Dear Sir/Madam,

We, the students of University Law College take the privilege to intimate you that University Law College, Utkal University, Bhubaneswar is organising a National Moot Court Competition, *i.e.* "Antarik Sarkar Memorial National Moot Court Competition-2019" on 6th-7th April 2019 in the College premises. The Competition aims at providing a practical and realistic experience of the trait of advocacy to all the participants concerned. We aspire to give an enriching and a valuable moot experience to all the interested stake-holders.

University Law College, Utkal University, Bhubaneswar is the premier law institute in the State of Odisha having its bright glory of achievements since its very inception in the academic year of 1975-76. The College has created its unique identity among the law institutes in the State for success of its students in Judicial Service Examinations. It imparts 3 years LL.B. as well as 5 years Integrated B.A. LL.B. (H) courses at the undergraduate stage and also provides 2 years LL.M. course to the law graduates. The institution holds the fame for creating established legal practitioners.

In the recent days, Moots are usurping a greater importance in preparing law students for their profession. This envisages a real court simulation which pragmatically enshrines the art of advocacy, skill of argumentation, the tact of handling grilling from highly competent and learned Benches, deep and articulate research and analysis and most importantly the real judicial environment. It is indeed very much useful in prospering the capabilities of law students.

We, therefore, cordially invite you to kindly join our moot venture and graciously make your presence a reason for the grand success of this event. We are looking forward to entreat you in the temple city of Bhubaneswar.

The Moot Problem, Registration Form and the detailed Rules for the Moot Court Competition are enclosed herewith.

Thank You,
With Regards,
Organizing Committee,
5 Yr. B.A. LLB (H) Course,
University Law College, Bhubaneswar.
