

# TELANGANA ACADEMY FOR SKILL AND KNOWLEDGE

(Department of ITE & C, Government of Telangana)

25-07-2015  
Warangal.

To  
The Registrar,  
Kakatiya University,  
Hanamkonda, WARANGAL-506001,  
Telangana.

Dear Sir/Madam,

Sub: - Request you to send the information to all affiliated colleges under your jurisdiction about Telangana Academy for Skill and Knowledge (TASK) -New Registration/Renewal of Engineering/MCA/MBA/Degree colleges for training on employable skills to students

\*\*\*

TASK is a non-profit organization created by Government of Telangana for bringing synergy among institutions of Government, Industry & Academia with an objective of offering quality human resources and services to the industry.

We partner with colleges to create a conducive environment for growth through faculty development, research pilots and help colleges provide quality education for the leaders of tomorrow with focused systematic Programmes, which help corporates gain access to a pool of trained graduates for suitable roles.

Initiatives from TASK are majorly focused around the concept of Employability Quotient that includes three key skill dimensions, personal, technical and organizational skills.

To train the students across the state on the above skills, there is a need to build a strong faculty base, for which training is also provided to the faculty members through Faculty Development Programs in collaboration with various corporates. Technology certification programmes, product innovation workshops, technology contests are offered to students at a highly subsidized price.

For Colleges and Students to benefit from these programmes they are required to register with us. In regards to this, we request you to send this information to all affiliated Engineering/MCA/MBA/Graduate colleges of the university in Telangana to register with us and work together in achieving the government's vision on enhancing employability among the youth.

Yours faithfully

Dr.V.K Swamy,  
Director, Skill Development (TASK)

OFFICE OF THE REGISTRAR, KAKATIYA UNIVERSITY, WARANGAL

End.No. 484/B2/KU/2015

Date: 12.08-2015

Copy communicated to All the Principals of University/ Affiliated Colleges (Professional & Non-Professional) under the Jurisdiction of KU for necessary action.

REGISTRAR

## Finishing School

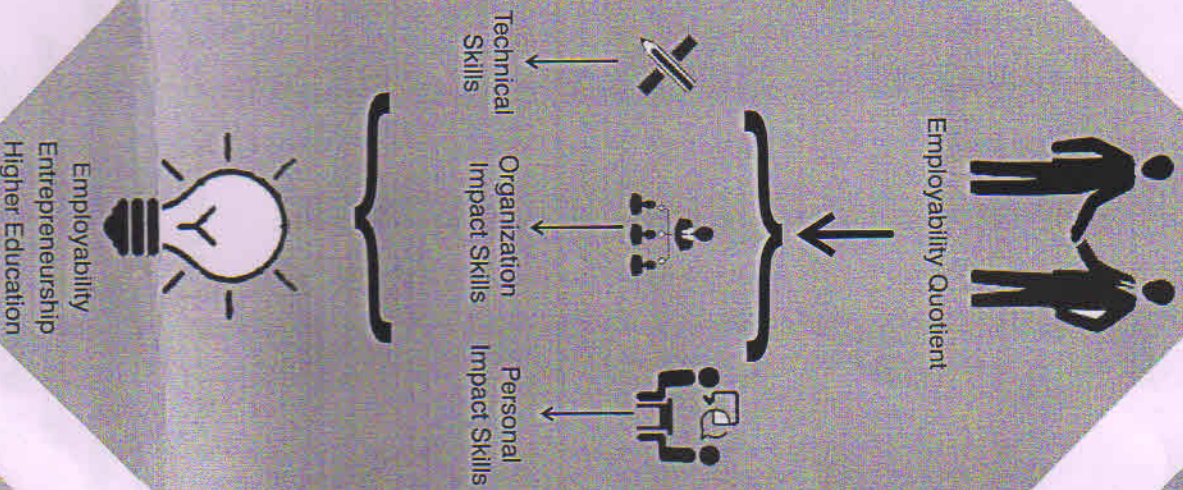

With a view to meet the shortage of skilled human resource requirements of corporates in the state TASK has taken up an initiative to pilot a Finishing School for un-employed graduates.

The finishing school program is designed for a period of 8/12 weeks for the students currently unemployed from recognized institutes in Telangana.

## Entrepreneurship

### Maximising Potential Through Technology Entrepreneurship

The Technology Entrepreneurship Programme (TEP) brings to life and extends the ISB & TASK's enduring theme of creating knowledge for the service of society. Through TEP the School seeks to guide and inspire talented engineering student's entrepreneurial spirit; generating and translating innovations to positively impact individuals, communities, institutions, and societies.

## Professors of Practice

Professors of Practice(POP) is a concept that will be pilored for a creative approach to impart soft skills to graduates in college.

Professionals with experience in corporate will be visiting the colleges and orienting students on Soft Skills Module with focus on Personal and Organization skills.

The training provided is intended to bring in practical experiential perspectives working with organizations and boost the confidence of students towards enhancing their opportunities in applying for employment. higher studies and entrepreneurship.
