The NAAC peer Team is going to visit the University within a couple of months and the Authorities, Officials, Administration, Teaching and Non-Teaching staff of the University are with busy in preparations and working late hours and on holidays.

In this context, I am desired by the Vice-Chancellor to inform the service associations and student organizations that strikes, dharnas etc. should not perform in the campus. Further, in this busy schedule, it is also observed that some of the service associations, students organizations, teaching & non-teaching employees as well as common people visiting the higher officials of the University on petty issues, which causes a lot of disturbance in the scheduled works.

Therefore, the Vice-Chancellor has viewed the matter seriously and directed to inform all that no appointments will be entertained until the completion of NAAC visit. However, for any important matter, prior permission may be obtained before 2 to 3 working days.
