

International Collaboration between Institute of Systematic Botany & Mycology, LMU, Munich, Germany and Department of Biotechnology, Kakatiya University, Warangal, A.P. India.

Agreement

It is agreed to exchange the Faculty members and Research Scholars from Department of Biotechnology, Kakatiya University, Warangal, A.P, India and Institute of Systematic Botany & Mycology, University of Munich, Germany represented by Prof. A. Sadanandam, Head, Department of Biotechnology, Kakatiya University, Warangal, A.P, India and Prof. Susanne S. Renner, Chairperson, Institute of Systematic Botany & Mycology, University of Munich, Germany.

We see mutual benefit in this agreement in the following areas.

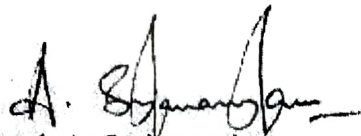

1. To investigate phylogenetic relationships in cucurbits especially *Luffa* & *Cucumis*
2. Identification of medicinally important plants via bar coding

Plant materials covered under this agreement may be used solely for research and not-for-profit purpose, only under direction of Prof. Susanne S. Renner, Chair, Institute of Systematic Botany & Mycology, University of Munich, Germany.
