## FOREWORD

It gives me immense pleasure to place Kakatiya University's Annual Report for the year 2021-2022 before the 38<sup>th</sup> Academic Senate. For a well-established institution like Kakatiya University, self-appraisal is important to make further strides in the realm of higher education. The report consists of information about the academic accomplishments of the faculty and students, administrative set-up, outreach programmes undertaken and improvement in infrastructure facilities of the university during the year. Hence, the report will be a valuable compendium of the development activities and related information about academics.

Having experienced the upheavals of Covid-19, we are on a course of recovery coming to terms with changes in our outlook, modes of living and learning. Search for alternatives in the field of education resulted in experiments with online teaching and hybrid mode. I am happy that we are gradually moving to the time tested, productive method of teaching-learning on campuses.

The university's journey has been aimed at maintaining quality momentum in higher education. To sustain this further, the efforts of all stakeholders need to be centred around internalizing and institutionalizing the quality culture. I am confident that the university will reach further heights by setting benchmarks in academic excellence, quality research and extension activities. The New Education Policy lays emphasis on originality in thinking and creative output. We have set certain standard benchmarks in this regard and it is the onerous responsibility of the faculty to motivate students and researchers further in that direction.

Kakatiya University has crossed many milestones in a sustained manner over the years. It was reaccredited with 'A' grade in 2017 with improved CGPA. The University of Indonesia (UI) has consistently ranked Kakatiya University for the last four years (2019-22) in the World Sustainable University Rank under 'Green Matrice.' The University College of Pharmaceutical Sciences, a constituent college of the university, secured 48<sup>th</sup> rank in NIRF-2021 and 46<sup>th</sup> rank in NIRF-2022.

The university shall soon seek NAAC reaccreditation and all our efforts should be in the direction of retaining its grade. I hope the lush, green environs of the campus, improving facilities, and its academic excellence will enhance the reputation of our university. Besides faculty, the role of students and non-teaching friends is paramount in this regard. It will also go a long way in creating a healthy academic atmosphere in a clean and healthy environment. The university's fulfilment of its social obligations will further add strength to its credentials.

I am confident that our vision, work culture, drive for innovation will enable us to reach the desired heights.

I congratulate the members of the Editorial Board and the staff of Academic branch who have worked assiduously in compiling the information and data and bringing out the report in its present shape.

**PROF. THATIKONDA RAMESH**  
Vice-Chancellor

## EDITORIAL

It's a pleasure to be associated with Kakatiya University's Annual Report 2021-2022 to be submitted to the 38<sup>th</sup> Academic Senate. It documents the various markers in areas of academics, research, administration, works completed and work in progress during the year. It is a compendium of data related to teachers' accomplishments, distinctions, students' achievements, research degrees awarded, other landmarks and development activities.

The compilation and update of the information about the university is a demanding task in itself. For the report to take a final shape, many meetings have taken place discussing the content and form, collecting data from different academic and administrative wings, checking and re-checking the information, editing and finalising the record everything daunting. But it's also gratifying to put together the various milestones of the university during the year.

The New Education Policy advocates quality culture and the need for maintaining healthy practices. The Annual Report charts the quality/healthy practices maintained and monitored by the university. The report is a testimony to the emphasis on quality and originality in thinking as stated in the university's vision and mission.

I thank the Editorial Board members for their co-operation and dedicated efforts in finalizing the draft of the Annual Report 2021-2022 within a short period. I also thank Dr. M. Sadanandam, Principal, University College of Engineering, for his active involvement in the completion of the report.

## About

### KAKATIYA UNIVERSITY

**Kakatiya University** was established on 19<sup>th</sup> August, 1976 by upgrading the erstwhile Postgraduate Centre of Osmania University. The landmark event signified the fulfilment of the long-cherished aspirations of Telangana. It heralded a new era in the realm of Higher Education in the region.

The university is located in the historical city of Warangal and named after the great Kakatiya dynasty that ruled the Eastern Deccan region during the 12<sup>th</sup> and 14<sup>th</sup> centuries A.D. The university campus, spread over a sprawling area of about 672 acres, was aptly named 'Vidyaranyaपुरi' after the great sage and Sanskrit scholar, Vidyaranya, who was born in Warangal and, as the legend has it, helped to establish the famous Vijayanagara empire in 1336.

The development of the university has been gradual but consistent. It has made rapid strides in achieving academic excellence and soon established its credentials emerging, in course of time, as the fulcrum of higher education dynamics that involved teaching, research, career guidance and extension activities. It has made continual efforts in imparting value-based education, originality in comprehension, and innovation in action. It has sustained the momentum, over the decades, in nurturing and shaping the talents of thousands of students and researchers enabling them face challenges, excel in real life situations.

Kakatiya University has now 27 departments on campus with a network of 19 constituent colleges and 473 affiliated colleges. It has Postgraduate Colleges at Subedari (Hanumakonda), Nirmal, Khammam, Janagaon, Jayashankar Bhoopalpally, Mahabubabad and University Engineering College at Kothagudem. It offers 95 programmes at undergraduate and postgraduate level in the Faculties of Arts, Science, Commerce, Education, Law, Pharmacy, Engineering, Hotel Management and Oriental courses. In addition, the university offers 28 programmes under distance mode through School of Distance Learning and Continuing Education (SDLCE). The university is committed to meet the augmented demand for specialised courses from time to time.

The university is vibrant with research activity carrying out projects sponsored by various funding agencies such as UGC, CSIR, DST, DBT, AICTE, DRDO, MHRD, ICMR, ICSSR, and ICHR. As many as twelve departments have been supported by the UGC under its SAP-DRS Programme, eight departments under DST-FIST, nine departments under UGC BSC Non-SAP and two departments under DST-INSPIRE programmes.

