### VICE-CHANCELLOR'S MESSAGE

***Wish you all a Happy Independence Day!***

I am glad to inform you all that I have taken charge as the Incharge Vice-Chancellor of Kakatiya University on the 24<sup>th</sup> July 2019.

On the auspicious occasion of our Independence Day, I wish to share a few words with all my faculty members and non-teaching staff that our University is reaching 43<sup>rd</sup> year of its establishment catering to the needs of higher education in Telangana. I understand that our

University has grown to be the second largest University in Telangana State with twenty four departments, eight faculties, nearly 2.25 lakh students and offering more than 200 academic programmes.

The University has many achievements over these years. In the recent times, our notable achievements include NAAC Accreditations, RUSA Funding, new Hostel buildings, University Green Metric Ranking, INFLIBNET facilities for the Library, several research projects of UGC-SAP, DST-FIST and BSR, research journals, patents, student placements in several MNCs and so on. The University has not only made examination branch online such as remitting exam fee, applying for certificates etc. but also facilitated MOOCs, NAD, Swayam, plagiarism check.

I appreciate and congratulate the sincere efforts of teaching community on their academic contributions, support of non-teaching staff, scholars and students.

Let us all rededicate ourselves for quality research, new approaches in teaching and learning process, employability skills, integration of Information and Communication Technology, Industry – Institution Interface entailing value-based education.

I congratulate the Editorial Team on the excellent work done in bringing out this Newsletter with the activities and achievements of the University.

Let us individually and collectively strive to usher in a new culture to bring out our true potential and maximize the output in all the spheres.

With best wishes,

**Dr. B. Janardhan Reddy, IAS**

Handing over the charge

Prof. R. Sayanna handing over the charge of Vice-Chancellor to Sri B. Janardhan Reddy, IAS, Secretary of Higher Education, Govt. of Telangana on 24th July 2019 at Hyderabad

**Dear Faculty members, Non-teaching staff, Scholars and Students,**

I handed over the charge as Vice-Chancellor on completion of my successful tenure at Kakatiya University on 24th July 2019. I am glad that this opportunity bestowed on me by the Government of Telangana, gave me an opportunity to contribute to the development of the University, which is on the path of achieving academic excellence.

I really cherish the memories of the commitment and expertise of the teachers, supportive administrators and the dedicated non-teaching employees while preparing the University for the NAAC Inspection and in conducting the Convocation successfully. The major problem of inadequate hostel accommodation in the University has been solved with the construction of New Hostel Buildings for girls and boys. The University faculty and the students have brought many laurels and awards at the National and International level. Many projects were taken up with the funding from prestigious agencies. The research and consultancy should further be advanced by utilizing the RUSA funds towards high quality research. Many other notable achievements of the University were the result of all your sincere efforts and support that I accomplished during my tenure.

I hope the University in its journey to realise its goals has to keep itself abreast of developments and changes, enhance the academic standards and explore contemporary research to find real solutions to the problems of the society. Let the University stay tuned to the changing trends in academics. I reiterate that the students should make the best use of the resources and expertise of the faculty to build a knowledge-based society.

I thank one and all, and I wish a bright future for the University.
