Sub: Innovation in Mobile Application and Development Ecosystem (I-Made)

I am to inform you that the Kakatiya University, in principle has agreed to be a part of **I-Made (Innovation in Mobile Application and Development Ecosystem)** initiative driven by the Telecom Centre of Excellence, supported by the Government of India, New Delhi.

Key highlights of the I-Made program include:

- E-Notice Board
- Attendance Management System
- Fee Payment Management System
- Anti-Ragging Helpline
- Places Around Campus
- Time-Table and Syllabus
- News and Announcement
- Campus Directory
- Gallery
- Campus Registration and Admission Module
- App Building Platform

The University is currently planning a Workshop for the above, which will be intimated to you shortly. Meanwhile, all the principals of Kakatiya University Constituent and Affiliated colleges are accordingly requested to register their institution for the above facility. Further details on the program are available at: http://www.i-made.in/, you can submit your application at: http://www.i-made.in/apply.html. For more details check out http://www.i-made.in/faqs.html. If you still seek any further clarifications, please contact Ms. Ishika Priya, on her mobile: 7042380228, or email at: ishika.priya@i-made.in

It is mandatory that all the principals of Kakatiya University Constituent and Affiliated colleges are further informed to be a part of the I-MADE program on or before 31 March 2019.