Kakatiya University marched ahead with many noteworthy academic indicators to its credit over the decades. It was reaccredited with 'A' grade by NAAC with CGPA of 3.02 in 2009, and again with 'A' grade in 2017 with improved CGPA of 3.36. Notable among other milestones include: National Institutional Ranking Framework (NIRF) placed the university in II-band (101-150) in overall category, and in III-band in Institutions category (151-200) in 2018. As a consequence of NAAC Accreditation and NIRF ranking, the university was granted 'Graded Autonomy' by the UGC in December 2018. The university was sanctioned a grant of Rs. 50 crores by the RUSA in 2018 under research and innovation component.

Furthermore, the university was ranked 38 by India Today-Neilson Survey of the country's top 100 universities on the basis of reputation, quality of academic input, Faculty, research publications, infrastructure, placement opportunities and enrolment. It was recognised with ISO 9001 2015 Certification in 2020. The University of Indonesia (UI) has consistently ranked Kakatiya University for the last four years (2019-22) in the World Sustainable University Rank under 'Green Matrice.' The University College of Pharmaceutical Sciences, a constituent college of the university, secured 48th rank in NIRF-2021 and 46th rank in NIRF-2022.

The UGC under Paramarsh programme identified Kakatiya University as 'Mentor Institution' for mentoring aspirant institutions for NAAC Accreditation. Initiatives by the university encouraged 27 affiliated institutions to seek and obtain NAAC Accreditation. The university has also motivated the affiliated colleges to attain Autonomy and 8 colleges have obtained the status so far.

The university boasts of strong alumni associations with branches abroad, supporting its developmental activities. Recently the NRIs in the USA have launched a website ([www.kakatiyulu.org](http://www.kakatiyulu.org)) and mobilised a corpus fund of \$ 10,000. The Pharmacy alumni contributed a sum of Rs. 30 lakhs for the construction of its Alumni block.

In an effort to give impetus to the educational, research and faculty exchange programmes, Kakatiya University has taken initiative in collaborating with foreign universities having common research interests. The university has well established research collaboration with universities from countries like Australia, Germany, USA, UK, Hungary, China, the Netherlands, Brazil and Italy. Besides, it entered into MoU with Central Michigan University, USA in March, 2006 to carry out mutual exchange of students, researchers and faculty. The Department of Biotechnology has collaboration with Verona University, Italy and LMU, Munich, Germany. The NTH Co. Ltd., Japan has an MoU with the Department of Microbiology. Department of Botany established collaboration with Murdoch University, Australia under its SAP-DRS programme.

Kakatiya University has a spacious Central Library with a rich collection of about 1, 50, 000 titles in addition to 25, 000 back volumes of research journals. Giving utmost importance to student services, the university established SC/ST Cell, NET Coaching Centre for SC/ST students, Placement Cell, BC Cell, Indoor Games Complex, Students Welfare Centre, Central Instrumentation Centre, Yoga Centre, Computer Centre and Gymnasium for their all-round development. Centre for Foreign Relations and Consultancy Services (CFRAC), Industry-Institution Interaction and Consultancy Cell are the other contributory factors in shaping their personality.

As a mark of its commitment to societal obligations and fulfilment of its needs, the university has established manifold Centres on its campus. The Cell for Differently-Abled persons was established by the university to take care of their requirements. To impart communication skills in English to the public in general, and university students in particular, the Centre for English Language Training (CELT) was established with all infrastructural facilities. The Centre for Women's Studies & Empowerment, Dr. B. R. Ambedkar Studies Centre and Moulana Azad Centre for Minorities are involved in projects related to Women, Dalits and Minorities respectively. Mahatma Gandhi Studies Centre and P.V. Narasimha Rao Knowledge Centre have been established to examine their contribution and relevance by conducting seminars/conferences.

Taking cognisance of the impact of IT in higher education, all the university departments and constituent colleges were brought under Campus Network providing round the clock Internet facility. As a result, the researchers have the facility to access about 4,000 research journals through INFLIBNET and UGC INFONET programmes.

Social activities undertaken by the National Service Scheme (NSS) have brought laurels to the university at national level. The NSS unit of the university topped in blood donation in the country for the fourth time in succession. Creating AIDS awareness in rural areas under AASHA is yet another programme that received special appreciation from the State Government. The university received President's medal in 2022 for its initiative, innovation and leadership in NSS activities. It is a testimony to the success of the university's outreach programmes in the process of fulfilment of social obligations.

The students of Kakatiya University held its flag high in the domain of Sports and Games at national level competitions displaying brilliant performances. They won All India Inter-University Gymnastic Championship for three consecutive years. The university twice successfully hosted the Inter-University National Youth Festival sponsored by the Association of Indian Universities.

Kakatiya University celebrated its Silver Jubilee in 2001. With many benchmarks of excellence, memorable markers in academic accomplishments during the last 47 years, the university is poised to achieve greater heights in the years to come.

## THE EMBLEM

The Emblem of Kakatiya University is a round logo consisting of Dharma Chakra, two Nagas, Purna Kumbham, Kakatiya Dwara Thoranam and the name of the university written in three languages i.e., Telugu, Hindi and English.

## Offline classes under KU jurisdiction to commence from Sept 1: VC Prof T Ramesh

Dr Srinivas Vooradi

Warangal, Aug 31: Katakatiya University (KU), Warangal, Vice-Chancellor Prof. Thakandana Ramesh and Registrar Byru Venkatram Reddy directed the officials to take steps to conduct the offline classes (physical classes) on the campus, constituent colleges and in the affiliated colleges under its jurisdiction from Wednesday i.e., September 1, 2021.

