[5]   Transportation
[5.9]   Zero Emission Vehicles

Zero Emission Vehicles are available, but not provided by the University

Currently, the University does not have any ZERO emission vehicles of its own.

However, due to large scale promotion of carbon less vehicles, a few of the university staff have electrical vehicles. It may be negligible, but it's usage is consistently rising

Kakatiya University, Hanumakonda – 506009 Telangana State, India

In 2017, the university mandated that all the security guards on the campus commute only through bicycles. Similar initiative is also being taken for Class-IV employees below the age of 45.

No students residing in University Hostel is allowed to use a fuelled vehicles (exception to the physically challenged students)
