students. Moreover, faculty emphasize abstract courses like Analysis and Algebra and even start with the fundamentals, because most of the students do not have proper instructions at B.Sc. level in these courses.

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

To ensure the programme objectives, department makes the reviews based on two long run performance metrics: 1. student’s progression 2. credits of the faculty. Learning outcomes are monitored by analyzing the performance of students in slip tests, internal examinations, and main examinations.

47. Highlight the participation of students and faculty in extension activities.

(i). Some students are in NSS and they participate in many social service programme.

(ii). In the academic year 2013-2014, final year students visited nearby social welfare hostels and taught them Mathematics.

(iii). In the academic year 2013-2014, final year students gave coaching for the candidates of VRO and VAO test which is conducted by Andhra Pradesh Public Service Commission.

(iv). Department conducted an Aptitude test on 22-12-2013, on the occasion of Srinivas Ramanujan’s birth day.
48. Give details of “beyond syllabus scholarly activities” of the department.

Every academic year, department arranges personality development programme. Every year department encourages the students to make trips to nearby tourist places.

49. State whether the programme / department is accredited/ graded by other agencies? If yes, give details.

No.

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.

Apart from the teaching activity, faculty members are seriously working in their research domains and have contributions in Research and Development (R&D).

51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

1. Department is recognized by Department of Science and Technology (DST) under FIST Programme sanctioned in 2013.
2. All the faculty members are relatively younger, serious in the assignments, and have work culture.
3. Faculty size is small when compared to the needs of the Department and University.
4. There are more than 20 research scholars pursuing Ph.D. and are serious in teaching and research.
5. Department has to produce CSIR and GATE candidates.

52. Future plans of the department

1. Department is focusing on effective utilization of funds sanctioned under FIST Programme.
2. Department is planning to increase students – faculty ratio.
3. Department is planning to emphasis interdisciplinary nature of Mathematics to motivate the students towards industry.
4. Department is planning to start new programme M.Sc. (Mathematics with Computer Science) in collaboration with the department of Computer Science Engineering, KU College of Engineering.
5. Improvements from the last academic year and future projections for the next Five years is given by the following table:

<table>
<thead>
<tr>
<th></th>

- From the other institutions/universities : Nil

40. Number of post graduate students getting financial assistance from the university.

60
41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology.

- Based on the expertise available within the staff of this Department, different research activities were formulated to achieve the major goal. During which the researches were projected their innovative methods for the fulfilling of their aims and objectives. An individual research was encouraged with novel thought and the appropriate method adopted was highlighted. In view of the rich research availability in the department in the form of infrastructure and human resource the grant product development is the theme. All the methods followed are directed to achieve the target and underline the importance of original idea of the research programmes.

42. Does the development obtain feedback from

i. Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?

Yes. Time to time the department will obtain feedback from the faculty on curriculum and evolve method to update it. The new thoughts, contemporary ideas, novel programmes and student friendly syllabus shall be incorporated to strengthen the curriculum.

ii. Students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?

After completion of the degree the student is given a feedback form for their opinion and suggestion in terms of evaluation. Accordingly the department and the administration together plan for the improvement of educational quality and refresh the teachers involved in active teaching.

iii. Alumni and employers on the programmes offered and how does the department utilize the feedback?

Every year the alumni meet shall be conducted and their feedback is sought for the improvement of quality in education and providing adequate facilities for the students. Similarly the feedback from the employers also collected and used for the promotion of infrastructure and providing good accommodation to the students.

43. List the distinguished alumni of the department (maximum 10)

1. Dr. P. Pavan Kumar - Associate Professor, Palamuru University
2. Dr. D. Vijayalaxmi - Asst Professor, Yogi Vemana University, Kudapa
3. Dr. MD. Rafiyuddin - Assistant Professor, Medical College, Libiya
4. Dr. D. Ramakrishna - Scientist, Austria
5. Dr. K. Rajeshwer Reddy - Professor, Medical College, Nepal
6. Dr. V. Koteswar Rao – Scientist, NCL, Pune
7. Dr. Shyam Prasad - Kothari Fellowship, OU
8. Dr. R. Rnajit - Scientist, DuPont, Hyderabad
9. Dr. Srisailam Goud - PDF Fellow, Switzerland
10. Mrs Reshma Sahik - Indian Railways catering service
11. Mr. N. Vivek - Inspire Fellow, CSIR laboratory, Kerala

44. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.

- The department is actively participating in the organization of training programme, workshops, seminars, student counseling etc.
- The student performance is assessed through the introduction of semester system. Enough emphasis is given to internal assessment.

45. List of teaching methods adopted by the faculty for different programmes.

- Over head projectors
- DLP Projectors
- Internet facility
- Real objects
- Online teaching lectures
- Video lectures

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

- Programme objectives are monitored through periodical test, University exams, competitive examinations, campus selections and also from the feedback from the students and parents.

47. Highlight the participation of students and faculty in extension activities.

- The students are trained in R&D institutes and industries. They are encouraged to take up the project work and give the seminars. The students are encouraged to appear for NET, SLET and other competitive examinations.

48. Give details of “beyond syllabus scholarly activities” of the department.

- The senior faculty is actively engaged as resource persons to various academic bodies like universities, institutes, government agencies, NGOs. They are also acting as resource persons for authorities of competitive examination like TSPSC, UPSC.

49. State whether the programme/department is accredited / graded by other agencies?
   No
50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.

- The department is actively participating in the organization of training programme workshops, seminars, student counseling etc.

