Online Education

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.	<p>The University has developed a culture of a strategically structured framework to ensure that the teaching, learning, and evaluation are completed on time. The process starts with the development of the almanac for each academic program, which is done in accordance with the program curriculum structure, e.g., under-graduation and post-graduation (professional and non-professional). The almanac is widely circulated among all the Deans of Faculty, Principals, Chairpersons Board of Studies, Heads of Departments, and the principals of affiliated colleges. The almanac is issued with specific instructions to the faculty and administrative officials to initiate necessary actions to precisely follow the scheduled dates.</p> <p>All the principals of the University Constituent and Affiliated Colleges, and the Heads of the Departments have a Timetable Committee. The three-member committee is made of the Principal/Head of the Department, Dean/Chairperson Board of Studies, and a senior faculty member who draws a detailed timetable outlining weekly teaching schedules. Essential elements of the timetable include but are not limited to (i) unit of time (hours and minutes), (ii) theory/practical classes, (iii) other curricular, co-curricular and extra-curricular activities, (iv) student mentoring, (v) events calendar, (vi) life-skills and value education programs, and (vii) add-on classes if any.</p> <p>The principal aim of the timetable is designed to ensure the right balance of student engagement to attain the learning outcomes of the program, and the overall development of the student, including mentoring.</p> <p>The Principals and the Heads of the Department strive to effectively deliver the program-wise curriculum by combining (a) core subjects, (b) electives, (c) time-test to record student progression, and (d) student assessment (entry and exit points). At the core of the timetable are teaching plans with a semester-wise academic calendar, presented in a tabular format to cover the course program within the time frame, with the scope to make some minor modifications.</p> <p>The individual timetable is reviewed by the Dean, Academic Affairs to recommend changes if any, or collaborate with similar programs offered by others.</p> <p>The timetable preparation process involves critical stakeholders to meet the outlook of the Course, Department, College, and the University,</p> <p>Extra hours are devoted to taking remedial classes after completion of internal examinations to bolster students' preparedness before University examinations. Periodic meetings of IQAC take stock of the progress of teaching-learning, among other things and meetings of the Department with the Principal and parent-teacher meetings are other forums where the progress of the delivery of the curriculum is regularly monitored and necessary course corrections are initiated.</p> <p>Because the geographic spread of the University is large covering 11 districts of Telangana, and facilitating higher education through 472 affiliated institutions, at the start, and before the end of the academic year, All Principals' meeting is organized to record opportunities and challenges. The deliberations are discussed at the university level to make changes to the timetable. Recently, the University has initiated to design a digital system that generates a digital calendar that eases the learning process at the University. It is being tested for practical implications.</p>
