ABOUT THE NATIONAL SEMINAR

This National Seminar aims to provide great insight on

“**One Nation One Subscription (ONOS)**” to all stake holders i.e., students, Research Scholars, faculty & librarians / information professionals of Scholarly research content of HEIs. As ONOS is new scheme and this seminar intends to create awareness and be part of democratizing access to knowledge and research resources.

ABOUT THE ONE NATION ONE SUBSCRIPTION (ONOS)

In the vision of making India *Atmanirbhar* and *Viksitbharat 2047* the Government of India approved **One Nation One Subscription** scheme to provide country-wide access to international high impact scholarly research articles and journal publications to students, faculty and researchers of all Higher Education Institutions managed by the Central Government and State Government and Research & Development Institutions of the Central Government.

ONOS provides access to 13,000+ peer reviewed full-text journals from 30 publishers from most of the prominent STEM and Social Science publishers and content providers by combining multiple institutional and Consortia-based subscription.

ONOS will open a goldmine of knowledge available in top quality scholarly journals to nearly 1.8 crore students, faculty members, researchers and scientists of all disciplines, thereby encouraging core as well as interdisciplinary research in the country.

ABOUT THE UNIVERSITY CENTRAL LIBRARY

The University Central Library is started in 1967, as a prime wing of the erstwhile PG centre of Osmania University, Hyderabad. In 1976, Kakatiya University was formed and University Central Library was started on 10th March, 1983. During the past five decades, the University Central Library caters to the information needs of the Students, Research Scholars and Faculty members of the University. It is housed in a spacious building with a plinth area of 2750 sq.mt. and equipped around 1.43 lakh books and about 30 thousand back volumes of periodicals. The Library is subscribing about 100 Indian and foreign research journals of various disciplines.

ABOUT THE DEPT. OF LIBRARY & INFORMATION SCIENCE

The Department of Library & Information Science at Kakatiya University was established in 2004. Is the oldest of North Telangana and based in the Heritage City, Warangal. It has been catering to needs of Library Science Students and offers M.Lib.I.Sc. Course and Ph.D. Program in LIS and LIS courses in distance mode. Department aims to prepare information professionals/librarians who demonstrate excellence in leadership, service, research and education in a technology-driven environment. It has been equipping students of LIS with required skills and competencies. Students passing out are placed in various national, corporate and private organizations. Department also facilitates students as trainees/interns in various institutions of national importance.

ABOUT THE KAKATIYA UNIVERSITY

Kakatiya University was established on 19th August 1976, in sprawling 672 acres of land adjoining Warangal city. Since University inception it is serving the educational needs of people of Northern Telangana. In an effort to give impetus to the educational, research and faculty exchange programmes with foreign universities, the University has entered MoU with many foreign Universities and Institutions.

The University has now 27 departments on the campus with a network of eleven constituent colleges and 471 affiliated colleges. It is offering about 157 programmes at undergraduate and post graduate level in the faculties of Arts, Science, Social Science, Commerce, Education, Pharmaceutical Science, Law and Engineering.

The University has hoisted its flag high in the area of sports and games at national level. Social activities taken by National Service Scheme (NSS) brought laurels to the University at national level. Recently, University was conferred with best NSS award- 2021 and received from Hon'ble President of India. The University bagged all India First prize in National Water Awards - 2021 in recognition to the efforts made in Rain Water harvesting on KU Campus.

NIRF identifies the University as the Mentor University and also has UI Green Metrics. In the fitness of things, aptly the University was reaccruited with 'A⁺' grade by NAAC in 2023.