51. Details of five major strengths and Weaknesses, Opportunities and Challenges (SWOC) of the department.

Strengths:

- Regular evaluation by conducting seminars and quiz programmes among the students
- Assigning Internal Projects to the students to develop the skills in Microbiology
- Well equipped laboratory facilities are available to perform the laboratory exercises individually
- Highly qualified teaching faculty having exposure in different microbiological and biotechnological areas
- Orientation courses for High School teachers to update and improve their theoretical and practical skills.
- We have adequate expertise as evidenced by our research publications.
- We have published research papers with good impact factor.
- Citation index: our research papers are cited in journals and books. We have established linkage/collaborations with Professors of Indian and foreign universities for undertaking research work.
- We have obtained gene constructs for our collaborative research work.
- Sufficient laboratory space and other infrastructural facilities

Weaknesses:

- Lack of sufficient number of faculty
- Noninterest of students towards M.Sc. programmes

Opportunities:

- It is an interdisciplinary course which encompasses all basic science subjects.
- Microbiology is a technology with profuse agricultural, medicinal and industrial applications.
- PG students and Ph. D scholars find job opportunities in Government, private sectors, entrepreneurship

Challenges:

- Opportunities have become problem for Biotech students when compared with information technology.
- To prepare the students to meet the global market in teaching, research and extension.
52. Future plans of the department.

- To develop the state-of-art laboratories to train the students in latest technologies
- To improve the teaching by computer aided, NET based methodologies
- To establish interaction and collaboration with industry to enhance job opportunities
- To develop computer lab with biostatistics and bioinformatics software. Providing the accessibility to online journals
- To establish language laboratory for improving the communication and writing skills
- To modernize the curriculum to suit the need of industry and competitive examinations
- Personality development of the students keeping in view global demands
EVALUATIVE REPORT – PUBLIC ADMINISTRATION & HRM DEPARTMENT

37. Number of faculty who were awarded M. Phil., Ph.D., D.Sc. And D. Litt. During the assessment period

NIL
38. Present details of departmental infrastructural facilities with regard to

a) Library -- 1000 Books
b) Internet facilities for staff and students - YES -
c) Total number of class rooms -- 04 --
d) Class rooms with ICT facility -- 02 --
e) Students’ laboratories -- NIL --
f) Research laboratories -- NIL --

39. List of doctoral, post-doctoral students and Research Associates

a) from the host institution / university

Post Doctoral

1. Dr. Suresh
2. Dr. Srinivas Naik
3. Dr. Ravinder
4. Dr. P. Yakaswamy
5. Dr. M. Satyanarayana
6. Dr. S. Krishna
7. Dr. T. Palku
8. Dr. T. Manohar Swamy
9. Dr. M. Veera Swamy
10. Dr. A. Purnachander
11. Dr. A. Nagesgwar Rao
12. Dr. P. Komuraiah

b) from other institutions / universities -- NIL --

40. Number of postgraduate students getting financial assistance from the university. NIL

41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology. NIL

42. Does the department obtain feedback from

a) faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?

Department obtains feedback from faculty on curriculum and teaching learning evaluation. Necessary changes are incorporated in the syllabus based on the feedback from faculty department also takes the views of faculty on the teaching-learning evaluation. Faculty will be discussing regarding the performance of students in internal as well as University examinations.
b) Students on staff, curriculum and teaching learning evaluation and how does the department utilize the feedback?

Department takes the performance Evaluation of students on staff and the remarks made by students are being discussed openly and taken seriously.

c) Alumni and employers on the programmes offered and how does the department utilize the feedback?

YES

Regular alumni meetings are conducted and their opinion on the programmes offered are discussed thoroughly and whenever syllabus is changed their view points and employers opinions are utilized in training the students.

43. List the distinguished alumni of the department (maximum 10)

1. AJM Muralidhar Rao, 2. Ramchander Maddela 3. Dr. Ravi Dasari

44. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.

1. Mac information sears STAR Technology
2. SAP -- HR
3. Facing Competitive exams for Management Trainees

45. List the teaching methods adopted by the faculty for different programmes.

1. Lectures using power Point presentation.
2. e-learners
3. Case studies and group discussions
4. Action learning

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

Taking feedback from the students and alumni from time to time on the programme content and market relevance.

47. Highlight the participation of students and faculty in extension activities.

Blood donation Camps, Women’s Day, celebrations’ programmes NSS, Environment Day, Sathbhavana Divas, Swachh Bharat, NCC day

48. Give details of “beyond syllabus scholarly activities” of the department.

MHRM students are activity involved in the scholarly activities of the NHRD Network by participating in its Annual Conferences at seminar, workshops and Lecture programmes.
49. State whether the programme / department is accredited / graded by other agencies? If yes, give details. NIL

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied. NIL

51. detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

<table>
<thead>
<tr>
<th>Strengths</th>
<th>Weaknesses</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Expertise in two distinct fields i.e., Public Administration &amp; Human Resource Management</td>
<td>1. Locational disadvantage where no industries exist in this area</td>
</tr>
<tr>
<td>2. Akin to the latest global developments in the fields of Pub. Admn. &amp; HRM</td>
<td>2. Majority of the students are handicapped with economic &amp; social backwardness</td>
</tr>
<tr>
<td>3. Ability to conduct research in vide range of areas that includes HRM, Public Policy, Rural Development etc.,</td>
<td>3. Poor infrastructure at the department as well as university level</td>
</tr>
<tr>
<td>4. International exposers and affiliation with various Professional bodies across the globe</td>
<td>4. Long pending faculty recruitment and large number of retirements</td>
</tr>
<tr>

</tr>
</tbody>
</table>

52. Future plans of the department.

1. Introduction of the year Integrated MHRM Course
2. Strengthening of MHRM Course
3. Organizing National and International Seminars
4. Organizing Allumini Association Meetings
5. Organizing Extension Lectures
6. Enhancing interaction with Industries.
EVALUATIVE REPORT - PHARMACY DEPARTMENT

1. Name of the Department: University College of Pharmaceutical Sciences

2. Year of establishment: 1974

3. Is the Department part of a School/Faculty of the university?: Faculty of University

4. Names of programmes offered (UG, PG, M.Phil., Ph.D., Integrated Masters; Integrated Ph.D., D.Sc., D.Litt., etc.)
   - B. Pharmacy
   - Ph.D.
   - Post Doctoral Studies

5. Interdisciplinary programmes and departments involved: Ph.D. Programme with MGM Hospital, Warangal

6. Courses in collaboration with other universities, industries, foreign institutions, etc.: None

7. Details of programmes discontinued, if any, with reasons: None

8. Examination System: Annual/Semester/Trimester/Choice Based Credit System: It is required to adopt the common syllabus of Pharmacy Council of India (PCI) a regulatory body, which in likely to be introduced from the next academic year 2017-18 for all the courses offering in this institution in which the examination is CBSC.