Speaking to this correspondent, Vice Chancellor Prof Ramesh said that he had convened a meeting of the Principals of the University Constituent Colleges on Monday and asked them to follow the Standard Operating Procedures (SOPs) to open the colleges on September 1.

"The SOPs are preparation for a comprehensive plan for handling the inflow of students, mandatory use of

the students, by motivating and carrying a clean cotton cloth (Handkerchief/Tissue Papers) cover one's mouth and nose while Coughing and Sneezing," he said and added that the students and staff must install and use Aarogya Setu App and avoid spitting at the college, group gathering and movements, including extracurricular activities involving a group of

students. The officials must make a risk assessment and subsequent action, and take steps to conduct weekly vaccination camps, display of Posters and Signage at prominent locations, Setting-up Help Desk and Helpline (WhatsApp Number) and use of the e-mail: kuhelpline@kakaratiya.ac.in for queries and information," Prof Ramesh added. He also

conducted periodic meetings by Principals with HoDs and Teachers and Staff to monitor the condition besides promoting Mandoranpur and National Toll-Free Helpline (8445440632). 'Promoting Social Helpline 0804611007 for Behavioural Health' should also be done,' the VC said and added that the managements have to classify the physical instructional classes in a phased manner. 'Phase-I (September 2021): Technical Classes involving practical instructions with simultaneous arrangements of online classes for non-technical programs. Phase-II (October 2021): Limiting the inflow through sessions (Morning and Afternoon),

Phase-III (October 2021): Full Open. Online Study Material should be made available through the University Website. Isolation Facility, preferably one room in each of the department/building should be created.

"The students staying at the hostels must produce COVID-19 negative certificate, minimize one vaccination should be done for the students. Periodic monitoring of health must be done. The students must wear a face cover/mask, and carry Hand Sanitizers. All Hostels must be cleaned and sanitized and special care is taken in the dining hall to maintain physical distance. Few rooms in hostels are made available for isolation, if any border suffers from cold or fever and all classrooms and labs are cleaned," he added.

#### **Introduction of University Sports Board - I**

The Sports Board of Kakatiya University is existing since the inception of the University in the year 1976 with 18 colleges and meager strength has grown into a massive organization with 510 colleges spread in Under-Graduation, Post-Graduation, Engineering, Pharmaceutical, Education and Physical Education Colleges by 2021-2022. It has been active ever since its inception in matters of sports and games for rural, backward and tribal students and won laurels from all quarters. A perusal of various programmes organized by the Kakatiya Sports Board during these years would enable to understand how the changing concept and function of education from mere dissemination of the theoretical knowledge to the assumption of responsibilities for physical, psychological and spiritual development of the society has sensitized the members of the University Community as to the realities around the campus. We place on record that the Principals, Physical Directors, and the Players spread in the three districts of Northern Telangana have been there at the very root of the success of the Kakatiya Sports. It is these functionaries who helped the Kakatiya Sports Board was awarded the prestigious **National Gold Medals (56), Silver Medals (44) and Bronze Medals (74) by Government of India, & Twelve (12) times Team Championships for its sportsmanship.** The Players are actively participating in Intercollegiate tournaments and various players-Centric Training Programmes to develop positive personality traits, discipline, self-control, hard work, emotional stability and physically, mentally and mold the student's behavior socially acceptable. Prepare the students fit for employment sources like in the department of Police, Defense services, Fire services, Forest, Mines, Physical Education, and Railways. To develop healthy habits and good hobbies and to promote friendship among the students' interpersonal relationship, sociability, mobility, and positive thinking and utilize leisure time. To encourage competitive spirit, Dynamism, and adaptability to meet the challenges of life. To make every student realize his/her innate power, skills, energy and strengthen moral turpitude. To develop the various organic system of the body, so that they respond in a healthful way to increase the demand placed on them. The Sports, Kakatiya University has become an inseparable part of the sportsmanship life in the three Districts of North Telangana region of Telangana State.

### **5.3 Centre for Women's Studies & Empowerment**

The Centre for Women's Studies, Kakatiya University, Warangal came into existence at the end of the IX Plan. The Women's Studies Centre has been upgraded by the UGC as Department of Gender Studies and M.A Gender Studies has been started in 2013-14. Later, in 2015-16, the Department of Gender Studies has attained individual status, with Head and Chairperson, Board of Studies. From 2015 July onwards, the Centre for Women's Studies is revamped by shifting from old block to the new 1 Floor of new Auditorium, with the new infrastructure, funded by UGC since 2016 and functioning effectively. This has taken up Programmes in line with UGC Guidelines. Further, the Center mainly aims at achieving following objectives.

#### **Objectives :**

The main objective of the centre is "Inclusive of Exclusive" as women are the most marginalized section. The achievement of gender equality is the ultimate goal to attain this objective. More over, women's empowerment has been identified as an instrument to move towards gender equality. Centre for Women's Studies has been concentrating on the question of Rural and Adivasi Women as they are the most marginalized sections of women owing to the prevalence of various kinds of inequality rooted in class, caste and rural urban divide.

The issue of women can be studied only through multidisciplinary approach. Therefore, the Seminars, Workshops and Research Projects naturally involves all the social science subjects Economics, Political Science, Public Administration, Sociology, History Law etc. and Humanities like Telugu and English Literature.

The question of women involves extensive activity. The centre conducts various Discussions, Workshops etc. to raise the gender awareness of students especially Women students, Research Scholars, Women employees, the women in the local self government and Rural Women.

