Subject: "Request to upload this announcement via websites, letters, or official channels to all faculty, students, and officials, inviting participation in the India Space Lab: Winter Internship & Technical Training Program.,- Reg

आदरणीय महोदया/महोदय, Respected Sir/Madam,

"Kindly disseminate and upload this announcement via website/ Letter/ official channels to all the faculty, students, and officials, inviting their active participation in the Upcoming India Space Lab: Winter Internship & Technical Training Program.

We encourage you to read more about the **Hon'ble Prime Minister's** thoughts on India's remarkable space journey in his Mann Ki Baat program in August 2024, where he shared his thoughts on India Space Week and its significance and appreciated its contribution.

Following the notice issued on December 8, 2023, regarding the online meeting on "Viksit Bharat @2047: Voice of Youth," referenced as F.1-1/2023(secy/ViksitBharat@2047), we are pleased to announce that the Prime Minister has launched "Viksit Bharat @2047" on December 11, 2023.

The Government of India, under the visionary leadership of Hon'ble PM Shri Narendra Modi, has initiated groundbreaking reforms in the space sector. These reforms aim to promote and advance space education, research, and development in our country. Following the successful of India Space Week & National Space Day event held in August, 2024 and an Advanced Drone workshop /Internship Technical Training Programme /Cyber Security Awareness Program/Astronomy and Astrophysics/Space Entrepreneurship/ Distaster management/ conducted across universities and offical Departments.In continuation, The India Space Lab has launched a Winter internship technical training program - 2025 for all (Space Education & Employment).

Upcoming India Space Lab: Winter Internship & Technical Training Program.
