

## SUBMIT YOUR ABSTRACTS

- Abstract should not exceed 250 words.
- All the reviewed, accepted abstracts will be published in proceedings of ISBN book.
- Submit abstract to: [abidpm2025@gmail.com](mailto:abidpm2025@gmail.com)

### Dates to Remember

- Abstract submission deadline: 01-03-2025
- Intimation of Acceptance : 05-03-2025
- Registration closes on: 05-03-2025

E-POSTER as well as the offline presentation can be presented on various themes of the seminar for limited participants

### Registration Fee

Student/Scholars/Post-Doc	Rs.200
Faculty/Scientist/Industrialist	Rs.500
Spot Registration (for all)	Rs.500

**How to Register**

## Organizing Committee

- Chief Patrons : *Prof. K. Prathap Reddy*,  
Vice-Chancellor, KU
- Patron : *Prof. V. Ramchandram*  
Registrar, KU
- Vice-Patron : *Prof. G. Hanmanthu*,  
Dean, Faculty of Science, KU
- Chair Person : *Prof. B. Suresh Lal*,  
Principal, University College, KU
- Co-chair : *Prof. R. Mallikarjun Reddy*,  
Coordinating Officer, UGC Unit, KU
- Organizing Secretary : *Prof. Y. Venkaiah*
- Director : *Prof. G. Shamitha*, HoD  
Convener : *Prof. E. Narayana*, Chairman, BoS  
Co-convener : *Prof. Estavi Mamidala*

## National Seminar on

# Innovative Techniques in Animal Biotechnology and Immunology for Disease Prevention and Management

**(ABIDPM-2025)**

**11-12 March 2025**

Organized by :

**Department of Zoology**

**KAKATIYA UNIVERSITY,  
Warangal - 506 009 T.S**

## About the University

Kakatiya University was established in 1976 with the up gradation of the erstwhile Post-Graduate Centre of Osmania University, Hyderabad.

The Kakatiya University was first accredited with B+ grade in the year 2003. The University was subsequently re-accredited with 'A' grade in 2009 and 2017. It occupied 38th position in national level rankings by India Today-Nielsen Survey. Kakatiya University established Memorandum of Understanding (MoU) with several universities and research institutes for collaborative research. Kakatiya University crossed the milestone of forty years and is poised to achieve greater academic excellence with dedication and commitment in the years to come.

## About the Department

The Department of Zoology was started in the year 1976. The Department has well equipped laboratories, advanced research facilities. The Department does exceedingly well in the fields of higher education and research and also establishes the research thrust areas like Physiology, Seri-biotechnology, Infectious Diseases, Bioinformatics, Computational Biology, Environmental Biology, Ecology, Entomology, Pathology, Phyto-chemistry and Toxicology

## About the SEMINAR

The National Seminar on Innovative Techniques in Animal Biotechnology and Immunology for Disease Prevention and Management aims to explore cutting-edge advancements in biotechnology and immunological research. This event will bring together experts to discuss novel approaches for combating animal diseases, enhancing health, and promoting sustainable management practices in veterinary science.

## Who can Participate?

- Faculties, Scientists, Research Scholars, Post-graduate Students from Universities, Research Institutes, Colleges, Hospitals, etc.
- All the accepted abstracts asked for full paper submission which will be published in peer-reviewed ISSN Journal.

## SEMINAR THEMES

- Biotechnology for Disease Diagnostics in Animals
- Pharmaceutical biotechnology
- Nanotechnology in Animal Disease Prevention
- Drug discovery, trials, and development
- Immunology of Infectious Diseases
- Novel therapeutic techniques
- Stem Cells and Cancer Research and Treatment
- Bioinformatics and Computational Biology
- Healthcare technology and Research
- Natural, Environmental and Health Sciences