9. Participation of the department in the courses offered by other departments:
   1) Chemistry     2) Biotechnology

10. Number of teaching posts sanctioned, filled and actual (Professors/Associate Professors/Asst. Professors/others)

27. Student projects

  i. percentage of students who have done in-house projects including inter-departmental projects: 90%
  ii. percentage of students doing projects in collaboration with other universities
      1. industry / institute: 10%

28. Awards / recognitions received at the national and international level by

  a. Faculty:

     i. Prof. V. Kishan- Association of Pharmaceutical Teachers of India (APTI) Pharmacy teacher of the year-2011 award, sponsored by BVDUPCP, Pune.
     ii. Prof. V. Kishan- Best research paper award by International Journal of
Pharmaceutical Sciences and Nanotechnology in 2013 and Prof. V. Kishan received Telangana State Best Teacher Award for the year 2015 from Government of Telangana

iii. Prof. Ciddi Veeresham received Telangana State Best Teacher Award for the year 2015 from Government of Telangana

iv. Prof. A. Raghuram Rao- Dr. Mrs. Manjushree Pal Memorial Award for the Best Pharmaceutical Scientist for the year 2010.

v. Prof. M. Sarangapani- Best paper presentation award by APTI in 2010.

vi. Prof. M. Sarangapani- Best paper presentation award by Osmania University in 2010.

vii. Best papers at IPC-2013

viii. Prof. A. Raghuram Rao- Medicinal Chemistry – Best oral presentation award

ix. Dr. N. Prasad- Pharmacology – Best poster award

b. Post Doctoral fellows : 02 (Two) Dr. J. Krishnaveni (2013-2014) and Dr. N. Prasad (2014-2015)

i. M. Pharmacy students: Best poster award by Monica D’ Silva IPC - 2016, Visakhapatnam

ii. Two Research Awards: 1) Mr. A.S. Prabhakar research scholar under the guidance of Prof. B. Ravi Kumar & Prof. A. Raghuram Rao won Third Prize in Sipra Innovative Pharama Research Awards with a cash award of Rs. 20,000/-. 2) Mr. B. Santhosh Jaswanth Kumar, research scholar won First Prize for a poster presentation in 67th Indian Pharmaceutical Congress, Mysore held in January, 2015. 6 awards were received by different research scholar at IPC, Visakhapatnam December, 2016.

### 36. Number of faculty who were awarded M.Phil., Ph.D., D.Sc. and D.Litt. during the assessment period: 01 - Mrs. V. Swaroopa Rani- 2014.

### 37. Present details of departmental infrastructural facilities with regard to

**a. Library:**
- Books- 8411
- Journals- 12
- Periodicals- 6
- Computers with Internet facility- 15
b. Internet facilities for staff and students: Every faculty member has been provided with one personal computer with Broadband Internet facility. Every research lab has one computer with internet facility.

c. Total number of class rooms: 11
   ➢ Class rooms with ICT facility: 02
   ➢ Students' laboratories: 13
   ➢ Research laboratories: 13

38. List of doctoral, post-doctoral students and Research Associates

d. from the host institution/university: Doctoral ; Post Doctoral - 04
e. from other institutions/universities: Post Doctoral - Nil

39. Number of post graduate students getting financial assistance from the university.: None

40. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology.: None

41. Does the department obtain feedback from

i. Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?: YES
   Faculty will be continuously taking the feedback from all the colleagues and workshops are being conducted for upgradation periodically.

ii. Students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?

iii. Alumni and employers on the programmes offered and how does the department utilize the feedback?

   Alumni and employers regularly conduct sessions to the students regarding career guidance to the current batcher.

   Alumni supports the institution in getting infrastructure (building etc); by offering the fellowships and donating books and journals.

42. List the distinguished alumni of the department (maximum 10)

- Prof. Indra Karan Reddy (Founding Dean, School of Pharmaceutical Sciences, Texas A & M University) Texas, USA.
- Mr. Ramakrishna Reddy, Sis Infotech, USA.
- Prof. J. Bhaskar, University of Pacific, California, College of Pharmaceutical Sciences, USA
- Prof. D. Samba Reddy, Texas A & M University, School of Health Sciences, Department of Medicine, USA.
- Dr. G. K. Nagendra Kumar, Vice President, Celegene, USA.
- Mr. Linga Reddy, Chairman, Acto Labs, India.
43. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.

- More than 100 guest lectures, seminars and workshops were organized involving experts from Industry and Academia in various branches of Pharmaceutical Sciences. Several alumni settled in teaching/industry visit every year (both from India and Abroad) and deliver lectures on the emerging topics, cutting edge technologies.

44. List the teaching methods adopted by the faculty for different programmes.

- Many teachers have developed their own power point presentations to teach the topics in an easy manner. They not only use this for their regular teaching but also for many national seminars held in different parts of India and in some reputed industries.

45. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

Evaluation of the performance of the students both in theory and practical instruction is done at regular intervals to ensure to meet the objectives of the programme.

46. Highlight the participation of students and faculty in extension activities.

- Students of the institution are actively participating in various extra curricular activities like Quiz, Debates, Sports and games conducted by different organizations/Institutions.