#### **Other Objectives :**

1. Raising Gender Sensitization
2. Increasing Awareness of women
3. Constructing Women's history as to their struggles and achievements.
4. Conducting filed surveys on contemporary problems of women in socio-economic, political and cultural areas.
5. Identification of strong leadership and change makers and building their capacity.

6. To promote a culture of respect and equality for female gender.
7. To provide opportunities and programmes for female gender to be financially, mentally and emotionally empowered so as to promote their growth as individuals in their own right.
8. To made them aware about the guidelines of Supreme Court and to ensure that sexual harassment is treated as an unacceptable social behavior within the institution and the society.
9. To help self-help group women to get financial support by identifying the sources.
10. To inculcate entrepreneurial attitude among young girls, researchers at the earliest so that they can be "job givers rather than "Job takers".

The 60% fund is Rs.8,50,19,580=-00 is being i utilized by the colleges for meeting the Teaching remuneration and other infrastructure facilities and 5% fund is Rs70,84,965=00 for Principal establishment charges for the colleges. The 35% Reserve Fund is Rs.4,95,94,755=00 to be remitted into the Registrar, Self Finance Course Account by the concerned colleges.

In continuing the efforts to spread Higher Education, the University has taken several measures to establish the new PG college/new PG courses in the existing j colleges on Self financing basis apart from establishing new constituent colleges with a broader objective of providing greater access and reach University has established the : following new PG colleges under Self financing bass in the rural/semi urban areas also. The following new University PG colleges have been setup.

1. University P.G. College, Jangaon
2. University P.G. College, Mahabubabad
3. University College of Physical Education, Khammam.

This bold step is a big breakthrough in spreading higher education in North Telangana Region. Similarly, the University has taken keen interest in enhancing the opportunities for girl students who wish to pursue their technical/professional courses. Accordingly, Kakatiya University has established University College for Women on Subedari campus in PG level and University College of Engineering & Technology for Women on KU campus in UG level (B.Tech. four branches). In addition to providing specific opportunity for pursuing PG programme leading to M.A. Gender Studies (run by Women's Study Centre).

The following PG programmes which were hitherto run by University Department / SDLCE or other colleges have been upgraded with independent department / college status signifying the need for Self financing courses.

- a. University College of Commerce & Business Management, KU campus.
- b. Department of Psychology
- c. Department of Journalism & Mass Communication.

**1. Brief Report, setup aims and major achievements****Brief Report about SDLCE:**

The School of Distance Learning and Continuing Education, a wing of Kakatiya University, was established in the year 1988. The School is located in KU Campus, 135 Kilometers from Hyderabad city, the capital of Telangana State. The aim of the School is to provide educational opportunities for all adult Indians, in general and residents of Telangana districts, in particular, regardless of their prior academic credentials. The School, thus focuses its attention mainly on advancing and disseminating Learning and knowledge by diversity of means which are generally not observed in formal type of education.

**The Mission**

Among high towards the spread of education in the Educational Sector, dedicating itself towards removing all barriers that traditionally restrict access to University education, designing strategies resulting in reaching the unreached, while covering the population of Telangana State in particular and India in general, developing programmes and courses based on the needs and requirements of the people as well as the State and strive for promotion of standards and quality in programmes and activities.

**The Objectives:**

- a To provide access to high education to large segments of population, those disadvantaged groups of remote and rural areas working people, housewives and other adults who wish to upgrade knowledge and skills.
- b To promote acquisition of knowledge and to continually offer opportunities for upgrading knowledge and skills in the context of innovations, research and discovery in all fields of human endeavour.
- c To provide an innovative system of education at the University level flexible open in its methods, pace of learning, with a view to promote learning and encouraging excellence in various fields of knowledge.
- d To diversify and strengthen PG and certificate courses relevant to national economy and employment opportunities.
- e To contribute to the improvement of the education system in the region and develop all those courses which will develop higher education in the region.
- f To provide education and training and undertake research in various fields of distance education.

The School of Distance Learning and Continuing Education (SDLCE) provides access to higher education to the maximum extent possible, especially to all those who desire to improve their formal qualifications, skills and competence in a specified field of subject. Most of these could be achieved because, the School generally.

- a Adopts and open admission policy.
- b Facilitates the students to pace and undertake his/her studies according to his/her choice.
- c Develops techniques and methods of delivery systems for students to minimize constraints of money, time and place of study.
- d Designs programmes to meet the needs of specific groups.
- e Provides after-guidance services to promote continuing education.
- f Enters into collaboration with other concerned organizations and institutions and share experience which will mutually benefit each other

**The Main Campus:**

The School is located in the University Campus on the Warangal - Karimnagar national Highway road on a plot of about 10 acres of land. The plinth area of the building is 42,000 sq.mts. The buildings include the Administrative Block as well as Academic Block. These two blocks accommodate main Academic Division. Computer labs., Media Production Unit, Library and Reading Hall, course Material Issuing Centre, Student Registration Evaluation Division (SRED), Distance Education Quality Support and Training Institute (DEQSTI), finance, Accounts and Administration, Central Sores, Examination Unit etc. In the year 2015, a new block by name "Student Support Services Block" has come up adjacent to the existing building.

A vast play ground comprising of an athletic track and field's for football and indoor facilities for volley ball, badminton existing on the university campus are available for sports and games facilities for our students.

### **The Headquarters and its Organisation:**

The Headquarters of SDLCE is located in the University Campus, KU, Telangana State, SDLCE adopts a policy that believes in democratization, decentralization, flexibility, extended participation and collective decision-making.

