

International Collaboration between **Prof. Laszlo Szabados**, Institute of Plant Biology, Biological Research Centre (BRC), Szeged, Hungary and **The Head**, Department of Biotechnology, Kakatiya University, Warangal, India

AGREEMENT

It is agreed to exchange the faculty members and Research Scholars from Department of Biotechnology, Kakatiya University, Warangal, India and Institute of Plant Biology, Biological Research Centre (BRC), Szeged, Hungary, represented by **Dr.A.V.Rao**, Head, Department of Biotechnology, Kakatiya University, Warangal, India and **Prof. Laszlo Szabados**, Institute of Plant Biology, Biological Research Centre (BRC), Szeged, Hungary.

We see mutual benefit in this agreement in the following area.

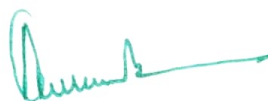

Regulation of responses to environmental stresses in higher plants and try to understand the biological bases of salt and drought tolerance and provide tools for breeders.

Plant material covered under this agreement may be used solely for research and not for profit purpose.

Prof.Laszlo Szabados