47. Give details of “beyond syllabus scholarly activities” of the department.

- The following scholarly activities are conducted beyond the syllabus
  f. Extension lectures by experts from Industries / other Institutions from India and Abroad.
  g. Regularly conducting National Pharmacy Week Celebrations – various programmes highlighting the importance of Pharmacy profession in healthcare services to the society

48. State whether the programme/department is accredited/graded by other agencies?
   If yes, give details. None:
   - The institution was ranked No. 16 during the year 2015-2016 by MHRD, Government of India under National Institute Ranking Framework (NIRF – MHRD)
49. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.

The institution has produced quality professionals who work in society as dedicated Health care professionals, Entrepreneurs, Drug Regulators, Academicians in both India & Abroad.

50. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

SWOC – Analysis of the Institutions:

STRENGTHS:

i) All the faculty except one is Ph.D. holders and almost all of them have exposure of teaching and research abroad (Germany, Italy, USA, Libya, Ethiopia etc.).

ii) The institute has got excellent infrastructure facilities for teaching and research (About Ten Crores worth of equipment is available).

iii) Strong Alumni spread all over the world, supporting the institution for placement of the graduates passing out and their settlement. Alumni is continuously supporting for infrastructure development of the institute and earlier contributed for construction of an Alumni Block (consisting of auditorium, class rooms, and guest rooms).

WEAKNESSES: Lack of sufficient permanent teaching faculty to monitor the academic and developmental activities is the weakness of the institute. As the senior teachers are retiring regularly, no new recruitment have been taken place since 2006.

OPPORTUNITIES : This is the only fullfledged University in the state of Telangana, offering B. Pharmacy, M. Pharmacy and Ph.D. which is capable of taking up research in collaboration with Pharmaceutical Industries / Institutions in India and Abroad.

CHALLENGES : Due to locational disadvantage, not many Pharmaceutical Industries were established in the district, though more than 25 Institutions offering various pharmacy courses have come up.

51. Future plans of the department:

a) To establish herbal drug / cosmetic manufacturing facility on a small scale.

b) To serve as an incubation centre for small and medium scale entrepreneurs.

c) To establish a nodal centre for nurturing the quality pharmacy professionals.
EVALUATIVE REPORT – PHYSICAL EDUCATION DEPARTMENT

1. Name of the Department : University College of Physical Education

3. Is the Department part of a School/Faculty of the university? YES

4. Names of programmes offered (UG, PG, M.Phil., Ph.D., Integrated Masters; Integrated Ph.D., D.Sc., D.Litt., etc.)

   UG & PG

5. Interdisciplinary programmes and departments involved Nill

6. Courses in collaboration with other universities, industries, foreign institutions, etc.

   No

7. Details of programmes discontinued, if any, with reasons

   No

8. Examination System: Annual/Semester/Trimester/Choice Based Credit System

   UG- Annual, PG Semester

9. Participation of the department in the courses offered by other departments

   No

10. Number of teaching posts sanctioned, filled and actual (Professors/Associate Professors/Asst. Professors/others)

(2 Ph.Ds)

38. Present details of departmental infrastructural facilities with regard to

a. Library                              1500
b. Internet facilities for staff and students Yes
  c. Total number of class rooms          4 (FOPUR)
    ➢ Class rooms with ICT facility        One
    ➢ Students’ laboratories               2 (Two)
    ➢ Research laboratories                Nil
39. List of doctoral, post-doctoral students and Research Associates
   a) from the host institution/university Exam branch
   b) from other institutions/universities

40. Number of post graduate students getting financial assistance from the university.

41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology.
   No
   i. Does the department obtain feedback from faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?
      Yes
   ii. students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?
      Yes
   iii. alumni and employers on the programmes offered and how does the department utilize the feedback?
      No

42. List the distinguished alumni of the department (maximum 10)

43. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.

44. List the teaching methods adopted by the faculty for different programmes.

45. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

46. Highlight the participation of students and faculty in extension activities.

47. Give details of “beyond syllabus scholarly activities” of the department.

48. State whether the programme/ department is accredited/ graded by other agencies? If yes, give details.
   No
   i. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.
   ii. Organized Inter University Tournaments
49. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

Strengths
- Good Results and negligible dropout rate
- Good building and infrastructural facilities

Weaknesses
- No mechanism to reward and motivate staff for good purpose
- Lack of quality enhancement mechanism and professional development of teachers

Opportunities
- Designing perspective plan for future development
- Use of ICT in a big way

Challenges
- Taking competition from similar institutions
- Make use of alumni and other stakeholders

50. Future plans of the department.
EVALUATIVE REPORT DEPARTMENT OF PHYSICS

1. Name of the Department: PHYSICS
2. Year of establishment: 1968
3. Is the Department part of a School/Faculty of the University?: Yes
4. Name of programmes offered: M. Sc (Physics) and Ph. D
5. Interdisciplinary programmes and departments involved: Nil
6. Courses in collaboration with other universities, industries, foreign institutions, etc.: Nil
7. Details of programmes discontinued, if any, with reasons: M. Phil (Distance mode)

37. Number of faculty who were awarded M.Phil., Ph.D., D.Sc. and D.Litt. during the Assessment period: Ph.D: 01; M.Phil: 01

38. Present details of departmental infrastructural facilities with regard to
(a) Library: **Library of about 800 books with a facility for reading**
(b) Internet facilities for staff and students:
   **All the staff members have been provided with personal computers with internet connectivity. A separate room with computer and internet facility is provided for students. WiFi is provided in the entire department**

(c) Total number of class rooms: 4
(d) Class rooms with ICT facility: 3
(e) Students laboratories: 6
(f) Research laboratories: 6
39. List of doctoral, post-doctoral students and Research Associates

(a) From the host institutions/university: **11 Research students**
(b) From other institutions/universities: Nil

40. Number of post graduate students getting financial assistance from the university: Nil

41. Was any need assessment exercise undertaken before the development of new Programme(s)? If so, highlight the methodology: --

42. Does the department obtain feedback from:
   a) Faculty on curriculum as well as teaching-learning-evaluation/ if yes, how does the department utilize the feedback?