The Director is the Chief Executive of the School and functions under the supervision of the University Vice-chancellor. At the policy planning and programme level, the School has a Advisory committee, Programme committee and Purchase Committee with experts in distance education from the university, the SDLCE and outside as its members. These Committees assists the Director in the programme planning and regular appraisal of its programme implementation.

### **The Open Learning and Distance Education Programmes:**

The educational opportunities offered through more than 30 programmes were widely appreciated by the public as they meet various educational and employment needs of the people and the region. The growth in the number of students indicated positively a higher rate.

About thirty percent of the students are adult learners who hold full time jobs, forty percent fresher's constitute women (housewives, working women and girl students).

### **Course Development & Course Delivery System:**

The Courses offered through the School are designed and approved by the Board of studies of the respective faculties of the University.

Printing course material is our important method to provide the subject matter and also develop certain domains for effective learning. The printed study material is prepared by a team of trained and experienced teachers. Experts are selected from within our University and also from outside the University, prepare the material. They are constituted into teams consisting of course writers and editors. This material passes through different stages before it is handed over to the material production unit for getting it finally printed.

The material is issued to the students at the time of admission itself or at the study centres during contact sessions and also through postal dispatch whichever is convenient.

### **Course Delivery**

The teaching - learning process is ensured with the use of multimedia system and is provided by.

- i. Issuing printed course material in a self instructional pattern while meeting the local requirements.
- ii. Organizing personal contact programmes Online Classes and examination - oriented session.
- iii. Providing facilities for Audio /Video lessons.
- iv. Conducting Winter / Summer counselling campus.

- v. Arranging extension and guest lectures by experts and professionals from other universities and organizations

### **Student Support Services:**

#### **Study Centres:**

In all there are more than 42 study centres in the districts of Telangana State. The School is planning to establish the study centres in the rural and remote areas of the backward regions of the state.

Personal Contact Programme (PCP): The Personal Contact Programme has been designed to help the learners. Contact Programme includes orientation and guidance, provides condensed classroom counselling to cover the important and difficult topics of the course. The School adopts the counselling of the course syllabi through two sessions - firstly with Contact Programmes being conducted on Sundays/holidays and finally, with the Regular Contact Programme for a short period, the School also conducts online contact classes for the UG/PG courses. These Online classes are very useful to the distance Learners particularly in the Covid-19 Pandemic situations.

#### **Faculty for Counselling:**

Faculty members of the concerned departments of the University are mainly involved as Academic Counsellors. The services of qualified and experienced faculty members of affiliated colleges are also utilized. The academic counsellors, as they are termed, shall also guide the students in the regional languages wherever found necessary and convenient to them.

#### **Library Services**

2. Year of establishment : Academic Year 1968
3. Name of the Dean with Qualifications : Prof. K. RAJI REDDY  
M.Com., M.B.A., M.Phil., Ph.D.
4. Origin of the Department :

The Department of Commerce & Business Management was started during the academic year 1968-69 and it is now one of the prestigious Departments of Kakatiya University. The Department was upgraded into a full-fledged University College in the Year 2013.

The Department is at present offering the Under-Graduate and Post-Graduate courses in Commerce & Business Management in various constituent, Government Aided and Private un-aided Affiliated colleges under the jurisdiction of Kakatiya University. The Department offers M.Phil and Ph.D. programmes apart from M.Com., M.Com. (FA) and MBA on the campus. The faculty offers various U.G. & P.G. programs such as MBA, M.Com (General), M.Com (Financial Accounting), M.Com (Computer Applications), M.Com (Banking & Insurance), B.Com (General), B.Com (Computer Applications), B.Com (Banking & Insurance), B.Com (Taxation), B.Com (Business Analytics), B. Vocational courses through its constituent and affiliated colleges.

On research front, the department has made commendable progress. The faculty members are actively engaged in their research projects by various funding agencies viz., UGC, ICSSR, AICTE and Government of Telangana etc. The college is sanctioned financial assistance of more than 1 crore under DRS-SAP-II

## 9.8 Faculty of Engineering and Technology

1. **Name of the faculty** : Engineering and Technology
2. **Year of establishment** : Engineering Section 1976
3. **Name of the Dean** : Prof. T. Srinivasulu  
Professor of Electronics and Communication Engineering
- Qualifications** : M.Tech, Ph.D.

### 4. **Origin /brief history of the faculty :**

Faculty of Engineering & Technology has one constituent university college of engineering, kothagudem, two campus colleges of KU College of Engineering and Technology and University College of Engineering & Technology for Women. In addition 5 affiliated colleges.

Kakatiya University College of Engineering Technology has established in 2009 with 4 branches of Electronics and Communication Engineering, Electrical and Electronics Engineering, Computer Science and Engineering, and Mechanical Engineering. Later, two branches of Information technology, and Civil Engineering has established. There is around 1440 students are admitted in UG Programs. However, the college has two PG programs of M. Tech (Digital Communication) and M. Tech (Computer Science Engineering) and 72 PG students has taken admission.

There are only 4 regular faculty members working, and 57 academic consultants were recruited to meet the academic requirements. 56 Ph.D students are working in various departments. However, University College of Engineering and Technology for women is offering 4 UG programs of 240 intake per annum.

## **11.0 ANTI-PLAGIARISM CELL/COORDINATOR, SHODH GANGA, KU**

The Director, Anti - Plagiarism Cell/Coordinator Shodh Ganga is responsible to certify and upload all the academic and research work done, leading to the partial fulfillment for the award of degrees at Research Level, by a student or a faculty or a researcher or a staff, in the form of thesis, dissertation and publication of research papers, chapter in books, full-fledged books and any other similar work. Such certification should reflect the extent to which elements of academic integrity and originality are observed through similarity check and the extent to which the academic content is plagiarized. All decisions related to plagiarism will be in accordance with the guidelines specified in the "Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions. Regulation, 2018" and any subsequent regulations adopted by the University.

