## About the Institute:

Established in 1974 as Department of Pharmacy, it was upgraded to the status of a college in 1981 and named University College of Pharmaceutical Sciences. It is recognized as one of the best Pharmacy Colleges in India and enjoys worldwide recognition in the field of pharmacy education and research. Currently, B. Pharm. and M. Pharm. with six specializations viz., Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, Pharmaceutical Analysis, Industrial Pharmacy and Pharmacognosy & Phytochemistry courses are offered in the college besides Ph.D. and Post Doctoral studies. Since the introduction of Ph.D. programme, more than 200 candidates were awarded with Ph.D. Degree. The State Government honoured 7 (seven) of the faculty members with Best Teacher Awards. Most of the faculty have visited several reputed laboratories in USA, Germany, Austria, UK, Italy and New Zealand on Post-Doctoral/Research programmes. Prestigious international fellowships like BOYSCAST, UNESCO, DAAD, AvHumbolt, CV Raman etc, were awarded to several of the faculty to pursue their Post-Doctoral/Research studies.

Faculty of the college have extensively worked and published on different areas of research viz., Natural Product Isolation, Transdermal Drug Delivery, Mucoadhesive Patches, Drug targeting and colloidal drug delivery, Molecular Modeling, Novel Synthetic Methodologies, Secondary Metabolite Production from Plant Tissue Culture and Microbes, Isolation of Antibiotics from Soil Microbes, Cancer Biology, Screening of Herbal Extracts, Population Pharmacokinetics; Formulation and Evaluation of Herbal Cosmetics.

The college has sophisticated research facilities viz, Walk-in cold room, Animal House, Animal and plant cell culture lab, CAAD lab and has equipment viz., Zetasizer, HPLCs, GC, HPTLC, CHN Analyzer (Elementar), Auto Analyzer for biochemicals, DSC, FTIR, Gel Documentation System etc.

The faculty of Pharmacy have been sanctioned the Research Projects from various National / International agencies and industries. The college was identified by the UGC under the DRS-SAP and the DST has sanctioned an assistance of Rs. 32.00 lakhs under the FIST. The college has organized two International Conferences and a large number of National Conferences / Seminars,

being sponsored by AICTE / UGC / DST and other funding agencies. The department acted as National Nodal Centre for Quality Improvement Programme (QIP) of AICTE and contributed for the teacher training by organizing short term programmes for the last 18 years.

The college organized Silver Jubilee celebrations of Department in 1999-2000 and organized Pharma Exhibition to popularize Pharmacy profession. Several of the Alumni were placed in prestigious institutions around the world. Some of the Alumni established US-FDA approved manufacturing units in various countries. Pharma Alumni association was started in 1984 and spreaded the activities all over world. This association motivated old students to donate funds for building Prof. K.V. Basivi Reddy memorial Pharma Alumni Block, consisting of a Seminar Hall, an Air-conditioned (A/C) Auditorium, four class rooms & a guest room.

## About the Conference

Developments in physical, chemical, biological and medical sciences influence the Pharmaceutical Sciences. Advances in these fields attract the attention of Pharmaceutical Scientists. Hence, this Recent Advances in Pharmaceutical Sciences - (RAPS) - 2020 is aimed to provide a platform for updating and exchanging of scientific ideas, relevant to the applied field of Pharmaceutical Sciences in the subject areas of Pharmaceutics, Pharmaceutical Chemistry, Pharmacognosy and Phytochemistry, Pharmacology, Pharmaceutical Analysis along with regulatory aspects. In this conference, senior scientists / academicians working in different fields will present the advances to faculty / scholars / students by way of lectures. The young scholars will be provided a platform to present their recent contributions in the drug development / discovery process as posters. Further, current regulatory issues relevant will also be presented.