   Frequent staff meetings are conducted to discuss curriculum and suggestions from Faculty members are obtained on teaching-learning process in the department. Internal assessment tests are conducted for continuous evaluation.

   b) Students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?

   Teacher-student meetings are also organized to obtain the feedback of students on curriculum and teaching and the student feedback is considered seriously in modifying the teaching-learning process.

   c) Alumni and employers on the programmes offered and how does the department utilize the feedback?

   Departmental conferences are conducted every year and during the meetings several issues related to academic programs are discussed. After thorough discussions, the feedback obtained from the members is analyzed and considered in implementing the curriculum.

43. List the distinguished alumni of the department (maximum 10)
   1. Prof. Khaja Althaf Hussain, Vice-Chancellor, Mahathma Gandhi University, Nalgonda.
   2. Dr. Sateesh Peddoju, M.Sc (Physics), Kakatiya University 1993-95 batch, Asst. Professor in Computer Science, IIT, Roorkee, UP.
   3. Dr. Somaiah Goud, M.Sc (Physics) 1996-98 batch, Scientist, DRDO, Mumbai.
   4. Dr. Anil. K. Gouri Shetty, M.Sc.(Physics), KU, 1996-98 batch, Faculty Member, IIT, Roorkee, UP.
   5. Gampa Praveen, M.Sc. (Physics), KU, 1996-98 batch, District Judge, Madhira, Khammam (Dist.).
   6. Dr. T. Venkatappa Rao, M.Sc.(Physics), KU 1985-87, Faculty Member, NIT, Warangal, A.P.
   7. Dr. R. Surender Reddy, M.Sc.(Physics), KU, 1982-84, Director (Exams), Telangana State School Education, Hyderabad.
   8. Prof. S. Chandralingam, M.Sc (Physics), 1976-78, Professor of Physics, JNTU, Hyderabad
9. Dr. Nathanial, Dr. Ch. Srinivas, Dr. Himabindu and Dr. Madhuri, Assistant Professors in Physics, Osmania University, Hyderabad.
10. Dr. L. Haritha, Assistant Professor, Telangana University, Nizamabad.
11. Dr. J.K. Ojha, Dr. Snehalatha Reddy, Mr. Kishore Kumar, Dr. K. Narendre Reddy Assistant Professors, Govt. Degree Colleges, Mancherial, Peddapalli, Luxsettippet, Narsempet.
12. Dr. K. Sateesh Chandra, Asst. Professor, KITS, Warangal.
13. Dr. S.E. Naina Vinodini, Asst. Professor, Govt City College, Hyderabad.
14. Dr. Esther Kalpana Rani, Asst. Professor, JNTU, Hyderabad.
15. Dr. Y. Purushotham, Scientest, C-MET, Cherlapally, Hyderabad.
16. Dr. Vishnuprasad Rao Soft Ware Engineer, USA.
17. Dr. B. Venkatnarayana, Radiologist, USA.
18. Dr. K. Krishna Murthy, Radiologist, Hyderabad.

44. Give details of student enrichment programmes (special lectures / workshops/ Seminar) involving external experts.

1. Dr. Tanu Ratan, Dept of physics, SSSIHL, Prasnthi Nilayam, Puttaparthi, A.P.
2. Prof. K.B.R. Varma, IISc, Bangalore
3. Prof. D. Narayana Rao, University of Hyderabad.
4. Dr. Brijesh Kumar, JNU, Delhi.
5. Dr. S.C. Gadkari, BARC, Mumbai.
6. Prof. S. Ram, IIT, Kharagpur.
7. Dhananjai Pandey, School of Materials Science and Technology, BHU, Varanasi
8. Brijesh Kumar, School of Physical Sciences Jawaharlal Nehru University, New Delhi
9. Alokmay Datta, Applied Material Science Division, SINP, Kolkata
10. Tapas Kumar Dey, Cryogenic Engineering Centre, IIT Kharagpur, Kharagpur
11. Harnath Ghosh, Indus Synchrotron Utilization Division, RRCAT, Indore
12. G.Bhagavannarayana, Crystal Growth Division, NPL, Delhi
13. G. Ravi Chandra, Center for Materials Characterization and testing, ARCI, Hyderabad
14. Habib M. Pathan, Department of Physics, University of Pune, Pune
15. V.N. Mani, Centre for Materials for Electronics Technology, Hyderabad
16. Y. Purushotham, Centre for Materials for Electronics Technology, Hyderabad
17. A. Taraphder, Centre for Theoretical Studies, IIT Kharagpur, Kharagpur
18. Prof. V.R.K. Murth, Indian Institute of Technology Madras, Chennai
19. Prof. Ramesh V Pai, Goa University, Goa
20. Prof. R.V.S.S.N. Ravi Kumar, Acharya Nagarjuna University, Guntur
21. Prof. D. Paul Joseph, National Institute of Technology, Warangal
22. Prof. G. Manoj Kumar, ACRHEM, University of Hyderabad, Hyderabad
23. Prof. S. Uthanna, Sri Venkateswara University, Tirupati
24. Mr. Dutta prasad, 4S Techno Services, Hyderabad
25. Prof. M. Ghanshyam Krishna, University of Hyderabad.
26. Dr. Harnath Ghosh, RRCAT, Indore.
27. Prof. Deshdeep Sahadev IIT, Kanpur.
28. Prof. O.Md. Hussain SV University, Thirupati.
29. Dr. Santanu K. Maiti, Indian Statistical Institute, Kolkata
30. Special lectures have been organized in nanoscience and technology during the
Period 23rd oct to 2nd Nov 2014 by an external expert Smt. Tanu Ratan, Adjunct Faculty, SSIHL Puttapparthis.