At present, University is using Ouriginal, a software solution that combines text-matching with writing style analysis, enabling educators and users to assess the authenticity of any text. Our product helps create an environment which fosters fairness and sparks creativity among students, facilitating personal development by unlocking their full potential.

After successful completion of Ph D Viva -Voce, the Ph D Thesis is uploaded in Shodhganga, a platform for research scholars to deposit their Ph.D. theses and make it available to the entire scholarly community in open access through Shodhganga@INFLIBNET a set-up using an open source digital repository software.

## 12.0 EXAMINATIONS & RESULTS

### 12.1 Brief Report

Because of COVID-19 pandemic and consequent online classes, the simplified scheme of question paper was introduced for examinations of 2020-21. The same scheme was in force for the examinations of 2021-22. Total number of candidates registered for the examinations of both odd and even semesters in 2021-22 is 4, 40,486 (excluding distance mode students). That means, there were about 2, 20, 000 candidates for either even or odd semester examinations. A part from the conduct of examinations and evaluation process, there is another Key Process Area (KPA), student support services at the counters.

## 12.3 PhD Awards

S.	Name	Subject	Title	Supervisor
1	Chaitanya Gopu	Biotechnology	In Vitro Studies, Phytochemical Screening And Silver Nanoparticle Production In Momordica Cymbalaria Fenzl	Prof. T. Yadagiri Rao
2	Ramya Chouhan	Biotechnology	Studies on Lipase producing thermophilic micro-organisms	Dr. T. Dayakar Rao (Retd.,)
3	Shama Nazrin	Biotechnology	In Vitro Conservation, Screening of Bioactive Compounds & Assessment of Genetic Diversity in Globally Endangered Species – Adansonia digitata L.	Prof. Banna Ailaiah
4	Sirikonda Abhithheja	Biotechnology	Phytochemical, tissue culture and DNA barcoding studies on Flemingia macrophylla (Willd.) Merr. and Flemingia Strobilifera (L.) W.T. Aiton.	Prof. T. Srinivasa Rao
5	K. Hemalatha	Biotechnology	In Vitro Micropropagation and Phytochemical Analysis in Annona Reticulata L.	Dr. R. Bharavi Sharma
6	Lapaka Suresh	Biotechnology	Isolation, Characterization and molecular identification of protease producing Bacteria from Industrial effluents	Dr. C. J. Sreelatha
7	Nagaraju Alpula	Biotechnology	Cloning, expression and characterization of thermostable alkaline lipase from Lysinibacillus fusiformis ANRPSA9	Prof. Banna Ailaiah
8	Ch. Pavani	Biotechnology	Solanum khasianum Clarke: Biotechnological Perspectives	Prof. A.S. Nageshwara Rao(Retd.,)

9	Vankudoth Suvarchala	Biotechnology	In Vitro Studies and Screening of Bioactive Molecules From Muntingia Calabura (L)	Dr. Shayeda
10	Kasim Mood	Biotechnology	Tissue culture, phytochemical and DNA barcoding studies in Lippia nodiflora (L.) Michx. and Lippia javanica (Burm.f.) Spreng.	Prof. K. Eshwaraiah
11	Ramesh Kandagatla	Botany	Risk assessment of alien plant invasions into the natural ecosystems of telangana, india - an effort towards native biodiversity conservation	Prof. Y. Narsimha Reddy
12	Koppula Thirupathi	Botany	Exploration of cucurbitaceae in northern telangana, india and in vitro studies of solena amplexicaulis, a medicinally important plant	Dr. T. Dayakar Rao (Retd.,)
13	Thirupathi P	Botany	In vitro and in vivo production of cucurbitacin-b in luffa cylindrica (l).m.roem and its conservation	Dr. C. J. Sreelatha
14	A. Sandeep	Chemistry	Design and synthesis of novel glycopeptides and glycolipids as immune potentiators	Prof. G. Veeranna
15	Govindareddy Kundoor	Chemistry	Total synthesis of pestalotioprolide c, studies towards the total synthesis of gliomasolide c and regioselective direct difunctionalization of glycals	Dr. H.M.Sampath Kumar
16	B. Surender	Chemistry	Stereoselective total synthesis of (-)-6-epi-hygrophorone b14 and (-)-4-epi-hygrophorone d14, formal synthesis of uvacalols i and j and hypervalent iodine catalyzed dehydration of ?-hydroxyl esters	Dr.B. Deepa Jyothi

17	Dumpala Mohan	Chemistry	Stereoselective total synthesis of distaminyne a, exserolide f and jomthonic acid a	Dr. R. Umarani (Retd.,)
18	Jeevanlal Banothu	Chemistry	Synthesis and characterization of inorganic metallic oxides and their photocatalytic applications	Prof. K. Raji Reddy
19	Beduru Srinivas	Chemistry	Stereoselective synthesis of cis- and trans-2,6-disubstituted tetrahydropyrans: synthesis of (+)-muconin and diplopyrone	Prof. G. Narsimha Murthy(Retd.,)
20	Guguloth Veeranna	Chemistry	Facile aqueous-synthesis of diverse heterocyclic compounds via transition metal-catalyzed one-pot coupling-cyclization strategy	Prof. Y. Narsimha Reddy
21	Ravishetty Padma	Chemistry	Progress towards the total synthesis of tetraene biosynthetic intermediate of indanomycin and (+)-scanlonenine	Prof. T. Srinivasulu
22	Dharavath Sreenu	Chemistry	Thermophysical and computational studies for the molecular interactions in the binary liquid mixtures of benzylacetate with different organic solvents at various temperatures	Dr. T. Dayakar Rao (Retd.,)
23	Satyanarayana K	Chemistry	Synthesis, characterization and antimicrobial activity of metal complexes containing chromone derivatives	Prof. Banna Ailaiah
24	Rateesh Vanam	Chemistry	Synthesis of novel nitrogen/oxygen containing fused heterocycles and their antimicrobial activities	Dr. T.V. Sujatha Kumari(Retd.,)
25	Sri Sudha K	Chemistry	Heterocyclic compounds and development of new synthetic methodologies	Prof. V. Ramchandram

