VICE-CHANCELLOR'S MESSAGE

On the auspicious occasion of India's 75 years of Independence "Ajadi Ki Amruthotsav" I convey my heartfelt greetings to teaching, non-teaching, scholars, students, and all the stakeholders of Kakatiya University.

As you are aware that Universities are meant for generating, supporting and spreading the ideas for the progress of human kind in general, nation and societies in particular. Universities are supposed to serve society through their scholarly activities viz., teaching, research, and extension. As per the New Education Policy the teachers are supposed to teach "not what to think, but how to think". Universities are required to undertake practice-led and translational research which can alter the future generations.

Higher Educational Institutions have onerous responsibility of undertaking extension activities that are aimed at Social Service and Social Development. Taking the inspiration from our Vision and Mission statements, which have been appreciated by the NAAC we should work relentlessly for the realization of our goals. The role of non-teaching friends for the efficient and effective administration can be crucial and worth mentioning. The student community should also be self-motivated to learn and acquire competencies and bring laurels to the Institution. In this context, I remind that excellence depends upon self-motivated students and committed and Competent faculty, pedagogical tools, infrastructure, and good governance.

I appeal to all the stakeholders of this institution to pay the required attention towards the progress of the university. I sincerely emphasize that introspection leads to perfection and that perfection in turn leads to satisfaction. Let all of us get a feeling of sense of delightment in doing a job resulting in greater joy and enhanced personal effectiveness, and increased life satisfaction. The university aims at providing the multi-disciplinary and holistic education emphasized by UGC by increasing the knowledge levels, building the characters, ensuring self-confidence, as said by Swami Vivekananda.

I am confident that with our commitment, work culture and our lofty vision, driving ambition to innovate and coupled with managerial excellence is not far from reality. I'm visualizing that with a democratic spirit, technocracy and meritocracy enables our university to reach its heights and to establish creative benchmarks in academic standards, research, and extension activities.

I am sure that we will get the desired results by internalizing and institutionalizing the quality culture, developing suitable strategies, activating the systems and procedure and ultimately rising the institutional capacity to achieve excellence. We need to focus on ensuring, transparency, efficiency and adopting accountability. The University's journey is aimed at bringing quality momentum in higher education and become one of the top-ranking higher learning institutions in the country.

HARITHA HARAM

The University launches 10 day Haritha Haram Programme

The Programme Haritha Haram was launched by Telangana Chief Minister K.Chandrasekhar Rao on 3 July 2015. It is one of the Telangana Flagship programmes to rejuvenate degraded forests, by mass forestation with an intention to improve the forest coverage to 33% from the 24%. The State Government fixed the target of 230 crore plantations within five years' time.

The 10-day programme from July 2nd to 11th, 2021 was formally launched in the University campus by Prof. T.Ramesh, Vice-Chancellor. The University assigned responsibilities to different departments and Constituent Colleges and ensured the implementation of the programme in a well designed way. The University planted 1200 saplings in 2 acres covering all the departments. Haritha Haram drive is expected to result in lowering of climatic temperatures, reduction in pollution levels, increase in general public health, increase in wild resources, and enhancement of wildlife and biodiversity.

The 9th Endowment Lecturer on 'Nationalism and Dynamics of Federal Politics in Contemporary India', was organised in the memory of Dr.Kothapalli Jayashankar, former Vice-Chancellor and Telangana Ideologue on 6th August, 2021 in the Administrative Building, Committee hall.

Speaking on the occasion, Prof. K.Srinivasulu, Sr.Fellow, ICSSR said that Dr. Jayashankar's fight for Telangana began in 1952 and he continued it till he breathed his last in 2011. He is the one, who propagated the importance of separate State by pointing out the injustice meted out to Telangana by Seemandhra rulers. Dr. Jayashankar united the leaders irrespective of their political affiliations to fight for separate State, said Prof. K.Srinivasulu.

Prof. T.Ramesh, Vice-Chancellor described Dr.K.Jayshankar, as Telangana ideologue who sacrificed his entire life to expose the injustice being meted out to the region in the unified State and honestly fought for the formation of the separate State. He was the beacon of the Telangana agitation and explained to the youth and the educated in a simple manner as to how injustice was done to the region in employment, allocation of funds and water sharing at every stage, he said.

Prof. B.Venkatram Reddy, Registrar also spoke on the occasion and appealed to all the staff members to rededicate themselves for the development of the University.