31. Special Lecture was given by Sri. P. Raghavendra Rao, Associate Director (Retd), DRDO, CHES, Hyderabad on Satellite and Mobile communication on 12/10/2016
32. Special Lectures were given by Prof. R. Srinivasan, IASc, Bangalore on experimental Physics on 6/12/2016
33. Prof. Ghanashyam Krishna & Prof. Srinath, Univ. of Hyderabad on crystal growth and characterization & Materials on 13th and 15th Dec., 2016
34. Sri. P. Raghavendra Rao, DRDO, Hyderabad on Microwaves & Applications on 17th Dec., 2016
35. Prof. Manohar Nyayathe, Pune on Non-linear dynamics on 19/12/2016.

45. List the teaching methods adopted by the faculty for different programmes.
   1) Conventional Black-board Teaching, 2) Audio-visual clippings, 3) Internet Downloads, 4) Power point presentations, 5) Students seminars and interaction sessions.

46. How does the department ensure that programme objectives are constantly met and learning Outcomes are monitored?

   By conducting internal assessment tests; students seminars and tutorials; and quiz

47. Highlight the participation of students and faculty in extension activities.

   Every year educational tours to Research Institutes were organized for students and competitions like essay writing, elocution and quiz in physics are conducted for students on the occasion of National Science day. Faculty members deliver extension lectures in the department and in other institutions.

48. Give details of “beyond syllabus scholarly activities’ of the department.

   Extension lectures, research seminars, conferences and Refresher courses, Orientation Programs, quiz and elocution have been organized in the department

49. State whether the programme/department is accredited/ graded by other agencies?
   If yes, give details. No

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.

   General lectures on nanoscience and renewable energy resources have been organized in the department and a solar energy trainer equipment has been installed. Two week Refresher course in Experimental Physics has been organized for Physics Teachers in collaboration with Science Academies, Bangalore, and Allahabad. Several other academic programs like organizing research seminars, training programs for teachers are conducted regularly.
51. Details of five major Strengths, weaknesses, Opportunities and Challenges (SWOC) of the department

**Strengths:**

All faculty members are highly qualified with doctoral degrees with quality Research and efficient teaching background. Department is granted with SAP-I & II by UGC (Rs. 34.82 lakh & Rs. 1.18 Crore)

**Weakness:**

Vacancies for teaching posts have to be filled up. Recruitment is not taken up on regular basis as and when senior teachers are superannuated. Vacancies are filled up on contractual/part-time basis.

**Opportunities:**

Teachers present their research results in various national and International conferences and deliver lectures in other institutions. Research proposals have been submitted by the department to the agencies like RUSA and DRS- SAP-II and by faculty members to SERB, TSCOST, etc

**Challenges:**

Projects have to be submitted to various funding agencies to develop the research laboratories on par with other national laboratories. Students are to be motivated to get fellowships for doing quality research

52. Future plans of the department.

(a) **Planning to establish techniques like**

i) AFM, ii) SEM, iii) Particle analyser, iv) XRD for the study of nano materials, v) FT-Raman spectrometer, vi) FTIR spectrometer, vii) Low temperature attachment to gamma-ray densitometers.

(b) To submit a proposal to DST under FIST for renovation of existing M.Sc laboratories and research laboratories.
EVALUATIVE REPORT - POLITICAL SCIENCE DEPARTMENT

1. Name of the Department: Department of Political Science

2. Year of establishment: 1992

3. Is the Department part of a School/Faculty of the university?

Faculty of Social Sciences

4. Names of programmes offered (UG, PG, M.Phil., Ph.D., Integrated Masters; Integrated Ph.D., D.Sc., D.Litt., etc.)

- UG (B.A. at University Constituent College)
- PG (M.A. Political Science)
- M.Phil (Political Science)
- Ph. D (Political Science)

5. Interdisciplinary programmes and departments involved

- NIL

6. Courses in collaboration with other universities, industries, foreign institutions, etc.

- NIL

7. Details of programmes discontinued, if any, with reasons

- NIL

8. Examination System: Annual/Semester/Trimester/Choice Based Credit System

- PG (M.A. Political Science) Semester

9. Participation of the department in the courses offered by other departments

- LLB 5 YDC (Political Science)
- M.Sc. 5 Years Integrated Chemistry/Bio-Technology (Indian Constitution)

10. Number of teaching posts sanctioned, filled and actual (Professors/Associate Professors/Asst. Professors/others)

38. Present details of departmental infrastructural facilities with regard to

a) Library

b) Internet facilities for staff and students

   Yes

c) Total number of class rooms

   02

d) Class rooms with ICT facility

   01

e) Students’ laboratories

   Nil

f) Research laboratories

   Nil

39. List of doctoral, post-doctoral students and Research Associates

   a) from the host institution/university
   b) from other institutions/universities

   1 Dravidian University Kuppam,
   2. Acharya Nagarjuna University, Guntur

40. Number of post graduate students getting financial assistance from the university.

   Nil

41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology. Nil

42. Does the department obtain feedback from

   a. Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?
   b. Students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?

   Yes, time to time the department will obtain feedback from the faculty on curriculum and evolve method to update it.
c. Alumni and employers on the programmes offered and how does the department utilize the feedback?

The alumni meet shall be conducted their feed book is sought for the improvement of quality in education and providing adequate facilities for the students.

43. List the distinguished alumni of the department (maximum 10)

i) Prof. Anumandla Bhoomaiah
ii) Prof. P. Jyothi
iii) Namilikonda Balaksihan Rao
iv) V. Krishna Rao
v) Dr. G. Yadagiri
vi) Dr. Ch. Mohan
vii) Dr. Ch. Anjaneyulu
viii) Dr. Usha
ix) Dr. Vijayalaxmi
x) Palleru Veeraswamy

44. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.

45. List the teaching methods adopted by the faculty for different programmes.

Extension Lecturers
Visiting Fellows
Visiting Professor

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

Continuous evolution and internal assessment tests are conducted.

47. Highlight the participation of students and faculty in extension activities.

The students are encouraged to appear for NET, SLET and other competitive examinations

48. Give details of “beyond syllabus scholarly activities” of the department.

- The Department regularly celebrates Telugu Basha Dinotsavam
- The Students and Scholars visits to the Literary Historical places as part of curriculum

49. State whether the programme/ department is accredited/ graded by other agencies?

If yes, give details. No

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.
The department is actively participating in the organization of, Seminars, Students Seminars etc.