26	S. Vijaya Laxmi	Commerce & Business Management	Impact of advertising on consumer buying behaviour - a study of select products	Dr. Rajender Katla
27	Itaiah Samudrala	Commerce & Business Management	Working capital management in cement industry - a study of select units	Prof. G. Rameshwaram (Retd.,)
28	V. Prudhvi Raju	Commerce & Business Management	Management of agricultural trade in telangana region - a study of selected markets	Dr. T. Shasthree
29	Syed Valiullaj Khapari	Commerce & Business Management	Problems and prospects of small scale industries - a study of select units in telangana	Dr. P. Amaraveni
30	Sabah Begum	Commerce & Business Management	Work-life balance of employees in banking sector - a comparative study	Dr. M. Pushpalatha (Retd.,)
31	Lingala Mounika	Commerce & Business Management	Impact of demographic, social and cultural variables on leadership - a study	Dr. K. Mohan Reddy (Retd.,)

33	Phanindra Kumar Katakam	Commerce & Business Management	Marketing of financial services - a study	Dr. K. Ailaiah
34	Harini Varala	Commerce & Business Management	Problems and prospects in marketing of health insurance products - a study	Dr. P. Srinivas
35	Ranjith Uppula	Commerce & Business Management	Talent management practices in it and ites sector - a study	Prof. T. Ramesh
36	Hema Neelam	Commerce & Business Management	Investment patterns of women employees - a study of warangal urban district	Prof. K. Purushotham
37	Manupati Kalyani	Commerce & Business Management	Employee welfare measures in tsrtc - an evaluation	Prof. M. Sarangapani (Retd.,)
38	Mulukapally Susruth	Commerce & Business Management	Financial planning in pharma industry - a study of select undertakings	Dr. R. Bharavi Sharma

39	A Ramyasri	Commerce & Business Management	Industrial relations in singareni collieries company limited (scl)	Dr. T. Dayakar Rao (Retd.,)
40	Madhu Voddepally	Commerce & Business Management	Performance of consumer councils - a study of warangal district	Dr. R. Umarani(Retd.,)
41	Thoyazan Sultan Ali Algaradi	Computer Science	Study and development of heuristic solutions for securing big data	Prof. Banna Ailaiah
42	Bandela Vishnuvardhan	Computer Science	Innovative solutions for security issues in mobile banking	Dr. Neerati Prasad
43	Ameen Abdullah Qaid	Computer Science	Reviews extraction and mining on big data using sentiment analysis	Prof. N. Rama Swamy (Retd.,)
44	Ramu Vankudoth	Computer Science	A model recommender system with efficient taxonomy of software reusable components	Dr. P. Radha Krishna
45	T. P. Sameerapallavi	Computer Science	Stock price prediction using map reduce approach	Dr. K. Bikshalu
46	Rajani Devi Thokala	Computer Science	A heuristic approach to classify the software reusable components	Dr. K. Bikshalu
47	Harchana Bhoopathi	Computer Science	Study of stock markets by using causal data mining	Prof. S. Radha Krishna (Retd.,)
48	D. Srinivas Reddy	Computer Science	Soft computing methods for identifying hidden patterns: a case study	Dr. A. Venkateshwar Rao
49	Sampath Kumar Tallapally	Computer Science	An innovative approach to secure data over cloud	Prof. A. Sadanandam(Rtd.,)
50	Shiva Prasad Satla	Computer Science & Engineering	Telugu dialect identification using different speech processing modelling techniques	Prof. D. Sakriya(Rtd.,)
51	P. Ravi Kumar	Economics	Consequence of the health problems on scheduled tribes - a study in telangana state	Dr. Rajender Katla

52	Rajandar Dasari	Economics	Watershed development programme in telangana state - a study in karimnagar district	Dr. A. Venkateshwar Rao
53	Kommu Jal Abhijith Dev	Economics	Socio-economic and living conditions of chenchus (primitive tribe) - a study in telangana and andhra pradesh states	Prof. T. Ramesh
54	Rajanna Muravath	Economics	Socio-economic analysis of school dropouts among the scheduled tribal students - a study in telangana	Dr. A. Jyothi
55	D. Sreedevi	Economics	Economics of coal mines - a study in telangana region of a.p.	Dr. B. Rama
56	A. Kavitha	Economics	Status and issues in agricultural credit - a study in warangal district	Dr. P. Srinivas
57	Saradha Ajmeera	Economics	Impact of globalization on socio-economic and health conditions of tribals - a study in telangana region	Prof. K. Raji Reddy
58	Ambala Pradeep Kumar	Electronics & Communication Engineering	Development of novel optimization schemes for pilot decontamination to improve the performance of massive mimo system	Dr. B. Manjula
59	Vumanthala Sagar Reddy	Electronics & Communication Engineering	Speech enhancement using improved adaptive filtering techniques and its implementation through fpga	Dr. B. Venkateswara Rao
60	Shanigarapu Naresh Kumar	Electronics & Communication Engineering	Fpga implementation of enhanced spectrum sensing in cognitive radio using optimal algorithms	Dr. P. Srinivas
61	Anitha Bujunuru	Electronics & Communication Engineering	Novel optimization schemes for energy harvesting to improve performance of cooperative spectrum sensing in cognitive radio networks	Dr. T.V. Sujatha Kumari(Retd.,)

