VIVECHANA NEWSLETTER

Vol. 20 / Issue 1

January, 2025

VICE-CHANCELLOR'S MESSAGE

Warm greetings to all on the occasion of Republic Day!

This day is a reminder of the values of democracy, unity, and progress that define our nation, inspiring us to continually strive for excellence in education, research, and service to society.

Kakatiya University is at the forefront of transformation and innovation. We are rearing up to initiate several prestigious projects sanctioned under RUSA, including the establishment of five advanced research centres and the launch of 40 impactful research initiatives. These projects will elevate our university's standing as a hub for cutting-edge research and innovation.

My administration remains committed to transparency and accessibility, ensuring that all stakeholders are heard and served effectively. I am always available to address concerns and collaborate on initiatives that enhance the academic and administrative framework of our university. Efforts are being made to streamline academic and teaching activities, reinforcing our commitment to quality education and excellence in research.

We are excited to announce that the university is preparing to conduct its XXIII Convocation shortly. This landmark event will be a celebration of the accomplishments of our graduating students, a testament to their hard work and dedication, and a source of pride for the entire university community.

Additionally, we are actively pursuing developmental grants from the State Government to further enhance the university's infrastructure and academic ecosystem. These grants will be pivotal in ensuring the sustained growth and success of our institution.

On this Republic Day, let us rededicate our self to build a brighter future for our university and nation. Together, we can foster a culture of innovation, inclusivity, and excellence that drives progress and empowers every learner.