51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

a. Strengths
   ❖ Strong faculty with specialization in different areas of Telugu Literature
   ❖ Department and UGC, SAP Library
   ❖ Research Projects and JRF & RGNF Fellowships

b. Weaknesses
   ❖ Insufficient Funds to Develop Infrastructure Seminar Hall and Staff Rooms & permanent teachers are not recruited last decade.

c. Opportunities
   ❖ PG Students and Research Scholars find Job opportunities in Government, Private Sectors, entrepreneurship.

d. Challenges
   ❖ Since our Students are drawn from rural and tribal areas, there is a need to improve computer skills and personality development

52. Future plans of the department.

   ❖ To establish language laboratory for improving the communication and Writing skills

   ❖ The Department proposes to establish the “Dalith & Women Literature and Tribal Chairs “ this chair to study the Dalith & Women Literature and Tribal as source material to understand the historical development of various Social group of society who gave a shape to the same with their production of goods and Ideology.

   ❖ The Department proposes to establish the one years Telugu Diploma Course in NATURAL LANGUAGE PROCESS (NLP)
EVALUATIVE REPORT – ZOOLOGY DEPARTMENT

1. Name of the Department - ZOOLOGY

2. Year of establishment - 1976

3. Is the Department part of a School/Faculty of the university? – Faculty of the university

5. Interdisciplinary programmes and departments involved – Biotechnology, Biochemistry and Pharmacy.

6. Courses in collaboration with other universities, industries, foreign institutions, etc. - NIL

7. Details of programmes discontinued, if any, with reasons -NIL

8. Examination System: Annual/Semester/Trimester/Choice Based Credit System – Semester system

9. Participation of the department in the courses offered by other departments - Biotechnology, Biochemistry and Pharmacy.

10. Number of teaching posts sanctioned, filled and actual (Professors/Associate Professors/Asst. Professors/others) – Information not available in the Department.

12. List of senior Visiting Fellows, adjunct faculty, emeritus professors - 0

13. Percentage of classes taken by temporary faculty – programme-wise information - 0

14. Programme-wise Student Teacher Ratio 7:1

15. Number of academic support staff (technical) and administrative staff: sanctioned, filled and actual – Information not available.

16. Research thrust areas as recognized by major funding agencies – Environmental Biology, reproductive Physiology, Eco-Physiology, Histochemistry, Seribiotechnology, Enzymology, Infectious diseases and metabolic disorders
17. Number of faculty with ongoing projects from a) national b) international funding agencies and c) Total grants received. Give the names of the funding agencies, project title and grants received project-wise.

a. Prof. Ch. Sammaiah- UGC- Ecological Impacts of BT cotton on soil biodiversity.- Rs: 7,53,800/-
b. Prof. Y. Prameela Devi- UGC- development of Biosensors for environmental monitoring of endocrine disrupting chemicals. Rs: 7,09,800/-
c. Prof. M. Krishna Reddy- UGC -anti HIV activity of the extracts of fresh water mussels (Lamidens marginalis Rs. 8,92,200/-
d. Prof. M. Swamy –UGC- Ecological Studies and plankton diversity in certain lentic water bodies of Adilabad district ,AP- Rs: 8,72,800/-
e. Prof T. Ravinder Reddy, -UGC –Ecological Studies and Plankton diversity in certain lentic water bodies o Warangal District –AP- Rs:12,50,000/-
f. Dr. G. Shamitha
   a) DBT- Molecular Characterization of tasar silk worm, Antheraea mylitta- Rs: 29,50,000/-
   b) UGC- Studies on genetic diversity and breeding of of tasar silk worm, Antheraea mylitta, Rs : 9,50,000/-
g. Dr. Y. Venkaiah –UGC- Studies of estranges in Parotid gland secretions of the toad- Rs: 8,31,800/-
h. Dr. M. Estari
   a) DST- Isolation, Partial Purification and characterization of HIV proteas inhibitors from fresh water mussels (Lamidens marginalis)- Rs: 21,20000/-
   b) Invitro HIV type –Ireverse transcripting inhibitory activities ofsome active compounds form Phyllanthus emblica- Rs: 47, 20,000/-

18. Inter-institutional collaborative projects and associated grants received - NIL

   a) National collaboration       b) International collaboration

19. Departmental projects funded by DST-FIST; UGC-SAP/CAS, DPE; DBT, ICSSR, AICTE, etc.; total grants received.

   I. DST –FIST -25,00,000/-
   II. UGC- NON SAP- 15,00,000/-

20. Research facility / centre with - NIL

   a. state recognition
   b. national recognition
   c. international recognition

21. Special research laboratories sponsored by / created by industry or corporate bodies - NIL
22. Publications:

- Number of papers published in peer reviewed journals (national / international)
  129/ 68
- Monographs -
  o Chapters in Books
  o Edited Books
- Books with ISBN with details of publishers
- Number listed in International Database (For e.g. Web of Science, Scopus,

- SJR
- Impact Factor – range / average
- h-index

23. Details of patents and income generated -NIL

24. Areas of consultancy and income generated -NIL

25. Faculty selected nationally / internationally to visit other laboratories / institutions

  a. industries in India and abroad =NIL

26. Faculty serving in -NIL

  i) National committees b) International committees c) Editorial Boards d) any
    other (please specify)

27. Faculty recharging strategies (UGC, ASC, Refresher / orientation programs,
    workshops, training programs and similar programs).