62	R. Srikanth	Electronics & Communication Engineering	Efficient image segmentation approaches using optimization techniques	Dr. P. Radha Krishna
63	E. Jyothi	English	Migration in select novels of amitav ghosh: a study	Dr. P. Sammulal (Retd.,)
64	J. Satyanarayana	English	A study of select dalit men's autobiographies	Dr. B. Manjula
65	Rajaiah Gundagani	English	Multiculturalism in rohinton mistry's fiction	Dr. S. Jyothi
66	Kalakonda Saidulu	Geology	Petrography, geochemistry and petrogenesis of lamproites from nalgonda district of telangana state	Dr. Debendra K. Mohapatra
67	Vijaya Senkesi	Hindi	Samakaaaleen hindi lekhikavonki kahaniyon me vriddha jeevan	Dr. P. Shireesha
68	G. Leelavathi	Hindi	Yugal sahityaakaar mamata kaaliya - ravindra kaliya ki kahaaniyon ka anusheelan	Dr. Y. Venkaiah
69	Rajya Lasmi Mopide	Hindi	Nareesh meehata ke kaavyonka kaavya shaastriya adhyayan	Prof. T. Srinivasulu
70	Porika Premchand	Hindi	Manjul bhagat ki kahaniyon me yathartvad	Dr. T. Shastree
71	Lakkidi Komura Reddy	Hindi	Dasve dashak ke upanyason me kamkaji nari ki samasyaye	Prof. Gopu Sudhakar (Rtd.,)

80	Pulala Sumalatha	Mathematics	Application of univalent, analytic and multivalent functions	Prof. T. Yadagiri Rao
81	Ravindar B	Mathematics	A study on the coefficient conjectures of harmonic univalent functions	Dr. P. Srinivasa Rao
82	Ala Sindhuja	Mathematics	Study of wave phenomena for various poroelastic solids using analytical methods and finite element method (fem)	Prof. T. Yadagiri Rao
83	Ganesh K	Mathematics	Sandwich type of results and coefficient inequalities for some subclasses of analytic univalent functions	Dr. B. Sanjeeva Reddy(Rtd.,)

84	Jadi Laxman	Mechanical Engineering	Experimental studies and analysis of electric discharge machining process parameters on titanium super alloy	Prof. V. Ravinder (Rtd.,)
85	Radhika Chada	Mechanical Engineering	Microstructural characteristics of friction stir welded aluminum alloys	Prof. T. Yadagiri Rao
86	Anil Kumar Bodukuri	Mechanical Engineering	Experimental investigation and optimization of machining parameters of electric discharge machine for metal matrix composites	Dr. Ch. Sravanthi
87	Nusrat Ayesha	Pharmaceutical Sciences	Design and evaluation of transdermal drug delivery system for some drugs	Prof. A. Raghuram Rao(Rtd.,)
88	Naga Raju Kandukoori	Pharmaceutical Sciences	Studies on influence of some phytochemicals on pharmacokinetics and pharmacodynamics of selected antidiabetic drugs	Dr. K. Sujatha
89	U. Pavani	Pharmaceutical Sciences	Pharmacokinetic and pharmacodynamic interaction studies of some antidiabetic drugs with selected phytochemicals	Dr. Md. Moize Ahmed(Rtd.,)
90	K. Rajamanohar	Pharmaceutical Sciences	Development of new chemical entities for possible pharmacological activities	Prof. P. Ravi Kumar
91	Madugula Naveen Kumar	Pharmaceutical Sciences	Investigation of pharmacological activities of indian toad (bufo melanostictus) parotoid gland secretions	Dr. R. Umarani(Rtd.,)
92	Macha Baswaraju	Pharmaceutical Sciences	Design, synthesis and evaluation of new tacrine analogs as anti-alzheimer's agents	Prof. M. Sarangapani (Rtd.) & Dr. V. Chandrasekhar
93	Shivarani Eesam	Pharmaceutical Sciences	Improvisation of physicochemical properties of some selected drugs using co-crystallization techniques	Dr. B. Manjula

94	Susmitha Kolluri	Pharmaceutical Sciences	Clinical studies of organophosphorus poisoning in farmers and histopathological findings in animal models	Prof. G. Veeranna (Rtd.,)
95	Bhoga Bhagya	Pharmaceutical Sciences	Design and evaluation of oral osmotic drug delivery systems for some drugs	Prof. N. Shyam Kumar
96	Usha Kiranmai Gondrala	Pharmaceutical Sciences	Design and evaluation of anti-ageing and anti wrinkle cosmeceuticals	Prof. P. Amaraveni
97	Sangeethkumar Munigadapa	Pharmaceutical Sciences	Bioactive compounds from extracts of bufo melanostictus (indian toad) as cyp, p-gp and oatp modulators	Dr. S. Narasimha Chary
98	Yasmin	Physical Education	A comparative study on physical fitness components among kabaddi and kho-kho players of high school boys of warangal dist.	Prof. P. Ramesh Reddy (Rtd.,)
99	Kistu . A	Physical Education	The effect of training methods on physical fitness physiological and psychological variables of kabaddi and kho-kho players among tribal ashram high school students of telangana state	Dr. Md. Mustafa
