About Kakatiya University

Kakatiya University was established on 19th August, 1976 to fulfil the aspirations of the Telangana people for higher education. It is located in the historical city, Warangal, the erstwhile state of the Kakatiya rulers. Kakatiya University is sprawling 672 acres of land adjoining Warangal city to serve the educational needs and its inception has heralded the long-cherished aspiration of the rural people of Northern Telangana. The University has now 27 departments on the campus with a network of 11 constituent colleges and 471 affiliated colleges. It is offering about 157 programmes at undergraduate and post graduate level in the faculties of Arts, Science, Commerce, Education, Pharmaceutical Science, Law and Engineering. University was accredited with "A+" grade by NAAC in 2023.

The founding of the University was in fact a historic event that heralded a new era in the realms of higher education of this region. The erstwhile Post-Graduate Centre of Osmania University was upgraded and named Kakatiya University. The University, began its journey as PG Centre Warangal in 1968 under aegis of Osmania university with only four Departments, viz. Telugu, English, Chemistry and Mathematics. The Departments of Physics, Botany, Zoology, Commerce, Public Administration, Sociology and Economics were added later.

About the Department

The Department of Sociology has started in year 1980 at Undergraduate level after that 1991 at Post Graduate Level, Social Work has started in the year 2007. Meanwhile, the Department Nomenclature has changed in to the Department of Sociology & Social Work in the academic year 2015-16 onwards. Presently, it consists of one Senior Professor and Two Associate Professors.

About the Warangal

Warangal (historically known as Orugallu) is a historical city, The capital of erstwhile Kakatiya dynasty who ruled this area from 12th to 14th century. It is about 140 Km away from Hyderabad, well connected by rail and road from all major cities.

Warangal known for its historical monuments like Thousand Pillar Temple, Padmakshi Temple, Fort, Bhadrakali Temple and Ramappa Temple (located at Plampeta, 64 Kms away from Warangal City). The weather of Warangal during the seminar period will be pleasant with a temperature around 35°C. Light clothing would be sufficient.

Theme of the Seminar

The seminar will address about some of the challenges of social transformation and how societies face the challenges of social transformation. This will discuss how change can be difficult but also how societies can overcome the challenges of social transformation mapping the Trajectories of Social Institutions.

The process of globalization is transforming society with unprecedented speed and scope. Along the way, social roles are being altered and identities are being transformed. How do the forces of globalization shape the self and society? How social Institutions do changes to Society and Self affect social relationships and alter larger social structures at larger scale? This two days National Seminar on is going to offer a conceptual framework for addressing these questions. Most of the societies five major social institutions are the family, the state or government, economy, education, and religion. Each of these institutions has responsibilities that differ based on society. Mapping Social institutions are to establish patterns of beliefs, behaviors and relationships that organize social life. Social institutions exist to meet society's fundamental needs, such as providing structure, guidance and order. Social transformation means big changes in society. When a society changes, there are many challenges. The challenges of Globalisation, Development and Social Transformation are not easy to deal with. People must adjust to new ways of doing things and new beliefs. Changing long-held traditions can cause disagreement and uncertainty.