Dr. G. Shamitha-
  1. Orientation Programme- 6th May to 11th June, 2005, Osmania University,
     Hyderabad (UGC)
  2. Orientation Programme – 25th April to 15th May, 2009, Osmania University,
     Hyderabad (UGC).
  3. Refresher Course- 9th Dec to 29th Dec, 2010, Hyderabad Central University,
     (UGC)

Dr. Y. Venkaiah-
  1. Orientation course –20- 04- 2009 to 15 -05 -2009, Osmania University,
     Hyderabad (UGC).
  2. Refresher course – 9-12- 2010 to 29 -12- 2010. Hyderabad Central Universti
     (UGC).
     University, Tmilnmadu,(UGC).
Dr. M. Estari
2. Refresher course- 04-07-2012 to 05-10-2013 - Osmania University, Hyderabad. (UGC).

28. Student projects - NIL
   a. percentage of students who have done in-house projects including inter-departmental projects
   b. percentage of students doing projects in collaboration with other universities

29. Awards / recognitions received at the national and international level by
   a. Faculty
   b. Doctoral / post doctoral fellows
   c. Students

   2. Prof. Y. Prameela Devi- Australian Government professional development award- 2010
   3. Dr. G. Shamitha- Best Citizen of India – 2012
   4. Dr. Y. Venkaiah – Bharath Siksha Ratan award- 2012
   5. Dr. M. Estari- DST -Young Scientist award – 2012
   6. Mr. R. Vijay Kumar has been awarded DST- INSPIRE fellowship for research program-2012
   7. Two of M.Sc. final year students (K. Ashwini and M. Mounika) have been awarded summer research fellowships by Indian academy of Sciences, Bangalore- 2014.
   8. Two of M.Sc. first year students (Reshma, Suvarna) have been awarded National Indira Gandhi fellowships-2013-14.

30. Seminars/ Conferences/Workshops organized and the source of funding (national international) with details of outstanding participants, if any.
   c. Two days work shop on “Biological applications of computers and bioinformatics”- 6th to 7th October, 2010.
   d. Five Day workshop on “Tools and Techniques in Biology”- 10th to 14th December, 2010.
Science academies lecture Work shop on Uses of Recombinant DNA Technology in modern health during 30-11-2012 to 01-12-2012 sponsored by Indian Academy of Sciences (Bangalore).

How do we sequence our DNA- past, present and future by Dr. Ch. Mohan Rao, Director, CCMB, Hyderabad on 06-11-2012 sponsored by AP science academy.

One day national seminar on New Frontiers in Animal Sciences on 4-4-2013.

Guest Speakers Prof. N. Chary, Retired Professor Department of Zoology and Dr. Y. Venkata Ramana, Scientist and Deputy director, National Institute of Nutrition, Taranka, Hyderabad.

31. Code of ethics for research followed by the departments - YES

37. Number of faculty who were awarded M.Phil., Ph.D., D.Sc. and D.Litt. during the assessment period - NIL.

38. Present details of departmental infrastructural facilities with regard to

- Library – Departmental Library with more than 1500 books
- Internet facilities for staff and students-Available
- Total number of class rooms-4
- Class rooms with ICT facility
- Students’ laboratories-2
- Research laboratories-8

39. List of doctoral, post-doctoral students and Research Associates

a. from the host institution/university – 32 Doctoral and 3 Post Doctoral students
b. from other institutions/universities

40. Number of post graduate students getting financial assistance from the university-NIL.
41. Was any need assessment exercise undertaken before the development of new programme(s)? If so, highlight the methodology.

NIL.

42. Does the department obtain feedback from –

NIL.

i. faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize the feedback?

ii. students on staff, curriculum and teaching-learning-evaluation and how does the department utilize the feedback?

iii. alumni and employers on the programmes offered and how does the department utilize the feedback?

43. List the distinguished alumni of the department (maximum 10)

1. Dr. V. Radhakrishna, Scientist National Institute of Health, Bethesda, USA.
2. Dr. J. Shankar, Scientist, Medical School, USA.
3. Dr. V. Ramesh, Scientist (Biotech), USA.
4. Dr. G. Chandramouli, Medical College Hospital, New York.
5. Dr. P. Usha Rani, Scientist –E, IICT (CSIR), Hyderabad.
7. Dr. A. Muralidhar Rao, Product Manager, Jhonson & Jhonso, cardiac medical division, Chennai.
8. Dr. K. Rajendra Kumar, IPS, DGP, Kashmir.
9. Dr. A. Ravi, District Malaria Officer, Adilabad.
10. Mr. Veerabrahmam, Collector, Karimnagar.

44. Give details of student enrichment programmes (special lectures / workshops / seminar) involving external experts.

a Two days work shop on “Biological applications of computers and bioinformatics”- 6th to 7th October, 2010.

b Five Day workshop on “Tools and Techniques in Biology”- 10th to 14th December, 2010.

45. List the teaching methods adopted by the faculty for different programmes.

The staff members use overhead projectors and LCD projector for teaching students.

46. How does the department ensure that programme objectives are constantly met and learning outcomes are monitored?

47. Highlight the participation of students and faculty in extension activities. –Students and faculty members are actively involving National Servicing Scheme (NSS) activities.
48. Give details of “beyond syllabus scholarly activities” of the department.

NIL.

49. State whether the programme/department is accredited/graded by other agencies? If yes, give details.

NIL.

50. Briefly highlight the contributions of the department in generating new knowledge, basic or applied.

NIL.

51. Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.

Strengths –

1. Expert faculty in different branches of Zoology.
2. Department library and computer lab.
3. Well-established individual laboratories.
4. Grants in the form of projects from different funding agencies (UGC, DBT, DST).

Weaknesses:

1. Lack of capital intensive infrastructural facilities.
2. Lack of extensive activities.

52. Future plans of the department.

1. To strengthen the department by improving teaching and learning facilities.
2. Establishment of modern research laboratory and renovation of existing labs with the UGC-NONSAP grant (15, 00,000/-).
3. Implementation of recently revised syllabus.
4. Conducting of regular seminar classes by the students to improve their knowledge.
5. To organize the third INPIRE internship Science camp sponsored by DST, Govt. of India, New Delhi.
6. To organize national / international seminars regularly.
