COLLABORATIVE RESEARCH WITH ACADEMIC INSTITUTIONS

As part of the promotion of collaborative Earth Science research with academic institutions, I was associated with the Professor and Head of Geology Dr. R. Mallikarjuna Reddy, Kakatiya University, Warangal, Telangana State and his research team consisting of Dr. N. Sridhar and Dr. K. Sai Krishna. As a result of our efforts the following papers that are published in reputed international journals.

1. Sridhar Nalluri, Mallikarjuna Reddy Ragi, Sessa Sai Valivetti, Rohit Pandey (2022) Mineral chemistry of biotite and hornblende from mesoproterozoic quartz syenite intrusions of the Cuddapah Intrusive Province, Eastern Dharwar Craton, India: implications for their source characterization (2022) Mineralogy and Petrology by Springer Publishers.
2. K. Sai Krishna, R. Mallikarjuna Reddy, V. V. Sessa Sai (2022) Crystallization pressure and radiogenic heat production in A-type granite from Yelabotharam area of Eastern Dharwar Craton, Peninsular India. Geosystems and Geoenvironment (In Press).
