Date: 29 -10-2025

To
All the Principals of
University / Constituent / Affiliated Colleges
offering Under Graduation and Post Graduation Courses
Kakatiya University

Sub: KU MOU with NAASCOM – Implementation of Future Skills Prime Courses at
University and affiliated Colleges – Regarding.

~!~

Sir / Madam,

I am to inform you that the University has entered into MOU with NAASSCOM so as to enable the colleges to commence the Future Skills Prime Courses in collaboration with NAASSCOM.

While forwarding the guidelines for implementation process, I request you to initiate action as per the guidelines and forward the action taken report to the Academic Branch, Kakatiya University for information and record.

Yours faithfully,

REGISTRAR

Implementation of nasscom FutureSkills Prime Courses – Request to Issue Orders to Affiliated Colleges

Respected Dr. K. Bikshalu Sir,

Greetings from NASSCOM!

As part of the MoU signed between Kakatiya University and nasscom to implement the FutureSkills Prime initiative, we request the University to kindly issue necessary orders to all Principals of UG and PG colleges, including affiliated institutions, to commence the FutureSkills Prime courses as per the following implementation process:

Implementation Process

1. Nomination of SPOC and Student Ambassadors

Each college (University and affiliated) is requested to:

Nominate a Faculty Member as the Single Point of Contact (SPOC) for nasscom initiatives.

Nominate two Student Ambassadors per department to drive these initiatives within their college.

The Student Ambassadors will receive an Appreciation Certificate from nasscom and will be given priority consideration for internship and placement opportunities.

The details of the nominated SPOC and Student Ambassadors should be shared with nasscom in the attached template.

2. Student Details Submission

The nominated SPOC must collect and submit student details (in the attached template) from all UG and PG branches of their respective institutions by 18th October 2025.

This information will be used for onboarding students to the FutureSkills Prime platform and issuing login credentials to access the courses.

3. Course Commencement

Students may start accessing and learning the assigned courses from 25th October 2025.

Courses to be Completed in Phase-1 (Free of Cost)

Course 1. Digital 101-30 Hours

Course 2. Acquiring Data by Accenture

Course 3. Data Processing & Visualization

Note:

All the above courses are to be completed by all students (UG and PG) across all branches, from first year to final year.

All courses are free of cost.

Students who wish to appear for Assessment and Certification may pay a nominal fee of ₹600.

"Dean CAC/DR Head
for circulation among all the principals
of constituent colleges & affiliated colleges"

Certified students will receive support for internships and placement opportunities through nasscom Talent Connect Portal.

Onboarding and Awareness Session

After successful onboarding, all students will receive an official onboarding email from the FutureSkills Prime platform with their login credentials.

Following this, I will conduct a virtual awareness session for all nominated Faculty SPOCs and Student Ambassadors on:

How to access the platform

How to enroll in the courses

How to complete the modules and take the final assessment

The trained Faculty SPOCs and Student Ambassadors will, in turn, guide and support other students in their respective colleges to enroll and complete the courses successfully.

For any clarifications or additional support, colleges may contact:

Mr. Bojjam Praveen Kumar

Senior Associate – Academic & Government Relations-Telangana

IT-ITeS Sector Skill Council, nasscom

Email id: t-bojjam@mail.nasscom.in

Nobile : 9052656967

We also request you to kindly share the list of affiliated colleges under Kakatiya University for our reference and coordination.

We look forward to your kind approval and direction to circulate this communication to all constituent and affiliated colleges under Kakatiya University for immediate implementation.

Thank you for your continued support in advancing this initiative, which aligns with the National Digital Skilling Vision of empowering students with emerging technology skills.

With Regards,

Bojjam Praveen Kumar
