Sub: KAKATIYA UNIVERSITY – Prohibition of entry to Walkers and Outsiders into the University Campus – Circular – Issued.

--o0o--

In the light of recent incidents involving accidents and hazards on campus, it is found necessary to address the increasing concern regarding walkers and their impact on educational environment. The presence of walkers in the institution has not only posed safety risks but also contributed to the deterioration of the sports track and surrounding grounds. As part of commitment to maintaining a safe and conducive learning atmosphere, the Hon'ble Vice-Chancellor has ordered to impose prohibition of entry to walkers and Outsiders within the campus grounds, with immediate effect.

It is also observed that students are walking on the roads in clusters, which is hazardous to the Vehicle drivers/riders as it may lead to accidents inside the campus. Therefore, it is informed to walk on the pavements to reduce the risks.

Cooperation and understanding the importance of this measure in preventing further traffic-related incidents and to protect the integrity of campus facilities is highly appreciated.
